- (b) Terms and Conditions
- (c) Additional Terms and Conditions
- (e) State Specific Forms, if applicable (e.g., local permit applications)
- (f) If multiple locations, see attached schedule

II. CHARGES AND FEES; TAXES: a. **Equipment Installation.** Customer agrees to pay Johnson Controls pursuant to the progress-based billing schedule of values set forth herein. Johnson Controls will not commence work until such deposit has been received. The remaining portion of the total installation charge for installation and commissioning will be progress billed monthly through completion of the job. Company progress-based billing can include progress payments for materials, goods, and equipment (ordered, delivered, or stored), and for any pre-design, engineering, installation work or services. Any outstanding installation charges and/or fees shall be due and payable as a precondition to activation of System and, if applicable, connection to Johnson Controls Central Monitoring Center ("CMC") or any other Service(s). Any changes in the Statement of Work/Schedule of Protection made by the Customer after execution of this Agreement must be agreed to by Johnson Controls and Customer in writing and may be subject to additional charges. Any equipment ordered by Customer by e-mail or telephone order shall be subject to terms and conditions of the Agreement and may be subject to shipping, handling, and/or restocking fees. Until Customer has paid Johnson Controls the Installation Charge and Fees, and Taxes in full.

b. **Service(s).** Customer agrees to pay Service Charges per annum set forth in the Scope of Work/Schedule of Protection (the "Annual Service Charges"), payable in advance on a(n) Quarterly basis, unless otherwise agreed by the parties in writing, for 5 year(s) (the "Initial Term") effective from the date such Service is operative under this Agreement. After the Initial Term this Agreement shall automatically renew on a(n) Annual basis. Johnson Controls will provide Customer with notice of any adjustments in the Charges, Fees and/or Taxes applicable to the renewal period no later than forty-five (45) days prior to the commencement of the renewal period. Unless terminated by either party upon written notice at least thirty (30) days prior to the anniversary date, the adjusted Charges, Fees and/or Taxes will be the Charges, Fees and/or Taxes for the renewal period. Johnson Controls shall have the right to increase Annual Service Charge(s) after one (1) year. Notwithstanding any other term in this Agreement, Johnson Controls may increase prices upon notice to Customer to reflect increases in material and labor costs. In addition, prices for Equipment covered by this Agreement may be adjusted by Johnson Controls, upon notice to Customer at any time prior to shipment and regardless of Customer's acceptance of the Johnson Control's proposal or quotation, to reflect any increase in Johnson Controls' cost of raw materials (e.g., steel, aluminum) inability to secure Equipment, changes or increases in law, labor, taxes, duties, tariffs or quotas, acts of government, any similar charges, or to cover any extra, unforeseen and unusual cost elements. For termination prior to the end of the Initial Term, Customer agrees to pay, in addition to any outstanding Fees and charges for Service(s) rendered prior to termination 90% of the Annual Service Charge(s) remaining to be paid for the unexpired term of the Agreement as liquidated damages but not as a penalty.

If Customer fails to provide a valid tax exemption certificate, Customer shall remain liable for the payment of any such Taxes until paid in full.

All invoices will be delivered via email, paid via ACH/EFT bank transfer and are due net 30 from the date of invoice. ACH/EFT bank transfer details will be provided upon contract execution. The proposed total installation charge is contingent upon Customer agreeing to these payment and invoicing terms. Disputed invoices must be identified in writing within twenty-one (21) days of the date of invoice. Payment of any disputed amounts is due and payable upon resolution. Payment is a condition precedent to Johnson Controls' obligation to perform Services under this Agreement. Charges for Equipment and material covered by this Agreement do not include any amounts for changes in tariffs, duties or other similar charges imposed and/or enacted. This Agreement is entered into with the understanding that the services to be provided by Johnson Controls are not subject to any local, state, or federal prevailing wage statute. If it is later determined that local, state, or federal prevailing wage rates apply to the services to be provided by Johnson Controls, Johnson Controls reserves the right to issue a modification or change order to adjust the wage rates to the required prevailing wage rate. Customer agrees to pay for the applicable prevailing wage rates. Customer shall provide financial information requested by Johnson Controls to verify Customer's ability to pay for goods or services. If Customer fails to provide financial information or if Johnson Controls, in its sole discretion determines that reasonable grounds exist to question Customer's ability or willingness to make payments when due (e.g., not making payments when due, late payments, or a reduction in Customer's credit score), Johnson Controls may defer shipments, change payment terms, require cash in advance and/or require other security, without liability and without waiving any other remedies Johnson Controls may have against Customer. Johnson Controls shall provide Customer with advance written notice of changes to payment terms.

