WHEREAS, the County desires to access the Original Contract with the Cisco Systems, Inc. for the acquisition of said goods and services in accordance with the terms of the Exhibit “A”.

NOW, THEREFORE, in consideration of the mutual covenants and agreements herein contained, the parties hereto agree as follows:

SECTION 1. Recitals.

1.1 The above recitals are true and correct and are incorporated herein, in their entirety, by this reference.

SECTION 2. Exhibits.

2.1 The Exhibits listed below are the exhibits incorporated into and made part of this Agreement:

Exhibit A	ORIGINAL CONTRACT WITH LEAD CONTRACTING AGENCY
Exhibit B	VENDOR’S QUOTE

SECTION 3. Prices, Parties and Additional Terms and Conditions.

3.1 The Vendor shall be compensated in an amount not to exceed Ninety Thousand, Five Hundred Eight Dollars and 10/100 (\$90,508.10) in accordance with Vendor's Quote attached hereto and incorporated herein as Exhibit "B." The Vendor's Quote shall reflect the pricing under the same terms and conditions as contained in Exhibit "A" or lower if needed but, cannot exceed the pricing listed in Exhibit "A".

3.2 All references to the Lead Contracting Agency in Exhibit "A" shall for the purpose of this Agreement be replaced with the words of "Nassau County" or "County".

3.3 Any additional terms or conditions not set forth in this Agreement or any attachments whether submitted purposely or inadvertently, shall have no force or effect. In the event of any conflict between the terms of this Agreement and the terms of the Original Contract or any attachments, the terms of this Agreement shall prevail.

SECTION 4. Term of Agreement.

4.1 Notwithstanding any other provision of the Original Contract to the contrary, the term of this Agreement shall begin upon the date fully executed and continue until the Vendor delivers the goods and/or services to the County and the County accepts delivery of the Products.

SECTION 5. Termination for Default.

5.1 If the Vendor fails to perform any of its obligations under this Agreement, and if such default remains uncured for a period of more than fifteen (15) days after notice thereof was given in writing by the County to the Vendor, then the County may, without prejudice to any right or remedy the County may have, terminate this Agreement.

5.2 Upon termination of this Agreement, the Vendor shall immediately (1) stop work on the date specified; (2) terminate and settle all orders and subcontracts relating to the performance of the terminated work; (3) transfer all work in process, completed work, and other materials related to the terminated work to the County; and (4) render to the County all property belonging to the County, including but not limited to, equipment, books, and records.

SECTION 6. Termination for Convenience.

- a. Keep and maintain public records required by the public agency to perform the service.
- b. Upon request from the public agency's custodian of public records, provide the public agency with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in this chapter or as otherwise provided by law.
- c. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the agreement term and following completion of the Agreement if the Vendor does not transfer the records to the public agency.
- d. Upon completion of the Agreement, transfer, at no cost, to the public agency all public records in possession of the Vendor or keep and maintain public records required by the public agency to perform the service. If the Vendor transfers all public records to the public agency upon completion of the Agreement, the Vendor shall destroy any duplicate public records that are exempt or confidential

and exempt from public records disclosure requirements. If the Vendor keeps and maintains public records upon completion of the Agreement, the Vendor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the public agency, upon request from the public agency's custodian of public records, in a format that is compatible with the information technology systems of the County.

- e. A request to inspect or copy public records relating to a Nassau County Agreement must be made directly to the Nassau County Custodian of Public Records. If Nassau County does not possess the requested records due to the Vendor maintaining the public records, then Nassau County shall immediately notify the Vendor of the request for records. The Vendor must provide the records to Nassau County or allow the records to be inspected or copied within a reasonable time. If the Vendor does not comply with Nassau County's request for records, Nassau County shall be entitled to enforce the Agreement provisions herein for failure to comply with the terms of the Agreement. Any Vendor which fails to provide public records to Nassau County within a reasonable time may also be subject to penalties as provided under Section 119.10, Florida Statutes, including punishment by fine or may be guilty of committing a misdemeanor of the first degree for any willful and knowing violation.
- f. If a civil action is filed against the Vendor to compel production of public records relating to the Agreement, the Court shall assess and award against the Vendor the reasonable costs of enforcement, including reasonable attorney fees if:
 - (a) The Court determines that the Vendor unlawfully refused to comply with the public records request within a reasonable time; and
 - (b) At least eight (8) business days before filing the action, the plaintiff provided written notice of the public records request, including a statement that the Vendor has not complied with the request, to the County and to the Vendor.
- g. A notice complies with this Section, if it is sent to the County's custodian of public records and to the Vendor at the Vendor's address listed on its Agreement with the County or to the Vendor's registered agent. Such notices shall be sent pursuant to Section 11.1 hereinbelow.

- h. If the Vendor complies with a public records request within eight (8) business days after the notice is sent, the Vendor is not liable for the reasonable costs of enforcement.
- i. In reference to any public records requested under this Agreement, the Vendor shall identify and mark specifically any information which the Vendor considers confidential and/or proprietary, inclusive of trade secrets as defined in Section 812.081, Florida Statutes, and which the Vendor believes to be exempt from disclosure, citing specifically the applicable exempting law and including a brief written explanation as to why the cited Statute is applicable to the information claimed as confidential and/or proprietary information. All materials shall be segregated and clearly identified as "EXEMPT FROM PUBLIC DISCLOSURE."
- j. In conjunction with the confidential and/or proprietary information designation, the Vendor acknowledges and agrees that after notice from County, the Vendor shall respond to a notice from the County immediately, but no later than 10 calendar days from the date of notification or the Vendor shall be deemed to have waived and consented to the release of the confidential and/or proprietary designated materials.
- k. The Vendor further agrees that by designation of the confidential/proprietary material, the Vendor shall defend the County (and its employees, agents and elected and appointed officials) against all claims and actions (whether or not a lawsuit is commenced) related to the Vendor's designation of the material as exempt from public disclosure and to hold harmless the County (and its employees, agents and elected and appointed officials) from any award to a plaintiff for damages, costs and attorneys' fees, incurred by the County by reason of any claim or action related to the Vendor's designation of material as exempt from public disclosure.

SECTION 8. E-Verify.

8.1 The Vendor shall comply with Section 448.095, Florida Statutes, and use the United States Department of Homeland Security's E-Verify system ("E-Verify") to verify the employment eligibility of all persons hired by the Vendor during the term of this Agreement to work in Florida. Additionally, if the Vendor uses subcontractors to perform any portion of the

work (under this Agreement), the Vendor shall include a requirement in the subcontractor's contract that the subcontractor use E-Verify to verify the employment eligibility of all persons hired by subcontractor to perform any such portion of the work. Answers to questions regarding E-Verify as well as instructions on enrollment may be found at the E-Verify website: www.uscis.gov/e-verify.

8.2 The Vendor shall maintain records of its participation and compliance with the provisions of the E-Verify program, including participation by its subcontractors as provided above, and to make such records available to the County or other authorized entity consistent with the terms of the Vendor's enrollment in the program. This includes maintaining a copy of proof of the Vendor's and subcontractors' enrollment in the E-Verify program. If the Vendor enters into a contract with a subcontractor, the subcontractor shall provide the Vendor with an affidavit stating that the subcontractor does not employ, contract with, or subcontract with an unauthorized alien. The Vendor shall maintain a copy of such affidavit for the duration of the Agreement.

8.3 Compliance with the terms of the E-Verify program provision is made an express condition of this Agreement and the County may treat a failure to comply as a material breach of the Agreement. If the County terminates the Agreement pursuant to Section 448.095(2)(c), Florida Statutes, the Vendor may not be awarded a public contract for at least one (1) year after the date on which the Agreement was terminated and the Vendor is liable for any additional costs incurred by the County as a result of the termination of this Agreement.

This insurance must provide coverage for claims that arise from performance of the Contract or completed operations, whether by the Contractor or anyone directly or indirectly employed by the Contractor. - iv. Exhibit B, Special Contract Conditions Section 7.5, Indemnification, is hereby deleted and replaced in its entirety with the following:

7.5 Indemnification

7.5.1 General Indemnity

Contractor shall defend, indemnify and hold harmless the Customer and the State of Florida, its corporate affiliates and their respective officers, directors, employees, and agents and their respective successors and assigns from and against any and all fines, claims, assessments, suits, judgments, losses, liabilities, damages, and expenses (including, without limitation, consequential, special, indirect, and punitive damages, including, court costs and attorney's fees, as any such damages are determined by a court of law or are set forth and agreed upon in a settlement agreement), including without limitation, those based on contract or tort, arising out of or in connection with a claim, suit or proceeding brought by a third party based upon bodily injury (including death) or damage to tangible personal property (not including lost or damaged data) arising from the acts or omissions of the Contractor or its subcontractors, or the officers, directors, employees, agents, successors and assigns of any of them. In the event that the Customer's negligent or intentional acts or omissions contributed to cause the injury or damage for which a claim of indemnity is being asserted against the Contractor hereunder, the damages and expenses (including, without limitation, reasonable attorney's fees) shall be allocated or reallocated, as the case may be, between the Contractor and the Customer in such proportion as jointly determined by

the Contractor and the Customer. Such determination of proportionality shall appropriately reflect the relative fault of such parties, or their subcontractors, or the officers, directors, employees, agents, successors and assigns of any of them, and the liability of the Contractor shall be proportionately reduced based upon the Customer and Contractor's joint agreement determining the proportion of damages and expenses to be reallocated.

The Contract does not constitute a waiver of sovereign immunity or consent by the Customer or the State of Florida or its subdivisions to suit by third parties. The foregoing indemnification obligations are conditioned upon the Customer promptly notifying the Contractor in writing of the claim, suit or proceeding for which the Contractor is obligated under this Section, cooperating with, assisting and providing information to, the Contractor as reasonably required, and granting the Contractor the right to defend or settle such claim, suit or proceeding.

7.5.2 Intellectual Property Indemnification

To the extent permitted by Florida law, the Contractor agrees to indemnify, defend, and hold the Customer and the State of Florida, its officers, employees, and agents harmless from all fines, claims, assessments, suits, judgments, or damages, (including, without limitation, consequential, special, indirect, and punitive damages including court costs and attorney's fees, as any such damages are determined by a court of law or are set forth and agreed upon in a settlement agreement), arising from or related to an Intellectual Property Rights Claim ("IPR Claim") that any product or service supplied under this Agreement violates or infringes Third Party Intellectual Property Rights ("IPR"). Contractor's obligations to defend the IPR Claim and indemnify the Customer and the State of Florida, are conditional upon:

- Customer notifying Contractor promptly in writing of the IPR Claim or threat thereof;
- Customer giving Contractor authority to defend and settle the IPR Claim and any subsequent appeal; and
- Customer giving Contractor all information and assistance reasonably requested by Contractor in connection with the conduct of the defense and settlement of the IPR Claim and any subsequent appeal.

Third Party IPR as used within this section means a United States copyright existing as at the Effective Date or a United States patent issued as at the Effective Date.

If an IPR Claim has been made, or in Contractor's opinion is likely to be made, Contractor agrees, at Contractor's option and expense, either to: (a) procure for Customer the right to continue using the Product; or (b) replace or modify the Product so that there is no longer an infringement. In the event Contractor, using all available resources and best efforts, is unable to resolve the IPR claim and/or implement one of these two options, Contractor shall provide the Department and Customers with 10 business days advance written notice of Contractor's need to terminate both the Contractor's and Customer's respective rights and obligations under the Customer's agreement with regard to the product or service. Customer will promptly return the product to Contractor and or discontinue use of the service. Contractor will refund to Customer a prorated portion of the amount paid for the products or services for the remainder of the unexpired usage term.

Notwithstanding the foregoing, Contractor has no obligation or liability for any IPR Claim arising from a Customer performing any of the following:

- Combining, operating, or using a product or service supplied under this Agreement with any product, device, or software not supplied by Contractor which results in an IPR Claim issued for the Contractor provided product or service;
- Altering or modifying any product or service supplied under this Agreement which results in an IPR Claim issued for that product or service;
- Requiring Contractor comply with Customer's designs, specifications, requests, or instructions which results in an IPR Claim issued for that product or service; or
- Continuing to use the product or service as is after Contractor has notified Customer in writing of the requirement to implement modifications or changes capable of being made by the Customer in or to the product or service to avoid such an IPR Claim and failing to utilize the replacement product or service offered by Contractor; or
- Revenue generating activities or earnings made by Customer from services that it provides to external or internal customers that makes use of the product or services where such revenue generating activities results in the IPR claim issued for that product or service.

This Section states the entire obligation of Contractor and its suppliers, and the exclusive remedy of Customer, with respect to any infringement or alleged infringement of any intellectual property rights or proprietary rights. The Customer and the Department, however, shall maintain all other rights and remedies available under this Contract and under state or federal law as may be applicable to an infringement or alleged infringement of any intellectual property or proprietary rights.

The Contract does not constitute a waiver of sovereign immunity or consent by the Customer or the State of Florida or its subdivisions to suit by third parties.

