**AGREEMENT FOR JURISDICTION ON PRIVATE ROADS
BETWEEN PLUMMER CREEK HOMEOWNERS ASSOCIATION,
NASSAU COUNTY, FLORIDA, AND
THE NASSAU COUNTY SHERIFF'S OFFICE**

THIS AGREEMENT FOR JURISDICTION ON PRIVATE ROADS (“Agreement”) is entered into by and between the **PLUMMER CREEK HOMEOWNERS ASSOCIATION, INC.**, a Florida not-for-profit corporation (hereinafter referred to as “Plummer Creek” or “Association”), **NASSAU COUNTY, FLORIDA**, a political subdivision of the State of Florida (hereinafter referred to as “County”), and the **NASSAU COUNTY SHERIFF'S OFFICE**, (hereinafter referred to as “Sheriff”).

W I T N E S S E T H:

WHEREAS, the Association controls all the private roadways within the subdivision of Plummer Creek, as more particularly described in Exhibit “A” which is incorporated by reference (collectively as “**Plummer Creek**” or “**Plummer Creek Roadways**”); and

WHEREAS, pursuant to state statute, the County does not have traffic control jurisdiction over private roads such as those controlled by the Association; and

WHEREAS, Section 316.006(3)(b), Florida Statutes provides that a county may exercise jurisdiction over any private roads if the county and the party owning such roads provide for county traffic control jurisdiction by a written agreement approved by the governing board of the county; and

WHEREAS, Section 316.006(3)(b), Florida Statutes further provides that, prior to entering into an agreement for traffic control jurisdiction over private roads, the governing board shall consult with the Sheriff; and

WHEREAS, the Association wants the County to exercise traffic control jurisdiction over the Plummer Creek Roadways, and;

WHEREAS, pursuant to consultations between the parties, the County and the Sheriff are willing to exercise traffic control jurisdiction upon the Plummer Creek Roadways; and

WHEREAS, pursuant to Section 30.2905, Florida Statutes, the Sheriff operates a secondary employment program; and

WHEREAS, Section 316.006(3)(2), Florida Statutes provides *inter alia* that no such agreement shall take effect prior to October 1 unless such provision is waived in writing by the sheriff of the county; and

WHEREAS, the Sheriff has waived the above provision as evidenced by Exhibit "B" attached hereto and by referenced incorporated herein.

NOW, THEREFORE, in consideration of the covenants and conditions herein, the County and the Association hereby agree as follows:

1. Recitals

The above recitals are true and correct and are incorporated herein by reference and form a material part of this Agreement.

2. Jurisdiction

The County agrees to exercise jurisdiction over traffic control upon the Plummer Creek Roadways, pursuant to the terms and conditions expressed in Section 316.006 (3)(b), Florida Statutes, including without limitation enforcement of multi-party stop signs, pursuant to Sections 316.006 (3)(b)4 and 316.123, Florida Statutes, and also subject to the following and conditions:

i. The Association shall obtain traffic enforcement exclusively by employing deputies through the Sheriff's Secondary Employment Program. The employment of deputies through the Sheriff's Secondary Employment Program is expressly subject to all policies and agency directives then established by the Sheriff, and expressly subject to the availability of deputies participating in the Sheriffs Secondary Employment Program. The

compensation of deputies so employed shall be negotiated separately through the Secondary Employment Program.

ii. Notwithstanding the foregoing, and in addition to any traffic enforcement the Association schedules through the Sheriff's Secondary Employment Program, if a deputy responding to any non-traffic enforcement issue witnesses a traffic violation on Plummer Creek Roadways, he or she may take appropriate enforcement action having jurisdiction, pursuant to this Agreement.

iii. If a resident of the Plummer Creek Homeowners Association wishes to make a traffic complaint, or to request a traffic enforcement detail, he or she shall contact the Association for further action. If a resident contacts the Sheriff directly with such a complaint or request, he or she shall be directed to the Association.

