The Board of County Commissioners has placed in the mail the contracts to all Fire Departments and upon receipt of said contract and financial statement. The Board will reconsider your request at that time.

To Whom It May Concern:

NASSAU COUNTY
CIVIL DEFENSE

Please remit a check for the amount of \$17,000.00 to the Yulee Firemens Association for the first payment of our operating expenses for the fiscal year 1982-83. Because of the truck payment and insurance that we must pay in November we need more than the quarterly amount for this first payment. The remaining \$38,000.00 can then be divided into three equal payments.

Your prompt attention would be most appreciated as we must have the first payment by November 1, 1982 in order for us to continue our normal operations.

If you have any questions, please don't hesitate to call me. Thank you again for your concern and help in this matter.

Sincerely,
Kenneth J. Bowers

Dear Chief Patterson:

This letter is in reference to your request to cancel Addendum #1 to our Cooperative Equipment Lease dated May 13, 1968 for Yulee Volunteer Fire Department.

We understand that because of increasing cost of maintaining the vehicle it has been taken out of service and will be returned to the Division of Forestry. Therefore, we concur with the request to cancel the addendum.

By copy of this letter I am asking District Forester Frank Hill of our Jacksonville district office to remove the equipment at a time that is convenient to you.

We always welcome the opportunity to work with communities like yours and hope that if we can ever be of service you will call on us.
