e.) The decision of where to take patients on rescue calls shall be made by officials of the CITY at the scene, with the patient's life being of first concern.

f.) The operation of fire and rescue service shall be the sole responsibility of CITY and within full control of CITY and its authorized representatives. CITY agrees to give due consideration to suggestions or recommendations made by the BOARD OF COUNTY COMMISSIONERS OF NASSAU COUNTY, FLORIDA, and the authorized representatives of AMELIA.

7.) COUNTY will furnish all medical supplies to be used in rescue vehicles. COUNTY will furnish rescue maintenance expenses in excess of \$25.00 per item for rescue service. CITY will pay the first \$25.00 per item of such expense.

8.) COUNTY shall appoint an ad-hoc committee to study the feasibility of a municipal services taxing district for all the areas of Amelia Island, said committee to complete its study and proposal no later than May 1, 1982. COUNTY further agrees to appoint, among others, City Commissioner, BEN SORENSEN, as a voting member, and the City Manager, and City Attorney, as ex-officio members of such committee.

9.) COUNTY acknowledges and agrees that to perform this agreement, CITY shall, within thirty (30) days from date hereof, employ approximately nine (9) additional employees to man Station No. 3 and that upon the expiration of this agreement on September 30, 1982, COUNTY where permitted by the County's affirmative action and personnel policies shall continue the employ of such additional employees unless one or more of the positions held by such employees is deleted, by COUNTY. Provided, further however, that COUNTY shall retain the right at any time after September 30, 1982, to discharge any of such employees for cause, in accordance with COUNTY's personnel policies and procedures then in existence.
