In addition to reviews of audits conducted in accordance with paragraph (6) above, monitoring procedures may include, but not be limited to, on-site visits by Division staff, limited scope audits, and/or other procedures. The Recipient agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Division. In the event that the Division determines that a limited scope audit of the Recipient is appropriate, the Recipient agrees to comply with any additional instructions provided by the Division to the Recipient regarding such audit. The Recipient further agrees to comply and cooperate with any inspections, reviews, investigations or audits deemed necessary by the Florida Chief Financial Officer or Auditor General. In addition, the Division will monitor the performance and financial management by the Recipient throughout the contract term to ensure timely completion of all tasks.

(9) LIABILITY

(a) Unless Recipient is a State agency or subdivision, as defined in Section 768.28, Fla. Stat., the Recipient is solely responsible to parties it deals with in carrying out the terms of this Agreement, and shall hold the Division harmless against all claims of whatever nature by third parties arising from the work performance under this Agreement. For purposes of this Agreement, Recipient agrees that it is not an employee or agent of the Division, but is an independent contractor.

(b) Any Recipient which is a state agency or subdivision, as defined in Section 768.28, Fla. Stat., agrees to be fully responsible for its negligent or tortious acts or omissions which result in claims or suits against the Division, and agrees to be liable for any damages proximately caused by the acts or omissions to the extent set forth in Section 768.28, Fla. Stat. Nothing herein is intended to serve as a waiver of sovereign immunity by any Recipient to which sovereign immunity applies. Nothing herein shall be construed as consent by a state agency or subdivision of the State of Florida to be sued by third parties in any matter arising out of any contract.

(10) DEFAULT.

If any of the following events occur ("Events of Default"), all obligations on the part of the Division to make further payment of funds shall, if the Division elects, terminate and the Division has the option to exercise any of its remedies set forth in Paragraph (11). However, the Division may make payments or partial payments after any Events of Default without waiving the right to exercise such remedies, and without becoming liable to make any further payment:

(a) If any warranty or representation made by the Recipient in this Agreement or any previous agreement with the Division is or becomes false or misleading in any respect, or if the Recipient fails to keep or perform any of the obligations, terms or covenants in this Agreement or any previous agreement with the Division and has not cured them in timely fashion, or is unable or unwilling to meet its obligations under this Agreement;

(b) If material adverse changes occur in the financial condition of the Recipient at any time during the term of this Agreement and the Recipient fails to cure this adverse change within thirty days from the date written notice is sent by the Division.

(c) If any reports required by this Agreement have not been submitted to the Division or have been submitted with incorrect, incomplete or insufficient information;

(d) If the Recipient has failed to perform and complete on time any of its obligations under this Agreement.

(11) REMEDIES.

If an Event of Default occurs, then the Division may, after thirty calendar days written notice to the Recipient and upon the Recipient's failure to cure within those thirty days, exercise any one or more of the following remedies, either concurrently or consecutively:

(a) Terminate this Agreement, provided that the Recipient is given at least thirty days prior written notice of the termination. The notice shall be effective when placed in the United States, first class mail, postage prepaid, by registered or certified mail-return receipt requested, to the address in paragraph (13) herein;

(b) Begin an appropriate legal or equitable action to enforce performance of this Agreement;

(c) Withhold or suspend payment of all or any part of a request for payment;

(d) Require that the Recipient refund to the Division any monies used for ineligible purposes under the laws, rules and regulations governing the use of these funds.

(e) Exercise any corrective or remedial actions, to include but not be limited to:

1. Request additional information from the Recipient to determine the reasons for or the extent of non-compliance or lack of performance,

2. Issue a written warning to advise that more serious measures may be taken if the situation is not corrected,

3. Advise the Recipient to suspend, discontinue or refrain from incurring costs for any activities in question or

4. Require the Recipient to reimburse the Division for the amount of costs incurred for any items determined to be ineligible;

(f) Exercise any other rights or remedies which may be available under law.

