**MUTUAL UNDERSTANDINGS**

Florida Housing was directed by the U.S. Department of the Treasury (Treasury) to create and administer foreclosure prevention assistance programs that address the unique issues of our state. Treasury requires that Florida use a portion of these funds specifically for targeted unemployment programs that provide temporary assistance to eligible homeowners. These targeted unemployment programs are as follows:

- Unemployment Mortgage Assistance Program (UMAP) will provide up to twelve (12) months of payments to the mortgage lender to assist eligible unemployed/underemployed borrowers with their first mortgage until they can resume payments on their own.
- Mortgage Loan Reinstatement Program (MLRP) will be used to help bring a delinquent mortgage current for eligible homeowners.

The UMAP and the MLRP are referred to collectively as the "Unemployment Programs."

As used herein, the term "Applicant" means the borrower (including any co-borrower) under a mortgage loan who applies for assistance under the Unemployment Programs.

The HHF Advisor shall perform and render the services identified in this contract as an independent Contractor and not as an agent, representative, or employee of Florida Housing. These services shall be known as "Contractor and professional services" and shall include, but not limited to, the provision of advice and assistance to Florida Housing in the following areas:

- Applicant intake;
- Determination of the Applicant's eligibility for assistance under UMAP and/or MLRP;
- Continuing case management of Applicants assisted with UMAP/MLRP; and

Florida Housing has a need for such services and does hereby accept the offer of the HHF Advisor upon the terms and conditions outlined in this Contract.

Florida Housing has the authority pursuant to Florida Law to direct disbursement of funds for compensation to the HHF Advisor under the terms and provisions of this Contract.

The HHF Advisor agrees to provide the services in accordance with the terms and conditions hereinafter set forth, unless otherwise stated in this Contract. The HHF Advisor understands and agrees that all services under this Contract are to be performed solely by the HHF Advisor, unless prior written approval and consent is received from Florida Housing for any subcontract or assignment of services.

The HHF Advisor shall use the applicable criteria set forth in the Advisor Hardest Hit Fund Procedure Manual (the "Procedure Manual") dated June 2012 to determine the Applicant's eligibility for UMAP and MLRP assistance. From time to time, updated procedures will be made available to the HHF Advisor in the Counselor Direct system. The HHF Advisor is required to apply the eligibility criteria and procedures in effect at the time the eligibility determination is made for an Applicant. As used herein, the term Procedure Manual shall mean the Procedure Manual as amended or modified from time to time during the term of this Contract.

References herein to "this Contract" shall be deemed to include the Procedure Manual, as same be amended or modified from time to time during the term hereof.

As used in this subparagraph (a) and elsewhere in this Contract, "Personally Identifiable Information" or "PII" means information that can be used to uniquely identify, contact, or locate a single person or can be used with other sources to uniquely identify a single individual. (b) Contents of the Files: The HHF Advisor shall maintain Applicant files containing documentation sufficient to verify an Applicant's eligibility (or ineligibility) for UMAP and/or MLRP assistance in accordance with the applicable eligibility guidelines under this Contract, as well as all compensation paid to the HHF Advisor for services rendered in connection with this Contract; such files shall include reports, records, documents, papers, letters, computer files, or other material received, generated, maintained or filed by the HHF Advisor in connection with this Contract. ## **History**

In January 2010, US Treasury (Treasury) created the “Housing Finance Agency (HFA) Innovation Fund for the Hardest-Hit Housing Markets” (HFA Hardest-Hit Fund) and allocated funds under the Emergency Economic Stabilization Act of 2008 (EESA) to five states: Arizona, California, Florida, Michigan and Nevada. The funds were allocated to these states because of their excessive housing market depreciation and to assist in foreclosure prevention efforts. In March 2010, Treasury allocated a second disbursement of \$600 million to an additional five state HFAs based on high unemployment rates. On August 11, US Treasury again expanded the HFA Hardest-Hit Fund to include a total of 18 states and the District of Columbia, and added an additional \$2 billion. Florida received another allocation of funds, \$236.8 million, from the third round of funding, which added to the initial allocation of \$418 million, this brought Florida’s total funding to \$656.8 million. Finally, on September 29, 2010, Treasury announced a fourth round of funding, awarding Florida an additional \$401 million, bringing Florida’s total award amount to over \$1 billion.

Florida Housing Finance Corporation (Florida Housing) was directed by Treasury to create and administer foreclosure prevention assistance programs that address the unique issues of our state. Treasury requires that Florida use a portion of these funds specifically for targeted unemployment programs that provide temporary assistance to eligible homeowners.

