## TERMS AND CONDITIONS

1. a. Charges for each unit of equipment will commence from the date the unit is installed and will be billed one month in advance. Terms are net ten (10) days from date of each invoice.
1. b. In addition to the charges provided herein, Customer shall pay Adams Remco, Inc., (hereafter referred as ARI) any applicable taxes which are levied on or payable by ARI as a result of the rental, use, sale, possession or ownership of the equipment installed hereunder.
2. Customer may purchase equipment installed hereunder at any time at ARI's then current published price. The accrued equity per unit, at the then current equity schedule, shall be applied to the purchase price of the unit(s). Equity accumulates to the specific equipment installed hereunder, by serial number, on conversion to purchase or lease. Equipment may not be substituted on such conversions. Equipment so purchased will be discontinued from rental as of the effective date of such purchase.

ARI retains title to all equipment until the purchase price has been paid in full.

3. In the event that this Agreement or any unit of equipment covered by this Agreement, is terminated by the Customer, other than with proper notice upon expiration of the rental term, for any reason except as specified in paragraph 2 above, the Customer agrees to pay an additional charge per unit for each unit of equipment terminated as follows:

Plan	Months Installed At Termination Date	Termination Charges
Annual	1 through 6	3 times the Monthly Base Charge
	6 through 11	2 times the Monthly Base Charge
Two Year	1 through 12	4 times the Monthly Base Charge
	13 through 23	2 times the Monthly Base Charge
Three Years	1 through 12	4 times the Monthly Base Charge
	13 through 24	3 times the Monthly Base Charge
	25 through 35	2 times the Monthly Base Charge

Upon termination of this Agreement, equipment will be released promptly to ARI and customer will remit to ARI all monies due hereunder.

4. ARI will make, during regular business hours, all necessary repairs to the equipment installed hereunder, with exception of consoles, without charge. Customer agrees to pay ARI published rates for any repairs made necessary by Customer to be performed outside business hours, or repairs made due to Customer's negligence.

ARI WARRANTS THAT EQUIPMENT WILL BE OF MERCHANTIBLE QUALITY AND FREE FROM DEFECTS IN WORKMANSHIP AND MATERIALS, BUT UNDERTAKES NO OTHER WARRANTY, EXPRESSED OR IMPLIED, OR ARISING OUT OF CUSTOM OR USAGE, INCLUDING FITNESS FOR A PARTICULAR PURPOSE. ARI SHALL NOT BE LIABLE FOR DELAYS IN MAKING DELIVERIES OR REPAIRS, NOR IN ANY EVENT, FOR SPECIAL, RESULTING OR CONSEQUENTIAL DAMAGES OR LOSS OF PROFIT OCCASIONED BY ANY BREACH OF WARRANTY.

5. Customer agrees to bear all risk of theft, loss or damage, no matter how occasioned, to all equipment installed under this Agreement.
6. Customer agrees to provide suitable electric service for the operation of the equipment.
7. Customer agrees to make available an operator for training purposes in the use of the equipment. Customer also agrees to notify ARI or its authorized agent of any change in operator assignment.
8. All paper, chemicals and toner used to operate the equipment installed hereunder, shall meet or exceed ARI's specifications. Customer acknowledges that it understands that it is not a condition of the Agreement that it use only ARI authorized paper, chemicals and toner.
9. Customer agrees to grant ARI or its authorized agent access to its premises to read meters, inspect, repair or remove the equipment hereunder, and Customer agrees not to make any alterations to the equipment and not to remove the equipment from the location(s) where installed by ARI or its authorized agent without the prior written approval of ARI.
10. ARI, at its option, may terminate this Agreement without prior written notice where invoices are unpaid and overdue or where the equipment has been moved, altered, or tampered with. If invoices are unpaid and overdue, Customer agrees to pay ARI's costs and expenses of collection including the maximum attorney's fee permitted by law, said fee not to exceed 25% of the amount due hereunder.
11. The term "this Agreement" as used herein includes any future amendments, modifications or supplements made in accordance hereunder. THE CUSTOMER ACKNOWLEDGES THAT HE HAS READ THIS AGREEMENT, AND UNDERSTANDS IT AND AGREES TO BE BOUND BY ITS TERMS AND CONDITIONS AND FURTHER AGREES THAT IT IS THE COMPLETE AND EXCLUSIVE STATEMENT OF THE AGREEMENT BETWEEN THE PARTIES, WHICH SUPERSEDES ALL PROPOSALS ORAL OR WRITTEN AND ALL OTHER COMMUNICATIONS BETWEEN THE PARTIES RELATING TO THE SUBJECT MATTER OF THIS AGREEMENT.
12. This contract shall be governed by and construed according to the laws of the State of Indiana.
13. The foregoing terms and conditions shall prevail notwithstanding any variance with the terms and conditions of any order submitted by the Customer in respect of ADAMS REMCO, INC.

