Dear Mr. Oxley:

Pursuant to your letter of October 13, 2000, enclosed are two (2) copies, with original signatures, of the contract between the Nassau County Board of County Commissioners and Northeast Florida Community Action Agency, Inc. Please return one (1) fully executed original agreement. We express our sincere gratitude for the continued financial support of the Commissioners.

Please be advised that all of our facilities, programs and services in Nassau County are in compliance with the Florida Accessibility Code and the federal Americans with Disabilities Act. Facility-wise, the Peck Center was restored by the City of Fernandina Beach to meet the federal and state requirements. In addition, we provide services to individuals with disabilities to insure that our programs and services are accessible to everyone.

Ms. Christine W. Raysor, Manager of our Nassau County operations, has been very active in the establishment of the Nassau County Volunteer Center. Currently, there seems to be a policy that only allows private sector participation. We are happy to participate on any level, including but not limited to, attend meetings and seminars conducted for volunteers.

Please let me know if you require additional information or clarification.

Sincerely,

John W. Edwards, Jr.  
Executive Director
