GENERAL CONDITIONS:

1. As consideration for the services rendered by the Grantee under the terms of this Agreement, the Department shall pay the Grantee on a cost reimbursement basis in an amount not to exceed \$70,588.00 toward the project described in **Attachment A, Grant Work Plan**, for direct costs only. Prior written approval from the Department's Grant Manager shall be required for changes in task budgets between approved budget categories of up to 10% of the total budget amount for the task. The DEP Grant Manager will transmit a copy of the written approval and revised task budget to the DEP Contracts Disbursements Office for inclusion in the Agreement file. Changes greater than 10% will require a formal Change Order to the Agreement. Changes that transfer funds from one task to another or that increase or decrease the total funding amount will require a formal amendment to the Agreement. The Grantee shall be eligible for reimbursement for work performed on or after October 1, 2011 until September 30, 2012.
2.
 - A. The Grantee, using **Attachment B, Reimbursement Request Form**, shall submit reimbursement requests upon the completion and submission of deliverables as identified in Attachment A. The Grantee shall submit a final invoice to the Department no later than October 31, 2012, to assure the availability of funds for final payment. An original of the Reimbursement Request Form, with summaries and appropriate contracts attached must be submitted. Reimbursement Request Forms must be signed by the designated authorized representative. This should be the same person who signed the Grant Agreement. If there is a change in the authorized representative during the Grant period, the Department must be notified of the new representative by resolution or minutes of a commission meeting.
 - B. As an attachment to the Reimbursement Request Form, the Grantee must provide from its accounting system a listing of expenditures made under this Agreement. The listing shall include, at a minimum, a description of the goods or services purchased, date of the transaction (check date), voucher number (if available), check number, amount paid, and vendor name. The Grantee shall comply with the minimum requirements set forth in **Attachment C, Contract Payment Requirements**. Authorized travel expenses are included in the amount of this Agreement and no additional travel expenses above those included in the allowable items described in paragraph 4 will be authorized. Any requests for reimbursement of authorized travel expenses must be submitted in accordance with Section 112.061, Florida Statutes.
 - C. The Grantee shall submit Attachment B, Reimbursement Request Form, in conjunction with progress reports. The Grantee shall utilize **Attachment D, Progress Report Form**, to clearly describe what the expenditures were used for and how such expenditures relate to the allowable items described in Attachment A. To the extent that the expenditures are used for a specific project, the progress report should also include a description of problems encountered, problem resolutions, a financial summary of the project, and any schedule updates.
3. In addition to the requirements in the paragraph above, the Department will periodically request proof of a transaction (invoice, payroll register, etc.) to evaluate the appropriateness of costs to the Grant Agreement pursuant to State and Federal guidelines (including cost allocation guidelines), as appropriate. This information, when requested, must be provided within thirty (30) calendar days of such request. The Grantee may also be required to submit a cost allocation plan to the Department in support of its multipliers for fringe benefits. All bills for amounts due under this Grant Agreement shall be submitted in detail sufficient for a proper pre-audit and post-audit thereof. State guidelines for allowable costs can be found in the Department of Financial Services' Reference Guide for State Expenditures at <http://www.fldfs.com/aadir/reference%5Fguide>.

4.

 - B. Allowable costs for reimbursement under this Agreement, include:
 1. Annual solid waste management program operating costs

 1. Cell phone expenditures;
 2. Indirect, overhead or administrative costs; and
 3. Promotional items such as T-shirts and other items promoting the program; and

 - D. Specific costs authorized for this Agreement are identified in Attachment A.
5. The Grantee shall maintain books, records and documents directly pertinent to performance under this Agreement in accordance with generally accepted accounting principles consistently applied. The Department, the State, or their authorized representatives shall have access to such records for audit purposes during the term of this Agreement and for five (5) years following Agreement completion. The Grantee agrees that it will expeditiously initiate and complete the program work for which assistance has been awarded under this Grant Agreement in accordance with all applicable provisions of Florida Statutes and the Florida Administrative Code. In the event any work is subcontracted, the Grantee shall similarly require each subcontractor to maintain and allow access to such records for audit purposes.
6.
 - A. In addition to the requirements of the preceding paragraph, the Grantee shall comply with the applicable provisions contained in **Attachment E (Special Audit Requirements)**, attached hereto and made a part hereof. **Exhibit 1** to **Attachment E** summarizes the funding sources supporting the Agreement for purposes of assisting the Grantee in complying with the requirements of **Attachment E**. A revised copy of **Exhibit 1** must be provided to the Grantee for each amendment which authorizes a funding increase or decrease. If the Grantee fails to receive a revised copy of **Exhibit 1**, the Grantee shall notify the Department's Grants Manager to request a copy of the updated information.

