AND
NASSAU COUNTY, FLORIDA

This agreement ("Agreement") is made and entered into between the State of Florida, Department of Health ("Department") and Nassau County, Florida ("County"), through the undersigned authorities, effective upon the date of the last signature affixed hereto.

WHEREAS, the Department provides services to protect the health of the public living in or visiting the State of Florida through various laws including section 20.43, Chapters 154, 381, 382, 383, Florida Statutes.

WHEREAS, under Chapter 154, Florida Statutes, there is established a unique partnership between the state and its counties in meeting the public health needs of the state; and

WHEREAS, the public health needs of the several counties are to be provided through contractual arrangements between the state and each county including provision for use and maintenance of county health department facilities and equipment; and

WHEREAS, in furtherance of the state/county partnership, the parties to this agreement share in provision of resources to establish necessary public health facilities.

THEREFORE, in consideration of the mutual promises set forth herein, the sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

- A. County owns land described in the legal description attached as Exhibit "A" ("Property") and agrees to use five (5) acres of the Property as the site for a county health department facility. The actual five (5) acre parcel to be used within the Property shall be subject to inspection and final approval by the Department's Office of Design and Construction. After this approval and no later than July 1, 2012, the County shall provide the Department with the legal description of the five (5) acre parcel and documentation of approval by the County for construction to commence upon final full appropriation by the legislature, execution of the construction contract, obtaining of all required permits and governmental approvals, and any other activity necessary to begin construction of the facility.
- B. The Department will exercise its authority pursuant to section 154.01(5), Florida Statutes, to seek and secure funding from the Florida Legislature for the construction of a county health department facility on the property referenced in Exhibit "A".

- C. The parties agree the building site will be committed as outlined herein for no less than five (5) years as the Department places the project for the County on the Department's prioritized Fixed Capital Outlay listing, being fully understood that in accordance with Chapter 216, Florida Statutes, legislative approval is required for any Fixed Capital Appropriation. If funding is appropriated in full or part, the County agrees the site is committed to completion of the project unless mutually terminated by the parties. If the project receives no legislative appropriation after five (5) years of continuous inclusion in the Department's prioritized Fixed Capital Outlay process the County may withdraw its site commitment and allow this agreement to expire July 1 of the 5th year of this Agreement or extend the land commitment by amending this Agreement.
- D. On completion of the construction of the facility, the County will assume the maintenance and ownership of the facility pursuant to the provisions of Chapter 154, Florida Statutes.
- E. The facility constructed on the land referenced in Exhibit "A" will be occupied and operated for its useful life by the Nassau County Health Department solely for public health services. This provision may be altered through a written agreement as provided in section 154.01(3), Florida Statutes.
- F. The Nassau County Health Department shall not pay rent for the state funded facility.
- G. The parties further agree to be fully responsible to the limits set forth in section 768.28, Florida Statutes, for their own negligent acts, which result in claims, or suits against each party and agree to be liable to the limits set forth in section 768.28, Florida Statutes, for any damages caused by said acts. Nothing herein shall be construed as a waiver of sovereign immunity by the County or the Department.

IN WITNESS WHEREOF, the parties hereto have caused this 4 page agreement to be executed by their undersigned officials as duly authorized effective the 11th day of July, 2011.
