The Vendor further agrees that the County shall not be liable to any subcontractor for any expenses or liabilities incurred under the subcontract. The Vendor, at its expense, shall defend the County against such claims.

Such penalty shall be in addition to the actual payments owed and shall not exceed fifteen percent (15%) of the outstanding balance due.

**SECTION 15. Severability.**

**15.1** If any section, subsection, sentence, clause, phrase, or portion of this Contract is, for any reason, held invalid, unconstitutional, or unenforceable by any Court of Competent

Jurisdiction, such portion shall be deemed as a separate, distinct, and independent provision, and such holding shall not affect the validity of the remaining portions thereof.

**SECTION 16. Termination for Default.**

**16.1** If the Vendor fails to perform any of its obligations under this Contract, and if such default remains uncured for a period of more than fifteen (15) days after notice thereof was given in writing by the County to the Vendor, then the County may, without prejudice to any right or remedy the County may have, terminate this Contract.

**16.2** Upon termination of this Contract, the Vendor shall immediately (1) stop work on the date specified; (2) terminate and settle all orders and subcontracts relating to the performance of the terminated work; (3) transfer all work in process, completed work, and other materials related to the terminated work to the County; (4) render to the County all property belonging to the County, including but not limited to, equipment, books, and records.

**SECTION 17. Termination for Convenience.**

**17.1** The County reserves the right to terminate this Contract in whole or part by giving the Vendor written notice at least thirty (30) days prior to the effective date of the termination. Upon receipt of written notice of termination from the County, the Vendor shall only provide those goods and/or services specifically approved or directed by the County. All other rights and duties of the parties under the Contract shall continue during such notice period, and the County shall continue to be responsible to the Vendor for the payment of any obligations to the extent such responsibility has not been excused by breach or default of the Vendor. The Vendor shall promptly contact the County to make arrangements to render to the County all property belonging to the County, including but not limited to, equipment, books, and records.

**SECTION 18. Force Majeure.**

**18.1** Neither party of this Contract shall be liable to the other for any cost or damages if the failure to perform the Contract arises out of causes beyond the control and without the fault or negligence of the parties. Such causes may include, but are not restricted to, acts of nature, fires, quarantine restrictions, strikes and freight embargoes. In all cases, the failure to perform shall be totally beyond the control and without any fault or negligence of the party.

**18.2** In the event of delay from the foregoing causes, the party shall take all reasonable measures to mitigate any and all resulting delay or disruption in the party's performance obligation under this Contract. If the delay is excusable under this section, the delay shall not result in any additional charge or cost under the Contract to either party. In the case of any delay that the Vendor believes is excusable under this section, the Vendor shall notify the County in writing of the delay or potential delay and describe the cause of the delay either: (1) within ten (10) calendar days after the cause that created or will create the delay first arose, if the Vendor could reasonably foresee that a delay could occur as a result; or (2) within five (5) calendar days after the date the Vendor first had reason to believe that a delay could result, if the delay is not reasonably foreseeable. THE FOREGOING SHALL CONSTITUTE THE VENDOR'S SOLE REMEDY OR EXCUSE WITH RESPECT TO DELAY. Providing notice in strict accordance with this section is a condition precedent to such remedy. The County, in its sole discretion, shall determine if the delay is excusable under this section and shall notify the Vendor of its decision in writing. No claim for damages, other than for an extension of time, shall be asserted against the County. The Vendor shall not be entitled to an increase in the Contract price or payment of any kind from the County for direct, indirect, consequential, impact, or other costs, expenses, or damages, including but not limited to costs of acceleration or inefficiency arising because of delay, disruption, interference, or hindrance from any cause whatsoever. If performance is suspended or delayed, in whole or in part, due to any of the causes described in this section, after the causes have ceased to exist, the

Vendor shall perform at no increased cost, unless the County determines, in its sole discretion, that the delay will significantly impair the value of the Contract to the County, in which case, the County may do any or all of the following: (1) accept allocated performance or deliveries from the Vendor, provided that the Vendor grants preferential treatment to the County with respect to goods and/or services subjected to allocation; (2) purchase from other sources (without recourse to and by the Vendor for the related costs and expenses) to replace all or part of the goods and/or services that are the subject of the delay, which purchases may be deducted from the Contract quantity; or (3) terminate the Contract in whole or in part.

