Re: Modification No. 2, Contract No. 87-LP-03-04-55-01-202

Dear Chairman Blackwelder:

This letter represents the formal modification to the Local Government Comprehensive Planning Assistance Program contract (No. 87-LP-03-04-55-01-202, effective February 12, 1987).

Section XII on page 4 of the contract provides for amendments through mutual agreement and written correspondence from the Department. Mr. Doug Jones, County Planning and Zoning Director, Nassau County, in a telephone conversation with Mr. Randy Zipser, the Department's contract manager, on September 24, 1987, requested an extension to the contract pursuant to Rule 9J-16.005(7), Florida Administrative Code.

Based upon the county's request, the following modification is made to Section XI(B) of the contract:

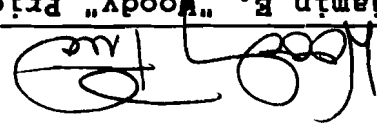

(B) All activities performed pursuant to this program shall be completed on or before November 30, 1987 which includes an extension pursuant to Rule 9J-16.005(7), Florida Administrative Code.

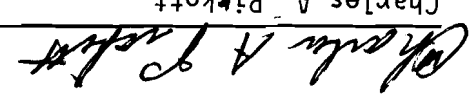

All other provisions of the contract are still in effect and are to be performed as specified in the contract. This modification is effective on September 24, 1987 and is hereby made a part of the contract. This modification shall be valid with your signing. If you agree with this modification, please indicate
