TERMS AND CONDITIONS

3. Delivery Procedures; Operation of the MRF.

(a) Acceptance of Recyclable Materials. Republic shall have the right in its sole discretion to reject delivery of any Recyclable Materials offered for acceptance by Customer at the MRF that do not meet the specifications under this Agreement or which is a Prohibited Material. To the extent any load of Recyclable Materials, or any type of Recyclable Material, is rejected by the recycling facility or not of the intended specifications, quality or grade, Republic shall notify Customer and Customer shall pay any damages, costs and penalties incurred by Republic with respect to such rejection or lesser specifications, quality or grade.

(b) Operation of the MRF/Procedures. Customer's delivery of Recyclable Materials to the MRF, which shall occur only during the MRF's posted hours, shall be governed by the procedures applicable to customers utilizing the MRF as Republic may modify such procedures from time to time. Notwithstanding anything in this Agreement to the contrary, Republic shall have the right, in its sole discretion, to close the MRF in whole or in part, either temporarily or permanently, at any time for any reason and the delivery of Recyclable Materials shall be suspended or adjusted accordingly. Upon any such permanent closure, Republic shall have the right to terminate this Agreement.

(c) Customer's Compliance with Applicable Laws. Customer shall collect, transport and deliver Recyclable Materials to the MRF in compliance with all Applicable Laws and the procedures referenced in Section 3(b). "Applicable Laws" means all then applicable federal, state and local laws, regulations, ordinances, rules, permits, licenses, and governmental orders or directives applicable to the collection, transportation, use or reuse of the Recyclable Materials or the MRF.

(d) Title to Recyclable Materials. Customer represents and warrants to Republic that either Customer or its customer shall hold clear title, free of all liens, claims and encumbrances, to the Recyclable Materials delivered by Customer to the MRF. Title to, and risk of loss and responsibility for, Recyclable Materials delivered to the MRF by Customer shall pass at the time such Recyclable Materials are removed from the delivery vehicle at the MRF. Title to Prohibited Material shall remain with Customer and shall never be deemed to pass to Republic.

4. Term. Unless sooner terminated pursuant to Section 7, this Agreement shall commence as of the start date indicated on the first page of this Agreement ("Effective Date") and shall remain in full force and effect for six (6) consecutive months following the Effective Date ("Initial Term"). Upon mutual agreement of Republic and Customer the Initial Term may be extended for one six (6) consecutive month term ("Renewal Term"). Upon expiration or termination of this Agreement, the obligations of Customer to deliver and of Republic to accept Recyclable Materials shall terminate; provided, however, that all other rights and obligations of the parties under this Agreement (including those with respect to payment and indemnification) shall survive such expiration or termination.

5. Recycling Fees.

(a) Fees. The party designated on the first page of this Agreement shall receive the fee listed for the Recyclable Materials from the other party (the "Recycling Fee").

(b) Payment; Deposit. Republic shall transmit an itemized invoice to Customer of all Recycling Fees and other charges under this Agreement on a periodic basis as set forth on the first page of this Agreement. All invoices shall be paid within sixty (60) days after receipt of invoice.

(c) Equal Fees. Fuel fee is variable and corporate adjusts the rate on the 1st of the month based on the On-Highway Diesel posted by the EPA.

6. Prohibited Material.

(a) Delivery of Prohibited Material. Customer agrees that it shall not deliver any Prohibited Materials to the MRF. If Customer delivers Recyclable Materials that contains both Recyclable Materials and Prohibited Materials, the entire delivery shall constitute Prohibited Material if the Prohibited Material cannot be separated from the Recyclable Materials through the reasonable efforts of Republic, as Customer's agent to cause such separation, with the cost of such separation to be paid by Customer.