## TERMS AND CONDITIONS

### 1. GENERAL COVERAGE

This agreement covers both the labor and the material for adjustments, repairs, and replacements of parts as necessitated by normal use of the equipment except as hereinafter provided. Damage to the equipment or its parts arising out of misuse, abuse, negligence, or causes beyond ADAMS REMCO, INC.'s (hereafter referred as ARI) control are not covered. In addition, ARI may terminate this agreement in the event the equipment is modified, damaged, altered or serviced by personnel other than those employed by ARI, or if parts, accessories or components not authorized by ARI are fitted to the equipment.

### 2. SERVICE CALLS

Service calls under this agreement will be made during normal business hours at the installation address shown on the reverse side of this agreement. Travel and labor time for service calls after normal hours, on weekends and on holidays, if and when available, will be charged at overtime rates in effect at the time the service call is made.

### 3. EXTENT OF LABOR SERVICES

Labor performed during a service call includes lubrication and cleaning of the equipment and the adjustments, repair or replacement of part described in Paragraph 4.

### 4. REPAIR AND REPLACEMENT OF PARTS

All parts necessary to the operation of the equipment, with the exception of the parts listed below, and subject to the general scope of coverage, will be furnished free of charge during a service call included in the maintenance service provided by this agreement. When Maintenance Agreements include the copy drum, ARI will determine when drum replacement is necessary due to normal wear and tear. Drums will not be replaced at the customer's request, or for scratches, marks, or other notable defects caused from customer neglect, abuse, or misuse. All maintenance agreements that do not include the copy drum, drum will be replaced as requested by customer at the then current retail price.

### 5. RECONDITIONING

When in its sole discretion ARI determines a shop reconditioning is necessary to keep the equipment in working condition, ARI will submit to customer an estimate of needed repairs and the cost thereof, which will be in addition to the charge payable under this maintenance agreement. If the customer does not authorize such reconditioning, ARI may discontinue service of the equipment under this agreement, refunding the unused portion of the maintenance charge, or may refuse to renew the agreement upon its expiration. Thereafter, service will be available on a "Per Call" basis at published rates.

### 6. TERMS

This agreement shall become effective upon receipt by ARI of the initial maintenance charge provided on the reverse side hereof and shall continue for one full calendar year or the maximum number of copies shown on the reverse side, whichever occurs sooner. It shall be automatically renewed for successive similar periods subject to the receipt by ARI of the maintenance charge in effect at the time of renewal, provided that the customer is not then in default. In addition to any other rights under this agreement, either party may terminate this agreement at any time by giving written notice 30 days immediately prior to any anniversary date hereof to the other party.

### 7. CHARGES

The initial monthly/annual charge for maintenance under this agreement shall be the amount set forth on the reverse side hereof. The monthly/annual maintenance charge with respect to any renewal term will be the charge in effect at the time of renewal. Customer agrees to pay the total of all charges for maintenance during the initial term and any renewal term within 10 days of the date of ARI's invoice for such charges. Customer understands that alterations, attachments or specification changes may require an increase in maintenance charges and agrees to pay such charges promptly when due.

