ADDITIONAL SOFTWARE LICENSE AGREEMENT

Mr. Ted Selby, County Manager
Nassau County
96135 Nassau Place, Suite 1
Yulee, FL 32097

Dear Mr. Selby:

New World Systems agrees to provide the software changes per your request as reflected in the attached Proposal Summary.

The attached forms (Exhibit AA and Proposal Summary dated 10/14/2014) are to be reviewed and approved by you and/or your authorized representative. They describe the additional software and services you have requested along with the related fees.

Other than for the purposes of internal review, we ask that you treat our fees as confidential information. This is due to the competitive nature of our business.

The General Terms and Conditions from our original License Agreement are incorporated and continue to apply. Any taxes or fees imposed from the course of this Agreement are the responsibility of the Customer.

We thank you for your continued business with New World Systems. We look forward to working on this project with you.

ACKNOWLEDGED AND AGREED TO BY:

NEW WORLD SYSTEMS® CORPORATION	NASSAU COUNTY, FL

B.	MAINTENANCE	
ITEM	**DESCRIPTION**	**INVESTMENT**

1. COMBINED STANDARD SOFTWARE MAINTENANCE AGREEMENT (SSMA) (Per Year Cost)
Standard Software Maintenance (SSMA) fees will remain unchanged.

PRICING VALID THROUGH NOVEMBER 28, 2014.

MSP ENDNOTES

1   *Personal Computers must meet the minimum hardware requirements for New World Systems' Aegis products. Microsoft Windows 7/8 or later is required for all client machines. Windows 2008/2012 Server and SQL Server 2008/2012 are required for the Application and Database Server(s).*

2   *New World Systems' Aegis product requires Microsoft Windows 2008/2012 Server and SQL Server 2008/2012 including required Client Access Licenses (CALs) for applicable Microsoft products. Servers must meet minimum hardware requirements provided by New World Systems.*

3   *New World Systems' Aegis product requires Microsoft Excel or Windows Search 4.0 for document searching functionality; Microsoft Word is required on the application server for report formatting.*

4   *New World recommends a 100/1000MB (GB) Ethernet network for the local area network. Wide area network requirements vary based on system configuration, New World will provide further consultation for this environment.*

5   *Does not include any required 3rd party hardware or software unless specified in Section C of this proposal. Customer is responsible for any 3rd party support.*

6   *Application may require a separate Server.*

7   *Requires Lantronix USC 1100 included in Section C of this proposal.*

8   *Customer is responsible for obtaining the necessary State approval and any non-New World hardware and software.*

9   *Prices assume that all software is licensed. Prices are quoted as preliminary estimates only and are subject to further clarification and confirmation.*

10   *Licensed Software, and third party software embedded therein, if any, will be delivered in a machine readable form to Customer via an agreed upon network connection. Any taxes or fees imposed are the responsibility of the purchaser and will be remitted when imposed.*