- v. Exhibit B, Special Contract Conditions Subsection 8.4.1, Ownership, is hereby deleted and replaced in its entirety with the following:

8.4.1 Ownership.

The parties do not anticipate that any intellectual property will be developed as a result of this Contract. However, except as otherwise expressly set forth in an applicable Statement of Work ("SOW") and unless specifically addressed otherwise in the Contract, the State of Florida shall retain all intellectual property rights to its data and property. Once a Security Breach has been contained, the Contractor must provide the Department with a post-incident report documenting all relevant containment, eradication, and recovery measures taken. The Department reserves the right in its sole discretion to enlist a third party, approved by both Parties (such approval shall not be unreasonably withheld), to audit Contractor's findings and produce an independent report. The Contractor shall cooperate in good faith with the third party audit, which shall take place on the specific start date agreed to by the Parties, occur during normal working hours, and be performed in accordance with the Contractor's facility access procedures where facility access is required. The Contractor will make available to Customers and the Department information about which of its offers are HIPAA compliant, and the Customer will provide Contractor with notice that protected health information may be shared with Contractor.

Except for any liability which cannot be limited or excluded under mandatory applicable law, Cisco shall be liable for any and all claims, losses, liabilities, damages, and expenses arising out of or in connection with a claim, suit or proceeding brought by a third party based upon a Security Breach (whether for breach of contract, misrepresentations, negligence, strict liability, other torts or otherwise). Such liability shall not exceed \$1,000,000.00 (one million dollars) in U.S. dollars per Event and \$10,000,000.00 (ten million dollars) in the aggregate for all claims arising under this Agreement. For purposes of determining the liability due hereunder, a group of violations relating to a common set of operative facts (e.g., same location, same time period, same off-shore entity) will be treated as a single Event ("Event").

- vii. Exhibit B, Special Contract Conditions Section 11.3.2, Liquidated Damages, is hereby deleted in its entirety.
- viii. Exhibit B, Special Contract Conditions subsection 13.1, Background Check, is hereby deleted and replaced in its entirety with the following:

13.1 Background Check.

The Contractor must notify the Contract Manager within twenty-four (24) hours of all details concerning any reported arrest.

Access as referenced in this subsection shall mean review, inspect, approach, instruct, communicate with, store data in, retrieve data from, or otherwise make use of any data, regardless of type, form, or nature of storage. Access to a computer system or network includes local and remote access.

- ix. Exhibit B, Special Contract Conditions subsection 13.2, E-Verify, is hereby deleted and replaced in its entirety with the following:

The Contractor must comply with all laws, rules, codes, ordinances, and licensing requirements that are applicable to the conduct of its business, including those of federal, state, and local agencies having jurisdiction and authority. For example, the Contractor must comply with section 274A of the Immigration and Nationality Act, the Americans with Disabilities Act, Health Insurance Portability and Accountability Act, if applicable, and all prohibitions against discrimination on the basis of race, religion, sex, creed, national origin, handicap, marital status, or veteran's status. The provisions of subparagraphs 287.058(1)(a)-(c), and (g), F.S., are hereby incorporated by reference.

5.2 Dispute Resolution, Governing Law, and Venue.

Any dispute concerning performance of the Contract shall be decided by the Department's designated Contract Manager, who will reduce the decision to writing and serve a copy on the Contractor. The decision of the Contract Manager shall be final and conclusive. Exhaustion of this administrative remedy is an absolute condition precedent to the Contractor's ability to pursue legal action related to the Contract or any other form of dispute resolution. The laws of the State of Florida govern the Contract. The Parties submit to the jurisdiction of the courts of the State of Florida exclusively for any legal action related to the Contract. Further, the Contractor hereby waives all privileges and rights relating to venue it may have under Chapter 47, F.S., and all such venue privileges and rights it may have under any other statute, rule, or case law, including, but not limited to, those based on convenience. The Contractor hereby submits to venue in the county chosen by the Department.

5.3 Department of State Registration.

Consistent with Title XXXVI, F.S., the Contractor and any subcontractors that assert status, other than a sole proprietor, must provide the Department with conclusive evidence of a certificate of status, not subject to qualification, if a Florida business entity, or of a certificate of authorization if a foreign business entity.

5.4 Suspended, Convicted, and Discriminatory Vendor Lists.

In accordance with sections 287.042, 287.133, and 287.134, F.S., an entity or affiliate who is on the Suspended Vendor List, Convicted Vendor List, or Discriminatory Vendor List may not perform work as a contractor, supplier, subcontractor, or consultant under the Contract. The Contractor must notify the Department if it or any of its suppliers, subcontractors, or consultants have been placed on the Suspended Vendor List, Convicted Vendor List, or Discriminatory Vendor List during the term of the Contract.

5.5 Scrutinized Companies - Termination by the Department.

The Department may, at its option, terminate the Contract if the Contractor is found to have submitted a false certification as provided under section 287.135(5), F.S., or been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or been engaged in business operations in Cuba or Syria, or to have been placed on the Scrutinized Companies that Boycott Israel List or is engaged in a boycott of Israel.

5.6 Cooperation with Inspector General and Records Retention.

Pursuant to section 20.055(5), F.S., the Contractor understands and will comply with its duty to cooperate with the Inspector General in any investigation, audit, inspection, review, or hearing. Upon request of the Inspector General or any other authorized State official, the Contractor must provide any information the Inspector General deems relevant to the Contractor's integrity or responsibility. Such information may include, but will not be limited to, the Contractor's business or financial records, documents, or files of any type or form that refer to or relate to the Contract. The Contractor will retain such records for the longer of five years after the expiration of the Contract, or the period required by the General Records Schedules maintained by the Florida Department of State, at the Department of State's Records Management website. The Contractor agrees to reimburse the State of Florida for the reasonable costs of investigation incurred by the Inspector General or other authorized State of Florida official for investigations of the Contractor's compliance with the terms of this or any other agreement between the Contractor and the State of Florida which results in the suspension or debarment of the Contractor. Such costs will include but will not be limited to: salaries of investigators, including overtime; travel and lodging expenses; and expert witness and documentary fees. The Contractor agrees to impose the same obligations to cooperate with the Inspector General and retain records on any subcontractors used to provide goods or services under the Contract.

SECTION 6. MISCELLANEOUS.

6.1 Subcontractors.

The Contractor will not subcontract any work under the Contract without prior written consent of the Department. The Contractor is fully responsible for satisfactory completion of all its subcontracted work. The Department supports diversity in its procurements and contracts, and requests that the Contractor offer subcontracting opportunities to certified woman-, veteran-, and minority-owned small businesses. The

Contractor may contact the OSD at osdhelp@dms.myflorida.com for information on certified small business enterprises available for subcontracting opportunities.

6.2 Assignment.

The Contractor will not sell, assign, or transfer any of its rights, duties, or obligations under the Contract without the prior written consent of the Department. However, the Contractor may waive its right to receive payment and assign same upon notice to the Department. In the event of any assignment, the Contractor remains responsible for performance of the Contract, unless such responsibility is expressly waived by the Department. The Department may assign the Contract with prior written notice to the Contractor.

6.3 Independent Contractor.

The Contractor and its employees, agents, representatives, and subcontractors are independent contractors and not employees or agents of the State of Florida and are not entitled to State of Florida benefits. The Department and Customer will not be bound by any acts or conduct of the Contractor or its employees, agents, representatives, or subcontractors. The Contractor agrees to include this provision in all its subcontracts under the Contract.

6.4 Inspection and Acceptance of Commodities.

6.4.1 Risk of Loss.

Matters of inspection and acceptance are addressed in section 215.422, F.S. Until acceptance, risk of loss or damage will remain with the Contractor. The Contractor will be responsible for filing, processing, and collecting all damage claims. To assist the Contractor with damage claims, the Customer will: record any evidence of visible damage on all copies of the delivering carrier's bill of lading; report damages to the carrier and the Contractor; and provide the Contractor with a copy of the carrier's bill of lading and damage inspection report.

6.4.2 Rejected Commodities.

When a Customer rejects a commodity, Contractor will remove the commodity from the premises within ten (10) calendar days after notification of rejection, and the risk of loss will remain with the Contractor. Commodities not removed by the Contractor within ten (10) calendar days will be deemed abandoned by the Contractor, and the Customer will have the right to dispose of such commodities. Contractor will reimburse the Customer for costs and expenses incurred in storing or effecting removal or disposition of rejected commodities.

6.5 Safety Standards.

Performance of the Contract for all commodities or contractual services must comply with requirements of the Occupational Safety and Health Act and other applicable State of Florida and federal requirements.

6.6 Ombudsman.

A Vendor Ombudsman has been established within the Department of Financial Services. The duties of this office are found in section 215.422, F.S., which include disseminating information relative to prompt payment and assisting contractors in receiving their payments in a timely manner from a Customer. The Vendor Ombudsman may be contacted at (850) 413-5516.

6.7 Time is of the Essence.

Time is of the essence regarding every obligation of the Contractor under the Contract. Each obligation is deemed material, and a breach of any such obligation (including a breach resulting from untimely performance) is a material breach.

6.8 Waiver.

The delay or failure by the Department or the Customer to exercise or enforce any rights under the Contract will not constitute waiver of such rights.

6.9 Modification and Severability.

The Contract may only be modified by written agreement between the Department and the Contractor. Should a court determine any provision of the Contract is invalid, the remaining provisions will not be affected, and the rights and obligations of the Parties will be construed and enforced as if the Contract did not contain the provision held invalid.

6.10 Cooperative Purchasing.

Pursuant to their own governing laws, and subject to the agreement of the Contractor, governmental entities that are not Customers may make purchases under the terms and conditions contained herein, if agreed to by Contractor. Such purchases are independent of the Contract between the Department and the Contractor, and the Department is not a party to these transactions. Agencies seeking to make purchases under this Contract are required to follow the requirements of Rule 60A-1.045(5), F.A.C.

SECTION 7. LIABILITY AND INSURANCE.

7.1 Workers' Compensation Insurance.

The Contractor shall maintain workers' compensation insurance as required under the Florida Workers' Compensation Law or the workers' compensation law of another jurisdiction where applicable. The Contractor must require all subcontractors to similarly provide workers' compensation insurance for all of the latter's employees. In the event work is being performed by the Contractor under the Contract and any class of employees performing the work is not protected under Workers' Compensation statutes, the Contractor must provide, and cause each subcontractor to provide, adequate insurance satisfactory to the Department, for the protection of employees not otherwise protected.

7.2 General Liability Insurance.

The Contractor must secure and maintain Commercial General Liability Insurance, including bodily injury, property damage, products, personal and advertising injury, and completed operations. This insurance must provide coverage for all claims that may arise from performance of the Contract or completed operations, whether by the Contractor or anyone directly or indirectly employed by the Contractor. Such insurance must include the State of Florida as an additional insured for the entire length of the resulting contract. The Contractor is responsible for determining the minimum limits of liability necessary to provide reasonable financial protections to the Contractor and the State of Florida under the resulting contract.

7.3 Florida Authorized Insurers.

All insurance shall be with insurers authorized and eligible to transact the applicable line of insurance business in the State of Florida. The Contractor shall provide Certification(s) of Insurance evidencing that all appropriate coverage is in place and showing the Department to be an additional insured.

7.4 Performance Bond.

Unless otherwise prohibited by law, the Department may require the Contractor to furnish, without additional cost to the Department, a performance bond or irrevocable letter of credit or other form of security for the satisfactory performance of work hereunder. The Department shall determine the type and amount of security.

7.5 Indemnification.

To the extent permitted by Florida law, the Contractor agrees to indemnify, defend, and hold the Customer and the State of Florida, its officers, employees, and agents harmless from all fines, claims, assessments, suits, judgments, or damages, including consequential, special, indirect, and punitive damages, including court costs and attorney's fees, arising from or relating to violation or infringement of a trademark, copyright, patent, trade secret, or intellectual property right or out of any acts, actions, breaches, neglect, or omissions of the Contractor, its employees, agents, subcontractors, assignees, or delegates related to the Contract, as well as for any determination arising out of or related to the Contract that the Contractor or Contractor's employees, agents, subcontractors, assignees, or delegates are not independent contractors in relation to the Customer. The Contract does not constitute a waiver of sovereign immunity or consent by the Customer or the State of Florida or its subdivisions to suit by third parties. Without limiting this indemnification, the Customer may provide the Contractor (1) written notice of any action or threatened action, (2) the opportunity to take over and settle or defend any such action at Contractor's sole expense, and (3) assistance in defending the action at Contractor's sole expense.

7.6 Limitation of Liability.

Unless otherwise specifically enumerated in the Contract or in the purchase order, neither the Department nor the Customer shall be liable for special, indirect, punitive, or consequential damages, including lost data or records (unless the Contract or purchase order requires the Contractor to back-up data or records), even if the Department or Customer has been advised that such damages are possible. Neither the Department nor the Customer shall be liable for lost profits, lost revenue, or lost institutional operating savings. The Department or Customer may, in addition to other remedies available to them at law or equity and upon notice to the Contractor, retain such monies from amounts due Contractor as may be necessary to satisfy any claim for damages, penalties, costs, and the like asserted by or against them. The State may set off any liability or other obligation of the Contractor or its affiliates to the State against any payments due the Contractor under any contract with the State.

SECTION 8. PUBLIC RECORDS, TRADE SECRETS, DOCUMENT MANAGEMENT, AND INTELLECTUAL PROPERTY.

8.1 Public Records.

8.1.1 Termination of Contract.

The Department may terminate the Contract for refusal by the Contractor to comply with this section by not allowing access to all public records, as defined in Chapter 119, F. S., made or received by the Contractor in conjunction with the Contract.