### 8. BREACH OR DEFAULT

If the customer does not pay all charges for maintenance or parts as provided hereunder, promptly when due: (1) ARI may (a) refuse to service the equipment or (b) furnish service on a C.O.D. "Per Call" basis at published rates and (2) the customer agrees to pay ARI's costs and expenses of collection including the maximum attorney's fee permitted by law, said fee not to exceed 25% of the amount due hereunder.

If equipment is moved to a new Dealer service zone, ARI shall have the option to charge and the customer agrees to pay, the difference in published maintenance charges between the current zone and the new zone, such charges to be assessed on a pro-rata basis. If equipment is moved beyond ARI's published service zones, customer agrees to pay a fair and reasonable upcharge for continued maintenance under this agreement, taking into account the distance to customer's new location and ARI's published rates for service on a "Per Call" basis.

Copiers sold by ARI are designed to give excellent performance with ARI authorized supplies, including paper, developer, toner and dispersant. If the customer uses other than ARI supplies, and if such supplies are defective or not acceptable for use on ARI machines, and cause abnormally frequent service calls or service problems, then ARI may, at its option, terminate this agreement. In that event, the customer will be offered service on a "Per Call" basis at published rates. It is not a condition of this agreement, however, that the customer use only ARI authorized supplies.

### 9. NO WARRANTY

Other than the obligations set forth herein, ARI DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR USE, OR FITNESS FOR A PARTICULAR PURPOSE. ARI SHALL NOT BE RESPONSIBLE FOR DIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES, INCLUDING BUT NOT LIMITED TO, DAMAGES ARISING OUT OF THE USE OR PERFORMANCE OF THE EQUIPMENT OR THE LOSS OF USE OF THE EQUIPMENT.

### 10. MISCELLANEOUS

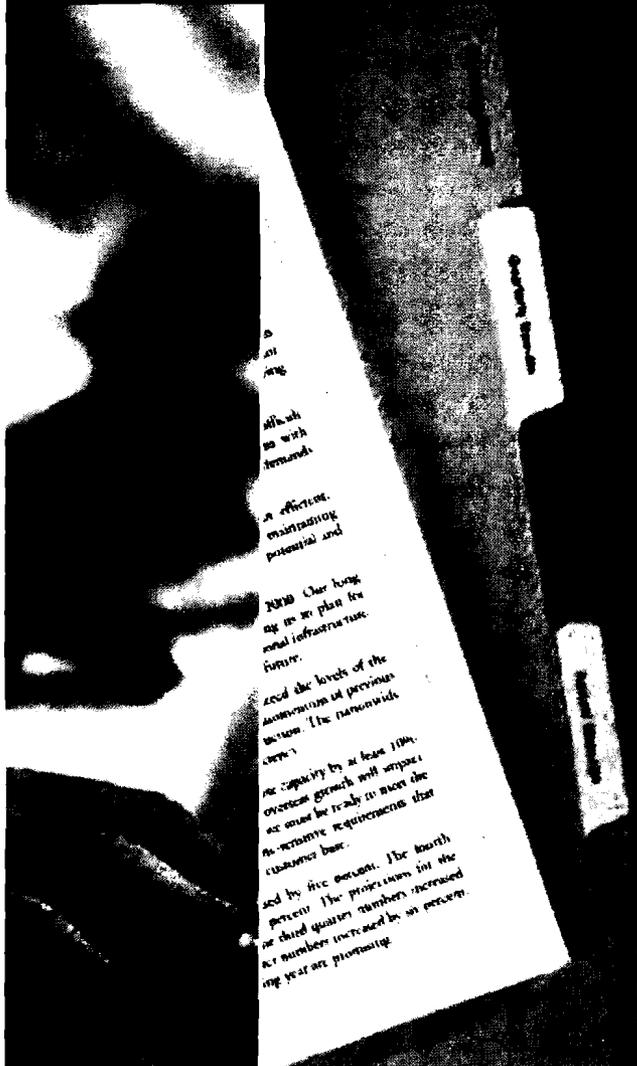

This Agreement shall be governed by and construed according to the laws of the State in which ARI is located applicable to agreements wholly negotiated, executed and performed in such State. It constitutes the entire agreement between the parties and may not be modified except in a writing signed by duly authorized officers of ARI and the customer.

