The provider shall report any violations of the above to the department.
3. If this contract contains federal funding in excess of \$100,000, the provider must, prior to contract execution, complete the Certification Regarding Lobbying form, Attachment N/A. If a Disclosure of Lobbying Activities form, Standard Form LLL, is required, it may be obtained from the contract manager. All disclosure forms as required by the Certification Regarding Lobbying form must be completed and returned to the contract manager.

C. Audits and Records:

1. To maintain books, records, and documents (including electronic storage media) in accordance with generally accepted accounting procedures and practices which sufficiently and properly reflect all revenues and expenditures of funds provided by the department under this contract.
2. To assure that these records shall be subject at all reasonable times to inspection, review, or audit by state personnel and other personnel duly authorized by the department, as well as by federal personnel.
3. To maintain and file with the department such progress, fiscal and inventory reports as specified in Attachment I, and other reports as the department may require within the period of this contract. Such reporting requirements must be reasonable given the scope and purpose of this contract.

1. To retain all client records, financial records, supporting documents, statistical records, and any other documents (including electronic storage media) pertinent to this contract for a period of five (5) years after termination of this contract, or if an audit has been initiated and audit findings have not been resolved at the end of five (5) years, the records shall be retained until resolution of the audit findings.
2. Persons duly authorized by the department and federal auditors, pursuant to 45 CFR, Part 74.24(a),(b), and (d), shall have full access to and the right to examine any of said records and documents during said retention period.

E. Monitoring:

1. To provide progress reports, including data reporting requirements as specified in Attachment I. These reports will be used for monitoring progress or performance of the contractual services as specified in Attachment I.
2. To permit persons duly authorized by the department to inspect any records, papers, documents, facilities, goods and services of the provider which are relevant to this contract, and/or interview any clients and employees of the provider to be assured of satisfactory performance of the terms and conditions of this contract. Following such inspection the department will deliver to the provider a list of its comments with regard to the manner in which said goods or services are being provided. The provider will rectify all noted deficiencies provided by the department within the specified period of time set forth in the comments, or provide the department with a reasonable and acceptable justification for not correcting the noted shortcomings. The provider's failure to correct or justify within a reasonable time as specified by the department may result in the withholding of payments, being deemed in breach or default, or termination of this contract.

F. Indemnification

The provider agrees to be liable for all claims, suits, judgments, or damages, including court costs and attorney's fees, arising out of the negligent or intentional acts or omissions of the provider, and its agents, subcontractors, and employees, in the course of the operation of this contract. Further, the provider agrees to indemnify the department against all claims, suits, judgments, or damages, including court costs and attorney's fees, arising out of the negligent or intentional acts or omissions of the provider, and its agents, subcontractors, and employees, in the course of the operation of this contract. Also, the provider agrees to defend the department, upon receiving timely written notification from the department, against all claims, suits, judgments, or damages, including costs and attorney's fees, arising out of the negligent or intentional acts or omissions of the provider and its agents, subcontractors, and employees, in the course of the operation of this contract. Where the provider and the department commit joint negligent acts, the provider shall not be liable for nor have any obligation to defend the department with respect to that part of the joint negligent act committed by the department. In no event shall the provider be liable for or have any obligation to defend the department against such claims, suits, judgements, or damages, including costs and attorney's fees, arising out of the sole negligent acts of the department.

6.

All such assignments or subcontracts shall be subject to the conditions of this contract (except Section I, Paragraph 0.1.) and to any conditions of approval that the department shall deem necessary.

K.

Financial Reports

To provide financial reports to the department as specified in Attachment I.

L.

Return of Funds

To return to the department any overpayments due to unearned funds or funds disallowed pursuant to the terms of this contract that were disbursed to the provider by the department. The provider shall return any overpayment to the department within forty (40) calendar days after either discovery by the provider, or notification by the department, of the overpayment. In the event that the provider or its independent auditors discovers an overpayment has been made, the provider shall repay said overpayment within forty (40) calendar days without prior notification from the department. In the event that the department first discovers an overpayment has been made, the department will notify the provider by letter of such a finding. Should repayment not be made in a timely manner, the department will charge interest of one (1) percent per month compounded on the outstanding balance after forty (40) calendar days after the date of notification or discovery.