**SECTION 19. Access and Audits of Records.**

19.1 The Vendor shall maintain adequate records to justify all charges, expenses, and costs incurred in providing the goods and/or services for at least three (3) years after completion of work contemplated under this Contract. The County and the County Clerk of Court shall have access to such books, records, and documents as required in this section for the purpose of inspection or audit during normal business hours upon five (5) days' written notice to the Vendor.

21.1 The first ninety (90) days of this Contract are to be considered a "probationary period." Notwithstanding Sections 16 and 17 hereinabove, during the probationary period, the County may terminate this Contract based upon the performance of the Vendor and a new award be granted without another formal bid.

**SECTION 22. Independent Vendor Status.**

22.1 The Vendor shall provide the goods and/or services under this Contract as an independent contractor and nothing contained herein shall be construed to be inconsistent with this relationship or status. Nothing in this Contract shall be interpreted or construed to constitute the Vendor or any of its agents or employees to be an agent, employee, or representative of the County.

22.2 The Vendor and the County agree that during the term of this Contract: (a) the Vendor has the right to provide the goods and/or services for others; (b) the Vendor has the right to provide the goods and/or services required by this Contract; and (c) the Vendor has the right to hire assistants as subcontractors, or to use employees to provide the goods and/or services required by this Contract pursuant to Section 14 hereinabove.

**SECTION 23. Indemnification.**

23.1 The Vendor shall indemnify and hold harmless the County and its agents and employees from all claims, liabilities, damages, losses, expenses, and costs, including attorney's fees, arising out of or associated with or caused by the negligence, recklessness, or intentionally wrongful conduct of the Vendor or any persons employed or utilized by the Vendor, in the performance of this Contract. The Vendor shall, at its own expense, defend any and all such actions, suits, or proceedings which may be brought against the County in connection with the Vendor's performance under this Contract.

24.1 The Vendor shall provide and maintain at all times during the term of this Contract, without cost or expense to the County, such commercial (occurrence form) or comprehensive general liability, workers compensation, professional liability, and other insurance policies as detailed in Exhibit "B". The policy limits required are to be considered minimum amounts.

**24.2** The Vendor shall provide to the County a Certificate of Insurance for all policies of insurance and renewals thereof in a form acceptable to the County. Said certificates shall provide that the Nassau County Board of County Commissioners is an additional insured, and that the County shall be notified in writing of any reduction, cancellation or substantial change of policy or policies at least thirty (30) days prior to the effective date of said action with the exception of ten (10) days for non-payment. All insurance policies shall be issued by responsible companies who are acceptable to the County and licensed and authorized under the laws of the State of Florida.

**SECTION 25. Dispute Resolution Process.**

**25.1** In the event of a dispute regarding the interpretation of the terms of this Contract, the County, in its sole discretion, may elect to use the dispute resolution process as set forth in this section.

**25.2** In the event the County elects to use the dispute resolution process under this section, the County shall send a written communication to the Vendor pursuant to Section 32 hereinbelow. The written notification shall set forth the County's interpretation of the terms of this Contract.

**25.3** The County shall then set a date and time for the parties to meet with the County Manager or designee. This meeting shall be set no more than twenty (20) days from the date that the written communication was sent to the Vendor. The Vendor may submit a written response to the County's written communication no less than five (5) days prior to the meeting with the County Manager or designee.

**25.4** If no satisfactory resolution as to the interpretation of the Contract terms is reached at the meeting with the County Manager or designee, then the parties may elect to submit the dispute to mediation in accordance with mediation rules as established by the Florida Supreme Court. Mediators shall be chosen by the County and the cost of mediation shall be borne by the Vendor.

The Vendor shall not stop work during the pendency of the dispute resolution or mediation process as set forth in this section.