## 8055/8065/8075

Digital Imaging Systems

FAST > POWERFUL > PROFESSIONAL > RELIABLE >

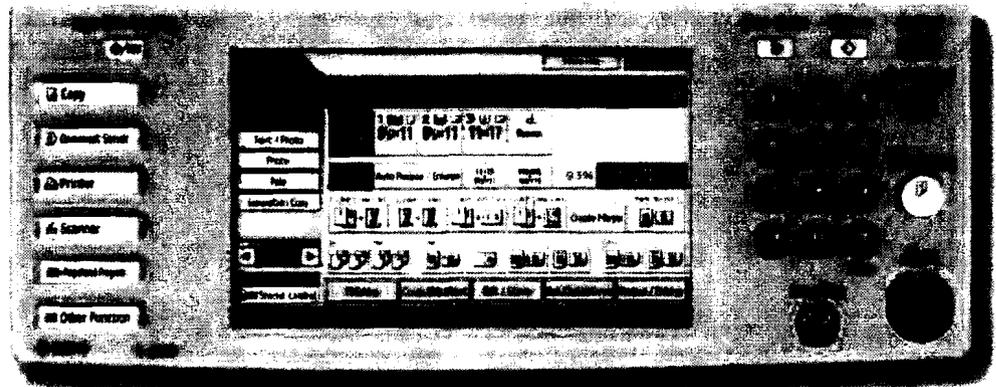

**Increased productivity  
from start to finish.**

**savin**

## Set a new pace in productivity.

Set aside your current idea of productivity and make way for the Savin 8055/8065/8075 Series—the new standard in digital multifunction systems. The 8055/8065/8075 Series is so fast and so functionally rich, it works equally well in high-volume workgroup settings as it does in busy centralized copy and reprographic centers.

Quickly and easily select from print, copy, scan and finishing functions via the improved, user-friendly touch panel.

### Everything you need for true productivity.

With ultra-fast print speeds of 55, 65 or 75 ppm and a single-pass document feeder that scans originals at 75 images per minute, you can make quick work of even your biggest print jobs. But productivity isn't just about speed; it's also about capabilities. The 8055/8065/8075 Series covers all the bases by packing everything you need into a single, powerful system. You get a high-volume digital printer, a full-featured copier, a versatile network scanner and professional finishing. And because ease of use also factors into your ability to be more efficient, the 8055/8065/8075 Series is equipped with state-of-the-art connectivity and security features.

### Time-saving printing functions.

The Savin 8055/8065/8075 gives you more ways to print and manage files so you can make the most of your time.

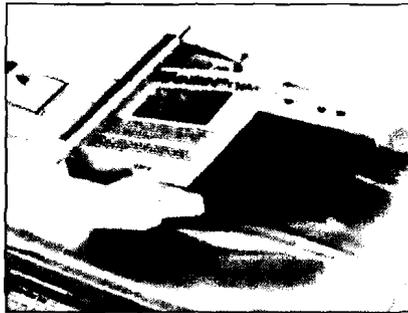

- Eliminate wasted time and paper when you use Sample Print to print and check a sample of the job before running the remaining sets.
- Ensure confidentiality with Locked Print, which releases the file only after the correct password has been entered at the system.
- Reduce trips to the printer by using Hold Print to store all your print jobs for printing on demand.
- Save filing space with Stored Print, which retains frequently printed documents and their finishing settings on the system for printing at your convenience.

[www.savin.com](http://www.savin.com)

## Professional in-house creations.

Your documents will look better than ever thanks to outstanding 1200 x 1200 dpi resolution, Refined Print Command Stream (RPCS™) printing capabilities and professional document finishing options. And because you have the right resources to produce high-quality documents, presentations, flyers and booklets in house, your budget will look great, too.

