Dear Mr. Griffin:

Enclosed are three copies of the FY-87 Emergency Management Assistance (EMA) agreement between the Department of Community Affairs and Nassau County. The County's FY-87 allocation for this contract period is \$18,307.00.

This year's agreement has been revised to allow the County to transfer up to 20% of the total allocation from one cost category to another as long as the cumulative amount does not exceed the total budget allocation. This increased flexibility should reduce the number of budget modifications and should help to eliminate the need for turnback funds at the end of the fiscal year.

In order to expedite the execution of your EMA agreement, please return three signed copies of the agreement to this office. Each copy must have an original signature of the authorized county official (in most cases this will be the Chairman of the County Commission). If the agreement is signed by someone other than the authorized official, a letter giving that person signing authority must be included. An executed copy of your agreement will be returned to you for your files.