**SECTION 26. E-Verify.**

**26.1** The Vendor shall comply with Section 448.095, Florida Statutes, and use the United States Department of Homeland Security's E-Verify system ("E-Verify") to verify the employment eligibility of all persons hired by the Vendor during the term of this Contract to work in Florida. Additionally, if the Vendor uses subcontractors to perform any portion of the work (under this Contract), the Vendor shall include a requirement in the subcontractor's contract that the subcontractor use E-Verify to verify the employment eligibility of all persons hired by subcontractor to perform any such portion of the work. Answers to questions regarding E-Verify as well as instructions on enrollment may be found at the E-Verify website: [www.uscis.gov/e-verify](http://www.uscis.gov/e-verify).

**26.2** The Vendor shall maintain records of its participation and compliance with the provisions of the E-Verify program, including participation by its subcontractors as provided above, and to make such records available to the County or other authorized entity consistent with the terms of the Vendor's enrollment in the program. This includes maintaining a copy of proof of the Vendor's and subcontractors' enrollment in the E-Verify program. If the Vendor enters into a contract with a subcontractor, the subcontractor shall provide the Vendor with an affidavit stating that the subcontractor does not employ, contract with, or subcontract with an unauthorized alien. The Vendor shall maintain a copy of such affidavit for the duration of the Contract.

**26.3** Compliance with the terms of the E-Verify program provision is made an express condition of this Contract and the County may treat a failure to comply as a material breach of the Contract. If the County terminates the Contract pursuant to Section 448.095(2)(c), Florida Statutes, the Vendor may not be awarded a public contract for at least one (1) year after the date

on which the contract was terminated and the Vendor is liable for any additional costs incurred by the County as a result of the termination of this Contract.

**SECTION 27. Public Records.**

**27.1** The County is a public agency subject to Chapter 119, Florida Statutes. **IF THE VENDOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE VENDOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT (904) 530-6090, [RECORDS@NASSAUCOUNTYFL.COM](mailto:RECORDS@NASSAUCOUNTYFL.COM), 96135 NASSAU PLACE, SUITE 6, YULEE, FLORIDA 32097.** Under this Contract, to the extent that the Vendor is providing goods and/or services to the County, and pursuant to Section 119.0701, Florida Statutes, the Vendor shall:

- a. Keep and maintain public records required by the County to provide goods and/or services.
- b. Upon request from the County's custodian of public records, provide the County with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in this chapter or as otherwise provided by law.
- c. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the Contract term and following completion of the Contract if the Vendor does not transfer the records to the County.
- d. Upon completion of the Contract, transfer, at no cost, to the County all public

records in possession of the Vendor or keep and maintain public records required by the County to perform the service. If the Vendor transfers all public records to the County upon completion of the Contract, the Vendor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Vendor keeps and maintains public records upon completion of the Contract, the Vendor shall meet all applicable requirements for retaining public records. All records stored electronically shall be provided to the County, upon request from the County's custodian of public records, in a format that is compatible with the information technology systems of the County.

**27.2** A request to inspect or copy public records relating to the County's contract for goods and/or services shall be made directly to the County. If the County does not possess the requested records, the County shall immediately notify the Vendor of the request, and the Vendor shall provide the records to the public agency or allow the records to be inspected or copied within a reasonable time.

**27.3** If the Vendor does not comply with the County's request for records, the County shall enforce the Contract provisions in accordance with the Contract.

**27.4** If the Vendor fails to provide the public records to the County within a reasonable time, the Vendor may be subject to penalties under Section 119.10, Florida Statutes.

**27.5** If a civil action is filed against the Vendor to compel production of public records relating to the Contract, the Court shall assess and award against the Vendor the reasonable costs of enforcement, including reasonable attorney fees if:

(a) The Court determines that the Vendor unlawfully refused to comply with the public records request within a reasonable time; and

(b) At least eight (8) business days before filing the action, the plaintiff provided written notice of the public records request, including a statement that the Vendor has not complied with the request, to the County and to the Vendor.

**27.6** A notice complies with Section 27.5 (b) hereinabove if it is sent to the County's custodian of public records and to the Vendor at the Vendor's address listed on its Contract with the County or to the Vendor's registered agent. Such notices shall be sent pursuant to Section 32 hereinbelow.