- B. The Grantee is hereby advised that the Federal and/or Florida Single Audit Act Requirements may further apply to lower tier transactions that may be a result of this Agreement. The Grantee shall consider the type of financial assistance (federal and/or state) identified in **Attachment E, Exhibit 1** when making its determination. For federal financial assistance, the Grantee shall utilize the guidance provided under OMB Circular A-133, Subpart B, Section .210 for determining whether the relationship represents that of a subrecipient or vendor. For state financial assistance, the Grantee shall utilize the form entitled "Checklist for Nonstate Organizations Recipient/Subrecipient vs Vendor Determination" (form number DFS-A2-NS) that can be found under the "Links/Forms" section appearing at the following website:

<https://apps.fldfs.com/fsaa>

The Grantee should confer with its chief financial officer, audit director or contact the Department for assistance with questions pertaining to the applicability of these requirements.

- C. In addition, the Grantee agrees to complete and submit the **Certification of Applicability to Single Audit Act Reporting, Attachment F**, attached hereto and made a part hereof, within four (4) months following the end of the Grantee's fiscal year. Attachment F should be submitted to the Department's Grants Development and Review Manager at 3900 Commonwealth Boulevard, Mail Station 93, Tallahassee, Florida 32399-3000. The Grants Development and Review Manager is available to answer any questions at (850) 245-2361.
7. A. The Department has the right to terminate a Grant award and demand refund of Grant funds for non-compliance with the terms of the award, Section 403.7095, Florida Statutes, or the Solid Waste Grants Program Rule, Chapter 62-716, Florida Administrative Code. Such action may also result in the Department declaring the local government ineligible for further participation in the program until the local government complies with the terms of the Grant award. Prior to termination, the Department shall provide thirty (30) calendar days written notice of its intent to terminate and shall provide the Grantee an opportunity to consult with the Department regarding the reason(s) for termination.
- B. The Department may terminate this Agreement for convenience by providing the Grantee with thirty (30) calendar days written notice.
8. The Grantee shall obtain all necessary construction-related permits before initiating construction.
9. The State of Florida's performance and obligation to pay under this Grant Agreement is contingent upon an annual appropriation by the Legislature.
10. This Agreement may be unilaterally canceled by the Department for refusal by the Grantee to allow public access to all documents, papers, letters, or other material made or received by the Grantee in conjunction with this Agreement, unless the records are exempt from Section 24(a) of Article I of the State Constitution and Section 119.07(1)(a), Florida Statutes.
11. Pursuant to Section 216.347, Florida Statutes, the Grantee is prohibited from using Grant funds for the purpose of lobbying the Legislature, the judicial branch, or a State Agency.
12. To the extent required by law, the Grantee will be self-insured against, or will secure and maintain during the life of this Grant Agreement, Workers' Compensation Insurance for all of its employees connected with the work of this project and, in case any work is subcontracted, the Grantee shall require the subcontractor similarly to provide Workers' Compensation Insurance for all of the latter's employees unless such employees are covered by the protection afforded by the Grantee. Such self-insurance program or insurance coverage shall comply fully with the Florida Workers'

Compensation law. In case any class of employees engaged in hazardous work under this Grant Agreement is not protected under Workers' Compensation statutes, the Grantee shall provide, and cause each subcontractor to provide, adequate insurance satisfactory to the Department, for the protection of his employees not otherwise protected.

