## PART II - GRANT CONDITIONS

### A. GENERAL CONDITIONS:

1. The method of payment, for the period October 1, 1999 through September 30, 2000, will be on a reimbursement basis only.
2. The grantee shall elect to submit reimbursement requests on either a monthly or quarterly basis. The method chosen shall be followed for the entire grant period. An original of the reimbursement request, with summaries and appropriate contracts attached, shall be due on the last day of the month following the end of the reporting period (monthly or quarterly). Each reimbursement request shall be submitted in detail sufficient for pre audit and post audit review.
3. Grant funds may be expended through September 30, 2000. A final reimbursement request must be submitted no later than October 31, 2000.
4. Reimbursement requests must be signed by the designated Authorized Representative. This should be the same person who signed the grant agreement. If there is a change in the authorized representative during the grant period, the Department must be notified of the new representative by resolution or minutes of a commission meeting.
5. Expenditures shall be limited to allowable items as listed in Section 62-716.430 of the Solid Waste Grants Program Rule:
  - (a) Solid waste recycling grants shall be used to provide funding for recycling program capital costs, which include equipment purchases, solid waste scales, facility construction and other such costs approved by the Department.
  - (b) Grant funds may also be used for operating subsidies, provided that the applicant shall demonstrate that such a use is necessary for the success of the recycling program, and shall show how the subsidy will benefit the program.
  - (c) Recycling grant funds shall be used for projects to assist local governments in recycling paper, glass, plastic, construction and demolition debris, white goods, and metals and in composting and recycling the organic material component of municipal solid waste.
  - (d) Solid waste education grant funds shall be used to promote recycling, volume reduction, proper disposal of solid wastes, and market development for recyclable materials. Up to 30 percent of grant funds may be used for planning studies to assess the feasibility and success of the recycling and education programs.
  - (e) All existing public and private recycling infrastructure shall be fully used to the extent possible when planning and implementing the local government recycling programs. Funds shall not be used for duplicating existing private and public recycling programs unless the applicant demonstrates that such existing programs cannot be integrated into the planned recycling program.

6. Each recipient of grant funds shall maintain accurate records of all expenditures of grant funds and shall assure that these records are available at all reasonable times for inspection, review or audit by Department personnel and other personnel authorized by the Department. Records shall be kept for a period of at least 3 years following the end of the grant period. The grantee agrees that it will expeditiously initiate and complete the program work for which assistance has been awarded under this agreement in accordance with all applicable provisions of Florida Statutes and the Florida Administrative Code.
7. Allowable costs may be charged to this agreement beginning either October 1, 1999, or the date this agreement is fully executed, whichever date is later.
8. Grant funds shall be included in the grantee's Annual Audit subject to the requirements of CH.216.349, F.S. . Any subgrants made by the grantee shall include a provision for the subgranted funds to be included in the subgrantee's Annual Single Audit. A copy of all Single Audits shall be submitted to the Department of Environmental Protection, Solid Waste Section, by March 31st of each year.
9. The Department has the right to terminate a grant award and demand refund of grant funds for non-compliance with the terms of the award or the Solid Waste Grants Program Rule 62-716. Such action may also result in the Department declaring the local government ineligible for further participation in the program until the local government complies with the terms of the grant award.
10. Grantee shall obtain all necessary construction-related permits before initiating construction.
11. The State of Florida's performance and obligation to pay under this grant agreement is contingent upon receipt of funds presently anticipated from the Florida Department of Revenue.
12. Travel expenses incurred are included in the amount of this grant and no additional travel expenses will be authorized. Any requests for reimbursement of travel expenses must be submitted in accordance with Section 112.061, Florida Statutes.
13. The Department reserves the right to unilaterally cancel this contract for refusal by the grantee to allow public access to all documents, papers, letters, or other material subject to the provisions of Chapter 119, Florida Statutes, and made or received by the grantee in conjunction with this grant.
14. The grantee is prohibited from using grant funds for the purpose of lobbying the Legislature or a State Agency.

OFFER AND ACCEPTANCE

5. Expenditures shall be limited to allowable items as listed in Section 62-716.620 of the Solid Waste Grants Program Rule:

- (a) Construct or operate, or contract for the construction or operation of, a waste tire processing facility and equipment purchases therefore;
- (b) Contract for a waste tire processing facility service within or outside the county or state;
- (c) Remove or contract for the removal of waste tires from the county, region, or state;
- (d) Perform or contract for the performance of research designed to facilitate waste tire recycling and to operate waste tire recycling and waste tire education programs.
- (e) Establish waste tire collection centers at solid waste disposal facilities or waste tire processing facilities;
- (f) Provide incentives for establishing or expanding privately operated waste tire collection centers for the public;
- (g) In addition to the use specified in paragraph (c), abate and provide mosquito control relating to waste tires, or other tire piles, and other waste debris sites in the county identified by local mosquito control agencies as mosquito breeding areas;
- (h) Perform, or contract for the performance of, enforcement and prevention activities to prevent the illegal transportation and disposal of waste tires and other solid waste;
- (i) Purchase materials and products made from waste tires that are collected and recycled within this state;
- (j) Counties with populations less than 100,000 may use waste tire grants for any purpose related to solid waste management.