III. **ENTIRE AGREEMENT; CUSTOMER ACCEPTANCE:** This Agreement, together with all of its written Amendments, Riders, SOW and/or Exhibits, constitutes the entire agreement between the Customer and Johnson Controls relating to the subject matter hereof and supersedes any prior or contemporaneous oral or written agreements and understandings. Customer agrees that any representation, promise, condition, inducement or warranty, express or implied, not included in this Agreement will not be binding upon Johnson Controls, and that the terms and conditions in this Agreement apply as printed without alteration or qualification, except as specifically modified by a written agreement signed by Johnson Controls and Customer. Any changes in the Statement of Work or scope of the work requested by the Customer after the execution of this Agreement may result in additional cost to the Customer and any such changes/additions must be authorized in a writing signed by both the Customer and Johnson Controls. Customer's failure to accept and sign this Agreement within thirty (30) days of the date shown above may result in price increases. Customer acknowledges that: (a) Johnson Controls has explained the full range of protection, equipment, and services available to Customer; (b) additional protection over and above that provided herein is available and may be obtained from Johnson Controls at an additional cost to the Customer; (c) Customer desires and has contracted for only the Equipment and/or Service(s) itemized in this Agreement; (d) the Equipment/Service(s) specified in this Agreement are for Customer's own use and not for the benefit of any third party; (e) Customer owns the premises in which the Equipment is being installed or has the authority to engage Johnson Controls to carry out the installation in the premises; and (f) Customer will comply with all laws, codes and regulations pertaining to the use of the Equipment/Service(s). **ATTENTION IS DIRECTED TO THE WARRANTY, LIMIT OF LIABILITY AND OTHER CONDITIONS CONTAINED IN THE SECTIONS ENTITLED "TERMS AND CONDITIONS" AND "ADDITIONAL TERMS AND CONDITIONS". THIS AGREEMENT REQUIRES FINAL APPROVAL OF A JOHNSON CONTROLS AUTHORIZED MANAGER BEFORE ANY EQUIPMENT/SERVICES MAY BE PROVIDED. Unless agreed to in writing by the parties, any technical support, assistance, or advice ("Technical Support") provided by JOHNSON CONTROLS, such as suggestions as to design use and suitability of the Equipment and products for the Customer's application, is provided in good faith, but Customer acknowledges and agrees that JOHNSON CONTROLS is not the designer, engineer, or installer of record. Any Technical Support is provided for informational purposes only and shall not be construed as a representation or warranty, express or implied, concerning the proper selection, use, and/or application of the Equipment and products. Customer assumes exclusive responsibility for determining if the equipment and products supplied by JOHNSON CONTROLS are suitable for its intended application and all risk and liability, whether based in contract, tort or otherwise, in connection with its application and use of the equipment and products.