13. The Grantee, as an independent contractor and not an agent, representative, or employee of the Department, agrees to carry adequate liability and other appropriate forms of insurance. The Department shall have no liability except as specifically provided in this Agreement.
14. Each party hereto agrees that it shall be solely responsible for the negligent or wrongful acts of its employees and agents. However, nothing contained herein shall constitute a waiver by either party of its sovereign immunity or the provisions of Section 768.28, Florida Statutes.
15. The Grantee covenants that it presently has no interest and shall not acquire any interest, which would conflict in any manner or degree with the performance of services required.
16. Reimbursement for equipment or vehicle purchases costing \$1,000 or more is not authorized under the terms and conditions of this Project Agreement.
17.
 - A. The Grantee may subcontract work under this Agreement without the prior written consent of the Department's Grant Manager. The payment terms of subcontracts (other than construction and the purchase of commodities) shall comply with the terms of this Agreement (for example, if payment under this Agreement is being made on a cost reimbursement basis, then the subcontract should also be cost reimbursement). The Grantee shall submit a copy of the executed subcontract to the Department within ten (10) days after execution. The Grantee agrees to be responsible for the fulfillment of all work elements included in any subcontract and agrees to be responsible for the payment of all monies due under any subcontract. It is understood and agreed by the Grantee that the Department shall not be liable to any subcontractor for any expenses or liabilities incurred under the subcontract and that the Grantee shall be solely liable to the subcontractor for all expenses and liabilities incurred under the subcontract.
 - B. The Department of Environmental Protection supports diversity in its procurement program and requests that all subcontracting opportunities afforded by this Agreement embrace diversity enthusiastically. The award of subcontracts should reflect the full diversity of the citizens of the State of Florida. A list of minority owned firms that could be offered subcontracting opportunities may be obtained by contacting the Office of Supplier Diversity at (850) 487-0915.
18.
 - A. No person, on the grounds of race, creed, color, national origin, age, sex, or disability, shall be excluded from participation in; be denied the proceeds or benefits of; or be otherwise subjected to discrimination in performance of this Agreement.
 - B. An entity or affiliate who has been placed on the discriminatory vendor list may not submit a bid on a contract to provide goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not award or perform work as a contractor, supplier, subcontractor, or consultant under contract with any public entity, and may not transact business with any public entity. The Florida Department of Management Services is responsible for maintaining the discriminatory vendor list and intends to post the list on its website. Questions regarding the discriminatory vendor list may be directed to the Florida Department of Management Services, Office of Supplier Diversity, at (850) 487-0915.

19. A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not perform work as a Grantee, contractor, supplier, subcontractor, or consultant under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, Florida Statutes, for Category Two, for a period of thirty-six (36) months from the date of being placed on the convicted vendor list.
20.
 - A. The accounting systems for all Grantees must ensure that these funds are not commingled with funds from other agencies. Funds from each agency must be accounted for separately. Grantees are prohibited from commingling funds on either a program-by-program or a project-by-project basis. Funds specifically budgeted and/or received for one project may not be used to support another project. Where a Grantee's, or subrecipient's, accounting system cannot comply with this requirement, the Grantee, or subrecipient, shall establish a system to provide adequate fund accountability for each project it has been awarded.
 - B. If the Department finds that these funds have been commingled, the Department shall have the right to demand a refund, either in whole or in part, of the funds provided to the Grantee under this Agreement for non-compliance with the material terms of this Agreement. The Grantee, upon such written notification from the Department shall refund, and shall forthwith pay to the Department, the amount of money demanded by the Department. Interest on any refund shall be calculated based on the prevailing rate used by the State Board of Administration. Interest shall be calculated from the date(s) the original payment(s) are received from the Department by the Grantee to the date repayment is made by the Grantee to the Department.
 - C. In the event that the Grantee recovers costs, incurred under this Agreement and reimbursed by the Department, from another source(s), the Grantee shall reimburse the Department for all recovered funds originally provided under this Agreement. Interest on any refund shall be calculated based on the prevailing rate used by the State Board of Administration. Interest shall be calculated from the date(s) the payment(s) are recovered by the Grantee to the date repayment is made to the Department by the Grantee.
21. The Grantee shall comply with all applicable federal, state and local rules and regulations in conducting the project funded under this Agreement. The Grantee acknowledges that this requirement includes compliance with all applicable federal, state and local health and safety rules and regulations. The Grantee further agrees to include this provision in all subcontracts issued as a result of this Grant Agreement.
22. The Department may at any time, by written order designated to be a change order, make any change in the contact information identified in Section I of this Agreement. All change orders are subject to the mutual agreement of both parties as evidenced in writing. Any change, which causes an increase or decrease in the Grantee's cost or time, shall require formal amendment to this Agreement.
23. Land acquisition is not allowed under the terms of this Agreement.
24. If a court deems any provision of this Agreement void or unenforceable, that provision shall be enforced only to the extent that it is not in violation of law or is not otherwise unenforceable and all other provisions shall remain in full force and effect.
25. This Agreement represents the entire Agreement of the parties. Any alterations, variations, changes, modifications or waivers of provisions of this Agreement shall only be valid when they have been reduced to writing, duly signed by each of the parties hereto, and attached to the original of this Agreement, unless otherwise provided herein.

