University of Florida
Memorandum of Understanding (MOU)

Purpose: The intent of this document is to clearly outline the mutual understanding between the University of Florida ("University") and Ricoh Americas Corporation ("Vendor"), surrounding our enhanced preferred relationship

I. General Terms	to Accept	
	Vendor Accept	University Accept
A. Agreement Length: 3 years with two (2) one-year options to extend	✓	
B. Effective Date: All pricing and incentive calculations will be effective as of 2 weeks from signature	✓	
C. Termination: Either party may terminate this Agreement without cause following ninety (90) days prior written notice to the other party	✓	
D. Master Lease Agreement: Equipment leasing will be subject to the terms of the University of Florida Master Lease Agreement for Copier, Equipment and all terms and conditions contained therein. Each purchase order shall reference the agreement. (Please see attached "TRD")	✓	
E. Invoicing and Payment Terms: Vendor and University will develop up in a mutually acceptable standard format for invoicing. Invoices shall be made available both electronically and as traditional paper invoices. Payment terms will be net 30 days. Equipment and maintenance will be itemized separately on invoices	✓	
F. Entities Covered: The terms and conditions of this agreement will apply to all the other state universities, community colleges, district school boards, educational institutions and governmental agencies within the State of Florida	✓	
G. Annual Contract Review: Vendor and University will review contract terms, conditions, & pricing on an annual basis to ensure agreement continues to meet both parties needs	✓	
H. Contract Administration and Implementation: All contract administration will be the responsibility of Ricoh Americas Corporation. Purchase Orders and billing will be the responsibility of a designated contract administrator. All purchase orders and change orders are to be sent to authorized local distributors of Ricoh family products. Each purchase order shall reference this solicitation (ITN0700-162TC). Ricoh Americas Corporation is responsible for administration, implementation, and reporting under this agreement	✓	
I. Governance: In the event of a conflict between documents, any Amendments or final Awards shall be first control, then this Agreement (MOU), then the Invitation to Negotiate, and finally Vendor's General Terms and Conditions of Sale	✓	

II. Service Level Expectations	to Accept	
	Vendor Accept	University Accept
A. Shipping: Vendor will deliver all products FOB destination within 30 days of receipt of the purchase order. Vendor shall have complete responsibility for the items or system until it is in place and working and is responsible for all costs for delivery and installation	✓	
B. Service Response Time: Authorized dealer technician or repair unit will be on site within four (4) working hours after receiving calls for service. Working hours are defined as 8:00 a.m. to 5:00 p.m., except Saturdays, Sundays, and University holidays	✓	
C. Loan units: In the event that a unit is not in good working condition within 16 hours of a service request, the customer shall be provided a loan machine of similar functionality and specifications at no additional charge and be reported to Purchasing for remediation review	✓	
D. Service call assignment and infrastructure: The Vendor will use its own appropriate help desk to provide support, including creating problem tickets and work orders and assigning responsibility to the appropriate Vendor resource. The Vendor will use its own appropriate internal group to provide server, network, and infrastructure support services	✓	
E. Repair and replacement of malfunctioning units: Copiers that average two (2) malfunctions within a thirty (30) day period requiring contractor correction shall be replaced with a unit of the same functionality and similar specifications at no additional charge	✓	
F. Part availability and warranty: Contract certifies replacement part availability for seven (7) years from the original procurement date (purchase or lease) and repair parts will be stocked at all service locations. Replacement parts must be new or functionally equivalent to new in performance and reliability and warranted as new	✓	
G. Vendor Shows: Vendor will work with Purchasing to coordinate at least 1 road show to educate/introduce users to new products. Vendor will also participate in the annual "Sustainability Vendor Show"	✓	
H. Other Services: Vendor & University will jointly determine additional service level expectations within 60 days of the signed agreement	✓	