**27.7** If the Vendor complies with a public records request within eight (8) business days after the notice is sent, the Vendor is not liable for the reasonable costs of enforcement.

**27.8** In reference to any public records requested under this Contract, the Vendor shall identify and mark specifically any information which Vendor considers confidential and/or proprietary, inclusive of trade secrets as defined in Section 812.081, Florida Statutes, and which the Vendor believes to be exempt from disclosure, citing specifically the applicable exempting law and including a brief written explanation as to why the cited Statute is applicable to the information claimed as confidential and/or proprietary information. All materials shall be segregated and clearly identified as "EXEMPT FROM PUBLIC DISCLOSURE."

**27.9** In conjunction with the confidential and/or proprietary information designation, the Vendor acknowledges and agrees that after notice from County, the Vendor shall respond to a notice from the County immediately, but no later than 10 calendar days from the date of notification or the Vendor shall be deemed to have waived and consented to the release of the confidential and/or proprietary designated materials.

**27.10** The Vendor further agrees that by designation of the confidential/proprietary material, the Vendor shall defend the County (and its employees, agents and elected and appointed officials) against all claims and actions (whether or not a lawsuit is commenced) related to the

Vendor's designation of the material as exempt from public disclosure and to hold harmless the County (and its employees, agents and elected and appointed officials) from any award to a plaintiff for damages, costs and attorneys' fees, incurred by the County by reason of any claim or action related to Vendor's designation of material as exempt from public disclosure.

**SECTION 28. Disclosure of Litigation, Investigations, Arbitration or Administrative Decisions.**

**28.1** During the term of this Contract, or any extension thereto, the Vendor shall have the continued duty to disclose to the County Attorney, in writing, upon occurrence, all civil or criminal litigation, arbitration, mediation, or administrative proceeding involving the Vendor. If the existence of the proceeding causes the County concerns that the Vendor's ability or willingness to perform this contract is jeopardized, the Vendor may be required to provide the County with reasonable written assurance to demonstrate the Vendor can perform the terms and conditions of the Contract.

**SECTION 29. Scrutinized Companies and Public Entity Crimes.**

**29.1** The Vendor is directed to the Florida Public Entities Crime Act, Section 287.133, Florida Statutes, as well as Section 287.135, Florida Statutes, regarding Scrutinized Companies, and represents to County that the Vendor is qualified to transact business with public entities in Florida, and to enter into and fully perform this Contract subject to the provisions stated therein. Failure to comply with any of the above provisions will be considered a material breach of the Contract.

**SECTION 30. Anti-Discrimination.**

**30.1** The Vendor agrees that it will not discriminate in employment, employee development, or employee advancement because of religious or political opinions or affiliations,

race, color, national origin, sex, age, physical handicap, or other factors, except where such factor is a bonified occupational qualification or is required by State and/or Federal Law.

**SECTION 31. Advertising.**

**31.1** The Vendor shall not publicly disseminate any information concerning this Contract without prior written approval from the County, including but not limited to, mentioning the Contract in a press release or other promotional material, identifying the County as a reference, or otherwise linking the Vendor's name and either description of this Contract or the name of the County in any material published, either in print or electronically, to any entity that is not a party this Contract, except potential or actual authorized distributors, dealers, resellers, or service representative.

**SECTION 32. Notices.**

**32.1** All notices, demands, requests for approvals or other communications given by the parties to another in connection with this Contract shall be in writing, and shall be sent by registered or certified mail, postage prepaid, return receipt requested, or overnight delivery service (such as federal express), or courier service or by hand delivery to the office of each party indicated below:

33.1 Notwithstanding the provisions of Section 27 hereinabove, in the event of any legal action to enforce the terms of this Contract each party shall bear its own attorney's fees and costs.

**SECTION 34. Authority to Bind.**

34.1 The Vendor represents and warrants that the Vendor's undersigned representative if executing this Contract on behalf of a partnership, corporation or agency has the authority to bind the Company to the terms of this Contract.