8.1.2 Statutory Notice.

Pursuant to section 119.0701(2)(a), F.S., for contracts for services with a contractor acting on behalf of a public agency, as defined in section 119.011(2), F.S., the following applies:

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT THE TELEPHONE NUMBER, EMAIL ADDRESS, AND MAILING ADDRESS PROVIDED IN THE RESULTING CONTRACT OR PURCHASE ORDER.

Pursuant to section 119.0701(2)(b), F.S., for contracts for services with a contractor acting on behalf of a public agency as defined in section 119.011(2), F.S., the Contractor shall:

- (a) Keep and maintain public records required by the public agency to perform the service.
- (b) Upon request from the public agency's custodian of public records, provide the public agency with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, F.S., or as otherwise provided by law.
- (c) Ensure that public records that are exempt or confidential and exempt from public records disclosure are not disclosed except as authorized by law for the duration of the Contract term and following the completion of the Contract if the Contractor does not transfer the records to the public agency.
- (d) Upon completion of the Contract, transfer, at no cost, to the public agency all public records in possession of the Contractor or keep and maintain public records required by the public agency to perform the service. If the Contractor transfers all public records to the public agency upon completion of the Contract, the Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Contractor keeps and maintains public records upon completion of the Contract, the Contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the public agency, upon request from the public agency's custodian of public records, in a format that is compatible with the information technology systems of the public agency.

8.2 Protection of Trade Secrets or Otherwise Confidential Information.

8.2.1 Contractor Designation of Trade Secrets or Otherwise Confidential Information. If the Contractor considers any portion of materials to be trade secret under section 688.002 or 812.081, F.S., or otherwise confidential under Florida or federal law, the Contractor must clearly designate that portion of the materials as trade secret or otherwise confidential when submitted to the Department. The Contractor will be

responsible for responding to and resolving all claims for access to Contract-related materials it has designated trade secret or otherwise confidential.

8.2.2 Public Records Requests.

If the Department receives a public records request for materials designated by the Contractor as trade secret or otherwise confidential under Florida or federal law, the Contractor will be responsible for taking the appropriate legal action in response to the request. If the Contractor fails to take appropriate and timely action to protect the materials designated as trade secret or otherwise confidential, the Department will provide the materials to the requester.

8.2.3 Indemnification Related to Confidentiality of Materials.

The Contractor will protect, defend, indemnify, and hold harmless the Department for claims, costs, fines, and attorney's fees arising from or relating to its designation of materials as trade secret or otherwise confidential.

8.3 Document Management.

The Contractor must retain sufficient documentation to substantiate claims for payment under the Contract and all other records, electronic files, papers, and documents that were made in relation to this Contract. The Contractor must retain all documents related to the Contract for five (5) years after expiration of the Contract or, if longer, the period required by the General Records Schedules maintained by the Florida Department of State available at the Department of State's Records Management website.

8.4 Intellectual Property.

8.4.1 Ownership.

Unless specifically addressed otherwise in the Contract, the State of Florida shall be the owner of all intellectual property rights to all property created or developed in connection with the Contract.

8.4.2 Patentable Inventions or Discoveries.

Any inventions or discoveries developed in the course, or as a result, of services in connection with the Contract that are patentable pursuant to 35 U.S.C. § 101 are the sole property of the State of Florida. Contractor must inform the Customer of any inventions or discoveries developed or made through performance of the Contract, and such inventions or discoveries will be referred to the Florida Department of State for a determination on whether patent protection will be sought. The State of Florida will be the sole owner of all patents resulting from any invention or discovery made through performance of the Contract.

8.4.3 Copyrightable Works.

Contractor must notify the Department or State of Florida of any publications, artwork, or other copyrightable works developed in connection with the Contract. All copyrights created or developed through performance of the Contract are owned solely by the State of Florida.

SECTION 9. DATA SECURITY.

The Contractor will maintain the security of State of Florida data including, but not limited to, maintaining a secure area around any displayed visible data and ensuring data is stored and secured when not in use. The Contractor and subcontractors will not perform any of the services from outside of the United States, and the Contractor will not allow any State of Florida data to be sent by any medium, transmitted, or accessed outside the United States due to Contractor's action or inaction. In the event of a security breach involving State of Florida data, the Contractor shall give notice to the Customer and the Department within one business day. "Security breach" for purposes of this section will refer to a confirmed event that compromises the confidentiality, integrity, or availability of data. Once a data breach has been contained, the Contractor must provide the Department with a post-incident report documenting all containment, eradication, and recovery measures taken. The Department reserves the right in its sole discretion to enlist a third party to audit Contractor's findings and produce an independent report, and the Contractor will fully cooperate with the third party. The Contractor will also comply with all HIPAA requirements and any other state and federal rules and regulations regarding security of information.

SECTION 10. GRATUITIES, LOBBYING, AND COMMUNICATIONS.

10.1 Gratuities.

The Contractor will not, in connection with this Contract, directly or indirectly (1) offer, give, or agree to give anything of value to anyone as consideration for any State of Florida officer's or employee's decision, opinion, recommendation, vote, other exercise of discretion, or violation of a known legal duty, or (2) offer, give, or agree to give to anyone anything of value for the benefit of, or at the direction or request of, any State of Florida officer or employee.

10.2 Lobbying.

In accordance with sections 11.062 and 216.347, F.S., Contract funds are not to be used for the purpose of lobbying the Legislature, the judicial branch, or the Department. Pursuant to section 287.058(6), F.S., the Contract does not prohibit the Contractor from lobbying the executive or legislative branch concerning the scope of services, performance, term, or compensation regarding the Contract after the Contract is executed and during the Contract term.

10.3 Communications.

10.3.1 Contractor Communication or Disclosure.

The Contractor shall not make any public statements, press releases, publicity releases, or other similar communications concerning the Contract or its subject matter or otherwise disclose or permit to be disclosed any of the data or other information obtained or furnished in compliance with the Contract, without first notifying the Customer's Contract Manager and securing the Customer's prior written consent.

10.3.2 Use of Customer Statements.

The Contractor shall not use any statement attributable to the Customer or its employees for the Contractor's promotions, press releases, publicity releases, marketing, corporate communications, or other similar communications, without first notifying the Customer's Contract Manager and securing the Customer's prior written consent.

SECTION 11. CONTRACT MONITORING.

11.1 Performance Standards.

The Contractor agrees to perform all tasks and provide deliverables as set forth in the Contract. The Department and the Customer will be entitled at all times, upon request, to be advised as to the status of work being done by the Contractor and of the details thereof.

11.2 Performance Deficiencies and Financial Consequences of Non-Performance.

11.2.1 Proposal of Corrective Action Plan.

In addition to the processes set forth in the Contract (e.g., service level agreements), if the Department or Customer determines that there is a performance deficiency that requires correction by the Contractor, then the Department or Customer will notify the Contractor. The correction must be made within a time-frame specified by the Department or Customer. The Contractor must provide the Department or Customer with a corrective action plan describing how the Contractor will address all performance deficiencies identified by the Department or Customer.

11.2.2 Retainage for Unacceptable Corrective Action Plan or Plan Failure.

If the corrective action plan is unacceptable to the Department or Customer, or implementation of the plan fails to remedy the performance deficiencies, the Department or Customer will retain ten percent (10%) of the total invoice amount. The retainage will be withheld until the Contractor resolves the performance deficiencies. If the performance deficiencies are resolved, the Contractor may invoice the Department or Customer for the retained amount. If the Contractor fails to resolve the performance deficiencies, the retained amount will be forfeited to compensate the Department or Customer for the performance deficiencies.

11.3 Performance Delay.

11.3.1 Notification.

The Contractor will promptly notify the Department or Customer upon becoming aware of any circumstances that may reasonably be expected to jeopardize the timely and successful completion (or delivery) of any commodity or contractual service. The Contractor will use commercially reasonable efforts to avoid or minimize any delays in performance and will inform the Department or the Customer of the steps the Contractor is taking or will take to do so, and the projected actual completion (or delivery) time. If the Contractor believes a delay in performance by the Department or the Customer has caused or will cause the Contractor to be unable to perform its obligations on time, the Contractor will promptly so notify the Department and use commercially reasonable efforts to perform its obligations on time notwithstanding the Department's delay.

11.3.2 Liquidated Damages.

The Contractor acknowledges that delayed performance will damage the Department/Customer, but by their nature such damages are difficult to ascertain. Accordingly, the liquidated damages provisions stated in the Contract documents will apply. Liquidated damages are not intended to be a penalty and are solely intended to compensate for damages.

11.4 Force Majeure, Notice of Delay, and No Damages for Delay.

The Contractor will not be responsible for delay resulting from its failure to perform if neither the fault nor the negligence of the Contractor or its employees or agents contributed to the delay, and the delay is due directly to fire, explosion, earthquake, windstorm, flood, radioactive or toxic chemical hazard, war, military hostilities, terrorism, civil emergency, embargo, riot, strike, violent civil unrest, or other similar cause wholly beyond the Contractor's reasonable control, or for any of the foregoing that affect subcontractors or suppliers if no alternate source of supply is available to the Contractor. The foregoing does not excuse delay which could have been avoided if the Contractor implemented any risk mitigation required by the Contract. In case of any delay the Contractor believes is excusable, the Contractor will notify the Department in writing of the delay or potential delay and describe the cause of the delay either (1) within ten (10) calendar days after the cause that created or will create the delay first arose, if the Contractor could reasonably foresee that a delay could occur as a result, or (2) if delay is not reasonably foreseeable, within five (5) calendar days after the date the Contractor first had reason to believe that a delay could result. The foregoing will constitute the Contractor's sole remedy or excuse with respect to delay. Providing notice in strict accordance with this paragraph is a condition precedent to such remedy. No claim for damages will be asserted by the Contractor. The Contractor will not be entitled to an increase in the Contract price or payment of any kind from the Department for direct, indirect, consequential, impact or other costs, expenses or damages, including but not limited to costs of acceleration or inefficiency, arising because of delay, disruption, interference, or hindrance from any cause whatsoever. If performance is suspended or delayed, in whole or in part, due to any of the causes described in this paragraph, after the causes have ceased to exist the Contractor will perform at no increased cost, unless the Department determines, in its sole discretion, that the delay will significantly impair the value of the Contract to the State of Florida or to Customers, in which case the Department may (1) accept allocated performance or deliveries from the Contractor, provided that the Contractor grants preferential treatment to Customers and the Department with respect to commodities or contractual services subjected to allocation, or (2) purchase from other sources (without recourse to and by the Contractor for the related costs and expenses) to replace all or part of the commodity or contractual services that are the subject of the delay, which purchases may be deducted from the Contract quantity, or (3) terminate the Contract in whole or in part.

SECTION 12. CONTRACT AUDITS.

12.1 Performance or Compliance Audits.

The Department may conduct or have conducted performance and/or compliance audits of the Contractor and subcontractors as determined by the Department. The Department may conduct an audit and review all the Contractor's and subcontractors' data and records that directly relate to the Contract. To the extent necessary to verify the Contractor's fees and claims for payment under the Contract, the Contractor's agreements or contracts with subcontractors, partners, or agents of the Contractor, pertaining to the Contract, may be inspected by the Department upon fifteen (15) calendar days' notice, during normal working hours and in accordance with the Contractor's facility access procedures where facility access is required. Release statements from its subcontractors, partners, or agents are not required for the Department or its designee to conduct compliance and performance audits on any of the Contractor's contracts relating to this Contract. The Inspector General, in accordance with section 5.6, the State of Florida's Chief Financial Officer, the Office of the Auditor General also have authority to perform audits and inspections.

12.2 Payment Audit.

Records of costs incurred under terms of the Contract will be maintained in accordance with section 8.3 of these Special Contract Conditions. Records of costs incurred will include the Contractor's general accounting records, together with supporting documents and records of the Contractor and all subcontractors performing work, and all other records of the Contractor and subcontractors considered necessary by the Department, the State of Florida's Chief Financial Officer, or the Office of the Auditor General.

SECTION 13. BACKGROUND SCREENING AND SECURITY.

13.1 Background Check.

The Department or Customer may require the Contractor to conduct background checks of its employees, agents, representatives, and subcontractors as directed by the Department or Customer. The cost of the background checks will be borne by the Contractor. The Department or Customer may require the Contractor to exclude the Contractor's employees, agents, representatives, or subcontractors based on the background check results. In addition, the Contractor must ensure that all persons have a responsibility to self-report to the Contractor within three (3) calendar days any arrest for any disqualifying offense. The Contractor must notify the Contract Manager within twenty-four (24) hours of all details concerning any reported arrest. Upon the request of the Department or Customer, the Contractor will re-screen any of its employees, agents, representatives, and subcontractors during the term of the Contract.

13.2 E-Verify.

The Contractor must use the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility of all new employees hired during the term of the Contract for the services specified in the Contract. The Contractor must also include a requirement in subcontracts that the subcontractor must utilize the E-Verify system to verify the employment eligibility of all new employees hired by the subcontractor during the Contract term. In order to implement this provision, the Contractor must provide a copy of its DHS Memorandum of Understanding (MOU) to the Contract Manager within five (5) calendar days of Contract execution. If the Contractor is not enrolled in DHS E-Verify System, it will do so within five (5) calendar days of notice of Contract award and provide the Contract Manager a copy of its MOU within five (5) calendar days of Contract execution. The link to E-Verify is <https://www.uscis.gov/e-verify>. Upon each Contractor or subcontractor new hire, the Contractor must provide a statement within five (5) calendar days to the Contract Manager identifying the new hire with its E-Verify case number.