Florida Housing’s two programs under the HFA Hardest Hit Funds are:

### **Unemployment Mortgage Assistance Program (UMAP)**

Loan funds can be used to pay monthly mortgage and escrowed mortgage-related expenses (i.e., property taxes, homeowner insurance, and mortgage insurance) until the homeowner can resume payments or for up to 12 months whichever occurs first.

Population to be served:

At least one borrower (a person who is legally obligated for the payment of the mortgage note) must be able to document that he or she is unemployed or substantially underemployed and must provide a financial hardship affidavit. A borrower and/or co-borrower who suffers a hardship that has resulted in a loss of income of at least 10% will be considered “substantially underemployed”.

Use of funds:

Pay the monthly first mortgage payment.

## **Mortgage Loan Reinstatement Payment Program (MLRP)**

Loan funds can be used to help bring the past-due first mortgage current.

Population to be served:

At least one borrower (a person who has is legally obligated for the payment of the mortgage note) must be able to document that he or she is unemployed or substantially underemployed and must provide a financial hardship affidavit. A borrower and/or co-borrower who suffers a hardship that has resulted in a loss of income of at least 10% will be considered "substantially underemployed".

MLRP can be used with UMAP or as a standalone MLRP-only payment. MLRP-only will be used to help bring a delinquent mortgage current for a homeowner who has returned to work or recovered from underemployment and can now resume the monthly mortgage payment(s) based on his/her new income, meaning that the total housing expense is less than 31% of the current gross monthly income. This type of assistance is appropriate when the homeowner needs help only to bring the mortgage and/or mortgage-related expenses current.

Such hardship must have resulted in the total housing expense (PITIA) exceeding 31% of the total gross income of the household, leading to the arrearage. Verification that homeowners will be able to make their payments will be required. Homeowner must meet eligibility and program underwriting guidelines and must complete a hardship affidavit.

Use of funds:

Loan funds can be used to help bring the past-due first mortgage current.

### **Assistance Will Be Provided in the Form of a Loan**

A maximum of \$42,000 is available to eligible homeowners who use both the UMAP and MLRP programs together, up to \$24,00 in UMAP and \$18,000 in MLRP. A homeowner who uses MLRP-only can receive up to \$25,000.

Homeowners will be required to pay 25% of their monthly income towards their monthly mortgage payment with a minimum payment requirement of \$70 per month. This will provide a reasonable period of time for homeowners to become re-employed at a salary that is sufficient for them to either resume making full mortgage payments or qualify for a mortgage modification that will lower the payments and terms of the mortgage to an affordable level.

The funds are used to pay the monthly first mortgage payment or the first mortgage arrearage and will be disbursed by Florida Housing directly to the loan servicer on behalf of the homeowner.

The funds will be in the form of a 0% interest, non-recourse, and deferred-payment forgivable loan which will subordinate to current mortgages.

The loan will be forgiven over a 5 year period starting at month 18, at a rate of 20% per year.

The loan must be paid back if the home is sold or refinanced prior to the maturity date. Florida Housing will agree to subordinate the UMAP/MLRP Loan for homeowners who refinance their first mortgage to receive more favorable loan terms. If a homeowner refinances their loan to consolidate debt or receives cash out, the homeowner would be required to repay the UMAP/MLRP Loan according to the loan terms.

*Definitions:*

**PITI** – Principal, Interest, Taxes and Insurance

**PITIA** – PITI + Homeowner Association Dues

### **Eligibility Determination**

If the HHF Advisor believes that the homeowner may be eligible for the Unemployment Mortgage Assistance Program and Mortgage Loan Reinstatement Program, the Advisor will be required to verify that all information entered into CounselorDirect, by the homeowner, is accurate. The Advisor will be required to gather and assemble the following information, if applicable to the homeowner's specific situation, which will be used to make eligibility determinations:

The eligibility determinations can be broken down into three separate areas. There are specific criteria related to the homeowner, the property and the mortgage.

Unless otherwise noted, all documentation used to determine eligibility must be uploaded into the CounselorDirect system. Each document must be uploaded separately; with the exception of items of the same type (i.e. pay stubs can be placed in the same file, bank statements for each account at a financial institution can be uploaded together). Files must be named as directed in the HHF Document Checklist.

  - c. For MLRP-only – The total housing expense (PITIA) must currently be less than 31% of the total gross income of the household.
7. Has the client experienced a qualifying hardship (unemployment / underemployment)?

a. The homeowner will certify their compliance with this regulation via the Dodd/Frank Certification.

10. To be considered “substantially underemployed” there must be at least a 10% reduction in income for either a borrower or co-borrower in order to qualify for underemployment and through no fault of the borrower or co-borrower.