III. Pricing & Financial Incentives	to Accept	
	Vendor Accept	University Accept
A. Equipment pricing: Pricing shall consist of a discount off the supplied list price on the base model and common accessories. Accessories added that are not listed specifically shall be discounted off of manufacturers list. See Attachment A for current pricing	✓	
B. Recurring Maintenance: Maintenance agreements will be based on actual copy volumes and calculated on invoices based on click charges for black and white prints and color prints according to rates listed on Attachment C. This maintenance charge includes full-coverage maintenance including preventative maintenance, all service calls and replacement of defective or worn parts, and all consumable supplies exclusive only of staples and paper. Maintenance agreements shall be billed quarterly	✓	
C. Lease Factors: Vendors will provide users the option to lease equipment for either a 36 or 60 month period with Ricoh holding title to the lease at all times. Lease factors will be reviewed annually for adjustment purposes (increase or decrease) in business review. Lease factors are listed on Attachment D	✓	
D. Non-copier Equipment: Non-copier equipment pricing and service is listed per Attachment E	✓	
E. New Product Introductions: Vendor will notify University purchasing department quarterly of new product introductions and provide all necessary and requested documentation, information, and knowledge capital to the University prior to the start of support of a new device or functionality	✓	
F. New Product Pricing: If a new product is introduced in place of a retired model, University shall receive the discount corresponding to the retired model/product category off of the list price in accordance with Attachment B. In the event a new category of products is introduced in a category, University and Vendor will negotiate a mutually agreed upon discount for all products in that category	✓	
G. Price Adjustments: Attachment A prices will be updated with Vendor's current list prices and appropriate category discounts. Attachment B: Vendor will communicate changes in prices with University	✓	
H. Rebate: Vendor shall provide University a 2.5% transactional rebate of spend referencing this contract (including "other entities") to be paid quarterly and accompanied with appropriate documentation to Purchasing	✓	
I. Large Orders: Vendor willing to discount orders exceeding \$100,000 by 5% on hardware and orders exceeding \$250,000 by 10% for the first year of the contract as well as extend this offer and additional deep discounts for large one-time orders on a case by case basis	✓	
J. Retroactive Plan Conversion: Vendor will convert recurring maintenance charges on leased and purchased units to the new maintenance click charges per Attachment C if purchased or leased in the last 60 days from the date of this signed agreement and will provide Purchasing with appropriate documentation	✓	

University of Florida
Memorandum of Understanding (MOU)

Purpose: The intent of this document is to clearly outline the mutual understanding between the University of Florida ("University") and Ricco Americas Corporation ("Vendor") surrounding our enhanced preferred relationship.

IV. Management & Reporting		Vendor Accept	University Accept
A. Account Management: Vendor will designate a dedicated account team to assist in all activities associated with the service and maintenance of the account as outlined in Vendor response. Vendor will notify University Purchasing Department of any changes to the account team.		✓	
B. Quarterly Business Review Meetings: To maintain partnership, Vendor will meet at least on a quarterly basis with University account management to discuss vendor performance and review reporting. Vendor shall present all information to further reduce product costs related to University purchases as they become apparent.		✓	
C. Ordering Website: Vendor will maintain a customized website through which University personnel can review product information, configure equipment, and review contract pricing. Energy Star compliant products will be provided in the site. UF Purchasing Cards and Purchase Orders will be accepted in the site.		✓	
D. Reporting: Vendor will provide University with detailed reporting, electronic as outlined in the ITN as requested. Requirements will be discussed during contract implementation.		✓	
E. List Price: List prices will be available to University in Electronic format upon request. Each price sheet will identify supply and date.		✓	
F. Remediation: Vendor will produce audit tool as mutually agreed upon by the parties in writing to be utilized by UF personnel. In the event pricing or discount levels reflected on invoices do not match the pricing levels as stated in the agreement, University and Vendor will work together to calculate and issue an appropriate credit. Compliance will begin being monitored and recorded 2 weeks from signature date.		✓

Bring speed and precision to black & white workflow.

Intuitive performance.

Simplicity

Quality

Fast, Efficient Distribution

Rely on this powerful 90 page-per-minute system to help you handle every document with extreme efficiency.

- Expect rapid results for every job with one of the fastest systems in the segment, featuring output speeds of 60, 70, 80 or 90 pages-per-minute.
- Complete scan jobs faster than ever with one-pass color duplex scanning at speeds up to 55 color or 80 black & white originals-per-minute.
- Ensure superior image quality for newsletters, legal documents, patient records and other output with true 1200 x 1200 dpi resolution.
- Streamline authentication to support productivity without compromising security using the Card Authentication Package.

