The Provider’s performance data shall be collected, beginning the second month after which service has been fully implemented. The Department will determine the Provider’s outcome standard annually.

A. Performance Measures for Probation and Conditional Release Youth

1. **GOAL:** 100% of youth released from the program will not receive Offense During Service (ODS).
MEASURE: This percentage is calculated by dividing the number of youth that did not receive ODS by the total number of youth released. ODS is defined as any new law offense that occurred during placement and resulted in adjudication or adjudication withheld. The Comprehensive Accountability Report (CAR) includes the percentage of youth that did received ODS, therefore this measure is the reverse of what is published in the CAR.
MINIMUM STANDARD LEVEL OF PERFORMANCE: The percentage of youth released from the program that shall not receive ODS shall be at or above the last CAR report of similarly classified services (greater or lesser depending on the measure).
2. **GOAL:** 100% of youth will not recidivate within one (1) year of program completion.
MEASURE: This percentage is calculated by dividing the number of youth that did not recidivate by the total number of youth that completed program services. Recidivism is defined as an offense that occurs within twelve (12) months of program completion that results in an adjudication, adjudication withheld, or an adult conviction for any new violation of law. The CAR includes the percentage of program completions that did recidivate, so therefore this measure is the reverse of what is published in the CAR.
MINIMUM STANDARD LEVEL OF PERFORMANCE: The percentage of youth that shall not recidivate within one (1) year of program completion shall be at or above the last CAR report of similarly classified services (greater or lesser depending on the measure).

B. Performance Evaluation

- b. Social Security Number, date of admission, and date of release.
 - c. Identification of youth by status: At-Risk, Probation, Conditional Release
 - d. Behavior characteristics of youth admitted to the program.
 - e. Types of services provided (Mentoring/Tutoring/SWEAT Events)
3. The Provider is required to maintain data on a monthly basis in each individual participant file and shall enter data into JJIS as required.
 4. The Provider shall participate in the annual CAR data verification project for a period of two years following the completion of the current Contract year.
 5. The Department will conduct outcome evaluations and recidivism studies concentrating on the re-offending and re-adjudication of juveniles who complete the program for one State fiscal year after the youth is released from the program.
 6. These evaluations and studies will consider the content of the program, its components and the duration of the program. The results may be used in the rating of the program for any future funding.
 7. The Provider shall complete all necessary close-out procedures for JJIS/Prevention Web once the youth has completed program services.

FLORIDA SINGLE AUDIT ACT
CHECKLIST FOR COMPLIANCE WITH FEDERAL AND DEPARTMENTAL AUDIT REQUIREMENTS
PART I AND/OR II APPLIES**

NOTE: FOR ADDITIONAL INFORMATION, PLEASE GO TO: <https://apps.fldfs.com/fsaa/links.aspx>

The administration of resources awarded by the Department of Juvenile Justice to the recipient/subrecipient may be subject to audits and/or monitoring by the Department of Juvenile Justice, as described in this section.

MONITORING

In addition to reviews of audits conducted in accordance with 2 CFR 200, Subpart F - Audit Requirements, and section 215.97, Florida Statutes (F.S.), as revised (see AUDITS below), monitoring procedures may include, but not be limited to, on-site visits by Department of Juvenile Justice staff, limited scope audits as defined by 2 CFR §200.425, or other procedures. By entering into this agreement, the recipient/subrecipient agrees to comply and cooperate with any monitoring procedures or processes deemed appropriate by the Department of Juvenile Justice. In the event the Department of Juvenile Justice determines that a limited scope audit of the recipient/subrecipient is appropriate, the recipient/subrecipient agrees to comply with any additional instructions provided by Department of Juvenile Justice staff to the recipient/subrecipient regarding such audit. The recipient/subrecipient further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Chief Financial Officer (CFO) or Auditor General.

AUDITS

Part I: Federally Funded

This part is applicable if the recipient/subrecipient is a state or local government or a nonprofit organization as defined in 2 CFR §200.90, §200.64, and §200.70.

EXHIBIT 1 to this form lists the federal resources awarded through the Department of Juvenile Justice by this agreement. In determining the federal awards expended in its fiscal year, the recipient/subrecipient shall consider all sources of federal awards, including federal resources received from the Department of Juvenile Justice. The determination of amounts of federal awards expended should be in accordance with the guidelines established in 2 CFR §§200.502-503. An audit of the recipient/subrecipient conducted by the Auditor General in accordance with the provisions of 2 CFR §200.514 will meet the requirements of this Part.
2. For the audit requirements addressed in Part I, paragraph 1, the recipient/subrecipient shall fulfill the requirements relative to auditee responsibilities as provided in 2 CFR §§200.508-512.
3. If the recipient/subrecipient expends less than \$750,000 in state financial assistance in its fiscal year and elects to have an audit conducted in accordance with the provisions of section 215.97, F.S., the cost of the audit must be paid from the nonstate entity's resources (i.e., the cost of such an audit must be paid from the recipient's/subrecipient's resources obtained from other than state entities).

Part III: Other Audit Requirements

Pursuant to paragraph 215.97(8)(n), Florida Statutes, State agencies may conduct or arrange for audits of state financial assistance that are in addition to audits conducted in accordance with section 215.97, Florida Statutes.
