Dear Mr. Edward Sealover;

Your county's fire control assessment for fiscal year 2008-2009 is shown below. We are forwarding you this information so that you can take this into consideration in planning your budget.

Fire Control Assessment 363,401 acres x \$.07 \$25,438.07

You will receive an invoice from this office during the month of September for the above.

The statutory language for the recent legislative change to Florida Statute 125.27 increasing the per acre charge from \$.03/acre to \$.07/acre is also attached. This is the first change in rate since the inception of the agreement. This statute change as well as the updated acreage change will require an addendum to our agreement.
