

MEMORANDUM OF AGREEMENT

This agreement effective as of _____ day of _____, 2001, is by and between the State of Florida, Department of State, Division of elections ("Department"), the address of which is 400 S. Monroe, Room 1801, Tallahassee, Florida 32399 and Nassau County Board of County Commissioners ("County"), the address of which is Post Office Box 1010, Fernandina Beach, Florida 32035-1010.

WHEREAS, section 74, Chapter 2001-40, Laws of Florida, provides for the disbursement of funds to be used for voter education and pollworker recruitment and training for the 2002 election cycle.

WHEREAS, said section is intended to provide funding for additional voter education and pollworker recruitment and training beyond the supervisors of elections current programs.

I. Governing Law

From the funds appropriated from the General Revenue Fund to the Division of Elections of the Department of State in specific appropriation 2898B of the 2001-2002 General Appropriations Act, the Division shall distribute the sum of \$5,949,375 in fiscal year 2001-2002 to the counties to fund comprehensive voter education programs and poll worker recruitment and training programs.

The Division shall divide the total amount of funds appropriated by the total number of registered voters in the state for the 2000 General Election to establish a funding level per individual voter. Each county shall receive an amount equal to the funding level per individual voter multiplied by the number of registered voters in the county, as certified by the Department of State for the 2000 General Election.

II. Restrictions

No county shall receive funds pursuant to Section I until the county supervisor of elections provides to the Department of State a detailed description of the voter-education plans to be implemented for the 2002 election cycle.

III. Disbursement

The counties shall receive a sum certain as provided above and outlined in Appendix A.

IV. Audits

The administration of funds awarded by the Department of State to the County may be subject to audits and monitoring by the Department of State, as described in this section.

1. In the event that the County expends a total amount of State awards (i.e., State financial assistance provided to the County to carry out a State project) equal to or in excess of \$300,000 in any fiscal year in accordance with Section 215.97, Florida Statutes, applicable rules of the Executive Office of the Governor and the Comptroller, and Chapter 10.600, Rules of the Auditor General. Appendix A to this agreement indicates State funds awarded through the Department of State by this agreement. In determining the State awards expended in this fiscal year, the County shall consider all sources of State awards, including State funds received from the Department of State, except that State awards received by a non-state entity for Federal program matching requirements shall be excluded from consideration.

2. In connection with the audit requirements addressed above, the County shall ensure that the audit complies with the requirements of Section 215.97(7), Florida Statutes. This includes submission of a reporting package as defined by Section 215.97(2)(d), Florida Statutes, and Chapter 10.600, Rules of the Auditor General.

3. If the county expends less than \$300,000 in State awards in its fiscal year, an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, is not required. In the even that the County expends less than \$300,000 in State awards in its fiscal year and elects to have audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, the cost of the audit must be paid from non-State funds (i.e., the cost of such an audit must be paid from County funds obtained from other than State entities).
