THIS CONTRACT entered into on November 28, 2022, by and between the **BOARD OF COUNTY COMMISSIONERS OF NASSAU COUNTY, FLORIDA**, a political subdivision of the State of Florida, hereinafter referred to as the “County”, and Studio 71 Office Furnishings LLC, located at 8859 La Terrazza Pl., Jacksonville, Florida 32271, hereinafter referred to as the “Vendor” for the project entitled: **Building Department Office Furniture**.

WHEREAS, the County desires to procure a vendor to provide furniture and services; and

WHEREAS, the County has completed necessary steps for the purchase of furniture and retention of services under applicable County policies; and

WHEREAS, the County, under the provision of County Policy Section 4.3, has elected to purchase the furniture through a qualified State of Florida contract as specified herein; and

WHEREAS, on May 12, 2022, the County, under the provision of County Policy Section 3.3, received quotes for design layout, millwork, installation, and disposal services; and

WHEREAS, the total Contract Amount for this Contract shall not exceed **\$97,615.82 (Ninety-Seven Thousand Six Hundred Fifteen and Eighty-Two Cents)** unless changed by a duly authorized amendment or change order; and

NOW, THEREFORE, in consideration of the terms and conditions herein set forth, the County and the Vendor agree as follows:

SECTION 2. Receiving/Payment/Invoicing

No payment will be made for services and/or materials without proper County authorization and approval. Should the quantity and/or quality differ in any respect from specifications, payment will be withheld until such time as the Vendor takes necessary corrective action. If the proposed corrective action is not acceptable to the County, the County Manager’s Office may authorize the recipient to refuse final acceptance of the quantity and/or quality received. Should a representative of the County agree to accept the services and/or materials on condition that the Vendor will correct their performance within a stipulated time period, then payment will be withheld until said corrections are made.

SECTION 6. Expenses

Vendor shall be responsible for all expenses incurred while performing the services under this Contract. This includes, without limitation, license fees, memberships and dues; automobile and other travel expenses; meals and entertainment; insurance premiums; and all salary, expenses and other compensation paid to Vendor’s agents, if any, hired by Vendor to complete the work under this Contract.

The County and the Clerk of Courts shall have access to such books, records, and documents as required in this Section for the purpose of inspection or audit during normal business hours, at the County's or the Clerk's cost, upon five (5) days' written notice.

SECTION 17. Vendor Responsibilities

SECTION 18. Public Emergencies

The Vendor shall agree before, during, and after a public emergency, disaster, hurricane, tornado, flood, or other acts of nature that the County shall require a "First Priority" for services and materials. It is vital and imperative that the majority of citizens are protected from any emergency situation that threatens public health and safety, as determined by the County. The Vendor agrees to sell all materials to and perform all services for the County or governmental entities on a "First Priority" basis. The County expects to pay a fair and reasonable price for all services and materials rendered or contracted in the event of a disaster, emergency, hurricane, tornado or other acts of nature.

SECTION 19. Period of Contract/Option to Extend or Renew

The performance period of this Contract shall begin upon full execution by the last party to execute this Contract and terminate one hundred twenty (120) days thereafter. Any extensions shall be signed and approved by both parties. Any Contract or amendment to the Contract shall be subject to fund availability and mutual written agreement between the County and the Vendor.

In the event that the Contract is continued beyond the term provided, by mutual consent, the Contract shall be carried out on a month-to-month basis and shall not constitute an implied renewal of the Contract. The written notification shall set forth the County’s interpretation of the Contract. A response shall be provided in the same manner prior to the initial meeting with the County Manager. This initial meeting shall take place no more than twenty (20) days from the written notification of the dispute addressed to the Vendor.