(g) Pursuing any of the above remedies will not stop the Division from pursuing any other remedies in this Agreement or provided at law or in equity. If the Division waives any right or remedy in this Agreement or fails to insist on strict performance by the Recipient, it will not affect, extend or waive any other right or remedy of the Division, or affect the later exercise of the same right or remedy by the Division for any other default by the Recipient.

(12) TERMINATION.

(a) The Division may terminate this Agreement for cause after thirty days written notice. Cause can include misuse of funds, fraud, lack of compliance with applicable rules, laws and regulations, failure to perform on time, and refusal by the Recipient to permit public access to any document, paper, letter, or other material subject to disclosure under Chapter 119, Fla. Stat., as amended.

(b) The Division may terminate this Agreement for convenience or when it determines, in its sole discretion that continuing the Agreement would not produce beneficial results in line with the further expenditure of funds, by providing the Recipient with thirty calendar day's prior written notice.

(c) The parties may agree to terminate this Agreement for their mutual convenience through a written amendment of this Agreement. The amendment will state the effective date of the termination and the procedures for proper closeout of the Agreement.

(d) In the event that this Agreement is terminated, the Recipient will not incur new obligations for the terminated portion of the Agreement after the Recipient has received the notification of termination. The Recipient will cancel as many outstanding obligations as possible. Costs incurred after receipt of the termination notice will be disallowed. The Recipient shall not be relieved of liability to the Division because of any breach of Agreement by the Recipient. The Division may, to the extent authorized by law, withhold payments to the Recipient for the purpose of set-off until the exact amount of damages due the Division from the Recipient is determined.

(b) Any advance payment under this Agreement is subject to Section 216.181(16), Fla.Stat., and is contingent upon the Recipient's acceptance of the rights of the Division under Paragraph (12)(b) of this Agreement. The amount which may be advanced may not exceed the expected cash needs of the Recipient within the first three (3) months of the contract term. For a federally funded contract, any advance payment is also subject to federal OMB Circulars A-87, A-110, A-122 and the Cash Management Improvement Act of 1990. All of said information, representations, and materials are incorporated by reference. The inaccuracy of the submissions or

(b) This Agreement shall be construed under the laws of the State of Florida, and venue for any actions arising out of this Agreement shall be in the Circuit Court of Leon County. If any provision of this Agreement is in conflict with any applicable statute or rule, or is unenforceable, then the provision shall be null and void to the extent of the conflict, and shall be severable, but shall not invalidate any other provision of this Agreement.

(d) This Agreement may be executed in any number of counterparts, any one of which may be taken as an original.

(e) The Recipient agrees to comply with the Americans With Disabilities Act (Public Law 101-336, 42 U.S.C. Section 12101 et seq.), which prohibits discrimination by public and private entities on the basis of disability in employment, public accommodations, transportation, State and local government services, and telecommunications.

(f) Those who have been placed on the convicted vendor list following a conviction for a public entity crime or on the discriminatory vendor list may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with a public entity, and may not transact business with any public entity in excess of \$25,000.00 for a period of 36 months from the date of being placed on the convicted vendor list or on the discriminatory vendor list.

(g) Any Recipient which is not a local government or state agency, and which receives funds under this Agreement from the federal government, certifies, to the best of its knowledge and belief, that it and its principals:

In addition, the Recipient shall send to the Division (by email or by facsimile transmission) the completed “Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion” (Attachment E) for each intended subcontractor which Recipient plans to fund under this Agreement. The form must be received by the Division before the Recipient enters into a contract with any subcontractor.

(h) The State of Florida's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the Legislature, and subject to any modification in accordance with Chapter 216, Fla. Stat. or the Florida Constitution.

(i) All bills for fees or other compensation for services or expenses shall be submitted in detail sufficient for a proper preaudit and postaudit thereof.

(j) Any bills for travel expenses shall be submitted in accordance with Section 112.061, Fla. Stat.

(k) The Division reserves the right to unilaterally cancel this Agreement if the Recipient refuses to allow public access to all documents, papers, letters or other material subject to the provisions of Chapter 119, Fla. Stat., which the Recipient created or received under this Agreement.

