## CFC AGREEMENT

GLOBAL OZONE SOLUTION, Inc. (GOS), agrees to purchase collected CFCs from the below named customer for as long as the customer is willing to sell to Global, under the following terms:

Company Nassau County Solid Waste Dept.

Address Rt 1 Box 178 city Callahan

State FL Zip Code 32011 Phone 904-879-6321

Only DOT approved containers are authorized to be returned. Any customer transporting product to GOS in a non-refillable, non-returnable container in violation of Federal law (49USC1809) will be responsible for any fines or judgements levied. The current maximum fine is \$25,000 and five years imprisonment.

GOS agrees to pay for the net amount returned in each tank based on the amount recorded on its receiving report at the following rates per pound:

R-12, \$1.00; R-11, R-22, R-500, R-502; \$.20

GOS will perform sampling of returns and if this sampling shows a mixture of refrigerants the customer will not be paid for the return. They will be debited for all transportation charges and given the option of having the refrigerant returned to them or having GOS incinerate the product (current cost to incinerate is \$6.00 per pound.)

Prices for recovered CFCs may fluctuate based on market conditions but the above rate schedule will remain firm and be reviewed, in six (6) month increments from date of signing.

Signed for GOS Richard D. Medvedy Date 9/13/93

Customer James E. Denton Date 9/17/93
