Haddock Pest Control appreciates the opportunity of submitting our proposal. Given the opportunity I feel that Haddock Pest Control will give you the kind of service that you require.

The cost for service monthly and quarterly is listed on attached sheets, which is part of the proposal.

In our professional opinion based on our inspection not all of the buildings would need monthly service. We feel for some quarterly service would keep them bug free and result in lower cost to the county. All service to be inside the buildings. The schedule of service to be not less than one time per month or not less than one time per quarter. In the event of pests - tent infestations, Haddock Pest Control will provide special service at no extra cost.

- 2. rodent control as needed
- 3. flies as needed
