Dear Charlotte J. Young:

Williams Earth Sciences, Inc., (Williams) is providing written notice to the Contract Manager, informing of position change, per **ARTICLE 30 – NOTICE** of the Continuing Contract RQF 03-03. Williams has selected a personnel change in the point of contact for the Continuing Contract. The current name provided in the Continuing Contract as the point of contact is John Rauback. Williams is proposing Bill Bowerman for the position as point of contact for the Continuing Contract RQF 03-03. Bill has over 18 years of experience in the industry and strong communication skills. While Bill will have much support, he will be the single point of contact for all scheduling and project related issues.

Williams Earth Sciences, Inc. respectfully submits this notice for position change in point of contact to better serve the County and to expedite the response to all tasks assigned by the Contract Manager.

Williams appreciates doing business with Nassau County and we look forward to continue work. Should you have any question, or if we may be of further assistance, please don't hesitate to contact this office or myself at your convenience.

Sincerely,

WILLIAMS EARTH SCIENCES, INC.

Bill Bowerman