(l) If the Recipient is allowed to temporarily invest any advances of funds under this Agreement, any interest income shall either be returned to the Division or be applied against the Division's obligation to pay the contract amount.

(m) The State of Florida will not intentionally award publicly-funded contracts to any contractor who knowingly employs unauthorized alien workers, constituting a violation of the employment provisions contained in 8 U.S.C. Section 1324a(e) [Section 274A(e) of the Immigration and Nationality Act (“INA”)]. The Division shall consider the employment by any contractor of unauthorized aliens a violation of Section 274A(e) of the INA. Such violation by the Recipient of the employment provisions contained in Section 274A(e) of the INA shall be grounds for unilateral cancellation of this Agreement by the Division.

(n) The Recipient is subject to Florida's Government in the Sunshine Law (Section 286.011, Fla. Stat.) with respect to the meetings of the Recipient's governing board or the meetings of any subcommittee making recommendations to the governing board. (o) All unmanufactured and manufactured articles, materials and supplies which are acquired for public use under this Agreement must have been produced in the United States as required under 41 U.S.C. 10a, unless it would not be in the public interest or unreasonable in cost.

(20) LOBBYING PROHIBITION

(a) No funds or other resources received from the Division under this Agreement may be used directly or indirectly to influence legislation or any other official action by the Florida Legislature or any state agency.

(b) The Recipient certifies, by its signature to this Agreement, that to the best of his or her knowledge and belief:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the Recipient, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment or modification of any Federal contract, grant, loan or cooperative agreement.

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan or cooperative agreement, the Recipient shall complete and submit Standard Form-LLL, "Disclosure of Lobbying Activities."

Neither overtime nor backfill expenses are the result of an increase of Full – Time Equivalent (FTEs) employees. These costs are allowed only to the extent the payment for such services is in accordance with the policies of the state or unit(s) of local government and has the approval of the state or the awarding agency, whichever is applicable. In no case is dual compensation allowable. That is, an employee of a unit of government may not receive compensation from their unit or agency of government AND from an award for a single period of time (e.g., 1:00 pm to 5:00 pm), even though such work may benefit both activities. A. Scope of Work

Funding is provided to perform eligible activities as identified in the Domestic Homeland Security –Federal Emergency Management Agency National Preparedness Directorate Fiscal Year 2010 State Homeland Security Grant Program (SHSGP), consistent with the Department of Homeland Security State Strategy. Eligible activities are outlined in the Scope of Work for each category below:

I. Project Description

Equipment – EOC Enhancement

II. Categories and Eligible Activities

FY2010 allowable costs are divided into the following category: **equipment cost** which is an allowable cost. The category's allowable costs have been listed in the "Budget Detail Worksheet" above.

A. Equipment Acquisition

The 21 allowable prevention, protection, response, and recovery equipment categories and equipment standards for FY 2010 HSGP are listed on the web-based version of the Authorized Equipment List (AEL) on the Responder Knowledge Base (RKB), at <https://www.rkb.us>. Unless otherwise stated, equipment must meet all mandatory regulatory and/or DHS-adopted standards to be eligible for purchase using these funds. In addition, agencies will be responsible for obtaining and maintaining all necessary certifications and licenses for the requested equipment.

The equipment, goods, and supplies ("the eligible equipment") purchased with funds provided under this agreement are for the purposes specified in "Florida's Domestic Security Strategy". Equipment purchased with these funds will be utilized in the event of emergencies, including, but not limited to, terrorism-related hazards. The sub-recipient shall place the equipment throughout the State of Florida in such a manner that, in the event of an emergency, the equipment can be deployed on the scene of the emergency or be available for use at a fixed location within two (2) hours of a request for said deployment. The Florida Division of Emergency Management (FDEM) must approve any purchases of equipment not itemized in a project's approved Initial Strategic Implementation Plan (ISIP) in advance of the purchase.

