

SUNCOM AGREEMENT

This AGREEMENT is by and between Nassau County hereinafter referred to as the COUNTY, and the State of Florida Department of General Services, Division of Communications, hereinafter referred to as the STATE, regarding the COUNTY'S participation in the SUNCOM Intercity Network.

The STATE shall provide to the COUNTY accessibility to the SUNCOM Intercity Network and any future long distance system, as requested by the COUNTY and as provided by the STATE. All lines not restricted by the COUNTY shall have access to the STATE long distance network. Charges shall be paid to the STATE by the COUNTY for this service and shall be based upon the COUNTY'S prorated share of the system usage and shall cover administrative costs as well as network utilization and shall be consistent with the charges and services provided to participating State agencies.

The STATE shall provide the COUNTY with an invoice each month for services utilized by the COUNTY that are consistent with the billing system and concepts used by the participating State agencies.

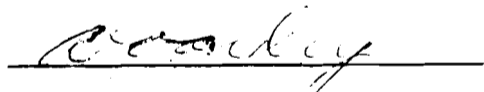

The COUNTY recognizes and agrees that the billing concepts and network configuration may be subject to changes from time-to-time as a result of changes in applicable laws, regulations, traffic patterns, and other conditions which may result in modifications to existing policy decisions or directives.