### **Eligible Applications**

Once the Advisor determines that the homeowner has met all eligibility criteria, the file should be submitted to their Agency Administrator. Each Agency will be required to have an active Administrator. The Administrators will be responsible for final review of the client's file prior to submission to Florida Housing.

Only files that have been cleared of all CounselorDirect system Fails will be eligible for submission to Florida Housing, unless the Fail is on a MLRP-only client where the only fail is the 31% DTI test. Staff at Florida Housing will review all information supplied in the CounselorDirect system. If the file is incomplete, or Florida Housing staff has questions regarding the submitted file, Florida Housing staff will contact the Advising agency for additional follow-up.

Once Florida Housing has determined the file to be complete and the homeowner is eligible for the program, Florida Housing will send the homeowner's information to their servicer. The servicer has a right to determine if they will accept payments on behalf of the homeowner.

If the servicer agrees to accept payments on behalf of the homeowner, Florida Housing will make available an approval letter with the required mortgage payment to be made each month by the homeowner, populate the HHF Mortgage and Note with the homeowner specific information and make the closing documents available to the Advisor Agency. The Advisor should verify that all the information in the closing documents is correct, including:

date, borrower and co-borrower name, address, first mortgage date, first mortgage lender name, amount of first mortgage loan, and first mortgage recording information.

The Advisor Agency is required to schedule the closing and facilitate the signing of the Mortgage and Note. A notary will be required at each closing. The closing documents will need to be signed by two witnesses that are not the borrower or co-borrower. Any questions, in regards to the closing documents, must be answered by Florida Housing's legal department. Once the closing documents are fully executed and correct, the Advisor Agency will overnight the closing documents to Florida Housing using the FedEx labels supplied by Florida Housing. Closing documents not supplied to Florida Housing timely may cause a need to re-execute closing documents as the cutoff for partial payment set-ups may be missed.

Florida Housing will notify the homeowner's servicer the timing and payment start date that the monthly mortgage payment will commence.

The Advisor Agency will need to instruct the homeowner to cease all mortgage payment debits from their account except for the new debit to be initiated by the HHF Master Servicer – U.S. Bank.

### **Ineligible Applications**

If a homeowner has not met one or more of the established program criteria, they will be determined ineligible for the program. A standard letter has been created for Advisors to use when notifying a homeowner who is not eligible for the program. This is required to be mailed or e-mailed (if the primary communication with the homeowner was through e-mail) to the homeowner and a copy needs to be uploaded into the CounselorDirect system.

A homeowner has the right to appeal the Advisor's determination. Each Advisor agency should establish a method for addressing the initial appeal by the homeowner. This method may include the Senior Advisor reviewing the file or establishing a committee within the agency to review initial appeals. If the second review method concurs with the initial eligibility determination, a second letter has been provided by Florida Housing. This second Ineligible Determination letter gives the homeowner a chance to appeal the determination to the Florida Housing Coalition. The second Ineligible Determination letter must also be uploaded into CounselorDirect.

### **Declined Applications**

If a homeowner is declined by the servicer or Florida Housing, the Advisor will need to send the standard letter to the homeowner notifying the homeowner the reason for the decline.

## **Quarterly Eligibility Review**

At the time of closing and during each quarter of assistance the homeowner must supply necessary documentation to the Advisor for continued assistance under UMAP. The Advisor will need to recalculate each month the homeowners Income, the Asset Test and the 31% Test. The homeowner must remain within eligibility guidelines to continue receiving UMAP assistance. In order to recalculate these items, it is necessary for the Advisor to collect the following documentation:

1. Homeowner's Certification of Continuing Assistance
  - a. The homeowner will be required to certify each quarter that the information they supplied is true, correct, accurate and complete and that they are still in need of UMAP assistance.
2. The most recent mortgage statement and any correspondence from Servicer and the Servicer's attorney
  - a. If received, the mortgage statement should be reviewed for any changes to the monthly payment. Florida Housing may receive further information regarding changes to the monthly mortgage payment when exchanging data with the homeowner's mortgage servicer.

### **Stand Alone MLRP Assistance – MLRP-only**

A homeowner may be in a situation where they suffered a previous qualifying hardship and fell behind on their mortgage payments. They may be in a situation now where they can make the monthly payments but is in need of help to clear up the arrearage amount. MLRP funds can be used to pay arrearages plus any related expenses, up to \$25,000. The homeowner will still need to go through the eligibility determination. The difference with MLRP-only pertains to the 31% Test. Because the homeowner currently has the means to pay their mortgage, they would fail the 31% Test. The 31% test will need to be applied to when the qualifying hardship occurred and the income received during that time.