13.3 Disqualifying Offenses.

If at any time it is determined that a person has been found guilty of a misdemeanor or felony offense as a result of a trial or has entered a plea of guilty or nolo contendere, regardless of whether adjudication was withheld, within the last six (6) years from the date of the court's determination for the crimes listed below, or their equivalent in any jurisdiction, the Contractor is required to immediately remove that person from any position with access to State of Florida data or directly performing services under the Contract. The disqualifying offenses are as follows:

- (a) Computer related crimes;
- (b) Information technology crimes;

- (c) Fraudulent practices;
- (d) False pretenses;
- (e) Frauds;
- (f) Credit card crimes;
- (g) Forgery;
- (h) Counterfeiting;
- (i) Violations involving checks or drafts;
- (j) Misuse of medical or personnel records; and
- (k) Felony theft.

13.4 Confidentiality.

The Contractor must maintain confidentiality of all confidential data, files, and records related to the commodities or contractual services provided pursuant to the Contract and must comply with all state and federal laws, including, but not limited to sections 381.004, 384.29, 392.65, and 456.057, F.S. The Contractor's confidentiality procedures must be consistent with the most recent version of the Department security policies, protocols, and procedures. The Contractor must also comply with any applicable professional standards with respect to confidentiality of information.

SECTION 14. WARRANTY OF CONTRACTOR'S ABILITY TO PERFORM.

The Contractor warrants that, to the best of its knowledge, there is no pending or threatened action, proceeding, or investigation, or any other legal or financial condition, that would in any way prohibit, restrain, or diminish the Contractor's ability to satisfy its Contract obligations. The Contractor warrants that neither it nor any affiliate is currently on the Suspended Vendor List, Convicted Vendor List, or the Discriminatory Vendor List, or on any similar list maintained by any other state or the federal government. Contractor may, upon written notice to the Participating Entity, add or delete authorized Fulfillment Partners as necessary at any time during the contract term. Fulfillment Partner has no authority to amend this Master Agreement or to bind Contractor to any additional terms and conditions.

Master Agreement means the underlying agreement executed by and between the Lead State, acting on behalf of the NASPO ValuePoint program, and the Contractor, as now or hereafter amended.

NASPO ValuePoint is the NASPO Cooperative Purchasing Organization LLC, doing business as NASPO ValuePoint, a 501(c)(3) limited liability company that is a subsidiary organization the National Association of State Procurement Officials (NASPO), the sole member of NASPO ValuePoint. NASPO ValuePoint facilitates administration of the NASPO cooperative group contracting consortium of state chief procurement officials for the benefit of state departments, institutions, agencies, and political subdivisions and other eligible entities (i.e., colleges, school districts, counties, cities, some nonprofit organizations, etc.) for all states, the District of Columbia, and territories of the United States. NASPO ValuePoint is identified in the Master Agreement as the recipient of reports and may perform contract administration functions relating to collecting and receiving reports as well as other contract administration functions as assigned by the Lead State.

Order or Purchase Order means any purchase order, sales order, contract or other document used by a Purchasing Entity to order the Products and/or Services as authorized under the Master Agreement and Participating Addenda. For clarification purposes, "Blanket Purchase Order" is excluded from the scope of this Master Agreement. "Blanket Purchase Order" is an order that contains multiple delivery dates scheduled during the term of and/or post the expiration date of the Master Agreement, often negotiated to take advantage of predetermined or to lock-in pricing (i.e. from older Contractor pricelists).

Participating Addendum means a bilateral agreement executed by a Contractor and a Participating Entity incorporating this Master Agreement and any other additional Participating Entity specific language or other requirements, e.g. ordering procedures specific to the Participating Entity, other terms and conditions.

Participating Entity means a state in the United States of America, or other public sector legal entity (i.e. political subdivisions such as municipalities and counties, and K-12 and higher education institutions) in the United States of America, properly authorized to enter into a Participating Addendum.

Participating State means a state, the District of Columbia, or one of the territories of the United States who has the authority to execute a Participating Addendum to this Master Agreement. Product means any equipment, software (including embedded software), documentation, service or other deliverable supplied or created by the Contractor pursuant to this Master Agreement. The term Products, supplies and services, and products and services are used interchangeably in these terms and conditions.

Purchasing Entity means a state (as well as the District of Columbia and U.S territories), city, county, district, other political subdivision of a State, and a nonprofit organization under the laws of some states if authorized by a Participating Addendum, that issues a Purchase Order against the Master Agreement and becomes financially committed to the purchase.

Purchasing Entity Data means all information, whether in oral or written (including electronic) form, created by or in any way originating with a Participating Entity or Purchasing Entity provided or transferred to Contractor in the course of using the Services or Cloud Software provided under this Agreement. Purchasing Entity Data includes Administrative Data and does not include Telemetry Data or Statistical Data.

Services mean services that are in scope of this Master Agreement and are supplied or created by the Contractor pursuant to this Master Agreement (to include the attached Services Exhibit in Exhibit 2).

Security Incident means the actual or reasonably suspected by Contractor's information technology security teams, unauthorized access to Purchasing Entity Data and Personal Data that Contractor believes could reasonably result in the use, disclosure or theft of a Purchasing Entity's Data within the possession or control of the Contractor. A Security Incident may or may not turn into a Data Breach.

Service Level Agreement (SLA) means a written agreement between both the Purchasing Entity and the Contractor that is subject to the terms and conditions in this Master Agreement and relevant Participating Addendum (unless otherwise expressly agreed in writing between the Purchasing Entity and the Contractor). A Service Level Agreement may be memorialized within a Statement of Work for the Services. SLAs should include: (1) the technical service level performance promises, (i.e. metrics for performance and intervals for measure), (2) description of service quality, (3) identification of roles and responsibilities, (4) remedies, such as credits, and (5) an explanation of how remedies or credits are calculated and issued. Software may be either Embedded Software or Cloud Software. Purchasing Entity's license to use Software is set forth in Exhibit 1.

Statistical Data means any information/data that Contractor derives from Purchasing Entity Data and/or Telemetry Data, provided that such information/data is aggregated and/or de-identified such that it cannot reasonably be used to identify an individual or entity.

Telemetry Data means information generated by instrumentation and logging systems created through the use and operation of Contractor products and services.

NASPO ValuePoint Program Provisions

3. Term of the Master Agreement

- a. The initial term of this Master Agreement is for five (5) years. This Master Agreement may be extended beyond the original contract period for two (2) additional years at the Lead State's discretion and by mutual agreement and upon review of requirements of Participating Entities, current market conditions, and Contractor performance.
- b. The Master Agreement may be extended for a reasonable period of time, not to exceed six (6) months, if in the judgment of the Lead State a follow-on, competitive procurement will be unavoidably delayed (despite good faith efforts) beyond the planned date of execution of the follow-on master agreement. This subsection shall not be deemed to limit the authority of a Lead State under its state law otherwise to negotiate contract extensions.

4. Amendments

The terms of this Master Agreement shall not be waived, altered, modified, supplemented or amended in any manner whatsoever without prior written agreement of the Lead State and Contractor.

5. Participants and Scope

- a. Contractor may not deliver Products under this Master Agreement until a Participating Addendum acceptable to the Participating Entity and Contractor is executed. The NASPO ValuePoint Master Agreement Terms and Conditions are applicable to any Order by a Participating Entity (and other Purchasing Entities covered by their Participating Addendum), except to the extent altered, modified, supplemented or amended by a Participating Addendum. By way of illustration and not limitation, this authority may apply to unique delivery and invoicing requirements, confidentiality requirements, defaults on Orders, governing law and venue relating to Orders by a Participating Entity, indemnification, and insurance requirements. Statutory or constitutional requirements relating to availability of funds may require specific language in some Participating Addenda in order to comply with applicable law. The expectation is that these alterations, modifications, supplements, or amendments will be addressed in the Participating Addendum or, with the consent of the Purchasing Entity and Contractor, may be included in the ordering document (e.g. purchase order or contract) used by the Purchasing Entity to place the Order.
- b. Use of specific NASPO ValuePoint's Master Agreements by state agencies, political subdivisions and other Participating Entities (including cooperatives) authorized by individual state's statutes to use state contracts are subject to the approval of the respective State Chief Procurement Official. Issues of interpretation and eligibility for participation are solely within the authority of the respective State Chief Procurement Official.
- c. Obligations under this Master Agreement are limited to those Participating Entities who have signed a Participating Addendum and Purchasing Entities within the scope of each Participating Addendum. States or other entities permitted to participate may use an informal competitive process to determine which Master Agreements to participate in through execution of a Participating Addendum. Financial obligations of Participating Entities who are states are limited to the orders placed by the departments or other state agencies and institutions having available funds. Participating Entities who are states incur no financial obligations on behalf of other Purchasing Entities. Contractor shall email a fully executed PDF copy of each Participating Addendum to PA@naspovaluepoint.org to support documentation of participation and posting in appropriate databases.
- d. NASPO Cooperative Purchasing Organization LLC, doing business as NASPO ValuePoint, is not a party to the Master Agreement. It is a nonprofit cooperative purchasing organization assisting states in administering the NASPO cooperative purchasing program for state government departments, institutions, agencies and political subdivisions (e.g., colleges, school districts,

counties, cities, etc.) for all 50 states, the District of Columbia and the territories of the United States.

- e. Participating Addenda shall not be construed to amend the following provisions in this Master Agreement between the Lead State and Contractor that prescribe NASPO ValuePoint Program requirements: Term of the Master Agreement; Amendments; Participants and Scope; Administrative Fee; NASPO ValuePoint Summary and Detailed Usage Reports; NASPO ValuePoint Cooperative Program Marketing and Performance Review; NASPO ValuePoint eMarketCenter; Right to Publish; Price and Rate Guarantee Period; and Individual Purchasing Entity. Any such language shall be void and of no effect.
- f. Participating Entities who are not states may under some circumstances sign their own Participating Addendum, subject to the consent to participation by the Chief Procurement Official of the state where the Participating Entity is located. Coordinate requests for such participation through NASPO ValuePoint. Any permission to participate through execution of a Participating Addendum is not a determination that procurement authority exists in the Participating Entity; they must ensure that they have the requisite procurement authority to execute a Participating Addendum.
- g. **Resale.** "Resale" means any payment in exchange for transfer of tangible goods, software, or assignment of the right to services. Subject to any specific conditions included in the solicitation or Contractor's proposal as accepted by the Lead State, or as explicitly permitted in a Participating Addendum, Purchasing Entities may not resell Products (the definition of which includes services). Absent any such condition or explicit permission, this limitation does not prohibit: payments by employees of a Purchasing Entity for Products when purchased for the Purchasing Entity; sales of hardware Products to the general public as surplus property; and fees associated with inventory transactions with other governmental or nonprofit entities and consistent with a Purchasing Entity's laws and regulations. Any sale or transfer permitted by this subsection must be consistent with license rights granted for use of intellectual property. The transfer of licenses to software shall be subject to Contractor's then-current software transfer and relicensing policy.

6. Administrative Fees

- a. The Contractor shall pay to NASPO ValuePoint, or its assignee, a NASPO ValuePoint Administrative Fee of one-quarter of one percent (0.25% or 0.0025) no later than sixty (60) days following the end of each calendar quarter. The NASPO ValuePoint Administrative Fee shall be submitted quarterly and is based on all sales of products and services under the Master Agreement (less any charges for taxes or shipping). The NASPO ValuePoint Administrative Fee is not negotiable. This fee is to be included as part of the pricing submitted with proposal.
- b. Additionally, some states may require an additional fee be paid directly to the state only on purchases made by Purchasing Entities within that state. For all such requests, the fee level, payment method and schedule for such reports and payments will be incorporated into the Participating Addendum that is made a part of the Master Agreement. The Contractor may adjust the Master Agreement pricing accordingly for purchases made by Purchasing Entities within the jurisdiction of the state. All such agreements shall not affect the NASPO ValuePoint Administrative Fee percentage or the prices paid by the Purchasing Entities outside the jurisdiction of the state requesting the additional fee. The NASPO ValuePoint Administrative Fee in subsection 6a shall be based on the sum of all sales at Net Purchase Price at the adjusted prices (if any) in Participating Addenda, where "Net Purchase Price" is the Contractor's list price for an approved product or service minus all applicable contract discounts, rebates or value added incentives, and excluding sales, use or other applicable taxes, surcharges or like fees, to the extent applicable to an Order.

7. NASPO ValuePoint Summary and Detailed Usage Reports

In addition to other reports that may be required by this solicitation, the Contractor shall provide the following NASPO ValuePoint reports.

- a. **Summary Sales Data.** The Contractor shall submit quarterly sales reports directly to NASPO ValuePoint using the NASPO ValuePoint Quarterly Sales/Administrative Fee Reporting Tool found at

<http://calculator.naspovaluepoint.org>. Any/all sales made under this Master Agreement shall be reported as cumulative totals by state. Even if Contractor experiences zero sales during a calendar quarter, a report is still required. Reports shall be due no later than sixty (60) days following the end of the calendar quarter (as specified in the reporting tool).

