Dear Jonathan,

As you are aware the contractor Ross and Logan Industries has submitted a change order request in the amount of \$34,363.18. I have evaluated the request and have determined that the contractor is entitled to \$26,152.21 based on the conditions spelled out in the Invitation to Bid documents page 12. Attached is the contractors request as well as timelines for submittals and approvals both from me and the Florida Department of Transportation.

If you have any questions, please feel free to call me at (850) 575-1800 or Cell Phone (850) 596-7392.

Sincerely,

Rick,

The 2008 standards show a 30" FJ and that was a mistake and the interim standards show the correction at 32" FJ. Please verify and REVISE the shop drawings. Let me know if you have any questions.

Thanks.