- Waste less paper on discards using Preview features—from Sample Print to Image Preview.
- Create attractive easy-to-read booklets with Creep for Booklet, which shifts images on the middle pages to ensure proper alignment.
- Ensure documents are trimmed precisely using the Crop Marks function.
- Save money by creating professionally finished documents in house. Add preprinted covers with the Cover Interposer.

The single-pass automatic document feeder reduces wear & tear on originals and enhances productivity.

- Produce saddle-stitched booklets with the SR4000 Booklet Finisher.
- Staple up to 100 sheets with the SR842 Finisher.
- Use the Hole Punch Unit to create 2- or 3-hole-punched documents for easy insertion into binders.
- Create even more professional-looking documents with tabs, chapters, page numbers and Z-folds.

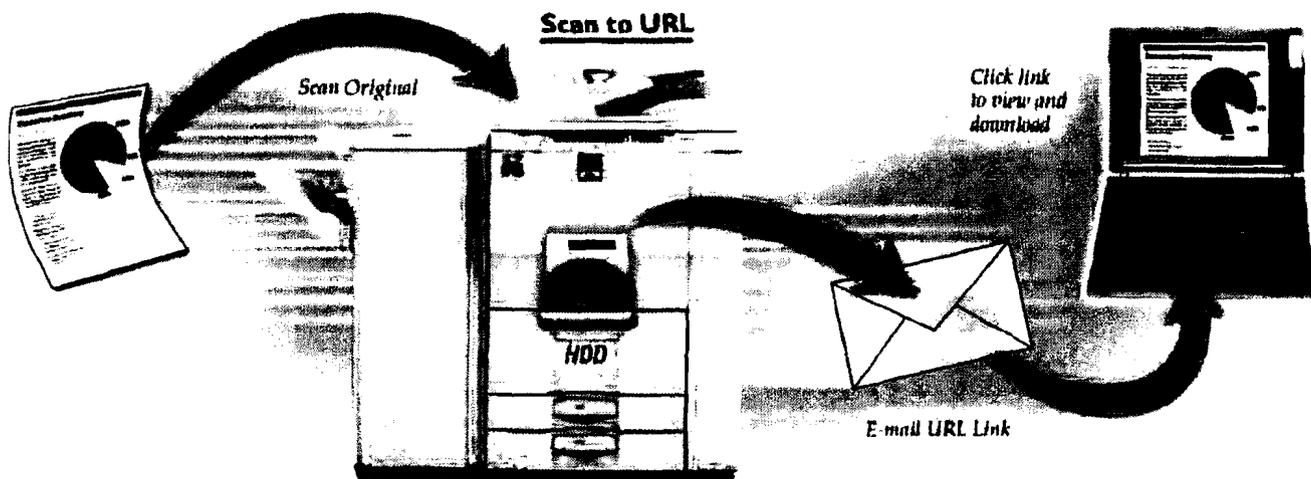

## Safe and sound security.

The Savin 8055/8065/8075 Series includes a variety of security options to safeguard your vital information.

- Safeguard your confidential information with Unauthorized Copy Control, which protects sensitive documents with an embedded message that appears if a document is copied.
- Send PDFs securely with PDF Encryption. Assign a password to your PDFs so that only the intended recipient can open the file.
- Make any effort to access and reconstruct residual data virtually impossible using the DataOverwriteSecuritySystem (DOSS) option, which overwrites copy, print and scan data with random sequences of 1's and 0's.
- Be assured that system users are authorized. Windows® Authentication requires Savin 8055/8065/8075 Series users to login using their Windows® PC password. This feature also ensures that the e-mails you receive have been sent by an authorized sender.
- Restrict access to various files and functions by assigning up to 500 user codes.

## Scan-to-URL.

Minimize network traffic and prevent overloaded e-mail in-boxes by scanning large documents onto the hard disk of the Savin 8055/8065/8075 Series and e-mailing a convenient URL link to users within the LAN/WAN.

