Description of Commodity:

Provide technical support on an on call basis.

Check one (1) of the following two (2) choices:

Sole Source: The goods or services can be legally purchased from only one source.

Single Source: The goods or services can be purchased from multiple sources, but, in order to meet certain functional or performance requirements, there is only one economically feasible source for this purchase.

Please check all of the following that apply:

Purchase can only be obtained from original manufacturer-not available through distributors.

Only authorized area distributor of the original manufacturer.

Parts/Equipment are not interchangeable with similar parts of another manufacturer.

This is the only known source that will meet the specialized needs of this department or perform the intended function.

This source must be used to meet warranty or service maintenance requirements.

This source is required for standardization.

None of the above apply.

Comments/Explanations: (required)

Chief Consultant and Senior Consultant were part of the original implementation of the system in 2006. They are intimately familiar with the system and provide a wealth of knowledge that is not available elsewhere.