For state universities, should repayment not be made within forty (40) calendar days after the date of notification, the department will notify the State Comptroller's Office who will then enact a transfer of the amounts owed from the state university's account to the account of HRS.

M. Incident Reporting:

1. Client Risk Prevention

If services to clients will be provided under this contract the provider and any subcontractors shall, in accordance with the client risk prevention system, report those reportable situations listed in HRSR 215-6, Paragraph 5, in the manner prescribed in HRSR 215-6 or district operating procedures.

2. Abuse, Neglect and Exploitation Reporting

In compliance with Chapter 415, F.S., an employee of the provider who knows, or has reasonable cause to suspect, that a child, aged person or disabled adult is or has been abused, neglected, or exploited, shall immediately report such knowledge or suspicion to the central abuse registry and tracking system of the department on the single statewide toll-free telephone number (1-800-96ABUSE).

N. Transportation Disadvantaged

If clients will be transported under this contract, the provider will subcontract with the designated Community Transportation Coordinator, in accordance with the local Memorandum of Agreement, and otherwise comply with the provisions of Chapter 427, Florida Statutes. The provider shall submit to the department the reports required pursuant to Volume 10, Chapter 27, HRS Accounting Procedures Manual.

6. All regulations, guidelines, and standards as are now or may be lawfully adopted under the above statutes.

The provider agrees that compliance with this assurance constitutes a condition of continued receipt of or benefit from federal financial assistance, and that it is binding upon the provider, its successors, transferees, and assignees for the period during which such assistance is provided. The provider further assures that all contractors, subcontractors, subgrantees, or others with whom it arranges to provide services or benefits to participants or employees in connection with any of its programs and activities are not discriminating against those participants or employees in violation of the above statutes, regulations, guidelines, and standards. In the event of failure to comply, the provider understands that the Grantor may, at its discretion, seek a court order requiring compliance with the terms of this assurance or seek other appropriate judicial or administrative relief, to include assistance being terminated and further assistance being denied.

Q. Requirements of Section 287.058, Florida Statutes:

1. To submit bills for fees or other compensation for services or expenses in sufficient detail for a proper pre-audit and post-audit thereof.
2. Where applicable, to submit bills for any travel expenses in accordance with Section 112.061, Florida Statutes. The department may, when specified in Attachment I, establish rates lower than the maximum provided in Section 112.061.
3. To provide units of deliverables, including reports, findings, and drafts as specified in ATTACHMENT I, to be received and accepted by the contract manager prior to payment.
4. To comply with the criteria and final date by which such criteria must be met for completion of this contract as specified in Section III, Paragraph A.2 of this contract.
5. To allow public access to all documents, papers, letters, or other materials subject to the provisions of Chapter 119, Florida Statutes, and made or received by the provider in conjunction with this contract. It is expressly understood that substantial evidence of the provider's refusal to comply with this provision shall constitute a breach of contract.

R. Withholdings and Other Benefits:

1. The provider is responsible for Social Security and Income Tax withholdings.
2. The provider is not entitled to state retirement or leave benefits except where the provider is a state agency.
3. Unless justified by the provider and agreed to by the department in Attachment I, Special Provisions, Section NA the department will not furnish services of support normally available to career services employees (e.g., office space, office supplies, telephone service, secretarial, or clerical support).

S. Sponsorship

As required by Section 286.25, Florida Statutes, when sponsoring a program financed wholly or in part by department funds, including any funds obtained through this contract, the provider assures that all notices, informational pamphlets, press releases, advertisements, descriptions of the sponsorship of the program, research reports, and similar public notices prepared and released by the provider shall include the statement: "Sponsored by the Nassau County Board of County Commissioners

PROVIDER

and the State of Florida, Department of Health and Rehabilitative Services". If the sponsorship reference is in written material, the words "State of Florida, Department of Health and Rehabilitative Services" shall appear in the same size letters or type as the name of the organization.

T. Discounted Invoices

To allow a NA percent discount on selected invoices which are paid in less than NA days. The provider must clearly mark any invoice with the discount if it is to be allowed. The provider may submit invoices with or without the negotiated discount terms. The department shall comply with Subsection 215.422(4), Florida Statutes, if a discounted invoice is offered.