Manage Documents Better

Consolidate document management tasks with a single system that does it all: copying, printing, scanning, faxing and finishing.

- Use Ricoh's advanced solutions to enable document capture and distribution, storage and management, or assessment and cost recovery. Create specialized, custom applications for Ricoh's Embedded Software Architecture, via a Java-compatible Software Development Kit (SDK).
- Locate Scan-to-Email addresses in seconds by searching the local e-mail database directly, via the standard Lightweight Directory Access Protocol (LDAP).
- Minimize errors for high-volume output with Sample Print. You can also use File Preview to review documents before printing if they are stored on the Document Server.
- Keep restricted files safe with Locked Print. This feature only releases documents for output after a user enters an authorized password.
- Reprint frequently used documents in seconds, without reprocessing files or reprogramming job settings, using Stored Print.

Maintain High Security

Keep confidential documents safe at all times, across multiple workflows, with an impressive array of security features.

- Defend documents against hard drive theft with the DataOverwriteSecurity System (DOSS), which erases latent image data after every job.
- Protect data on the HDD using the HDD Encryption Option.
- Encrypt sensitive PDFs to make sure unintended recipients can't open them.
- Encrypt PDF transmission to prevent unauthorized data interception.
- Protect sensitive documents with Unauthorized Copy Control, which embeds a masking pattern that obscures copies if users attempt to duplicate originals on another system with the same capability.
- Stop unauthorized system access with unique user authentication codes.

Get animated, step-by-step instructions for routine tasks via the large 8.5-inch WVGA color touch screen or use the simplified display for larger fonts and icons.

Choose from six different folding options, including Letter Fold (Tri-Fold) and Z-Fold, with the optional Multi-Fold Unit.

Scan originals directly to a USB drive or SD card for instant portability.

Efficient Smart

Professional Finishing

Significantly reduce outsourcing costs with an extensive selection of high-quality finishing options.

- Create an incredible variety of finished materials with the Multi-Fold Unit, which offers Half-Fold, Z-Fold, Gate-Fold, Double Parallel Fold in-line and other patterns.
- Produce saddle-stitched booklets for students, clients and other audiences quickly and cost-effectively with the BK5010 Production Booklet Maker.
- Energize black & white documents with pre-printed, full-color covers using the Cover Interposer.
- Organize lengthy documents that require heavy-duty stapling with the 100-Sheet stapling finisher.
- Depend on the GBC StreamPunch III to deliver precision-punched documents that are prepared for a wide range of binding options.

Innovative Faxing

A complete lineup of fax features makes fax communication fast, simple and cost-efficient.

- Expect high productivity with up to three analog lines, a Super 3G modem and standard JBIG compression.
- Save multiple steps with LAN Faxing, this lets you send a document to a fax number directly from the desktop.
- Cut costs considerably with IP Faxing (T.38), which sends and receives faxes over the LAN or WAN virtually instantaneously.
- Prevent faxes from sitting unattended in the output tray. Forward incoming faxes to an e-mail address or network folder.
- Reduce the risk of fax errors. These systems detect blank pages and enable users to double-check fax destinations prior to transmission.

Intelligent Workflow

Use these convenient tools to streamline common tasks.

- Print e-mail attachments (JPEG or PDF) automatically by sending them to the system via the Mail-to-Print feature.
- Associate jobs with specific clients, users or other billing numbers for appropriate chargeback with the Classification Code feature.
- Utilize the system to seamlessly scan your documents directly to Ricoh DocumentMall. A "Software as a Service" (SaaS), DocumentMall allows you to store and manage documents and files from anywhere there is an Internet connection.
- Create automatic, one-step workflows for frequent scan tasks using optional GlobalScan NX software.

The Total Green Office Solution

Ricoh continues its long-standing commitment to developing office solutions with environmentally friendly and superior energy- and supply-saving features, without compromising productivity.

Secure Versatile

Ensure Fast, Professional Results