The sub-recipient will, in accordance with the statewide mutual aid agreement or other emergency response purpose as specified in the "Florida Domestic Security Strategy," ensure that all equipment purchased with these funds is used to respond to any and all incidents within its regional response area as applicable for so long as this Agreement remains in effect. Prior to requesting a response, the FDEM will take prudent and appropriate action to determine that the level or intensity of the incident is such that the specialized equipment and resources are necessary to mitigate the outcome of the incident.

The sub-recipient shall notify the FDEM Office of Domestic Preparedness at 2555 Shumard Oak Blvd., Tallahassee, Florida 32399 one year in advance of the expiration of the equipment's posted shelf-life or normal life expectancy or when it has been expended. The sub-recipient shall notify the FDEM immediately if the equipment is destroyed, lost, or stolen.

The sub-recipient shall not transfer, rent, sell, lease, alienate, donate, mortgage, encumber or otherwise dispose of the eligible equipment without the prior written consent of the FDEM.

B. Management and Administration - no more than 3% of each sub-recipient's total award may be expended on Management and Administration costs.

Hiring of full-time or part-time staff or contractors/consultants:

- To assist with the management of the respective grant program
- To assist with application requirements
- To assist with the compliance with reporting and data collection requirements

Development of operating plans for information collection and processing necessary to respond to FEMA data calls

Overtime and backfill costs - Overtime expenses are defined as the result of personnel who worked over and above their normal scheduled daily or weekly worked time in the performance of FEMA – approved activities. Backfill Costs also called "Overtime as Backfill" are defined as expenses from the result of personnel who are working overtime in order to perform the duties of other personnel who are temporarily assigned to FEMA – approved activities outside their core responsibilities. Neither overtime nor backfill expenses are the result of an increase of Full – Time Equivalent (FTEs) employees. These costs are allowed only to the extent the payment for such services is in accordance with the policies of the state or unit(s) of local government and has the approval of the state or the awarding agency, whichever is applicable. In no case is dual compensation allowable. That is, an employee of a unit of government may not receive compensation from their unit or agency of government AND from an award for a single period of time (e.g., 1:00 pm to 5:00 pm), even

though such work may benefit both activities. Fringe benefits on overtime hours are limited to Federal Insurance Contributions Act (FICA), Workers' Compensation and Unemployment Compensation.

Travel expenses

Meeting-related expenses (For a complete list of allowable meeting-related expenses, please review the OJP Financial Guide at <http://www.ojp.usdoj.gov/FinGuide>).

Acquisition of authorized office equipment, including:

- Personal computers
- Laptop computers
- Printers
- LCD projectors, and
- Other equipment or software which may be required to support the implementation of the homeland security strategy

The following are allowable only within the period of performance of the contract:

D. Construction and Renovation

Use of HSGP funds for construction and renovation is generally prohibited except as outlined below. Such construction and renovation shall be strictly limited and allowable only when it is a necessary component of a security system at critical infrastructure facilities.

Project construction and renovation not exceeding \$1,000,000 is allowable, as deemed necessary. The following types of projects are considered to constitute construction or renovation, and must be submitted to FEMA for compliance review under Federal environmental planning and historic preservation (EHP) laws and requirements prior to initiation of the project:

- Construction and renovation of guard facilities
- Renovation of and modifications, including the installation of security and communication equipment, to buildings and structures that are 50 years old or older
- Any other construction or renovation efforts that change or expand the footprint of a facility or structure, including security enhancements to improve perimeter security.
- Physical security enhancements, including but not limited to:
 - Lighting
 - Fencing
 - Closed-circuit television (CCTV) systems
 - Motion detection systems
 - Barriers, doors, gates and related security enhancements

In addition, the erection of communications towers that are included in a jurisdiction's interoperable communications plan is allowed, subject to all applicable laws, regulations, and licensing provisions. Communication tower projects must be submitted to FEMA for EHP review. Per the Consolidated Security, Disaster Assistance, and Continuing Appropriations Act of 2009 (Public Law 110-329), communications towers are not subject to the \$1,000,000 construction and renovation cap.

