SCHEDULE C
Maintenance

C.1. NetMotion Offers Standard and Premium Maintenance.

Maintenance Offering Description	Standard	Premium
Technical Support - 5:00AM – 5:00 PM PT, M-F	✓	
Technical Support - 24 x 7 (NOTE: only for Severity 1 and Severity 2 Fault Classes)		✓
Access to Tech Notes and Web Based Support	✓	✓
Cumulative Quantity Discounts Applied on Additional Device Licenses.	✓	✓
Discounts on Upgrades	✓	
Discounts on New NetMotion Licensed Software	✓	✓
Updates Included	✓	✓
Upgrades Included		✓
20% Discount on Consulting Services		✓
Guaranteed Response Times Based on Severity Level		✓

C.2. Term. The initial term of Maintenance to be provided by NetMotion to Customer will be one year, commencing on the date Customer subscribes to such Maintenance. Maintenance will automatically renew for additional one-year terms, unless either party provides written notice of termination at least sixty (60) days prior to the anniversary date or Customer fails to pay for Maintenance for a term. If Customer cancels or fails to pay for Maintenance for a term, Customer may reinstate such services at a later date upon payment of support fees then in effect plus an additional fee equal to the current monthly maintenance charge multiplied by the number of months during which the support services were interrupted.

C.3. Customer Installation. Customer shall install the Licensed Software and any Patches, Updates, Upgrades or New Licensed Software, unless Customer has retained NetMotion to complete the installation.

C.4. Technical Assistance. NetMotion personnel will provide a reasonable amount of assistance to Customer's representative to answer questions and resolve problems that Customer is unable to resolve independently. Maintenance requests will be directed to NetMotion's designated representative during NetMotion's support hours.

C.4.1. Telephone Support.

- A. For Standard Maintenance, telephone and email assistance for the Licensed Software will be available Monday through Friday (except NetMotion company holidays) from 5:00 AM to 5:00 P.M. Pacific time. For support outside normal support hours Customer may leave a voicemail, email or web support request with NetMotion.
- B) For Premium Maintenance, telephone assistance for the Licensed Software for Fault Classes of Severity Level 1 or 2 will be available twenty-four hours per day 7 days per week (24/7), including holidays. For Fault Classes of Severity Levels 3 and 4, telephone and email assistance for the Licensed Software will be available Monday through Friday (except NetMotion company holidays) from 5:00 A.M. to 5:00 P.M. Pacific time, and for support outside normal support hours Customer may leave a voicemail, email or web support request with NetMotion.

- C.4.2. Voicemail.** NetMotion uses voicemail as a backup when technical support representatives are assisting other customers or are not available by phone or email. Other than as noted above in Section C.4.1. (B) for Premium Customers with Severity Level 1 or 2, NetMotion will make reasonable efforts to respond to voicemails left during business hours within two (2) business hours after receipt of the voicemail message.
- C.4.3. Email and web support requests.** NetMotion will make reasonable efforts to respond to email and web support requests left during business hours within four (4) business hours after receipt of the message.
- C.4.4. Online Support.** Customer has access to online support via NetMotion's website (www.netmotionwireless.com/support). Online support includes access to Tech Notes, a library of Licensed Software updates, white papers and Licensed Software documentation.
- C.4.5. Patches.** A "Patch" is a version of the Licensed Software intended to correct defects or malfunctions. Patches may be designated by an increment in the build number (e.g. 1.00.23450 to 1.00.24011). A patch may also be construed as a partial release of the Licensed Software, as in a Server-only or Client-only release, a release limited to specific Operating Systems, or a release consisting of only certain binary files. NetMotion will use commercially reasonable efforts to correct ("patch") errors, defects or malfunctions in the Licensed Software, replace the Licensed Software with functionally equivalent software, or provide a work-around for the portion of the Licensed Software containing the errors. Patches are released by NetMotion as part of Customer's Standard or Premium Maintenance without additional charge. Patches will be deemed part of the Licensed Software licensed under this Agreement, and shall be provided subject to the terms and conditions contained in this Agreement. Nothing herein shall be construed as requiring NetMotion to make new versions or Patches available.
- C.4.6. Updates.** An "Update" or "minor release" is a version of the Licensed Software intended to correct defects or malfunctions as well as to provide new or enhanced functionality. Updates are identified by an increase in the "dot" or "minor" version number of the Product (i.e. 1.5 to 1.6, or 1.0 to 1.01). From time to time during the Maintenance term, NetMotion may provide Customer with Updates for the Licensed Software which are released by NetMotion as part of Customer's Standard or Premium Maintenance without additional charge. All Updates shall be deemed part of the Licensed Software licensed under this Agreement, and shall be provided subject to the terms and conditions contained in this Agreement. Nothing herein shall be construed as requiring NetMotion to make new versions or Updates available.
- C.4.7. Upgrades.** An "Upgrade" or "major release" is a new version of the Licensed Software. Upgrades provide significant new or enhanced functionality and may also correct defects and provide minor enhancements or new features. Upgrades are identified by an increase in the "integer" or "major" version number of the Product (i.e. 1.x to 2.x). In the event that Customer purchased Premium Maintenance, from time to time during the term of the Maintenance, NetMotion may provide Customer with upgrades of the Licensed Software ("Upgrades") which are released by NetMotion as part of the Customer's Premium Maintenance without additional charge. All Upgrades shall be deemed part of the Licensed Software licensed under this Agreement, and shall be provided subject to the terms and conditions contained in this Agreement. Standard Maintenance customers will not receive

Upgrades without additional charges as noted herein in Section C.5.2. Nothing herein shall be construed as requiring NetMotion to make new versions or Upgrades available.

C.5. Limitations.

C.5.1. New Products. Any product that is designated by NetMotion as a new product or new Licensed Software or is separately licensable will not be provided or included in Maintenance.

C.5.2. Upgrades. In the event the Customer purchased Standard Maintenance, any Licensed Software that is designated by NetMotion as an Upgrade will not be included in Standard Maintenance. Where NetMotion makes Upgrades available, Customer may obtain such products by issuing a purchase order to NetMotion. Upon purchasing the Upgrade and paying the then current Maintenance Fees for the Upgrade, the Maintenance described herein will be extended to cover the Upgrade.

C.5.3. End-of-Life Licensed Software. NetMotion will not support versions of the Licensed Software which have been classified by NetMotion as end-of-life. NetMotion will provide Maintenance for the most current version of the Licensed Software and at least the last preceding major release ("Upgrade") of the Licensed Software. NetMotion will provide Customer with twelve (12) months advance notice prior to classifying Licensed Software as end-of-life.

C.5.4. Misuse. NetMotion will not provide Maintenance with respect to problems with the Licensed Software which result from damage caused by accidents, relocation or other movement of any Licensed Software, neglect, misuse or unauthorized use of the Licensed Software, failure to maintain proper environmental conditions of sites, or failure to use the Licensed Software in accordance with the applicable Documentation.

C.5.5. On-Site Support. Maintenance does not include on-site support at Customer's facilities or other locations unless NetMotion determines in its sole discretion that on-site support is required to resolve a problem, and on-site support has been requested by an Customer.

C.6. Suggestions. NetMotion appreciates suggestions from Customer and End Users regarding improvements and modifications to the Licensed Software. In the event that a Customer or End User suggests any improvements and modifications to the Licensed Software, the Customer and End User acknowledges and agrees that it assigns all right, title and interest, including all copyrights, patents, trade secrets, and all other intellectual property rights, in any such suggestions, improvements and modifications to NetMotion, and will execute any reasonable documentation requested by NetMotion in connection therewith.

C.7. Faults and Management. A fault is a deviation in the Licensed Software that results in an unexpected operational problem. When a Customer experiences a fault, NetMotion follows the management procedures described below in an effort to resolve such operational problems from re-occurring:

In order for NetMotion to reasonably assist the Customer or End User, the Customer or End User must document and promptly report all faults, errors or malfunctions of the Licensed Software to NetMotion. The Customer or End User also must take all steps necessary to carry out procedures for the rectification of errors or malfunctions within a reasonable time after such procedures have been received from NetMotion.

C.7.1. Fault Classes. NetMotion classifies a reported fault by its severity. NetMotion will determine the severity of the issue. Severity levels at NetMotion are currently defined below.

Severity 1 Critical Impact :: Operations Down

Problems: Failure of the Licensed Software to function as documented causes a material disruption or loss of Licensee's operations or services. No workaround exists.

Procedures: For Premium Maintenance Customers only, initial assignment and response immediately with status report to Customer within one (1) hour. Commencement of work on resolution immediately, with workaround or fix delivered as soon as reasonably available

Severity 2 Significant Impact :: Operations Severely Impaired

Problems: Failure of the Licensed Software to function as documented causes performance impairment that materially degrades Licensee's operations or services. Workarounds exist.

Procedures: For Premium Maintenance Customers only, initial assignment and response within one (1) hour with status report to customer within four (4) hours. Commencement of work on resolution within four (4) hours, with workarounds delivered as soon as reasonably available.

Severity 3 Moderate Impact :: Operations Partially Impaired

Problems: Failure of the Licensed Software to function as documented partially impairs Licensee's operations or services in a non-critical manner. Workarounds exist.

Procedures: Initial assignment of resources within eight (8) hours with status report to customer within twenty-four (24) hours. Customer to be notified as soon as reasonably possible as to when a workaround or fix will be available.

Severity 4 No Impact :: Informational

Questions regarding product capabilities and configuration. Requests for new or improved functionality.

Procedures: Logged as a feature request which will be considered for incorporation into a future release of the Software.