- b. Detailed Sales Data. Contractor shall also report detailed sales data by: (1) state; (2) entity/Purchasing Entity type, e.g. local government, higher education, K12, non-profit; (3) Purchasing Entity name; (4) Purchasing Entity bill-to and ship-to locations; (4) Purchasing Entity and Contractor Purchase Order identifier/number(s); (5) Purchase Order Type (e.g. sales order, credit, return, upgrade, determined by industry practices); (6) Purchase Order date; (7) Ship Date; (8) and line item description, including product number if used. The report shall be submitted in any form required by the solicitation. Reports are due on a quarterly basis and must be received by the Lead State and NASPO ValuePoint Cooperative Development Team no later than thirty (30) days after the end of the reporting period. Reports shall be delivered to the Lead State and to the NASPO ValuePoint Cooperative Development Team electronically through a designated portal, email, CD-ROM, flash drive or other method as determined by the Lead State and NASPO ValuePoint. Detailed sales data reports shall include sales information for all sales under Participating Addenda executed under this Master Agreement. The format for the detailed sales data report is in Attachment H of the Solicitation.
- c. Sales under Contractor's master agreement are intended for commercial, enterprise and government use only. Sales to employees for personal use are prohibited. [RESERVED].
- d. Contractor shall provide the NASPO ValuePoint Cooperative Development Coordinator with an executive summary each quarter that includes, at a minimum, a list of states with an active Participating Addendum, states that Contractor is in negotiations with and any Participating Addendum roll out or implementation activities and issues. NASPO ValuePoint Cooperative Development Coordinator and Contractor will determine the format and content of the executive summary. The executive summary is due thirty (30) days after the conclusion of each calendar quarter.
- e. Timely submission of these reports is a material requirement of the Master Agreement. The recipient of the reports shall have exclusive ownership of the media containing the reports. The Lead State and NASPO ValuePoint shall have a perpetual, irrevocable, non-exclusive, royalty free, transferable right to display, modify, copy, and otherwise use reports, data and information provided under this section.

8. NASPO ValuePoint Cooperative Program Marketing, Training, and Performance Review

- a. Contractor agrees to work cooperatively with NASPO ValuePoint personnel. Contractor agrees to present plans to NASPO ValuePoint for the education of Contractor's contract administrator(s) and sales/marketing workforce regarding the Master Agreement contract, including the competitive nature of NASPO ValuePoint procurements, the Master Agreement and Participating Addendum process, and the manner in which qualifying entities can participate in the Master Agreement.
- b. Contractor agrees, as Participating Addenda become executed, if requested by ValuePoint personnel to provide plans to launch the program within the participating state. Plans will include time frames to launch the agreement and confirmation that the Contractor's website has been updated to properly reflect the contract offer as available in the participating state.
- c. Contractor agrees, absent anything to the contrary outlined in a Participating Addendum, to consider Purchasing Entity's proposed terms and conditions, as deemed important to the Purchasing Entity, for possible inclusion into the Purchasing Entity agreement. Contractor will ensure that their sales force is aware of this contracting option.
- d. Contractor agrees to participate in an annual contract performance review at a location selected by the Lead State and NASPO ValuePoint, which may include a discussion of marketing action plans, target strategies, marketing materials, as well as Contractor reporting and timeliness of payment of administration fees.

- e. Contractor acknowledges that the NASPO ValuePoint logos may not be used by Contractor in sales and marketing until a logo use agreement is executed with NASPO ValuePoint.
- f. The Lead State expects to evaluate the utilization of the Master Agreement at the annual performance review. Lead State may, in its discretion, terminate the Master Agreement pursuant to section 35 or not exercise an option to renew, when Contractor utilization does not warrant further administration of the Master Agreement. The Lead State may exercise its right to not renew the Master Agreement if vendor fails to record or report revenue for three consecutive quarters, upon 60-calendar day written notice to the Contractor. Termination based on nonuse or under-utilization will not occur sooner than two years after award (or execution if later) of the Master Agreement. This subsection does not limit the discretionary right of either the Lead State or Contractor to terminate the Master Agreement pursuant to Section 35 or to terminate for default pursuant to Section 37

9. NASPO ValuePoint eMarket Center

- a. In July 2011, NASPO ValuePoint entered into a multi-year agreement with SciQuest, Inc. (doing business as JAGGAER) whereby JAGGAER will provide certain electronic catalog hosting and management services to enable eligible NASPO ValuePoint's Purchasing Entities' to access a central online website to view and/or shop the goods and services available from existing NASPO ValuePoint Cooperative Contracts. The central online website is referred to as the NASPO ValuePoint eMarket Center.
- b. The Contractor will have visibility in the eMarket Center through Ordering Instructions. These Ordering Instructions are available at no cost to the Contractor and provide Purchasing Entity's information regarding the Contractor's website and ordering information. The Contractor is required at a minimum to participate in the eMarket Center through Ordering Instructions.
- c. At a minimum, the Contractor agrees to the following timeline: NASPO ValuePoint eMarket Center Site Admin shall provide a written request to the Contractor to begin Ordering Instruction process. The Contractor shall have thirty (30) days from receipt of written request to work with NASPO ValuePoint to provide any unique information and ordering instructions that the Contractor would like the Purchasing Entity to have.
- d. If the solicitation requires either a catalog hosted on or integration of a punchout site with eMarket Center, or either solution is proposed by a Contractor and accepted by the Lead State, the provisions of the eMarket Center Appendix to these NASPO ValuePoint Master Agreement Terms and Conditions apply.

10. Right to Publish

Throughout the duration of this Master Agreement, Contractor must secure from the Lead State prior approval for the release of information that pertains to the potential work or activities covered by the Master Agreement. This limitation does not preclude publication about the award of the Master Agreement or marketing activities consistent with any proposed and accepted marketing plan; nor does the limitation preclude Contractor providing limited information as necessary for Contractor to perform its duties or secure or exercise any rights under the Master Agreement. The Contractor shall not make any representations of NASPO ValuePoint's opinion or position as to the quality or effectiveness of the services that are the subject of this Master Agreement without prior written consent. Failure to adhere to this requirement may result in termination of the Master Agreement for cause.

11. Price and Rate Guarantee Period

All pricing must be guaranteed for the first year of the Master Agreement.

Following the guarantee period, any request for price increases must be for an equal guarantee period (1 year), and must be submitted to the Lead State at least thirty (30) calendar days prior to the effective date. The Lead State will review a documented request for an MSRP price list increase only after the Price Guarantee Period. Requests for price increases must include sufficient documentation supporting the request and demonstrating a reasonableness of the adjustment when comparing the current price list to the proposed price list. Documentation may include: the manufacturers national price increase

announcement letter, a complete and detailed description of what products are increasing and by what percentage, a complete and detailed description of what raw materials and/or other costs have increased and provide proof of increase, index data and other information to support and justify the increase.

No retroactive price increases will be allowed.

Price Reductions. In the event of a price decrease in any category of product at any time during the contract in an OEM's published commercial price list, including renewal options, the Lead State shall be notified immediately. All published commercial price list price reductions shall be effective upon the notification provided to the Lead State.

12. Individual Purchasing Entities

Except to the extent modified by a Participating Addendum, each Purchasing Entity shall follow the terms and conditions of the Master Agreement and applicable Participating Addendum and will have the same rights and responsibilities for their purchases as the Lead State has in the Master Agreement, including but not limited to, any indemnity or right to recover any costs as such right is defined in the Master Agreement and applicable Participating Addendum for their purchases. Each Purchasing Entity will be responsible for its own charges, fees, and liabilities. The Contractor will apply the charges and invoice each Purchasing Entity individually.

Administration of Orders

13. Ordering and Orders

- a. Lead State desires that the Master Agreement identifier and purchase order numbers be clearly shown on all acknowledgments, shipping labels, packing slips, invoices, and on all correspondence. Any such information will be per Contractor's existing free form structure, without customization. The purchase order numbers reflect Contractor's Fulfillment Partner purchase order numbers; however, Contractor will request that its Fulfillment Partners use reasonable efforts to provide the Purchasing Entity's Purchase Order number in the free form notes.
- b. Contractor reserves the right to require that purchases be made through Fulfillment Partners. Where so required by Contractor, Purchasing Entities shall not order Products and/or Services directly from Contractor and shall order same from Fulfillment Partner. Purchasing Entity shall purchase Products and/or Services by issuing a written or electronic Purchase Order, signed or (in the case of electronic transmission) sent by its authorized representative, indicating specific products, quantity, unit price, total purchase price, shipping instructions, requested delivery dates, bill-to and ship-to addresses, tax exempt certifications, if applicable, and any other special instructions.
- c. Any contingencies on Purchasing Entity's Purchase Orders are not binding upon Contractor. The terms and conditions of this Master Agreement and applicable Participating Addendum prevail, regardless of any additional or conflicting terms on the Purchase Order, or other correspondence from Purchasing Entity to Contractor and any additional or conflicting terms are deemed rejected by Contractor unless Contractor has expressly agreed to such terms in writing. Mere acceptance or processing of a Purchase Order or Order containing such terms shall not constitute such express consent.
- d. All Purchase Orders are subject to Contractor's reasonable acceptance (including performing any related credit checks). Contractor shall use commercially reasonable efforts to accept or reject orders in writing within ten (10) days from receipt, or within three (3) business days, if orders are placed electronically.
- e. Purchasing Entity may defer product shipment up to thirty (30) days from the originally scheduled shipping date, provided written notice is received by Contractor at least ten (10) days before the originally scheduled shipping date. Cancelled orders, rescheduled deliveries, or product configuration changes made by Purchasing Entity less than ten (10)

days before the original shipping date are subject to Contractor's acceptance and a charge of fifteen percent (15%) of the total invoice amount relating to the affected Product(s). Contractor reserves the right to reschedule delivery due to configuration changes made within ten (10) days of scheduled shipment. No cancellation shall be accepted by Contractor where products are purchased with implementation services, including but not limited to design, customization, or installation services, except as may be set forth in the agreement or Statement of Work under which the services are to be rendered. Notwithstanding anything to the contrary, if Contractor is delayed in shipping the product for thirty (30) days or more from the original shipping date, the Purchasing Entity may cancel the order without charge.

- f. Services. Purchasing Entity may place Purchase Orders for the various services offered by Contractor. The provision of any such services, if accepted by Contractor, shall be subject to the terms and conditions set forth in this Agreement, including the Services Exhibit attached hereto as Exhibit 2, as well as the then-current terms of service offerings set forth on Contractor's website at <https://www.cisco.com/c/en/us/about/legal/service-descriptions.html>. Contractor reserves the right to subcontract services to a third party organization to provision services for Purchasing Entity.
- g. All stated prices are exclusive of any taxes, fees, and duties or other similar amounts, however designated, and including without limitation value added, sales and withholding taxes which are levied or based upon such prices, charges, or upon this Master Agreement. Purchasing Entity will pay sales and use taxes, if any, imposed on the Products and Services acquired under this Master Agreement, or furnish proof of its tax-exempt status upon request. Contractor will pay all other taxes based on Contractor's income or gross receipts, or personal property taxes levied or assessed on Contractor's personal property. In the event that the Purchasing Entity is exempt from property and sales taxes, it will not be charged same.
- h. Notwithstanding anything contained in the Master Agreement to the contrary, modifications which Contractor deems necessary to comply with specifications, changed safety standards or governmental regulations, to make the product non-infringing with respect to any patent, copyright, or other proprietary interest, or to otherwise improve the product may be made at any time by Contractor without prior notice to or consent of Purchasing Entity or NASPO, and such altered product shall be deemed fully conforming. Contractor shall employ commercially reasonable efforts to announce, including by electronic posting, product discontinuance or changes other than those set forth in the previous sentence in accordance with Contractor's End-of-Life Policy, which is found at the following URL: <http://www.cisco.com/c/en/us/products/eos-eol-policy.html> Purchasing Entity may make a last-time purchase of such products as set forth in such policy.
- i. Purchasing Entities may define entity or project-specific requirements and informally compete the requirement among companies having a Master Agreement on an "as needed" basis. This procedure may also be used when requirements are aggregated or other firm commitments may be made to achieve reductions in pricing. This procedure may be modified in Participating Addenda and adapted to the Purchasing Entity's rules and policies. The Purchasing Entity may in its sole discretion determine which Master Agreement Contractors and/or Fulfillment Partners should be solicited for a quote. The Purchasing Entity may select the quote that it considers most advantageous, cost and other factors considered.
- j. Each Purchasing Entity will identify and utilize its own appropriate purchasing procedure and documentation. Contractor and/or Fulfillment Partner as applicable is expected to become familiar with the Purchasing Entities' rules, policies, and procedures regarding the ordering of supplies and/or services contemplated by this Master Agreement.
- k. Contractor shall not begin work without a valid Purchase Order or other appropriate commitment document under the law of the Purchasing Entity.

 - (4) The name, phone number, and address of the Purchasing Entity representative;
 - (5) The price per hour or other pricing elements consistent with this Master Agreement and the contractor's proposal;
 - (6) A ceiling amount of the order for services being ordered; and
 - (7) The Master Agreement identifier.
- n. All communications concerning administration of Orders placed shall be furnished solely to the authorized purchasing agent within the Purchasing Entity's purchasing office, or to such other individual identified in writing in the Order.
- o. Orders must be placed pursuant to this Master Agreement prior to the termination date thereof, but may have a delivery date or performance period up to 120 days past the then-current termination date of this Master Agreement. Maintenance agreements may have terms as prescribed in Section 27. Contractor is reminded that financial obligations of Purchasing Entities payable after the current applicable fiscal year are contingent upon agency funds for that purpose being appropriated, budgeted, and otherwise made available.
- p. Notwithstanding the expiration or termination of this Master Agreement, Contractor agrees to perform in accordance with the terms of any Orders then outstanding at the time of such expiration or termination. Contractor shall not honor any Orders placed after the expiration or termination of this Master Agreement, or otherwise inconsistent with its terms. Orders from any separate indefinite quantity, task orders, or other form of indefinite delivery order arrangement priced against this Master Agreement may not be placed after or extend after the expiration or termination of this Master Agreement, notwithstanding the term of any such indefinite delivery order agreement.