# 8055/8065/8075 Digital Imaging Systems

FAST > POWERFUL > PROFESSIONAL > RELIABLE >

Print on 8.5" x 11" or 8.5" x 14" stock even if you start with different sized originals. Add the finishing touch with a color cover.

## Enhanced digital distribution.

Imagine taking a thick presentation, scanning it quickly at 75 pages per minute, instantly digitizing the file, and then simultaneously sending it to up to 500 addresses across the country or around the globe. That's the power of the Savin 8055/8065/8075 Series' digital distribution capabilities.

Savin's Document Server technology and DeskTopBinder™ management applications provide even more timesaving storage and distribution functions.

- Print or distribute stored digital files and scanned hardcopies at your convenience.
- View multiple stored documents, combine them into new files, and select finishing options via any standard Web browser with Web Image Monitor™.
- Find recipient e-mail addresses more quickly with the improved Lightweight Directory Access Protocol (LDAP) search.
- Confirm the content of your documents before printing with File Preview, eliminating errors and waste.

## Manage your entire fleet of MFPs.

The optional @Remote Intelligent Remote Management System automatically reports meter data, freeing you to focus on getting your work out, instead of worrying about collecting and reporting the machine's usage.

## Manage and access your documents remotely.

Imagine being able to securely store, edit, share and retrieve documents and files from your PC via the Internet or securely scan hardcopy documents directly from your Savin system MFPs. Not only is this all possible with Savin DocumentMall, it's available 24/7. Now workers in remote locations can collaborate in real time and in a secure environment.

## Your Environmental Partner

The Savin 8055/8065/8075 Series is ENERGY STAR® qualified, combining our long-standing environmental friendly commitment to developing office solutions with efficient energy and resource saving features, including:

- 30-second, Quick Start-up (QSU) technology
- Power-saving Sleep Modes
- Duplex and Combine Copy Mode
- Toner Recycling
- Low Noise Levels
- Minimal Ozone Emissions
- RoHS (Restriction of Hazardous Substances) Compliant

**Automatic Document Feeder – Standard**  
Scan at up to 75 images per minute through the single-pass document feeder.

**Cover Interposer – Optional**  
The Interposer makes it easy to add covers and inserts—including full color—into your jobs.

**Intuitive Control Panel**  
The user-friendly LCD panel offers a large display with easy job programming for copy, print, scan and store, and finishing functions.

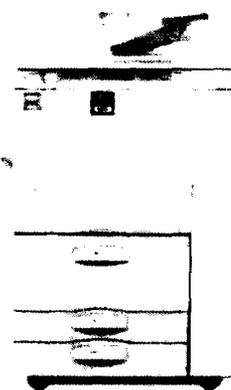

**Large Capacity Tray – Optional**  
The optional LCT holds 4,000 sheets, providing a maximum paper capacity of 8,300 sheets.

**Tandem Paper Tray – Standard**  
The tandem paper tray holds 1,550 sheets in each of the two compartments, for a total of 3,100 sheets.

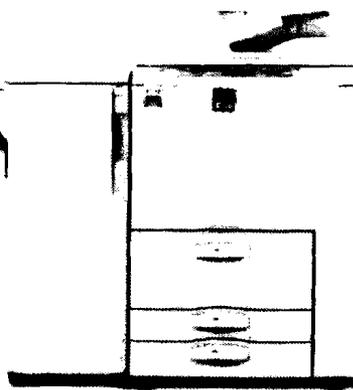

**2,000-sheet Booklet Finisher with 50-sheet Stapler – Optional**

**Two 550-sheet Paper Trays and Bypass – Standard**  
Dual front-loading paper trays, the 100-sheet Stack Bypass and the tandem tray provide a standard 4,300-sheet paper capacity.

