- **Task 2: Prepare Annual Assessment Roll** Update the assessment roll for Fiscal Year 2011-12 for use in the recurring annual assessment program by obtaining updated data from the Nassau County Property Appraiser's Office and identifying changes to parcels (i.e., splits, combinations and subdivisions). GSG will work with County staff as necessary to process database revisions generated.
- **Task 3:** Calculate Annual Assessment Amounts Calculate/confirm the annual assessment amounts based on the apportionment methodology and revenue requirements for the assessment program for Fiscal Year 2012-13.
- **Task 4: Prepare Final Assessment Rolls** GSG will prepare the final assessment rolls for the maintenance assessment program and deliver it to the Nassau County Tax Collector in their specified electronic format. This task will result in the certification of the assessment roll to the Nassau County Tax Collector.
- Task 5:

FEES AND COSTS

For the professional services and specialized assistance described in the proposed scope of services, GSG we will work under a lump sum professional fee arrangement of \$7,500. Except as noted below, this fee includes all out-of-pocket expenses.

The fee for professional services does not include any on-site visits by GSG to the County. Any on-site meetings by GSG may be arranged at our standard hourly rates provided below. All expenses related to these requested meetings will be billed in accordance with section 112.061, Florida Statutes. If necessary, in lieu of on-site visits, periodic telephone conference calls may be scheduled to discuss project status.

The standard hourly rates for GSG are as follows:

GOVERNMENT SERVICES GROUP, INC.

Chief Executive Officer	\$225
Senior Vice President	\$175
Vice President	\$160
Senior Project Manager/Consultant/Project Coordinator	\$160
Consultant/Database Analyst/Technical Services	\$130

The lump sum fee does not include the costs of producing and mailing the statutorily required first class notices. Mailing and production costs depend on the number of assessable parcels of property within the assessment program area, but average approximately \$1.30 per parcel. Payment of mailing and production costs is due at the time of adoption of the initial assessment resolution or like document. For non-domestic notices, mailing charges will include the actual amount of postage beyond the domestic rate. Should U.S. postage rates increase prior to mailing, the additional postage per notice will be charged.

The County is responsible for any and all newspaper publications, including, but not limited to, making arrangements for publications and any costs associated therewith.

Subject: RE: Nassau County BCC- Continuing Annual Administration of the Amelia Concourse Capital and Maintenance Assessment Programs

Yes, once the capital assessment is paid off it goes away. I will have to get with Camille on the price. Do you need the proposal this week or can I get you a price and send the proposal next week?

Subject: Nassau County BCC- Continuing Annual Administration of the Amelia Concourse Capital and Maintenance Assessment Programs

Would it be possible to receive a proposal for the 12/13 assessment year for the Amelia Concourse Assessment Programs in the following two formats?

1) Assuming special assessments will be levied for both Capital and Maintenance

2) Assuming special assessments will only be levied for Maintenance

It <u>may</u> be possible to payoff debt outstanding in FY11/12 therefore a FY12/13 Capital Assessment levy may not be required. Am I correct in assuming if no capital assessment levied in FY12/13 then no services from GSG would be required for FY12/13 administration of the Capital Assessment Program?

Thank you.