(b) Weighting and Inspection of Waste by Republic. Republic shall weigh all waste at the MRF and the weight so determined shall be final and conclusive on both Customer and Republic. Republic shall have the

SERVICE AGREEMENT FOR RECYCLABLE MATERIALS

right, but not the obligation, to inspect any of Customer's trucks to determine whether the waste delivered is Recyclable Materials or Prohibited Materials. Customer acknowledges and agrees that any failure by Republic to perform any such inspection or to detect Prohibited Material despite such inspection shall in no way relieve Customer from its obligation to deliver only Recyclable Materials or from its other obligations under this Section 6.

(c) Rejection of Prohibited Material. If Customer delivers Prohibited Material to the MRF, Republic may, in its sole discretion: (i) reject such Prohibited Material at Customer's expense; or (ii) if Republic does not discover such Prohibited Material in time to reject and reload such Prohibited Material, after giving Customer telephonic notice thereof and a reasonable opportunity to dispose of such Prohibited Material, Republic may, as Customer's agent, dispose of such Prohibited Material at a location authorized to accept such Prohibited Material in accordance with all Applicable Laws and charge Customer all direct and indirect costs incurred due to handling, delivery and disposal of such Prohibited Material, unless Customer otherwise elects to arrange for disposal of the Prohibited Material. If Customer elects to dispose of such Prohibited Material, it shall do so within such time period as Republic reasonably deems necessary or appropriate in connection with the operation of the MRF, including the preservation of the health and safety of its employees. If after electing to do so Customer does not dispose of the Prohibited Material within such time period, Republic may dispose of such Prohibited Material as Customer's agent, without further notice to Customer, and Customer shall pay the direct and indirect costs set forth above. Notwithstanding the foregoing, no notice shall be required by Republic to Customer for Republic to dispose of Prohibited Material as Customer's agent in emergency situations where in Republic's reasonable judgment a delay in such disposal could constitute a hazard to the MRF or any person on, about or near the premises.

(d) Definition of Prohibited Material. For the purposes of this Agreement, "Prohibited Material" means: (i) any material that is not Recyclable Materials; (ii) any material that by reason of its composition, characteristics or quantity is defined as a "hazardous material," "hazardous waste," "hazardous substance," "extremely hazardous waste," "restricted hazardous waste," "toxic substance," "toxic waste," "toxic pollutant," "contaminant," "pollutant," "infectious waste," "medical waste," "radioactive waste," or "sewage sludge" under any Applicable Law; (iii) any material that requires other than normal handling, storage, management, transfer or disposal; or (iv) any other material that may present a substantial endangerment to public health or safety, may cause applicable air quality or water effluent standards to be violated by the normal operation of the MRF, or because of its size, durability or composition cannot be delivered to the MRF or has a reasonable possibility of otherwise adversely affecting the operation of the MRF.

7. Default.

(a) Events of Default. Each of the following shall be an event of default by Customer under this Agreement: (i) Customer fails to pay any amount due, if any, as and when the same becomes due under this Agreement; or (ii) Customer fails to perform any other term, covenant or agreement contained in this Agreement on its part to be performed and such failure continues for a period of thirty (30) days after written notice to Customer specifying the nature of such failure and requesting that it be remedied.

(b) Remedies on Default. Whenever any event of default by Customer shall have occurred and be continuing, Republic shall have the following rights and remedies, which shall be in addition to any other remedies provided by Applicable Law or this Agreement: (i) upon the end of any applicable grace period in this Section 7, Republic shall have the option to immediately terminate this Agreement unless during such period Customer has taken remedial steps the effect of which would be to enable Customer to cure such event of default within an additional fifteen (15) day period following the expiration of such grace period; and (ii) if Customer is then in default, Republic shall have the option, without terminating this Agreement, to stop accepting Recyclable Materials delivered by Customer until such default is cured or this Agreement is terminated. If Republic stops accepting Recyclable Materials, Customer shall pay Republic a service interruption fee in an amount determined by Republic in its discretion up to the maximum amount allowed by Applicable Law.

8. Responsibility of Parties. Customer agrees to be responsible for costs or damages arising out of Customer's transportation to and delivery of any materials at, on or upon the MRF that is Excluded Waste or any other material not permitted for processing at the MRF, as well as any material breach of Customer's

obligations under this Agreement.