Contract Payment Requirements **Florida Department of Financial Services, Reference Guide for State Expenditures** ***Cost Reimbursement Contracts***

Invoices for cost reimbursement contracts must be supported by an itemized listing of expenditures by category (salary, travel, expenses, etc.) Supporting documentation must be provided for each amount for which reimbursement is being claimed indicating that the item has been paid. Check numbers may be provided in lieu of copies of actual checks. Each piece of documentation should clearly reflect the dates of service. Only expenditures for categories in the approved contract budget should be reimbursed.

Listed below are examples of the types of documentation representing the minimum requirements:

- (1) Salaries: A payroll register or similar documentation should be submitted. The payroll register should show gross salary charges, fringe benefits, other deductions and net pay. If an individual for whom reimbursement is being claimed is paid by the hour, a document reflecting the hours worked times the rate of pay will be acceptable.
- (2) Fringe Benefits: Fringe Benefits should be supported by invoices showing the amount paid on behalf of the employee (e.g., insurance premiums paid). If the contract specifically states that fringe benefits will be based on a specified percentage rather than the actual cost of fringe benefits, then the calculation for the fringe benefits amount must be shown.

Exception: Governmental entities are not required to provide check numbers or copies of checks for fringe benefits.
- (3) Travel: Reimbursement for travel must be in accordance with Section 112.061, Florida Statutes, which includes submission of the claim on the approved State travel voucher or electronic means.
- (4) Other direct costs: Reimbursement will be made based on paid invoices/receipts. If nonexpendable property is purchased using State funds, the contract should include a provision for the transfer of the property to the State when services are terminated. Documentation must be provided to show compliance with Department of Management Services Rule 60A-1.017, Florida Administrative Code, regarding the requirements for contracts which include services and that provide for the contractor to purchase tangible personal property as defined in Section 273.02, Florida Statutes, for subsequent transfer to the State.
- (5) In-house charges: Charges which may be of an internal nature (e.g., postage, copies, etc.) may be reimbursed on a usage log which shows the units times the rate being charged. The rates must be reasonable.

For contracts between state agencies, and for contracts between universities, alternative documentation may be submitted to substantiate the reimbursement request. This may be in the form of FLAIR reports or other similarly detailed reports.

SPECIAL AUDIT REQUIREMENTS

The administration of resources awarded by the Department of Environmental Protection (*which may be referred to as the "Department", "DEP", "FDEP" or "Grantor", or other name in the contract/agreement*) to the recipient (*which may be referred to as the "Contractor", Grantee" or other name in the contract/agreement*) may be subject to audits and/or monitoring by the Department of Environmental Protection, as described in this attachment.

MONITORING

In addition to reviews of audits conducted in accordance with OMB Circular A-133 and Section 215.97, F.S., as revised (see "AUDITS" below), monitoring procedures may include, but not be limited to, on-site visits by Department staff, limited scope audits as defined by OMB Circular A-133, as revised, and/or other procedures. By entering into this Agreement, the recipient agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Department of Environmental Protection. In the event the Department of Environmental Protection determines that a limited scope audit of the recipient is appropriate, the recipient agrees to comply with any additional instructions provided by the Department to the recipient regarding such audit. The recipient further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Chief Financial Officer or Auditor General.

AUDITS

PART I: FEDERALLY FUNDED

This part is applicable if the recipient is a State or local government or a non-profit organization as defined in OMB Circular A-133, as revised.

1. In the event that the recipient expends \$500,000 or more in Federal awards in its fiscal year, the recipient must have a single or program-specific audit conducted in accordance with the provisions of OMB Circular A-133, as revised. EXHIBIT 1 to this Agreement indicates Federal funds awarded through the Department of Environmental Protection by this Agreement. In determining the Federal awards expended in its fiscal year, the recipient shall consider all sources of Federal awards, including Federal resources received from the Department of Environmental Protection. The determination of amounts of Federal awards expended should be in accordance with the guidelines established by OMB Circular A-133, as revised. An audit of the recipient conducted by the Auditor General in accordance with the provisions of OMB Circular A-133, as revised, will meet the requirements of this part.
2. In connection with the audit requirements addressed in Part I, paragraph 1, the recipient shall fulfill the requirements relative to auditee responsibilities as provided in Subpart C of OMB Circular A-133, as revised.
3. If the recipient expends less than \$500,000 in Federal awards in its fiscal year, an audit conducted in accordance with the provisions of OMB Circular A-133, as revised, is not required. In the event that the recipient expends less than \$500,000 in Federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of OMB Circular A-133, as revised, the cost of the audit must be paid from non-Federal resources (i.e., the cost of such an audit must be paid from recipient resources obtained from other than Federal entities).
4. The recipient may access information regarding the Catalog of Federal Domestic Assistance (CFDA) via the internet at <http://12.46.245.173/cfda/cfda.html>.

