SYSTEM MAINTENANCE AGREEMENT

- 1. BREAKDOWN SERVICE:** REIDY, RHODES, & TAYLOR will perform all repairs required to keep the entire system operating at factory specifications. Repairs include all parts and labor resulting from normal usage. Service will be performed either in the or at Reidy, Rhodes, & Taylor's shop locations according to the agreement.
- 2. PREVENTIVE MAINTENANCE:** REIDY, RHODES & TAYLOR will inspect each mobile unit and base equipment periodically to insure proper alignment, stability, frequently and general operation designed to prevent costly breakdowns.
- 3. QUALITY CONTROL:** All communications systems will be maintained to full factory specifications for performance. Only quality factory parts are used. All service will be performed by factory trained technicians.
- 4. EXCLUSIONS:** Not covered by this agreement are damages caused by fire, theft, water, physical abuse or acts of God. The general intent is cover all repairs and outages caused by normal usage. Antennas, transmission line, duplexers, isolators and other items that are part of the antenna system are also excluded from this agreement. Technician time on phone malfunctions are billable after initial diagnosis of difficulty. Also excluded are portable/ pager batteries, installations and removals.
- 5. PAYMENT:** Invoicing will be in advance for the period to be serviced. Additions or deletions from this agreement will be at the per unit rate on the reverse side. Prices quoted are binding for a period of one year.
- 6. TERMS OF AGREEMENT:** The term of this agreement is one year. From the effective date on the reverse side, unless otherwise noted. Afterwards, contract will automatically renew, but may be terminated by either party with a 30 day written notice by certified mail.