6. Up to five percent of a county's grant for fiscal year 1999-00 may be used for administrative costs and planning or research studies to assess the feasibility of eligible projects within a county, or to assess the feasibility of establishing a regional waste tire program.
7. Each recipient of grant funds shall maintain accurate records of all expenditures of grant funds and shall assure that these records are available at all reasonable times for inspection, review or audit by Department personnel and other personnel authorized by the Department. Records shall be kept for a period of at least 3 years following the end of the grant period. The grantee agrees that it will expeditiously initiate and complete the program work for which assistance has been awarded under this agreement in accordance with all applicable provisions of Florida Statutes and the Florida Administrative Code.
8. Allowable costs may be charged to this agreement beginning either October 1, 1999, or the date this agreement is fully executed, whichever date is later.
9. Grant funds shall be included in the grantee's Annual Audit subject to the requirements of CH.216.349, F.S.. Any subgrants made by the grantee shall also include a provision for the subgranted funds to be included in the subgrantee's Annual Single Audit. A copy of all Single Audits shall be submitted to the Department of Environmental Protection, Solid Waste Section, by March 31st of each year.
10. The Department has the right to terminate a grant award and demand refund of grant funds for non-compliance with the terms of the award or the Solid Waste Grants Program Rule 62-716. Such action may also result in the Department declaring the local government ineligible for further participation in the program until the local government complies with the terms of the grant award.
11. Grantee shall obtain all necessary construction-related permits before initiating construction.
12. The State of Florida's performance and obligation to pay under this grant agreement is contingent upon receipt of funds presently anticipated from the Florida Department of Revenue.

PART II - GRANT CONDITIONS

A. GENERAL CONDITIONS:

1. The method of payment, will be on a reimbursement basis only. The effective date of this grant will be the date it is fully executed (the date it is signed by the local government authorized representative) through September 30, 2000.

2. Reimbursement requests must be signed by the designated Authorized Representative and must have an original signature (not a stamped signature). The Authorized Representative should be the same person who signed the grant application. If there is a change in the authorized representative during the grant period, the Department must be notified of the new representative by resolution or minutes of a commission meeting.

3. The grantee shall elect to submit reimbursement requests on quarterly basis. An original of the reimbursement request with a summary of expenditures shall be due on the last day of the month following the end of the quarter. Each reimbursement request shall be submitted in detail sufficient for pre-audit and post-audit review.

4. Grant funds may be expended through September 30, 2000. The date appearing on the check issued for an expenditure will be the date used to place the expenditure in a reporting period and will be considered the date paid. A final report must be submitted no later than October 31, 2000.

5. Existing public and private programs shall be used to implement this grant program before any new program will be approved. Funds shall not be used for duplicating existing public and private litter and marine debris prevention programs unless the applicant demonstrates that such existing programs cannot be integrated into the planned litter and marine debris prevention program.

Expenditures shall be limited to the following two options:

OPTION 1

Grantees may spend 100% of the grant award for operating costs associated with education and prevention programs listed in section 10 and 11 of the grant application. These costs will include rent, telephone, utilities, salaries and benefits, postage, office equipment and supplies, program material and marketing.

OPTION 2

Grantees may use up to 35% of the grant award for operating costs for projects to assist local governments with the removal of litter and debris. The remainder of the award not spent on removal shall be used to fund educational and prevention programs.

6. Each recipient of grant funds shall maintain accurate records of all expenditures of grant funds and shall assure that these records are available at all reasonable times for inspection, review or audit by Department personnel and other personnel authorized by the Department. Records shall be kept for a period of at least 3 years following the end of the grant period. TO: Recipients of Recycling and Education Grants

FROM: Bobby Adams, Solid Waste Section

DATE: August 10, 1999

SUBJECT: FY99-00 Recycling and Education Grant Agreements

We are pleased to award Recycling and Education Grants totaling \$10,294,406. This figure is based on predicted revenue collections which will provide funding for the Solid Waste Management Trust Fund during state fiscal year 1999-2000.

Two signed copies of the grant agreement which show the county's share of these funds are attached for your acceptance and signature. Allowable costs may be charged to the agreement beginning either October 1, 1999 or the date the agreement is signed by your authorized representative, whichever date is later.

Please have both copies of the agreement signed and return one of the originals to:
