The Department maximum participate of the original contract remains unchanged. The Department's obligation to pay under this Agreement is contingent upon an annual appropriation by the Florida Legislature.

The Department's fiscal year begins on July 1. For this project, funds are not projected to be available until after July 1st each fiscal year. The Department will notify the Agency, in writing, when funds are available. The Small County Outreach Program project (SCOP) statutory percentage is 75/25% as outlined in Section 339.2818, Florida Statutes. The SCOP allows for the County's 25% participation to be accomplished through payment of funds or in-kind services. However, Nassau County is eligible for and has requested a Rural Economic Development Initiative (REDI) waiver for purposes of waiving the required 25% participation requirement outlined in Florida Statutes 339.2818. The Department has granted the REDI waiver.