Approval Process:

In order for grantees to drawdown funds for construction and renovation costs, the grantee must provide the Division with:

- A description of the asset or facility, asset location, whether the infrastructure is publicly or privately owned, and the construction or renovation project;
- Certification that a facility vulnerability assessment has been conducted
- An outline addressing how the construction or renovation project will address the identified vulnerabilities from the assessment
- Consequences of not implementing the construction or renovation project
- Any additional information requested by FEMA to ensure compliance with Federal environmental and historic preservation requirements

Additional information may also be found on the FEMA’s website located at <http://www.fema.gov/plan/ehp/>.

Note: Written approval must be provided by FEMA prior to the use of any funds for construction or renovation.

E. Overtime and Backfill Guidance

Overtime – These expenses are limited to the additional costs which result from personnel working over and above 40 hours of weekly work time as a direct result of their performance of FEMA-approved activities specified in this guidance. Overtime associated with any other activity is not eligible.

Backfill-related Overtime – Also called “Overtime as Backfill,” these expenses are limited to overtime costs which result from personnel who are working overtime (as identified above) to perform the duties of other personnel who are temporarily assigned to FEMA-approved activities outside their core responsibilities. Neither overtime nor backfill expenses are the result of an increase of FTE employees.

F. National Incident Management System (NIMS) Compliance

HSPD-5, “*Management of Domestic Incidents*,” mandated the creation of NIMS and the National Response Plan (NRP). NIMS provides a consistent framework for entities at all jurisdictional levels to work together to manage domestic incidents, regardless of cause, size, or complexity. To promote interoperability and compatibility among Federal, State, local, and tribal capabilities, NIMS includes a core set of guidelines, standards, and protocols for command and management, preparedness, resource management, communications and information management, supporting technologies, and management and maintenance of NIMS. The NRP, using the template established by NIMS, is an all-discipline, all-hazards plan that provides the structure and mechanisms to coordinate operations for evolving or potential Incidents of National Significance, which are major events that “require a coordinated and effective response by an appropriate combination of Federal, State, local, tribal, private sector, and nongovernmental entities.”

The NIMS Integration Center (NIC) recommends **38 NIMS Compliance Objectives** for nongovernmental organizations that support NIMS implementation. These activities closely parallel the implementation activities that have been required of State, territorial, tribal, and local governments since 2004 and can be found at www.fema.gov/pdf/emergency/nims/ngo_fs.pdf. To integrate nonprofit organizations into the broader national preparedness effort, DHS encourages grantees to consider pursuing these recommended activities.

Additionally, nongovernmental organizations grantees and sub-grantees will be required to meet certain NIMS compliance requirements. This includes all emergency preparedness, response, and/or security personnel in the organization participating in the development, implementation, and/or operation of resources and/or activities awarded through this grant **must** complete training programs consistent with the NIMS National Standard Curriculum Development Guide. Minimum training includes IS-700 NIMS: An Introduction. In addition, IS-800.a NRP: An Introduction, Incident Command System (ICS-100), Incident Command System (ICS-200), Intermediate Incident Command System (G-300), and Advanced Incident Command System (G-400) are also recommended. For additional guidance on NIMS training, please refer to http://www.fema.gov/emergency/nims/nims_training.shtm.

Additional information about NIMS implementation and resources for achieving compliance are available through the NIMS Integration Center (NIC), at <http://www.fema.gov/emergency/nims/>.

After the end of each reporting period, for the life of the contract unless directed otherwise but the SAA, the recipient will complete their Biannual Strategic Implementation Report in the Grants Reporting Tool (GRT) <https://www.reporting.odp.dhs.gov>. The reporting periods are January 1-June 30 and July 1-December 31. Data entry is scheduled for December 1 and June 1 respectively. Future awards and reimbursement may be withheld if these reports are delinquent.

3. Reimbursement Requests:

A request for reimbursement may be sent to your grant manager for review and approval at anytime during the contract period. The Recipient should include the category's corresponding line item number in the "Detail of Claims" form. This number can be found in the "Proposed Program Budget". 4. Close-out Programmatic Reporting:

The Close-out Report is due to the Florida Division of Emergency Management no later than 60 calendar days after the agreement is either completed or the agreement has expired.

