1.0 STATEMENT OF WORK

1.1 Summary

The University of Florida is soliciting proposals from interested vendors to furnish proposals for Multifunctional & Specialty Application Copiers. The purpose of this solicitation is to establish a three-year agreement by which the University may purchase, lease and provide maintenance of office copiers with two 1-year renewal options based on performance. The University anticipates spending over \$9M on this equipment over the course of the initial 3-year contract term.

1.2 Coverage and Participation

The intended coverage of this ITN and any Agreement resulting from this solicitation shall be for the use of all Departments at the University of Florida. With the consent and agreement of the Successful Vendor, the other state universities, community colleges, district school boards, other educational institutions, and other governmental agencies within the State of Florida, may assess an Agreement resulting from this solicitation issued and administrated by the University of Florida.

The University reserves the right to add and/or delete elements, or to change any element of the coverage and participation at any time without prior notification and without any liability of any kind or amount.

2.0 GENERAL INFORMATION AND INSTRUCTIONS TO PROPOSERS

2.1 Original ITN Document

Purchasing Services shall retain the ITN, and all related terms and conditions, exhibits and other attachments, in original form in an archival copy. Any modification of these, in the vendor's submission, is grounds for immediate disqualification.

2.2 University Demographics

The University of Florida is a major public land-grant research university. The state's oldest, largest, and most comprehensive university, the University of Florida is among the nation's most academically diverse public universities. The University has a long history of established programs in international education, research, and service. It is one of only 17 public land-grant universities that belong to the Association of American Universities. With more than 46,000 students, the University of Florida is now one of the five largest universities in the nation.

The University of Florida has a 2,000-acre campus and more than 900 buildings (including 170 with classrooms and laboratories). The northeast corner of campus is listed as a historic district on the National Register of Historic Places.

The University's extensive capital improvement program has resulted in facilities ideal for 21st century research including the McKnight Brain Institute, the new Health Professions, Nursing and Pharmacy Building, the Genetics and Cancer Research Center, and the Proton-beam Therapy Center located in Jacksonville. Overall, the university's current facilities have a book value of more than \$1 billion and a replacement value of \$2 billion.

For any additional information about the University of Florida, please visit the University's Internet web page at: www.ufl.edu.
