**SCHEDULE B**  
**EQUIPMENT USAGE ADDENDUM**

Subject to Nassau County Public Library's timely payment of all fees and Customer's compliance with the other terms and conditions of this Agreement, N2H2 grants to Customer the right to possess and use the Equipment described in Schedule A, on the following additional terms and conditions.

1. **Precedence.** In the event of a conflict between the terms of the N2H2 Subscription Agreement and this Addendum, the terms of this Addendum shall control.
2. **Ownership of Equipment.** The parties acknowledge that this Agreement, including this Equipment Usage Addendum, involves a true lease of the Equipment and not a financing lease. The Equipment shall at all times remain the property of N2H2. Customer will at all times protect and defend, at its own cost and expense, the ownership of N2H2 against all claims, liens and legal processes of creditors of Customer and other persons, and keep the Equipment free and clear from all such claims, liens and legal processes. N2H2 may affix notice of its ownership on the Equipment at any time.
3. **Delivery.** If the Equipment is delivered in good condition, Customer shall promptly sign and return N2H2's standard form Equipment Acceptance Certificate, the receipt of which Customer hereby acknowledges.
4. **Customer's Representations.** Customer represents and warrants that: (a) Customer is acquiring the Equipment for its own use and not for sublease or other disposition in the ordinary course of business; and (b) Customer will use the Equipment for business purposes and not primarily for personal, family or household purposes.
5. **Use and Maintenance.** Customer shall use the Equipment solely at the Location set forth on Schedule A. N2H2 will provide routine maintenance and repair of the Equipment, as needed. In the event of a failure of any Equipment, N2H2 will repair or replace the Equipment, in its sole discretion and at its sole expense, provided that Customer maintains the premises where the Equipment resides in a secure location, clean environment and suitable condition to allow for the safe operation and optimal performance of the Equipment. The acceptable operating temperature range for the Equipment is between 60.1 degrees Fahrenheit (15° C) and 85 degrees Fahrenheit (30° C). Customer shall be solely responsible and shall reimburse N2H2 for the costs of any repairs or maintenance necessitated by any act or omission of Customer, its employees, agents or invitees.
6. **Surrender.** Upon the expiration or termination of this Agreement, Customer at its sole expense shall return the Equipment unencumbered to N2H2 in the same condition as when received by Customer, reasonable wear and tear resulting from authorized use excepted. In the event Customer fails to redeliver the Equipment when due, and without limiting any other remedies available to N2H2, Customer shall be liable to N2H2 for an amount equal to \$100 for each month, or portion thereof, that Customer retains the Equipment beyond the Term.
7. **Alteration, Liens, Taxes.** Customer shall: (a) not permit alteration of the Equipment without N2H2's prior written consent (and any alteration shall belong to N2H2); (b) keep the Equipment free and clear of all levies, liens and encumbrances; and (c) pay all charges and taxes (local, state and federal including without limitation, personal property taxes) which may now or hereafter be imposed upon the ownership, leasing, rental, sale, purchase, possession or use of the Equipment excluding only federal and state taxes on the N2H2's net income.
8. **Casualty Loss.** Following Customer's execution of the Equipment Acceptance Certificate, Customer shall bear the entire risk of loss, theft, damage or destruction of the Equipment from any cause whatsoever (a "Casualty Loss"), and agrees that no Casualty Loss shall relieve Customer of its obligation to make payments under or otherwise perform this Agreement. In the event of a Casualty Loss, Customer shall pay to N2H2 the replacement cost of the Equipment.