PART II: STATE FUNDED

This part is applicable if the recipient is a nonstate entity as defined by Section 215.97(2)(m), Florida Statutes.

1. In the event that the recipient expends a total amount of state financial assistance equal to or in excess of \$500,000 in any fiscal year of such recipient, the recipient must have a State single or project-specific audit for such fiscal year in accordance with Section 215.97, Florida Statutes; applicable rules of the Department of Financial Services; and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General. EXHIBIT 1 to this Agreement indicates state financial assistance awarded through the Department of Environmental Protection by this Agreement. In determining the state financial assistance expended in its fiscal year, the recipient shall consider all sources of state financial assistance, including state financial assistance received from the Department of Environmental Protection, other state agencies, and other nonstate entities. State financial assistance does not include Federal direct or pass-through awards and resources received by a nonstate entity for Federal program matching requirements.
2. In connection with the audit requirements addressed in Part II, paragraph 1; the recipient shall ensure that the audit complies with the requirements of Section 215.97(7), Florida Statutes. This includes submission of a financial reporting package as defined by Section 215.97(2), Florida Statutes, and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General.
3. If the recipient expends less than \$500,000 in state financial assistance in its fiscal year, an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, is not required. In the event that the recipient expends less than \$500,000 in state financial assistance in its fiscal year, and elects to have an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, the cost of the audit must be paid from the non-state entity's resources (i.e., the cost of such an audit must be paid from the recipient's resources obtained from other than State entities).
4. For information regarding the Florida Catalog of State Financial Assistance (CSFA), a recipient should access the Florida Single Audit Act website located at <https://apps.fldfs.com/fsaa> for assistance. In addition to the above websites, the following websites may be accessed for information: Legislature's Website at <http://www.leg.state.fl.us/Welcome/index.cfm>, State of Florida's website at <http://www.myflorida.com/>, Department of Financial Services' Website at <http://www.fldfs.com/> and the Auditor General's Website at <http://www.state.fl.us/audgen>.

PART III: OTHER AUDIT REQUIREMENTS

(NOTE: This part would be used to specify any additional audit requirements imposed by the State awarding entity that are solely a matter of that State awarding entity's policy (i.e., the audit is not required by Federal or State laws and is not in conflict with other Federal or State audit requirements). Pursuant to Section 215.97(8), Florida Statutes, State agencies may conduct or arrange for audits of State financial assistance that are in addition to audits conducted in accordance with Section 215.97, Florida Statutes. In such an event, the State awarding agency must arrange for funding the full cost of such additional audits.)

FREQUENTLY ASKED QUESTIONS

1. **Question:** Do I complete and return this form when I return my signed Agreement/Amendment?

Answer: No, this form is to be completed and signed by your Chief Financial Officer and returned 4 months after the end of your fiscal year.

2. **Question:** Can I fax the form to you?

Answer: Yes, you can fax the Certification form, the fax number is 850/245-2411.

3. **Question:** How can I submit the form if our audit is not completed by the due date of this letter?

Answer: You should be able to complete the form from the information in your accounting system. This is just to let our Office of the Inspector General know which entities they should be getting an audit from. If you are under the threshold you do not have to submit a copy of your audit, only the Certification form.

4. **Question:** Do you only want what we received from DEP?

Answer: No, the Single Audit is the TOTAL AMOUNT of funds that you expended towards all state or federal grants that you receive. You should list those that are specific to DEP on the form.

5. **Question:** Do I have to submit the completed form and a copy of my audit?

Answer: No, you do not have to submit your audit unless you are over the threshold of \$500,000. If you would prefer to submit your audit (CAFR) instead of the form, that is fine. You must submit a paper copy of your audit, we cannot receive it electronically.

6. **Question:** Our CAFR will not be ready before your due date and we don't have the information necessary to complete the certification. Can we get an extension?

Answer: Yes, just send us an Email letting us know when you will have your CAFR completed and we will place the Email with your letter in our file so that you don't get a 2nd notice.

7. **Question:** Can I submit my Certification Form or CAFR electronically?

Answer: Yes, you can submit them by Email to Debbie.skelton@dep.state.fl.us