U. Final Invoice

The provider must submit the final invoice for payment to the department no more than 45 days after the contract ends or is terminated; if the provider fails to do so, all right to payment is forfeited, and the department will not honor any requests submitted after the aforesaid time period. Any payment due under the terms of this contract may be withheld until all reports due from the provider, and necessary adjustments thereto, have been approved by the department.

II. The Department Agrees:

A. Contract Amount

To pay for contracted services according to the conditions of Attachment I in an amount not to exceed \$ 4,562.00, subject to the availability of funds. The State of Florida's performance and obligation to pay under this contract is contingent upon an annual appropriation by the Legislature. The costs of services paid under any other contract or from any other source are not eligible for reimbursement under this contract.

B. Contract Payment

Pursuant to Section 215.422, Florida Statutes, the voucher authorizing payment of an invoice submitted to the department shall be filed with the State Comptroller not later than twenty (20) days after the receipt of the invoice and receipt, inspection and approval of the goods or services, except that in the case of a bona fide dispute the voucher shall contain a statement of the dispute and authorize payment only in the amount not disputed. Such approval is for the purpose of authorizing payments and does not constitute a final approval of services purchased under this contract. The date on which an invoice is deemed received is the date on which a proper invoice is first received at the place designated by the department. A payment is deemed to be issued on the first working day that payment is available for delivery or mailing to the provider. If a warrant in payment of an invoice is not issued within forty (40) days after the receipt of the invoice and receipt, inspection, and approval of the goods and services, the department shall pay to the provider, in addition to the amount of the invoice, interest at a rate of one (1) percent per month calculated on a daily basis on the unpaid balance from the expiration of such forty (40) day period until such time that the warrant is issued to the provider. The temporary unavailability of funds to make a timely payment due for goods or services does not relieve the department from this obligation to pay interest penalties.

III. The Provider and Department Mutually Agree:

A. Effective Date:

- 1. This contract shall begin on July 1, 1991 or on the date on which the contract has been signed by both parties, whichever is later.
- 2. This contract shall end on June 30, 1992.

This contract may be terminated by either party upon no less than thirty (30) calendar days notice, without cause. Said notice shall be delivered by certified mail, return receipt requested, or in person with proof of delivery.
- 2. **Termination Because of Lack of Funds**
In the event funds to finance this contract become unavailable, the department may terminate the contract upon no less than twenty-four (24) hours notice in writing to the provider. Said notice shall be delivered by certified mail, return receipt requested, or in person with proof of delivery. The department shall be the final authority as to the availability of funds.
- 3. **Termination for Breach**
Unless the provider's breach is waived by the department in writing, the department may, by written notice to the provider, terminate this contract upon no less than twenty-four (24) hours notice. Said notice shall be delivered by certified mail, return receipt requested, or in person with proof of delivery. If applicable, the department may employ the default provisions in Chapter 13A-1, Florida Administrative Code. Waiver of breach of any provisions of this contract shall not be deemed to be a waiver of any other breach and shall not be construed to be a modification of the terms of this contract. The provisions herein do not limit the department's right to remedies at law or to damages.

RE: FY 91-92 Contract for
Service of Process

Dear Mr. Higginbotham:

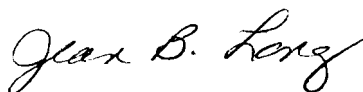

As the State's fiscal year is nearing an end, it is once again time to begin our contract renewal process. Enclosed please find four (4) copies of the contract for Service of Process between the Department and the Nassau County Board of County Commissioners. All four copies of the contract need to be signed and dated by you. Also enclosed are two (2) copies of the Memorandum of Negotiation which should be signed and dated by the Sheriff or his designee. Once signed and dated, all six (6) documents should be returned to this office. After these documents have been processed by the Department, an original copy of each will be returned to you for your file.

Please note that the contract is not effective until it has been signed and dated by both parties. To ensure that the 7/1/91 effective date is met, the contract should be returned to this office no later than Thursday, June 6th, 1991.

If you have any questions about the enclosed documents, please feel free to call me at (904) 723-5365. During the month of May (and possibly June), I will be temporarily located in a different office due to the asbestos abatement

program in my building. If you cannot reach me at the above number, I can be reached at (904) 359-6738.

Sincerely,
