Dear Mr. Black:

Attached are two original amendments to extend the construction completion date for this project. Please execute and return both original copies to our office.

In signing the amendments, do not complete the blank spaces for the execution date. Our staff will date the amendment when formally executed by the Department of Environmental Protection and one original copy will be returned to you.

Your immediate attention to this matter is most appreciated.

COUNTY CLERK

Dear Mr. Gossett:

Attached is the executed amendment which provides for a completion date of September 30, 2000, for this project. This is the date by which all grant related construction must be complete and all grant related expenses paid. The completion documentation must be submitted to our office no later than 30 days after project completion. As soon as the documentation is received, we will arrange for a final inspection.

Thank you for your attention to this matter.