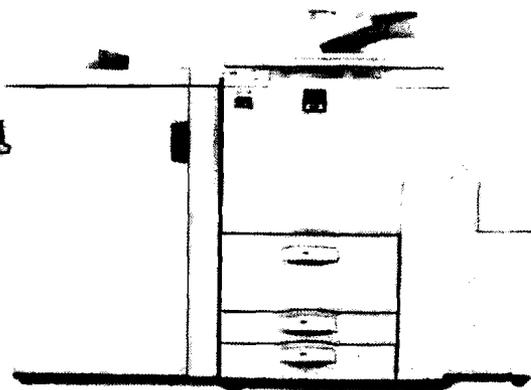

**Base System**  
55 pages per minute  
65 pages per minute  
75 pages per minute

The Savin 8055 prints at 55 pages per minute.

The Savin 8065, shown with the 50-sheet Staple Finisher, prints at 65 pages per minute.

The Savin 8075, shown with the Cover Interposer, 100-sheet Staple Finisher, and Large Capacity Tray, prints at 75 pages per minute.

<b>w/o Saddle Stitch</b>	
<b>Dimensions (WxDxH)</b>	25.9" x 24.1" x 37.8"
<b>Punch Unit Type 3260</b>	
<b>Hole Positions</b>	2 or 3 holes
<b>Paper Size</b>	5.5" x 8.5" - 11" x 17"
<b>Paper Weight</b>	14 lb. Bond - 90 lb. Index (163 g/m <sup>2</sup> )
<b>Output Jogger Unit Type 3260</b>	
Secures each finished set in an orderly fashion.	
<b>SR842 3,000-sheet Finisher w/100-sheet Stapler</b>	
<b>Proof Tray</b>	
<b>Paper Size</b>	5.5" x 8.5" - 11" x 17" SEF, 12" x 18" SEF
<b>Paper Weight</b>	14 lb. Bond - 110 lb. Index (216 g/m <sup>2</sup> )
<b>Stack Capacity</b>	500 sheets (8.5" x 11" or smaller), 250 sheets (8.5" x 14" or larger) 30 sheets (Z-fold)
<b>Shift Tray</b>	
<b>Paper Size</b>	5.5" x 8.5" - 11" x 17" SEF, 12" x 18" SEF
<b>Paper Weight</b>	14 lb. Bond - 110 lb. Index (216 g/m <sup>2</sup> )
<b>Stack Capacity</b>	3,000 sheets (8.5" x 11" LEF) 1,500 sheets (8.5" x 11" SEF, 8.5" x 14" SEF, 11" x 17" SEF) 500 sheets (5.5" x 8.5" LEF) 100 sheets (5.5" x 8.5" SEF) 30 sheets (Z-fold)
<b>Staple Capacity</b>	
<b>Same Paper Size</b>	100 sheets (8.5" x 11") 50 sheets (8.5" x 14", 11" x 17")
<b>Mixed Paper Size</b>	50 sheets (8.5" x 11" LEF, 11" x 17" SEF)
<b>Z-Fold Paper Only</b>	10 sheets
<b>Staple Positions</b>	Top, top slant, bottom, 2 staples
<b>Dimensions (WxDxH)</b>	31.5" x 28.7" x 38.6"
<b>Punch Unit Type 1075</b>	
<b>Hole Positions</b>	2 or 3 holes
<b>Paper Size</b>	5.5" x 8.5" - 11" x 17"
<b>Paper Weight</b>	14 lb. - 34 lb. Bond
<b>GBC StreamPunch III</b>	
<b>Paper Size</b>	8.5" x 11" LEF
<b>Paper Weight</b>	20 lb. Bond - 110 lb. Index (216 g/m <sup>2</sup> )
<b>Die Sets</b>	CombBind®, Twin Loop Wire (2:1 or 3:1), ColorCoil®, VeloBind®, Three-Ring, ProClick®
<b>BK5010 Production Booklet Maker</b>	
<b>Paper Size</b>	8.5" x 11" - 11" x 17"
<b>Paper Weight</b>	16 lb. Bond - 110 lb. Index (216 g/m <sup>2</sup> )
<b>Output Jogger Unit Type 1075</b>	
Secures each finished set in an orderly fashion.

