In reference to the Federal Emergency Management Agency (FEMA) "CONTRACT PROVISIONS TEMPLATE" prepared by the FEMA Office of General Counsel – Procurement Disaster Assistance Team and 2 C.F.R. Part 200, Appendix II, the following provisions are applicable, except as otherwise stated.

#### **PROVISION 1 - REMEDIES**

- 1.1 <u>Standard</u>. Contracts for more than the simplified acquisition threshold, currently set at \$250,000, must address administrative, contractual, or legal remedies in instances where Consultants violate or breach contract terms, and provide for such sanctions and penalties as appropriate.
- 1.2 <u>Application</u>. Contract CM1852 is a continuing professional engineering services contract that functions on an "as-needed" task order basis that can be modified by the Owner to address breaches of contract terms.

#### PROVISION 2 – TERMINATION FOR CAUSE AND CONVENIENCE

- 2.1 <u>Standard</u>. All contracts in excess of \$10,000 must address termination for cause and for convenience by the non-Federal entity, including the manner by which it will be effected and the basis for settlement.
- 2.2 <u>Application</u>. Contract CM1852 is a continuing professional engineering services contract that functions on an "as-needed" task order basis that can be modified by the Owner. The Contract Articles include terms and conditions for termination for convenience and for default by the Consultant.

#### PROVISION 3 - EQUAL EMPLOYMENT OPPORTUNITY

- 3.1 <u>Standard</u>. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."
- 3.2 <u>Application</u>. In addition to the Equal Opportunity Employment stipulation (Article 8) provided in the original contract, the Consultant agrees as follows:
  - 3.2.1 The Consultant will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. - 3.2.4 The Consultant will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the Consultant's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

- 3.2.7 In the event of the Consultant's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the Consultant may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

3.2.8 The Consultant will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The Consultant will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a Consultant becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the Consultant may request the United States to enter into such litigation to protect the interests of the United States.