**SECTION 35. Conflicting Terms, Representations and No Waiver of Covenants or Conditions.**

35.1 In the event of any conflict between the terms of this Contract and the terms of any attachments or exhibits, the terms of this Contract shall prevail.

35.2 All representations, indemnifications, warranties, and guaranties made by the Vendor in this Contract, as well as all continuing obligations indicated in this Contract, shall survive final payment and termination or completion of this Contract.

35.3 The failure of either party to insist on strict performance of any covenant or condition herein, or to exercise any option herein contained, shall not be construed as a waiver of such covenant, condition, or option in any other instance.

35.4 The Vendor warrants that all goods and/or services provided by the Vendor under this Contract shall be merchantable. All goods and/or services provided shall be of good quality within the description given by the County, shall be fit for their ordinary purpose, shall be adequately contained, and packaged with the description given by the County, shall conform to the agreed

**SECTION 36. Construction of Contract.**

**36.1** The parties hereby acknowledge that they have fully reviewed this Contract and any attachments and have had the opportunity to consult with legal counsel of their choice, and that this Contract shall not be construed against any party as if they were the drafter of this Contract.

**SECTION 37. Headings.**

**37.1** The section headings and captions of this Contract are for convenience and reference of the parties and in no way define, limit, or describe the scope or intent of this Contract or any part thereof.

**SECTION 38. Entire Agreement and Execution.**

**38.1** This Contract, together with any attachments, constitutes the entire Contract between the County and the Vendor and supersedes all prior written or oral understandings.

**38.2** This Contract may be executed in any number of counterparts; each executed counterpart hereof shall be deemed an original; and all such counterparts, when taken together, shall be deemed to constitute one and the same instrument.

**SECTION 39. Change of Laws.**

**39.1** If there is a change in any state or federal law, regulation or rule or interpretation thereof, which affects this Contract or the activities of either party under this Contract, and either party reasonably believes in good faith that the change will have a substantial adverse effect on that party's rights or obligations under this Contract, then that party may, upon written notice, require the other party to enter into good faith negotiations to renegotiate the terms of this Contract. If the parties are unable to reach an agreement concerning the modification of this Contract within fifteen (15) days after the date of the notice seeking renegotiation, then either party may terminate

Contract No.: CM3723

this Contract by written notice to the other party. In such event, Vendor shall be paid its compensation for goods and/or services provided prior to the termination date.

**IN WITNESS WHEREOF**, the parties have executed this Contract which shall be deemed an original on the day and year last written below.

**Terms and Conditions between Jet Dock Systems, Inc or Dealer (“Us” or “We”) and Customer “You” regarding the Jet Dock floating drive-on docking system (the “Jet Dock” or “Dock”):**