14. Shipping and Delivery

- a. The prices are the delivered price to any Purchasing Entity. All deliveries for hardware Products shall be F.O.B. destination, freight pre-paid, with all transportation and handling charges pre-paid by the Contractor, for the standard shipping time intervals. Expedited shipping and/or a special delivery request that are non-standard delivery beyond docking areas at warehouses or designated delivery drop-offs locations at buildings (i.e. delivery of the Order, including pallets, to a closet, designated rooms, etc.) will result in additional charges to the Purchasing Entity. Title for hardware Products and risk of loss shall pass to the Purchasing Entity upon delivery. The minimum shipment amount, if any, will be found in the special terms and conditions. Any order for less than the specified amount is to be shipped with the freight prepaid and added as a separate item on the invoice.
- b. Any damage to a building interior, scratched walls, damage to the freight elevator, etc., negligently caused by Contractor will be the responsibility of the Contractor. If damage does occur, it is the responsibility of the Contractor to immediately notify the Purchasing Entity placing the Order.
- c. All products must be delivered in the manufacturer's standard package. Costs shall include all packing and/or crating charges. Cases shall be of durable construction, good condition, properly labeled and suitable in every respect for storage and handling of contents.
- d. Scheduled shipping dates will be assigned by Contractor as close as practicable to Purchasing Entity's requested date based on Cisco's then-current lead times for the Products. Contractor will use commercially reasonable efforts to ship all direct orders designated for shipment to U.S. locations within thirty (30) days for hardware Products. The following circumstances may affect lead times: (i) new products purchased within the first three (3) months of release of the product which are subject to Contractor's then current published lead-times, (ii) third-party stand-alone products which are not a component of equipment resold by Contractor, (iii) end-of-life products where the termination of the product has been announced by Contractor, (iv) products which have been line-

stopped due to software discrepancies, reconfiguration, industry-wide product shortages, or alleged infringement claims, or (vi) situations where government rated orders create delays in lead-times. Notwithstanding the foregoing, at any time when Purchasing Entity states "expedite" on an order for a hardware Product or otherwise communicates to Contractor that an order is to be expedited, Contractor shall use all commercially reasonable efforts to ensure the earliest possible delivery of such products.

- e. Contractor will communicate scheduled shipping dates in the order acknowledgement or on www.Cisco.com within three (3) business days after receipt of an electronic order on www.cisco.com, provided, however, that in the event such notification is not received in this time period, Purchasing Entity shall notify Contractor of the non-receipt, and Contractor's sole obligation with respect to such non-receipt shall be to promptly provide the information to the Purchasing Entity after such notification.
- f. If Contractor has reason to believe that the actual shipment date will occur later than the original shipment date acknowledged by Contractor for reasons caused by Contractor, Contractor shall use commercially reasonable efforts to promptly provide additional information to Purchasing Entity including by electronic posting of the expected period of delay and, upon request, of the steps available, if any, to minimize the delay. If the extended delivery date is anticipated to be more than thirty (30) calendar days beyond the originally scheduled delivery date, the parties will work in good faith to resolve any ordering issues.
- g. Purchasing Entity shall assume responsibility for compliance with applicable export laws and regulations, including the preparation and filing of shipping documentation necessary for export clearance. This also applies in cases where Purchasing Entity requests delivery of hardware Products to Purchasing Entity's forwarding agent. Purchasing Entity agrees not to use any export licenses owned by Contractor.
- h. Contractor is not liable for damage or penalty for delay in delivery or for failure to give notice of delay.
- i. All sales are final. Except for return remedies set forth in the warranty statements, Contractor only permits the return of unopened hardware Products due to Contractor's shipping or order processing errors, or damage in transit. No other returns are authorized. The return of hardware Product must be in accordance with Contractor's return policy and procedures. Warranty returns will not be subject to any restocking fees.

15. Laws and Regulations

Any and all Products offered and furnished shall comply fully with all applicable Federal and State laws and regulations.

16. Inspection and Acceptance

Purchasing Entity has thirty (30) days after hardware Product delivery to inspect the hardware Product for external damage and for any concealed damage ("Acceptance Period"). If external or concealed damage is revealed during the Acceptance Period, then Purchasing Entity shall notify Contractor. At Contractor's option, Contractor shall (i) repair such damage, (ii) ship a replacement, or (iii) refund the purchase price (upon return of the hardware Product). After such Acceptance Period the Products shall be deemed accepted. Acceptance does not relieve the Contractor of liability or responsibility under Contractor's warranty obligation for the hardware Product.

17. Payment

Upon and subject to credit approval by Contractor, payment is due 30 days the date of the invoice. Invoices for products ordered without implementation services shall be rendered by Contractor on or after the date of delivery of such products to the Purchasing Entity. Contractor may assess overdue account charges up to a maximum rate of one percent per month on the outstanding balance, unless a different late payment amount is specified in a Participating Addendum, Order, or otherwise prescribed by applicable law. If at any time Purchasing Entity is delinquent in the payment of any invoice, or is otherwise

in breach of this Agreement, Cisco may, in its discretion, and without prejudice to its other rights, withhold shipment (including partial shipments) of any order, require Purchasing Entity to prepay for further shipments, and/or withhold the provision of Services, until complete payment has been received. Purchasing Entity grants Cisco a security interest in Products purchased under this Agreement to secure payment for such Products. If requested by Cisco, Purchasing Entity agrees to execute financing statements to perfect this security interest. Payments will be remitted by mail. Payments may be made via a State or political subdivision "Purchasing Card" to Fulfillment Partners under this contract.

- a. Confidentiality. Each party acknowledges that it and its employees or agents may, in the course of dealing under this Master Agreement, be exposed to or acquire information that is confidential to the other party. Accordingly, Disclosing Party may seek and obtain injunctive relief against the breach or threatened breach of the foregoing undertakings, in addition to any other legal remedies that may be available. Receiving Party acknowledges and agrees that the covenants contained herein are necessary for the protection of the legitimate business interests of Disclosing Party and are reasonable in scope and content.

Further, any Participating Entity may terminate its participation upon 30 days written notice, unless otherwise limited or stated in the Participating Addendum. Termination may be in whole or in part. Any termination under this provision shall not affect the rights and obligations attending orders outstanding at the time of termination, including any right of a Purchasing Entity to indemnification by the Contractor, rights of payment for Products delivered and accepted, rights attending any warranty or default in performance in association with any Order, and requirements for records administration and audit. Termination of the Master Agreement due to Contractor default may be immediate.

The Lead State may terminate this Master Agreement after determining such delay or default will reasonably prevent successful performance of the Master Agreement.

37. Defaults and Remedies

- a. The occurrence of any of the following events by Contractor shall be an event of default under this Master Agreement:
 - (1) Nonperformance of contractual requirements; or
 - (2) A material breach of any term or condition of this Master Agreement; or
 - (3) Any certification, representation or warranty by Contractor in response to the solicitation or in this Master Agreement that proves to be untrue or materially misleading; or
 - (4) Institution of proceedings under any bankruptcy, insolvency, reorganization or similar law, by or against Contractor, or the appointment of a receiver or similar officer for Contractor or any of its property, which is not vacated or fully stayed within thirty (30) calendar days after the institution or occurrence thereof; or
 - (5) Any default specified in another section of this Master Agreement.
- b. Upon the occurrence of an event of default, the Lead State shall issue a written notice of default, identifying the nature of the default, and providing a period of sixty (60) calendar days in which Contractor shall have an opportunity to cure the default. The Lead State shall not be required to provide advance written notice or a cure period and may immediately terminate this Master Agreement in whole or in part if the Lead State, in its sole discretion, determines that it is reasonably necessary to preserve public safety or prevent immediate public crisis. Time allowed for cure shall not diminish or eliminate Contractor's liability for damages.
- c. If Contractor is afforded an opportunity to cure and fails to cure the default within the period specified in the written notice of default, Contractor shall be in breach of its obligations under this Master Agreement and the Lead State shall have the right to exercise any or all of the following remedies:
 - (1) Exercise any remedy provided by law; and
 - (2) Terminate this Master Agreement and any related Contracts or portions thereof; and
 - (4) Suspend Contractor from being able to respond to future bid solicitations; and
 - (5) Suspend Contractor's performance; and
 - (6) Withhold payment until the default is remedied.
- d. Unless otherwise specified in the Participating Addendum, in the event of a default under a Participating Addendum, a Participating Entity shall provide a written notice of default as described in this section and shall have all of the rights and remedies under this paragraph regarding its participation in the Master Agreement with respect to its Participating Addendum, in addition to those set forth in its Participating Addendum. 38. Waiver of Breach

Failure of the either party to declare a default or enforce any rights and remedies shall not operate as a waiver under this Master Agreement or Participating Addendum. Any waiver must be in writing. Waiver by a party any default, right or remedy under this Master Agreement or Participating Addendum, or with respect to any Purchase Order, or breach of any terms or requirements of this Master Agreement, a Participating Addendum, or Purchase Order shall not be construed or operate as a waiver of any

subsequent default or breach of such term or requirement, or of any other term or requirement under this Master Agreement, Participating Addendum, or Purchase Order.

39. Debarment

The Contractor certifies that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction (contract) by any governmental department or agency. This certification represents a recurring certification made at the time any Order is placed under this Master Agreement. If the Contractor cannot certify this statement, attach a written explanation for review by the Lead State.

40. Indemnification; Limitation of Liability

- a. General Indemnity - Each party shall defend, indemnify and hold harmless the other party, along with their officers and employees, from and against third-party claims, damages or causes of action including reasonable attorneys' fees and related costs for any death, bodily injury, or damage to tangible personal property (not including lost or damaged data) arising from negligent or willful misconduct act(s), error(s), or omission(s) of the indemnifying party, its employees or subcontractors or volunteers, relating to its performance under the Master Agreement. In the event that the indemnified party's or a third party's negligent or willful misconduct acts, errors or omissions contributed to cause the injury or damage for which a claim of indemnity is being asserted against the Contractor, the damages and expenses (including, without limitation, reasonable attorneys' fees) shall be allocated or reallocated, as the case may be, between the indemnified party, the Contractor, and any other party bearing responsibility in such proportion as appropriately reflects the relative fault of such parties, or their subcontractors, or the officers, directors, employees, agents, successors, and assigns of any of them, and the liability of the Contractor shall be proportionately reduced.

The foregoing indemnification obligations are conditioned upon the indemnified party promptly notifying the indemnifying party in writing of the claim, suit, or proceeding for which the indemnifying party is obligated under this Subsection, cooperating with, assisting, and providing information to, the indemnifying party as reasonably required, and granting the indemnifying party the exclusive right to defend or settle such claim, suit, or proceeding; provided that any such settlement or compromise includes a release of the indemnified party from all liability arising out of such claim, suit or proceeding.

- b. Indemnification – Intellectual Property. The Contractor shall defend any claim against NASPO, NASPO Cooperative Purchasing Organization LLC (doing business as NASPO ValuePoint), the Lead State, Participating Entities, or Purchasing Entities, along with their officers and employees ("Indemnified Party"), from and against claims by third parties that Contractor's Products provided under this Agreement, infringes patents, copyrights or trademarks ("Intellectual Property Claim") of another person or entity.
 - (1) The Contractor's obligations under this section shall not extend to the extent any Intellectual Property Claim is based on:
 - (a) compliance with any designs, specifications, requirements, or instructions by any Indemnified Party or a third party on Indemnified Party's behalf; or
 - (b) the modification of the Contractor's Product by anyone other than Contractor; or
 - (c) the amount or duration of use made of Contractor's Product, or services offered by Indemnified Party to external or internal Purchasing Entity, or revenue earned by the Indemnified Party; or
 - (d) the combination of the operation, or use of a Contractor's Product with third party products, software or business processes.
 - (2) The Indemnified Party shall notify the Contractor promptly after receiving notice of an Intellectual Property Claim. If Indemnified Party fails to notify Contractor promptly of the Intellectual Property Claim, and that failure prejudices Contractor's ability to defend, settle or respond to the Intellectual Property Claim, then Contractor's obligation to defend or indemnify Indemnified Party

with respect to that Intellectual Property Claim will be reduced to the extent Contractor has been prejudiced. In addition, such failure to provide prompt notification shall relieve Contractor of any obligation to reimburse for Indemnified Party's attorneys' fees incurred prior to notification. If the Contractor defends any Intellectual Property Claim, it shall have control over the defense and settlement of the Intellectual Property Claim. However, the Indemnified Party must consent in writing for any money damages or obligations for which it may be responsible. The Indemnified Party shall furnish, at the Contractor's reasonable request, information and assistance necessary for such defense.