3. Signage

The Association shall establish the speed limit for the Plummer Creek Roadways and shall be responsible for posting the speed limit by appropriate Department of Transportation approved signage along said roads.

At its option, the Association may install multi-party stop signs if it determines that such signage will enhance traffic safety. Such signs, if any, must conform to the manual and specifications of the Department of Transportation.

The Association shall provide a signed and sealed Engineer Certification in a form acceptable to the Sheriff and Nassau County that the signage, marking and speed limit establishment conform to the Manual on Uniform Traffic Control Devices, and the requirements of the Florida Department of Transportation (FDOT) and Chapter 316, Florida Statutes.

4. Authority in Addition to Existing Authority

Pursuant to this Agreement, the County's exercise of traffic control jurisdiction shall be in addition to the authority presently exercised by the County and/or Sheriff over the Plummer Creek Roadways, and nothing herein shall be construed to limit or remove such authority. The County agrees to continue to provide such police and fire services as are otherwise required by law.

5. **County to Retain Revenues**

All revenue from the fines, costs and penalties imposed by the traffic citations issued for violation of traffic laws on the Plummer Creek Roadways shall be apportioned in the manner set forth in the applicable *Florida Statutes*.

6. **Liability Not Increased**

Neither the existence of this Agreement nor anything contained herein shall give rise to any greater liability on the part of the County or the Sheriff than that which the County and the Sheriff would ordinarily be subject to when providing its normal police services. Nothing contained herein shall constitute a waiver by either Sheriff or County, or their agents, employees, or designees respectively of their sovereign immunity or a waiver of the limitations on liability, claims, or judgments as set forth in Section 768.28, Florida Statutes.

7. **Indemnification**

To the fullest extent permitted by law, the Association shall indemnify, defend and hold the County and the Sheriff harmless from any loss, cost, damage or expense, including court costs and attorney fees, arising out of or resulting from this Agreement, the maintenance, repair or reconstruction of any roads, road drainage, signage, or the negligence or misconduct of the Association.

To ensure its ability to fulfill its obligation under this paragraph, the Association shall maintain General Liability Insurance in the minimum amount of One Million Dollars (\$1,000,000.00) and shall file with the County current certificates of the required insurance. Such insurance shall be issued by companies authorized to do business under the laws of the State of Florida and acceptable to the County.

8. **Road Maintenance**

Neither the existence of this Agreement nor anything contained herein shall impose any obligation or duty upon the County to provide maintenance on and/or drainage of the Plummer Creek Roadways. The maintenance, repair, construction, and/or reconstruction of all roads, drainage, and signage within the Plummer Creek Homeowners Association, Inc. shall at all times be solely and exclusively the responsibility of the Association.

9. Term

The term of this Agreement shall be for one (1) year, commencing on the date of the execution by the last of the parties signing hereto. This Agreement shall thereafter automatically continue for successive one (1) year terms unless terminated by any party by giving thirty (30) days written notice to the other parties. Nothing contained in this paragraph shall limit the right of any party to terminate this Agreement, at any time and for any reason, as outlined further in Paragraph 10 herein. The provisions of Paragraph 8 shall survive the termination of this Agreement.

10. Termination

Should the Sheriff change, modify or abolish the Secondary Enforcement Program causing this Agreement to be impossible to perform, or should the Sheriff determine in the Sheriff's sole discretion that this Agreement should be terminated, the Sheriff shall notify the County and Association of same and this Agreement shall be terminated upon thirty (30) days written notice of termination under this paragraph. Similarly, the County and Association may terminate this Agreement, for any reason, without any cause or breach, upon thirty (30) days written notice to the other parties.

11. Entire Agreement

This Agreement, including all exhibits attached hereto, constitutes the entire understanding and agreement between the parties and may not be changed, altered, or otherwise modified, except when reduced to writing and executed in the same manner with approval by the Nassau County Board of County Commissioners.

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, County of Nassau (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