1. **Safe and Proper Operation:** You are responsible for the safe and proper operation of the Jet Dock, and will provide instruction (including a copy of the Instructions) for operation by others. You are solely responsible to determine the feasibility and safety of dry-docking the craft by “driving-on”. You may have to shift your weight back during a pwc drive-on to ascend the tracking cube. In rare instances, a boat’s bow eye may need to be removed. All riders and craft are different as to acceleration, size, weight, etc. Practice is essential. Bottom painted or fouled hulls must be sanded smooth.
2. **Idle Approach/Safety Pause:** You agree to: a) approach the Jet Dock at 2 mph or less; b) never drive-on while a person is standing on the Jet Dock; and c) perform a “Safety Pause” within the first third of the stern of the Jet Dock before attempting to drive-on.
3. **Determination of Safe Drive-on:** If safe and proper drive-on is not feasible due to operator capability, weather conditions, craft operation, etc., You agree not to drive-on. You will exercise caution when launching craft and acknowledge that launching requires physical aptitude and dexterity. You agree to launch the craft only if you possess such abilities, and assume all responsibility therefore, and are responsible to determine such ability in others. You agree to read and follow launch instructions in Owner’s Manual and all related supplements and video. Customer must maintain all decals and contact Jet Dock for replacements as needed.
4. **Damage to Craft:** We cannot supervise the operation of your craft in the waterways, during trailering or while driving on the Jet Dock. We also cannot control inconsistencies and inadequacies of watercraft hull integrity, or the effects that wind or wave action may have on the Jet Dock or craft. Therefore, you agree that we are not responsible for abrasions, damage or chipping to craft due to improper operation, failure to keep the Jet Dock clean of dirt, sand, salt deposits or debris, or for any other reason, nor for any superficial scratches or marks of any kind.
5. **Night Storage Position:** You agree to pull up and secure the craft into the “Night Storage Position” and to regularly confirm that the stern of the craft is above contact with the water. We are not responsible for marine growth or corrosion that may occur to craft by improper storage or failure to inspect the stern for marine exposure. A secondary tension relief line may be necessary to secure craft depending upon site conditions.
6. **Safe Mooring:** You are solely responsible for the safe mooring of the Jet Dock, including the Tide Manager™ System, and agree to frequently secure, maintain, inspect or repair the mooring. For Stand-Alone Mooring Systems, we will provide guidelines for maximum water depth and sea-floor penetration. However, due to different sea-floor compositions, fluctuating water levels, waves, and changing watercraft applications, you remain solely responsible for Stand-Alone moorings.
7. **Sound Mooring Structure:** You are solely responsible to verify the structural integrity of the structure to which the Jet Dock mooring is attached. Your structure will be exposed to substantial forces during drive-on, and must exhibit sufficient structural integrity to withstand these forces. You agree to choose and maintain structures which possess sufficient structural integrity to sustain the combined mass of the Dock, craft on the Dock, craft tied about the perimeter of the Dock, craft driving on the Dock, and/or any combination thereof. Failure to select, inspect and/or maintain the appropriate mooring structure can result in sudden failure of equipment, property damage and/or serious injury or death.
8. **Improper Use:** The Jet Dock and Tide Manager™ are intended for the original specified craft(s) only. Driving-on larger, heavier or otherwise unsuitable craft may cause damage to the Jet Dock, mooring or craft itself. Consult us for modification suggestions. We are not responsible for damage to craft or the Jet Dock or other property or injury or death to you or others by the use of any Jet Dock which has been altered, redesigned, abused or misused by you or others.
9. **Ice:** Ice will not normally harm the Jet Dock when the Jet Dock can rest freely away from obstructions. However, moving ice may damage or tear away the Jet Dock. When in question, store the Jet Dock on land during winter. Ice may also damage or destroy rigid moorings like the Tide Manager. It is recommended that craft and rigid moorings be removed and safely stored on land from any Jet Dock that is intended to be iced in.
10. **Footwear:** The Jet Dock drive-on systems may become hot when exposed to the sun. Footwear must be worn. Avoid skin contact with drive-on systems.
11. **Traverse with Caution:** The Jet Dock is engineered with openings, cradles, ramps, flex points, perimeters and multi-level fluctuation. You agree to use caution and to wear an approved Personal Floatation Device at all times while on the Jet Dock and agree to require the same of others.
12. **Fueling on or from the Jet Dock material:** Fueling and/or working with flammable materials on or from the Jet Dock is not recommended and the customer assumes all risks.
13. **Regulations / Insurances:** You are responsible to obtain the required permits, variances, registrations and/or approvals for the Jet Dock, if any, and agree to comply with all regulations. We carry insurances which are normal and customary in the industry. You will be responsible for costs associated with excess premiums for any insurances which you require of us which are beyond the standard limits that are currently in effect.
14. **Handling on Land/ Non-buoyant Cubes:** The Jet Dock has its greatest structural integrity while in the water. You are responsible for any damage to the Jet Dock while launching, removing, dragging, bending or stacking of the Jet Dock when out of the water. The tracking cubes, ballast cubes, winch cubes, and keel deflection cubes are pre-drilled and are not intended to provide buoyancy.

<b>Electronic Record and Signature Disclosure</b>		

## **ELECTRONIC RECORD AND SIGNATURE DISCLOSURE**

From time to time, County of Nassau (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

### **Getting paper copies**

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

### **Withdrawing your consent**

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

### **Consequences of changing your mind**

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

### **All notices and disclosures will be sent to you electronically**

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

### **Acknowledging your access and consent to receive and sign documents electronically**
