Re: Baker Act Funds

Dear Mr. Greeson:

This letter is in reference to the Baker Act Funding that as been paid to Mental Health Center of Jacksonville until October, 1994.

We are now being allocated this money in our budget with HRS. Mental Health Center of Jacksonville is no longer the agency that will be responsible for Payment of the Baker Act Services for Nassau County.

I have enclosed a copy of the check and bill from Mental Health Center of Jacksonville for these services in which we have paid. I am requesting the 25% allocation that the County has always paid to Mental Health Center of Jacksonville be forwarded to this Agency.

The total in which I am requesting from the Nassau County Board of Commissioners is 25% of the total amount of the bill of \$12,025. This total comes to \$3006.25.

I would greatly appreciate your prompt attention to this request. If there is any more information that is needed from your office for this request, please feel free to contact Tina Binkley at Nassau County Mental Health, Alcoholism and Drug Abuse Council, Inc. You may reach her at (904) 261-9453 or (904) 321-0720.

If there are any questions regarding this letter, please do not hesitate to call Tina at any time.

Sincerely,