- (3) If an Intellectual Property Claim is made or appears likely, Indemnified Party shall permit Contractor to procure for Indemnified Party the right to continue using Contractor's Product, or to replace or modify the Contractor's Product with one that is at least functionally equivalent. If Contractor determines that none of those alternatives is reasonably available, then Indemnified Party will return and/or cease using Contractor's Product and Contractor will refund to Indemnified Party the remaining net book value of the Contractor's Product calculated according to generally accepted accounting principles.
- (4) This Section 40(b) is Contractor's entire obligation and Indemnified Party's exclusive remedy regarding any Intellectual Property Claims.
- c. **Limitation of Liability.** Except for Contractor's obligations under Section 40(a) (General Indemnity) and Section 40(b) (Indemnification – Intellectual Property) notwithstanding anything else herein, all liability of Contractor and its suppliers to any Participating Entity (and any Purchasing Entity under the Participating Entity) for claims arising under this Agreement, the applicable Participating Addendum, or otherwise shall be limited to the greater of (i) three million dollars (\$3,000,000.00) or (ii) the money paid to Contractor by the Participating Entity under this Master Agreement in the twelve (12) month period prior to the event or circumstances that first gave rise to such liability. This limitation of liability is cumulative and not per incident.
- d. **Waiver of Consequential Damages.** In no event shall Contractor or its suppliers be liable for any (i) special, exemplary, incidental, indirect or consequential damages, or loss of or damage to data (except for a loss of Purchaser data caused by Contractor's negligence), (ii) loss of: profits, revenue, business, anticipated savings, use of any product or service, opportunity, goodwill or reputation, or (iii) wasted expenditure (other than any expenditure necessarily incurred to discharge the innocent party's duty or to mitigate its losses)

41. No Waiver of Sovereign Immunity

In no event shall this Master Agreement, any Participating Addendum or any contract or any Purchase Order issued thereunder, or any act of the Lead State, a Participating Entity, or a Purchasing Entity be a waiver of any form of defense or immunity, whether sovereign immunity, governmental immunity, immunity based on the Eleventh Amendment to the Constitution of the United States or otherwise, from any claim or from the jurisdiction of any court.

This section applies to a claim brought against the Participating Entities who are states only to the extent Congress has appropriately abrogated the state's sovereign immunity and is not consent by the state to be sued in federal court. This section is also not a waiver by the state of any form of immunity, including but not limited to sovereign immunity and immunity based on the Eleventh Amendment to the Constitution of the United States.

42. Governing Law and Venue

- a. The procurement, evaluation, and award of the Master Agreement shall be governed by and construed in accordance with the laws of the Lead State sponsoring and administering the procurement. The construction and effect of the Master Agreement after award shall be governed by the law of the state serving as Lead State. The construction and effect of any Participating Addendum or Order against the Master Agreement shall be governed by and construed in accordance with the laws of the Participating Entity's or Purchasing Entity's State.

- b. Unless otherwise specified in the RFP, the venue for any protest, claim, dispute or action relating to the procurement, evaluation, and award is in the Lead State. Venue for any claim, dispute or action concerning the terms of the Master Agreement shall be in the state serving as Lead State. Venue for any claim, dispute, or action concerning any Order placed against the Master Agreement or the effect of a Participating Addendum shall be in the Purchasing Entity's State.
- c. If a claim is brought in a federal forum, then it must be brought and adjudicated solely and exclusively within the United States District Court for (in decreasing order of priority): the Lead State for claims relating to the procurement, evaluation, award, or contract performance or administration if the Lead State is a party; a Participating State if a named party; the state where the Participating Entity or Purchasing Entity is located if either is a named party.

43. Assignment of Antitrust Rights

Contractor irrevocably assigns to a Participating Entity who is a state any claim for relief or cause of action which the Contractor now has or which may accrue to the Contractor in the future by reason of any violation of state or federal antitrust laws (15 U.S.C. § 1-15 or a Participating Entity's state antitrust provisions), as now in effect and as may be amended from time to time, in connection with any goods or services provided in that state for the purpose of carrying out the Contractor's obligations under this Master Agreement or Participating Addendum, including, at the Participating Entity's option, the right to control any such litigation on such claim for relief or cause of action.

44. Contract Provisions for Orders Utilizing Federal Funds

Pursuant to Appendix II to 2 Code of Federal Regulations (CFR) Part 200, Contract Provisions for Non-Federal Entity Contracts Under Federal Awards, Orders funded with federal funds may have additional contractual requirements or certifications that must be satisfied at the time the Order is placed or upon delivery. These federal requirements may be proposed by Participating Entities in Participating Addenda and Purchasing Entities for incorporation in Orders placed under this Master Agreement.

45. Leasing or Alternative Financing Methods

The procurement and other applicable laws of some Purchasing Entities may permit the use of leasing or alternative financing methods for the acquisition of Products under this Master Agreement. Where the terms and conditions are not otherwise prescribed in an applicable Participating Addendum, the terms and conditions for leasing or alternative financing methods are subject to negotiation between the Contractor and Purchasing Entity.

46. Entire Agreement:

This Master Agreement, along with any attachment, contains the entire understanding of the parties hereto with respect to the Master Agreement unless a term is modified in a Participating Addendum with a Participating Entity. No click-through, or other end user terms and conditions or agreements required by the Contractor ("Additional Terms") provided with any Services hereunder shall be binding on Participating Entities or Purchasing Entities, even if use of such Services requires an affirmative "acceptance" of those Additional Terms before access is permitted, except for those terms as referenced in this Master Agreement.

eMarket Center Appendix

- a. This Appendix applies whenever a catalog hosted by or integration of a punchout site with eMarket Center is required by the solicitation or either solution is proposed by a Contractor and accepted by the Lead State.
- b. Supplier's Interface with the eMarket Center. There is no cost charged by JAGGAER to the Contractor for loading a hosted catalog or integrating a punchout site.
- c. At a minimum, the Contractor agrees to the following:
 - (1) Implementation Timeline: NASPO ValuePoint eMarket Center Site Admin shall provide a written request to the Contractor to begin enablement process. The Contractor shall have fifteen (15) days from receipt of written request to work with NASPO ValuePoint and JAGGAER to set up an enablement schedule, at which time JAGGAER's technical documentation shall be provided to the Contractor. The schedule will include future calls and milestone dates related to test and go live dates. The contractor shall have a total of Ninety (90) days to deliver either a (1) hosted catalog or (2) punch-out catalog, from date of receipt of written request.
 - (2) NASPO ValuePoint and JAGGAER will work with the Contractor, to decide which of the catalog structures (either hosted or punch-out as further described below) shall be provided by the Contractor. **Whether hosted or punch-out, the catalog must be strictly limited to the Contractor's awarded contract offering (e.g. products and/or services not authorized through the resulting cooperative contract should not be viewable by NASPO ValuePoint Participating Entity users).**
 - (a) Hosted Catalog. By providing a hosted catalog, the Contractor is providing a list of its awarded products/services and pricing in an electronic data file in a format acceptable to JAGGAER, such as Tab Delimited Text files. In this scenario, the Contractor must submit updated electronic data no more than once per 30 days to the eMarket Center for the Lead State's approval to maintain the most up-to-date version of its product/service offering under the cooperative contract in the eMarket Center.
 - (b) Punch-Out Catalog. By providing a punch-out catalog, the Contractor is providing its own online catalog, which must be capable of being integrated with the eMarket Center as a Standard punch-in via Commerce eXtensible Markup Language (cXML). In this scenario, the Contractor shall validate that its online catalog is up-to-date by providing a written update no more than once per 30 days to the Lead State stating they have audited the offered products/services and pricing listed on its online catalog. The site must also return detailed UNSPSC codes (as outlined in line 3) for each line item. Contractor also agrees to provide e-Quote functionality to facilitate volume discounts.
- d. Revising Pricing and Product Offerings: Any revisions to product/service offerings (new products, altered SKUs, new pricing etc.) must be pre-approved by the Lead State and shall be subject to any other applicable restrictions with respect to the frequency or amount of such revisions. However, no cooperative contract enabled in the eMarket Center may include price changes on a more frequent basis than once per year (see required Price Guarantee Period section 11). The following conditions apply with respect to hosted catalogs:
 - (1) Updated pricing files are required each calendar month of the month and shall go into effect in the eMarket Center on as approved by the Lead State contract administrator.
 - (2) Lead State-approved price changes are not effective until implemented within the eMarket Center. Errors in the Contractor's submitted pricing files will delay the implementation of the price changes in eMarket Center.
- e. Supplier Network Requirements: Contractor shall join the JAGGAER Supplier Network (SQSN) and shall use JAGGAER's Supplier Portal to import the Contractor's catalog and pricing, into the JAGGAER system, and view reports on catalog spend and product/pricing freshness. The Contractor can receive orders through electronic delivery (cXML) or through low-tech options such as fax. More

information about the SQSN can be found at: www.sciquest.com or call the JAGGAER Supplier Network Services team at 800-233-1121.

- f. Minimum Requirements: Whether the Contractor is providing a hosted catalog or a punch-out catalog, the Contractor agrees to meet the following requirements:
 - (1) Catalog must contain the most current pricing, including all applicable administrative fees and/or discounts, as well as the most up-to-date product/service offering the Contractor is authorized to provide in accordance with the cooperative contract; and
 - (2) The accuracy of the catalog must be maintained by Contractor throughout the duration of the cooperative contract; and
 - (3) The Catalog must include a Lead State contract identification number; and
 - (4) The Catalog must include detailed product line item descriptions; and
 - (5) The Catalog must include pictures when possible; and
 - (6) The Catalog must include any additional NASPO ValuePoint and Participating Addendum requirements. Although suppliers in the SQSN normally submit one (1) catalog, it is possible to have multiple contracts applicable to different NASPO ValuePoint Participating Entities. For example, a supplier may have different pricing for state government agencies and Board of Regents institutions. Suppliers have the ability and responsibility to submit separate contract pricing for the same catalog if applicable. The system will deliver the appropriate contract pricing to the user viewing the catalog.
- g. Order Acceptance Requirements: Contractor must be able to accept Purchase Orders via fax or cXML. The Contractor shall provide positive confirmation via phone or email within 24 hours of the Contractor's receipt of the Purchase Order. If the Purchasing Order is received after 3pm EST on the day before a weekend or holiday, the Contractor must provide positive confirmation via phone or email on the next business day.
- h. UNSPSC Requirements: Contractor shall support use of the United Nations Standard Product and Services Code (UNSPSC). UNSPSC versions that must be adhered to are driven by JAGGAER for the suppliers and are upgraded every year. NASPO ValuePoint reserves the right to migrate to future versions of the UNSPSC and the Contractor shall be required to support the migration effort. All line items, goods or services provided under the resulting statewide contract must be associated to a UNSPSC code. All line items must be identified at the most detailed UNSPSC level indicated by segment, family, class and commodity.
- i. Applicability: Contractor agrees that NASPO ValuePoint controls which contracts appear in the eMarket Center and that NASPO ValuePoint may elect at any time to remove any supplier's offering from the eMarket Center.
- j. The Lead State reserves the right to approve the pricing on the eMarket Center. This catalog review right is solely for the benefit of the Lead State and Participating Entities, and the review and approval shall not waive the requirement that products and services be offered at prices (and approved fees) required by the Master Agreement.
- k. Several NASPO ValuePoint Participating Entities currently maintain separate JAGGAER eMarketplaces, these Participating Entities do enable certain NASPO ValuePoint Cooperative Contracts. In the event one of these entities elects to use this NASPO ValuePoint Cooperative Contract (available through the eMarket Center) but publish to their own eMarketplace, the Contractor agrees to work in good faith with the entity and NASPO ValuePoint to implement the catalog. NASPO ValuePoint does not anticipate that this will require substantial additional efforts by the Contractor; however, the supplier agrees to take commercially reasonable efforts to enable such separate JAGGAER catalogs.

Exhibit 1 – Additional Contractor Terms and Conditions

END USER LICENSE AGREEMENT

This End User License Agreement (the "Agreement") governs Your Use of Cisco Software and is between You and Cisco. Please read it carefully. The Agreement includes the applicable Cloud Offer Description(s) located at <https://www.cisco.com/c/en/us/about/legal/cloud-and-software/cloud-terms.html> and SEULA(s) located at <https://www.cisco.com/c/en/us/about/legal/cloud-and-software/software-terms.html> (each, "Supplemental Terms"). Capitalized terms are defined in Section entitled "Definitions" and the order of precedence in the event of conflict is in Section 1 ("Master Agreement Order of Precedence"). Depending on whether the Software is delivered on-premise as Embedded Software or as a Cisco-hosted cloud offering of Cloud Software, certain terms herein may not apply to Your purchase.

By clicking 'accept,' or Using the Software, You agree to the terms of this Agreement. You must have the authority to enter into this Agreement. If You do not have such authority, or if You do not agree with the terms of this Agreement, do not click accept and do not Use the Software. If You determine that You cannot comply with the terms of this Agreement after You have paid for the Software, You may return the Software to the Approved Source, disable or uninstall the Embedded Software and/or cease Your Use of the cloud-hosted Cloud Software and receive a full refund, provided You do so within thirty (30) days of Your initial purchase.