5. Monitoring:

**Florida Division of Emergency Management
US Department of Homeland Security Grants Program
Grant Monitoring Process**

Florida has enhanced state and local capability and capacity to prevent, prepare and respond to terrorist threats since 1999 through various funding sources including federal grant funds. The Florida Division of Emergency Management (FDEM) has a responsibility to track and monitor the status of grant activity and items purchased to ensure compliance with applicable SHSGP grant guidance and statutory regulations. The monitoring process is designed to assess a recipient agency's compliance with applicable state and federal guidelines.

Monitoring is accomplished utilizing various methods including desk monitoring and on-site visits. There are two primary areas reviewed during monitoring activities - financial and programmatic monitoring. Financial monitoring is the review of records associated with the purchase and disposition of property, projects and contracts. Programmatic monitoring is the observation of equipment purchased, protocols and other associated records. Various levels of financial and programmatic review may be accomplished during this process.

Desk monitoring is the review of projects, financial activity and technical assistance between FDEM and the applicant via e-mail and telephone. On-Site Monitoring are actual visits to the recipient agencies by a Division representative who examines records, procedures and equipment.

Frequency of annual monitoring activity:

Each year the FDEM will conduct monitoring for up to 50% of their sub-grantees. It is important to note that although a given grant has been closed, it is still subject to either desk or on-site monitoring for a five year period following closure.

Areas that will be examined include:

Management and administrative procedures;
Grant folder maintenance;
Equipment accountability and sub-hand receipt procedures;
Program for obsolescence;
Status of equipment purchases;
Status of training for purchased equipment;
Status and number of response trainings conducted to include number trained;
Status and number of exercises;
Status of planning activity;
Anticipated projected completion;
Difficulties encountered in completing projects;
Agency NIMS/ICS compliance documentation;
Equal Employment Opportunity (EEO Status);

Procurement Policy

FDEM may request additional monitoring/information if the activity, or lack thereof, generates questions from the region, the sponsoring agency or FDEM leadership. The method of gathering this information will be determined on a case-by-case basis.

Desk monitoring is an on-going process. Recipients will be required to participate in desk top monitoring on an annual basis and as determined by the FDEM. This contact will provide an opportunity to identify the need for technical assistance (TA) and/or a site visit if the FDEM determines that a recipient is having difficulty completing their project.

As difficulties/deficiencies are identified, the respective region or sponsoring agency will be notified by the program office via email. Information will include the grant recipient agency name, year and project description and the nature of the issue in question. Many of the issues that arise may be resolved at the regional or sponsoring agency level. Issues that require further TA will be referred to the FDEM for assistance. Examples of TA include but are not limited to:

- ✦ Equipment selection or available vendors
- ✦ Eligibility of items or services
- ✦ Coordination and partnership with other agencies within or outside the region or discipline
- ✦ Record Keeping
- ✦ Reporting Requirements
- ✦ Documentation in support of a Request for Reimbursement

On-Site Monitoring will be conducted by the FDEM or designated personnel. On-site Monitoring visits will be scheduled in advance with the recipient agency POC designated in the grant agreement.

The FDEM will also conduct coordinated financial and grant file monitoring. These monitoring visits will be coordinated with the capability review visits. Subject matter experts from other agencies within the region or state may be called upon to assist in the form of a peer review as needed.

All findings related to the capability review will be documented and maintained within the FDEM.

On-site Monitoring Protocol

On-site Monitoring Visits will begin with those grantees that are currently spending or have completed spending for that federal fiscal year (FFY). Site visits may be combined when geographically convenient. There is a financial and programmatic on-site monitoring checklist to assist in the completion of all required tasks.

Site Visit Preparation

A letter will be sent to the recipient agency Point of Contact (POC) outlining the date, time and purpose of the site visit before the planned arrival date.

The appointment should be confirmed with the grantee in writing (email is acceptable) and documented in the grantee folder.

The physical location of any equipment located at an alternate site should be confirmed with a representative from that location and the address should be documented in the grantee folder before the site visit.

