BOTTLED WATER PROPOSAL

TO: Nassau County Bldg. Maintenance Dept.

 P.O. Box 1010
 Fernandina Beach, FL 32035-1010

Inquiry or Spec No.: 0910-1
 Culligan Proposal No.: 0910-1
 Proposal Date: 09/10/02

Project Identification: 0910-1

Gentlemen: As per your request and following close examination of the number of coolers already in place in conjunction with water usage over the past year, we propose the following for the following locations:

Acct. #10231 Bldg. & Maintenance	13 coolers
Acct. #38075 Road & Bridge	4 coolers
Acct. #52019 Solid Waste	3 coolers
Acct. #127258 Temporary Court House	16 coolers
Acct. #12302 Sheriff's Dept.	<u>8 coolers</u>
Total number of coolers	44 coolers

All water coolers shall rent for \$1.00 per cooler. Water cost shall be \$3.25 per 5 gal. bottle. Bottle deposits are \$7.00 per bottle. We can consolidate all coolers and water delivery under one account. Our suggestion would be to create a new account number to avoid confusing previous rates with the new rates.

We also offer a full office coffee service, if needed.

The above figures are effective for a 48-month contract if so desired. The term of the contract shall be for the period November 1, 2002 through October 31, 2006.