- c. **Your Use of Cloud-Hosted Software.** You will be responsible for the accuracy, quality and legality of Your Customer Data, the means by which You acquired Your Customer Purchasing Entity Data and Your Use of Your Customer Entity Data with our Software. You will not (i) interfere with other customer access to, or use of, the Software, or with the security of the Software; (ii) facilitate the attack or

disruption of the Software, including a denial of service (DoS) attack, unauthorized access, monitoring or crawling or distribution of malware (including but not limited to viruses, Trojan horses, worms, time bombs, spyware, adware or cancelbots), or (iii) cause an unusual spike or increase in Your use of the Software that Cisco determines fraudulently or negatively impacts the operating capability of the Software. If Your use of the Software requires or permits You to use any Cisco Content, You (and Your agents) may only use such Cisco Content with the Software and with third-party products or services offerings that Cisco has identified as compatible. You will not extract Cisco Content from or use it separate from the Software, nor will you provide Cisco Content to a third party

- d. **Third Party Use of Software.** You may allow a third party to Use the Software licensed to You solely (i) on Your behalf, (ii) for Your internal operations, and (iii) in compliance with this Agreement. You agree that You are responsible for any breach of this Agreement by that third party.
- e. **Upgrades and Additional Copies.** Notwithstanding anything else in this Agreement, You may not Use Upgrades and additional copies of the Software unless You:

 - iii. Use additional copies *solely* for backup purposes limited to archiving for restoration purposes.
- f. **Transferability/Assignment.** You may only transfer or assign Your license rights to on-premise Embedded Software to another person or entity in accordance with the current Cisco Relicensing/Transfer Policy. Any transfer or assignment other than in accordance with the Transfer Policy will have no effect. Cisco may transfer or assign any of its rights or delegate any of its obligations under this Agreement in its sole discretion.
- g. **Interoperability.** If required by applicable law, Cisco will provide You with the interface information needed to achieve interoperability between the on-premise Embedded Software and another independently created program. Cisco will provide this interface information at Your written request after You pay Cisco's licensing fees (if any). You will keep this information in strict confidence and strictly follow any applicable terms and conditions upon which Cisco makes the information available.
- h. **Non-production and Trial Use.**
 - i. We may provide beta versions of the Software for you to evaluate and provide feedback. Beta versions are not generally released and may only be used for limited, temporary purposes ("Beta Software"). The Beta Software may not be used in a production environment. Beta Software is unsupported and may contain bugs, errors, and other issues. You accept Beta Software "AS-IS," without warranty of any kind, and Cisco is not responsible for any problems or issues related to Your use. You understand that the Beta Software may never be generally available and we may discontinue it in our sole discretion at any time for any reason and delete any Customer Data or other data without liability to You.  - ii. We may also give You trial access to generally-available Software. Any trial period will expire in thirty (30) days unless otherwise stated in writing from Cisco. Trials are also provided "AS-IS" without support or any express or implied warranty or indemnity of any kind. At any time during or at the end of the trial, Cisco may terminate the trial and deactivate or delete Your account and any related data, information, and files, and bar any further access to such data, information and files for any reason.

Section 2. Fees and Payment

Fees for the Software are set out in Your purchase terms with Your Approved Source. Fees are non-refundable and payment obligations are non-cancelable, except as provided here, in Your purchase terms, or where prohibited by law.

Section 3. Ownership and Your Data

- a. **What We Own.** Cisco and its licensors retain ownership of all intellectual property rights in and to the Software and its underlying technology and associated Documentation (together, "Materials"), including all improvements, enhancements, modifications, and derivative works. Cisco reserves all rights to the Materials that are not expressly granted under this Agreement or the Supplemental Terms.
- b. **What You Own and What You Do with It.** You retain all right, title and interest in and to Customer Data. You authorize Cisco to use any feedback or ideas You provide in connection with Your Use of the Software for any purpose. You represent that all account information You provide is accurate and will be kept up-to-date and that You will use reasonable means to protect Your account from any unauthorized use or access, and promptly notify Cisco of any such use or access.
- c. **How We Use Your Data.** Cisco will process Customer Data and Personal Data in accordance with this Agreement, Cisco's Privacy Statement, and the applicable Supplemental Terms. Cisco will maintain administrative, physical and technical safeguards consistent with industry standards and the Documentation, which are designed to provide security, confidentiality and integrity of the Customer Data we process. Certain Data that Cisco collects from the Software, or that You provide or make accessible to Cisco as part of Your use of the Software, is necessary for the essential use and functionality of such Software. Data is also used by Cisco to provide associated services such as technical support and to continually improve the operation, security and functionality of the Software.  - ii. **International Data Transfers.** Cisco may process and store Customer Data and Personal Data in the United States or outside of the country where it was collected. You are responsible for providing any required notices to Authorized Users and obtaining all required consents from Authorized Users regarding the processing and transfer of their Personal Data by the Software, including international transfers. Cisco will only transfer Personal Data consistent with applicable law. If Cisco processes Personal Data from the EEA or Switzerland on Your behalf, we will do so in a manner consistent with the relevant EU- or Swiss-US Privacy Shield Principles ("Principles") (see www.commerce.gov/privacyshield) or successor frameworks. If Cisco transfers Personal Data from an APEC Member Economy on Your behalf, Cisco will process such Personal Data in a manner consistent with the APEC Cross Border Privacy Rules Systems requirements ("CBPRs") (see www.cbprs.org) to the extent the requirements are applicable to Cisco's processing of such data. If Cisco is unable to provide at least the same level of protection as required by the Principles or CBPRs, Cisco will promptly notify You and cease processing.

Section 4. Software Support

We will provide basic technical support for subscription Cloud and Embedded Software, as described in the Supplemental Terms. Higher levels of support for subscription Software, and support for perpetual Software is separately available for purchase.

Section 5. Term and Termination

- a. Your right to Use the Software begins on the date (i) the on-premise Embedded Software is made available for download or installation, or (ii) You receive notice that the cloud hosted Cloud Software is provisioned or available for Your use, and continues until the end of the term specified in the Order or Entitlement, unless otherwise terminated in accordance with this Agreement ("Initial Term").

If the Software is licensed for use both on-premise and cloud-hosted, Your right to Use begins on the earlier of the date the Software is made available for download or is ready for provisioning.

- b. **Software subscriptions will automatically renew for the renewal period selected on the Order ("Renewal Term") unless (i) either party notifies the other (including via the Approved Source) in writing at least thirty (30) days before the end of the then-current term of its intention not to renew or (ii) You or Your Approved Source elect on the Order at the time of initial purchase not to auto-renew the Software subscriptions. Your Approved Source will notify You reasonably in advance of any Renewal Term if there are fee changes. The new fees will apply for the upcoming Renewal Term unless You or Your Approved Source promptly notify us in writing, before the applicable renewal date, that You do not accept the fee changes. In such event, the Software subscription will terminate at the end of the Initial Term.**
- c. If a party materially breaches this Agreement and does not cure that breach within thirty (30) days after receipt of written notice of the breach, the non-breaching party may terminate this Agreement for cause. Cisco also has the right to immediately suspend or terminate Your use of the Software if You breach Section 1.c or Section 1.a or 1.b above. Upon termination or expiration of this Agreement, You must cease any further use of the Software and destroy any copies within Your control. Upon any termination by You for Cisco's material breach of the Agreement, we will refund to You or Your Approved Source any prepaid fees covering the remainder of the Term after the effective date of termination. Upon any termination by Cisco for Your material breach of the Agreement, You will pay Cisco or Your Approved Source any unpaid fees covering the remainder of the Term.
- d. Cisco reserves the right to end the life ("EOL") of the Software by providing prior written notice by posting at <http://www.cisco.com/c/en/us/products/index.html>. If You or Your Approved Source prepaid a license fee for Your Use of EOL Cloud Software, Cisco will use commercially reasonable efforts to transition You to a substantially similar Cloud Software. If Cisco does not have a substantially similar Cloud Service, then Cisco will credit You any unused portion of the prepaid fee for such Cloud Service, calculated from the last date the Cloud Service is available. Such credit can be applied towards the future purchase of Cisco products.

Section 6. General Provisions

- a. **Audit.** During the license term for the Software and for a period of three (3) years after its expiration or termination, you will take reasonable steps to maintain complete and accurate records of Your use of the Software sufficient to verify compliance with this Agreement. No more than once per twelve (12) month period, You will allow Cisco and its auditors the right to examine such records and any applicable books, systems (including Cisco product(s) or other equipment), and accounts, upon reasonable advanced notice, during Your normal business hours. If the audit discloses underpayment of license fees, You or Your Approved Source will pay such license fees plus the reasonable cost of the audit within thirty (30) days of receipt of written notice.
- b. **Survival.** Sections 1.b, 3, 5, 6.a, 6.b, 6.d, 6.g shall survive termination or expiration of this Agreement.
- c. **Subcontracting.** We may also subcontract any performance associated with the Software to third parties. Any such subcontract will not relieve Cisco of any of its obligations under this Agreement.
US Government End Users. The Software and Documentation are "commercial items," as defined at Federal Acquisition Regulation ("FAR") (48 C.F.R.) 2.101, consisting of "commercial computer software" and "commercial computer software documentation" as such terms are used in FAR 12.212. Consistent with FAR 12.211 (Technical Data) and FAR 12.212 (Computer Software) and Defense Federal Acquisition Regulation Supplement ("DFAR") 227.7202-1 through 227.7202-4, and notwithstanding any other FAR or other contractual clause to the contrary in any agreement into which this Agreement may be incorporated, Government end users will acquire the Software and Documentation with only those rights set forth in this Agreement. Any license provisions that are inconsistent with federal procurement regulations are not enforceable against the U.S. Government.
- d. **Modifications.** As our business evolves, we may change this Agreement or any of its components (except an Order). Changes to the Agreement will only apply to future Orders.

- e. **Compliance with Law.** You will comply with all applicable laws and regulations related to Your receipt and use of the Software. You must ensure You have the right to use all features of the Software in Your jurisdiction. Cisco will comply with all applicable laws in the provision of the Software to You. We may restrict the availability of the Software in any particular location or modify or discontinue features to comply with applicable laws and regulations. Cisco may also share information as necessary to comply with laws and subject to Cisco's policy on law enforcement requests found at <http://www.cisco.com/c/en/us/about/trust-transparency-center/validation/report.html>.
- f. **Integration.** If any portion of this Agreement is not enforceable, it will not affect any other terms. Except as expressly stated in a signed agreement, this Agreement, together with any Supplemental Terms is the complete agreement between the parties with respect to the Software and supersedes all prior or contemporaneous communications, understandings or agreements (whether written or oral) regarding this subject matter. In the event of any conflict, the order of precedence is: i) Supplemental Terms; ii) this Agreement; then iii) any applicable policies referenced in this Agreement. The parties agree that the English version of the Agreement will govern in the event of a conflict between it and any version translated into another language.

1.3.3.1 Director Class SAN (Storage Area Network) Switches and Modules — A scalable, high-performance, and protocol-independent designed primarily to fulfill the role of core switch in a core-edge Fibre Channel (FC), FCOE or similar SAN topology. A Fibre Channel director is, by current convention, a switch with at least 128 ports. It does not differ from a switch in core FC protocol functionality. Fibre Channel directors provide the most reliable, scalable, high-performance foundation for private cloud storage and highly virtualized environments.

1.3.3.2 Fabric and Blade Server Switches — A Fibre Channel switch is a network switch compatible with the Fibre Channel (FC) protocol. It allows the creation of a Fibre Channel fabric, which is currently the core component of most SANs. The fabric is a network of Fibre Channel devices, which allows many-to-many communication, device name lookup, security, and redundancy. FC switches implement zoning; a mechanism that disables unwanted traffic between certain fabric nodes.

1.3.3.3 Enterprise and Data Center SAN and VSAN (Virtual Storage Area Network) Management - Management tools to provisions, monitors, troubleshoot, and administers SANs and VSANs.

1.3.3.4 SAN Optimization — Tools to help optimize and secure SAN performance (ie. Encryption of data- at-rest, data migration, capacity optimization, data reduction, etc.

1.3.4.4 Data Center Switches — Data center switches, or Layer 2/3 switches, switch all packets in the data center by switching or routing good ones to their final destinations, and discard unwanted traffic using Access Control Lists (ACLs) a minimum of 10 Gigabit speeds. High availability and modularity differentiates a typical Layer 2/3 switch from a data center switch. Capabilities should include:

- High bandwidth

1.3.4.7 Software Defined Networks (SDN) — Controllers - is an application in software-defined networking (SDN) that manages flow control to enable intelligent networking. SDN controllers are based on protocols, such as OpenFlow, that allow servers to tell switches where to send packets. The SDN controller lies between network devices at one end and applications at the other end. Any communications between applications and devices have to go through the controller. The controller uses multiple routing protocols including OpenFlow to configure network devices and choose the optimal network path for application traffic.

1.3.4.8 Carrier Aggregation Switches — Carrier aggregation switches route traffic in addition to bridging (transmitted) Layer 2/Ethernet traffic. Carrier aggregation switches' major characteristics are:

- Designed for Metro Ethernet networks

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, County of Nassau (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact County of Nassau:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:

To contact us by email send messages to: bsimmons@nassaucountyfl.com

To advise County of Nassau of your new email address

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at bsimmons@nassaucountyfl.com and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from County of Nassau

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to bsimmons@nassaucountyfl.com and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with County of Nassau

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

- i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;
- ii. send us an email to bsimmons@nassaucountyfl.com and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: <https://support.docusign.com/guides/signer-guide-signing-system-requirements>.

Acknowledging your access and consent to receive and sign documents electronically

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

By selecting the check-box next to 'I agree to use electronic records and signatures', you confirm that:
