CURRENT WORK AUTHORIZATION			
Project Short Title: CR 121 Rutting/Overlay Repairs			
		CONTRACT OVERVIEW	
<b>Date Submitted</b>	03/30/2022	<b>Total of Previous Authorizations</b>	\$3,877,051.99
<b>Amount</b>	\$147,696.00	<b>This Work Authorization</b>	\$147,696.00
<b>Scheduled Completion</b>	14 Days from Execution	<b>Current Contract Total</b>	\$4,024,747.99

This Work Authorization is to the AGREEMENT between Nassau County and Preferred Materials, Inc.. ("Vendor") for 2022 Roadway Overlays based on the Asphalt Services Contract, dated March 17, 2021. The services to be provided under this Work Authorization are as follows:

ARTICLE 1. Services Described as:

Vendor shall provide asphalt services to overlay rutting on CR 121 in various spots within four major locations within the roadway, as detailed in Exhibit "A" attached hereto pursuant to the terms of the Agreement.

ARTICLE 2. Time Schedule

Vendor anticipates their earliest starting date to be 5 days from receipt of execution of this Work Authorization with an estimated duration of 14 days to complete the Scope of Work.

ARTICLE 3. Budget

Vendor will perform the services outlined herein for the lump sum amount of \$147,696.00. Vendor's fee amounts are detailed in Exhibit "A". Vendor will be using rates previously established under Contract CM2977.

ARTICLE 4. Other Provisions

The Services covered by this Work Authorization will be performed in accordance with the provisions set forth in the AGREEMENT referenced above and any of its attachments or schedules. Additional terms or contract provisions whether submitted purposely or

inadvertently, shall have no force or effect. This Work Authorization will become a part of the referenced AGREEMENT when executed by both parties.

---

In presenting this Work Authorization, Vendor agrees that:

Unless detailed herein, all drawings, data, electronic files and other information required for this Work Authorization has been accepted by Vendor. Specifically, all electronic files have been reviewed and accepted for the purposes of this Work assignment. Any additional information, including detailed scope of services are attached.

To: Dampier, Gordon S (Preferred Materials) <Gordon.Dampier@preferredmaterials.com>; 'Michael.Vickrey@preferredmaterials.com' <Michael.Vickrey@preferredmaterials.com>

Cc: Jennifer Kirkland <jkirkland@nassaucountyfl.com>

Good Afternoon,

As previously discussed, there are several "ruts" to be repaired along the 13 miles of CR 121. With the overlays being point repairs instead of a continuous 13 mile overlay, we believe that it can be divided up in four sections using approximately 300 tons per section. Sectioning out the roadway in this fashion will have the pricing at \$120.58 per ton (101-800 tons in Hilliard Area). Also, we are preparing the Work Authorization and Requisition for the PO approved on 4/11/22. Weather and such ultimately will dictate the schedule but would like to be penciled in for a 2 to 3 week start time for the work.

Thanks.

David Hearn

EXHIBIT "A"  
TECH SPECS**ATTACHMENT "A" - TECHNICAL SPECIFICATIONS****TECHNICAL SPECIFICATIONS  
ASPHALT SERVICES  
BID NUMBER NC20-028**

1. The duration of this bid shall be from October 1, 2020 through September 30, 2023 with two (2) optional one-year extensions.
2. The payment due date for a local government entity for the purchase of goods or services other than construction services is 45 days per Florida Statutes Section 218.74.
3. Price quotes are to be F.O.B. to destination.
4. All charges must be on the Bid Sheet. If not, Nassau County will have the authority to reject those charges.
5. Complete description and specifications of product must accompany each and every bid.
6. All materials shall conform to the current FDOT Standard Specifications for Road and Bridge Construction and FDOT Roadway and Traffic Design Standards Index (latest edition).
7. Apply Asphaltic Concrete (SI, SIII), Superpave (9.5, 12.5), or Friction Course (9.5, 12.5) as designated by the County Engineering Department. Mixes shall use fine or course materials as designated by the County Engineering Department. Use recycled asphalt pavement (RAP) as established in FDOT standards.
8. All performance and work shall be in accordance with Florida Department of Transportation and Nassau County construction procedures and methods.
9. All fees for Maintenance of Traffic (MOT) shall be included in the unit prices for milling and asphalt services. No additional payment will be given for site specific conditions that may require more MOT. All MOT shall be in compliance with FDOT 600 series.
10. Temporary striping to the standards of the FDOT shall be included in the unit prices for Painted Pavement Markings as an optional bid item.
11. Permanent (Thermoplastic) Striping to the standards of the FDOT shall be included in the unit prices for Thermoplastic Pavement Markings as an optional bid item and shall be installed no later than 30 calendar days from asphalt installation.
12. It's the contractors responsibility to remedy any and all "drop off" conditions created as a result of paving.
13. Work shall commence within 15 days and be completed within 45 days after the purchase orders are received.