On-Site Monitoring Visit

Once FDEM personnel have arrived at the site, an orientation conference will be conducted. During this time, the purpose of the site visit and the items FDEM intends to examine will be identified. If financial monitoring visit will be conducted, they will then explain their objectives and will proceed to perform the financial review.

FDEM personnel will review all files and supporting documentation. Once the supporting documentation has been reviewed, a tour/visual/spot inspection of equipment will be conducted.

Each item should be visually inspected whenever possible. Bigger items (computers, response vehicles, etc.) should have an asset decal (information/serial number) placed in a prominent location on each piece of equipment as per recipient agency requirements. The serial number should correspond with the appropriate receipt to confirm purchase. Photographs should be taken of the equipment (large capital expenditures in excess of \$1,000. per item).

If an item is not available (being used during time of the site visit), the appropriate documentation must be provided to account for that particular piece of equipment. Once the tour/visual/spot inspection of equipment has been completed, the FDEM personnel will then conduct an exit conference with the grantee to review the findings.

Other programmatic issues can be discussed at this time, such as missing quarterly reports, payment voucher/reimbursement, equipment, questions, etc.

Post Monitoring Visit

FDEM personnel will review the on-site monitoring review worksheets and backup documentation as a team and discuss the events of the on-site monitoring.

Within 30 calendar days of the site visit, a monitoring report will be generated and sent to the grantee explaining any issues and corrective actions required or recommendations. Should no issues or findings be identified, a monitoring report to that effect will be generated and sent to the grantee. The grantee will submit a Corrective Action Plan within a timeframe as determined by the FDEM. Noncompliance on behalf of sub-grantees is resolved by management under the terms of the Sub grant Agreement.

The On-Site Monitoring Worksheets, the monitoring report and all back up documentation will then be included in the grantee’s file.

Article III – Summary Description of Project

The FY 2011 Homeland Security Grant Program (HSGP) funding shall be used for costs related to preparedness activities associated with implementing the State Homeland Security Strategy, any respective Urban Area Security Strategies, and the investments identified during the application period. The HSGP consists of the State Homeland Security Program (SHSP), the Urban Area Security Initiative (UASI), the Citizen Corps Program (CCP), the Metropolitan Medical Response System (MMRS) program, and Operation Stonegarden (OPSG). Together, these programs provide an integrated mechanism to enhance the coordination of National Priority efforts to prevent, respond to, and recover from terrorist attacks, major disasters and other emergencies.

Article IV – National Environmental Policy Act (NEPA)

The recipient shall comply with all applicable Federal, State, and local environment and historic preservation (EHP) requirements and shall provide any information requested by FEMA to ensure compliance with applicable laws including: National Environmental Policy Act, National Historic Preservation Act, Endangered Species Act, and Executive Orders on Floodplains (11988), Wetlands (11990) and Environmental Justice (12898). Failure of the recipient to meet Federal, State, and local EHP requirements and obtain applicable permits may jeopardize Federal funding. Recipient shall not undertake any project having the potential to impact Environmental or Historical Preservation (EHP) resources without the prior approval of FEMA, including but not limited to communication towers, physical security enhancements, new construction, and modifications to buildings that are 50 years old or greater. Recipient must comply with all conditions placed on the project as the result of the EHP review. Any change to the approved project scope of work will require re-evaluation for compliance with these EHP requirements. If ground disturbing activities occur during project implementation, the recipient must ensure monitoring of ground disturbance, and if any potential archeological resources are discovered, the recipient will immediately cease construction in that area and notify FEMA and the appropriate State Historic Preservation Office. Any construction activities that have been initiated prior to the full EHP review could result in a non-compliance finding. For your convenience, here is the screening form link: (The Screening Form is available at: www.fema.gov/doc/government/grant/bulletins/info329_final_screening_memo.doc). For these types of projects, grantees must complete the FEMA EHP Screening Form (OMB Number 1660-0115/FEMA Form 024-0-01) and submit it, will all supporting documentation, to their respective FDEM grant manager for review. Grantees should submit the FEMA EHP Screening Form for each project as soon as possible upon receiving their grant award.