Secures each finished set in an orderly fashion.	

### PRINT CONTROLLER SPECIFICATIONS

<b>Print Speed</b>	8055: 55 prints/minute 8065: 65 prints/minute 8075: 75 prints/minute
<b>CPU</b>	Intel Celeron LV 866 MHz
<b>Host Interface</b>	Standard: 10Base-T Ethernet/100Base-TX Ethernet, USB 2.0 Optional: IEEE 1284 (Parallel), IEEE 802.11b (Wireless LAN), IEEE 1394, Bluetooth, 1000Base-T Ethernet
<b>Network Protocol</b>	TCP/IP, IPX/SPX, SMB, AppleTalk
<b>Memory Capacity</b>	512MB DDR-SDRAM Standard: RPCS, PCL5e, PCL6 Optional: Adobe PostScript 3
<b>Print Resolution</b>	PCL5e: 300/600 dpi PCL6: 600/1200 dpi PS 3: 600/1200 dpi RPCS: 300/600/1200 dpi PCL5e/PCL6: Windows 9x/ME/NT 4.0/2000/ XP/Server 2003 RPCS: Windows 9x/ME/NT 4.0/2000/XP/ Server 2003 PS 3: Windows 9x/ME/NT 4.0/2000/XP/ Server 2003, Macintosh OS 8.6 and later, Mac OS X Classic, Mac OS X Native v. 10.1 and later
<b>Drivers</b>	

### SCANNER SPECIFICATIONS

<b>Scan Speed</b>	75 sides/minute (200 dpi)
<b>Optical Resolution</b>	100 dpi - 600 dpi (100 - 1200 dpi with TWAIN)
<b>Output Format</b>	TIFF (Multi/Single), JPEG, PDF (Multi/Single)
<b>Interface Support</b>	Standard: 10Base-T Ethernet/100Base-TX Ethernet; Optional: IEEE 802.11b, IEEE 1394, 1000Base-T Ethernet
<b>Bundled Drivers</b>	Network TWAIN
<b>Scan-to-Email</b>	Yes (up to 500 addresses per send)
<b>LDAP Support</b>	Yes (Version 3)
<b>Max Stored</b>	2,000
<b>Destinations</b>	
<b>Authentication</b>	SMTP/POP before SMTP
<b>Scan-to-Folder</b>	Yes (up to 50 folders per job)
<b>Protocol Support</b>	SMB, FTP, NCP

For maximum performance and yield, we recommend using genuine Savin parts and supplies.

+ Ricoh recommended configuration for noted applications

**TERMS AND CONDITIONS:**

- (1) All pricing is contingent upon a signed contract between Ricoh and the Customer.
- (2) Pricing is for hardware; if networking / rigging is involved, open market rates will apply (See Network Support Hourly Rates).
- (3) Should [REDACTED] from the Suggested Retail Price, [REDACTED]
- (4) If an accessory is installed at a later date and not part of the original configuration, then additional installation charges will apply.
- (5) Prices as offered herein are Net of Trade.

**PURCHASE FOOTNOTES:**

- (1) Prices include Installation and Delivery Charges. Facsimile products are self installable; if customer requests Ricoh installation, then charges will apply.
- (2) Purchase Prices valid through above date, subject to change based on the then in effect Suggested Retail and/or GSA Price Schedule, or as otherwise specified in a Special Master Pricing Agreement between Customer and Ricoh.

**LEASE FOOTNOTES:**

- (1) Lease payments shall remain constant for the individual lease term of installed unit; however, lease rates are subject to adjustment, for units installed after the above effective date, based on and provided a change of at least fifty (50) basis points has occurred in Two Year Treasury Note rates for 12-48 month term Contracts, and Three Year Treasury Note rates for 49-60 month term Contracts. All lease prices and offerings are subject to Customer Credit Approval.
- (2) Removal Charges for leased equipment will be the then in effect open market rates of returning the equipment to Ricoh.
- (3) Lease Prices do not include monthly maintenance (except for facsimile).