C. System Requirements, Miscellaneous. 1. Vaults. Customer must ensure that any Customer vault protected by sound or vibration detector systems has the minimum construction characteristics prescribed by the Underwriters' Laboratories, Inc. 2. System Testing. Customer must test all detection devices or other electronic equipment according to procedures prescribed by Johnson Controls prior to setting the alarm system for closed periods and must notify Johnson Controls promptly if such equipment fails to respond to any such test. 3. Familiarization Period. UNLESS CUSTOMER HAS REJECTED THE FAMILIARIZATION PERIOD (EXCEPT WHERE A FAMILIARIZATION PERIOD IS REQUIRED BY LAW), CUSTOMER AGREES THAT: (a) DURING A FIVE (5) DAY FAMILIARIZATION PERIOD, OR SUCH PERIOD AS IS REQUIRED BY LAW; AND (b) FOLLOWING COMPLETION OF THE INSTALLATION AND THE COMMUNICATIONS CONNECTION TO JOHNSON CONTROLS' CMC (AND DURING ANY APPLICABLE EXTENSIONS), JOHNSON CONTROLS HAS NO OBLIGATION TO, AND WILL NOT, RESPOND TO ANY ALARM SIGNAL RECEIVED AT THE JOHNSON CONTROLS' CMC FROM CUSTOMER'S PREMISES DURING SUCH FAMILIARIZATION PERIOD. CUSTOMER ALSO AGREES THAT DURING SUCH PERIOD JOHNSON CONTROLS HAS NO OBLIGATION TO, AND WILL NOT, NOTIFY ANY AUTHORITIES, CUSTOMER, OR A PERSON ON CUSTOMER'S EMERGENCY CONTACT LIST, OR TAKE ANY OTHER ACTION WITH REGARD TO ANY ALARM SIGNAL JOHNSON CONTROLS RECEIVES, EVEN IF DUE TO AN ACTUAL EMERGENCY EVENT. 4. Special Equipment Requirements. If Customer requires installation or service of equipment in areas inaccessible without the use of lifts or cranes, or if non-standard conditions at the Customer site require special equipment for installation or service, Customer will provide such equipment, or will reimburse Johnson Controls for any applicable charges or fees. 5. Training Services. Johnson Controls provides initial training to Customer on use of the equipment installed at the time of installation. Thereafter, Customer may purchase additional training in one-hour increments at Johnson Controls' then current rate. 6. Site Preparation, Intrusion and Restoration. Unless otherwise noted herein, Customer is responsible for providing: (a) any necessary electric current, (b) an outlet within 10 feet of an alarm control panel, (c) telephone connections, (d) network drops, and (e) any required conduit, wiremold, or other raceway, (f) any required IP address assignments, and (g) additional network software licensing. The installation of the equipment/system may necessarily require cutting, bolting or fastening into Customer's floors, walls and/or ceilings. Johnson Controls shall not be responsible for any expenses related to intrusion, mold, fungi, bacteria, wet/dry rot, patching, floor or wall finishing, or paint, like, carpet or wallpaper matching, restoration or replacement resulting from installation or service of the equipment/system. 7. Battery Powered Devices. Customer understands that any battery-powered motion detectors, smoke detectors, door and window contact transmitters and other detection sensors installed/serviced under this Agreement require batteries to operate. THESE BATTERY-POWERED DETECTION SENSORS WILL NOT OPERATE, AND THE ALARM WILL NOT SOUND, IF THE BATTERY ENERGY LEVEL OR CHARGE IS LOW, OR DEPLETED. It is Customer's sole responsibility to maintain and replace any batteries. Customer shall carefully read and follow the owner's manual, instructions and warnings for all such equipment and regularly inspect the sensors for dirt and dust buildup and test the sensors weekly to help maintain continued operation. 8. Customer is solely responsible for the establishment, operation, maintenance, access, security and other aspects of its computer network ("Network") and shall supply Johnson Controls secure Network access for providing its services. Products networked, connected to the Internet, or otherwise connected to computers or other devices must be appropriately protected by Customer and/or end user against unauthorized access. Customer is responsible to take appropriate measures, including performing back-ups, to protect information, including without limit data, software, or files (collectively "Data") prior to receiving the service or products.

D. Electronic Media; Personal Information; Consent to Call, Text or Email. 1. Electronic Media. Either party may scan, fax, email, image, or otherwise convert this Agreement into an electronic format of any type or form, now known or developed in the future. Any unaltered or unadulterated copy of this Agreement produced from such an electronic format will be legally binding upon the parties and equivalent to the original for all purposes, including litigation. Johnson Controls may rely upon Customer's assent to the terms and conditions of this Agreement, if Customer has signed this Agreement or has demonstrated its intent to be bound whether by electronic signature or otherwise. 2. Personal Information. Customer represents and warrants that Customer has obtained all consents and has the right to (a) disclose to Johnson Controls all personal information disclosed hereunder concerning individuals/employees or other third parties including all information contained in Customer's Emergency Call List ("ECL"); (b) permit Johnson Controls to collect (including consent to record telephone conversations with Johnson Controls), use, disclose and transfer such personal information; and (c) expressly authorizes Johnson Controls to use such personal information to administer the relationship and the agreement between Customer and Johnson Controls, including, but not limited to, contacting Customer personnel at the telephone numbers and/or email addresses provided; (d) using SMS, text, prerecorded messages, or automated calling devices to deliver messages to set/confirm a service/installation appointment; and/or (e) to provide information or offers about products and services of interest to Customer. Customer acknowledges and agrees that Johnson Controls may share all such information with its parents, subsidiaries, affiliates and its/their successor corporations or any subcontractor or assignee, within and outside the country in which the Customer is located and thereby subject such information to the laws of such countries.

E. Limitation of Liability, Indemnification (Sale of Access/Video Equipment and Installation Only). Notwithstanding anything to the contrary in this Agreement or any purchasing document presented by Customer, only Video and/or Access Equipment and Services shall be provided by Johnson Controls under the terms and conditions of this Agreement. The Equipment and Services provided by Johnson Controls under this Agreement will not include: (a) burglar and/or fire detection or alarm equipment or monitoring, maintenance, inspection or other services; (b) security guard services; or (c) architectural, engineering, or design professional services. If any other equipment or services are requested by or provided to Customer, then such equipment and/or services shall be provided under a separate written agreement executed by Customer and Johnson Controls which shall contain the alarm industry specific terms and conditions.

1. Indemnity. (a) Johnson Controls shall defend, indemnify and hold Customer, its corporate affiliates, and their respective officers, directors, agents and employees harmless from damage, liability and expense resulting from the negligent acts or willful misconduct of Johnson Controls' agents and employees committed while performing Services on Customer's premises, to the extent that they are the direct cause of the loss, damage or injury to third parties or Customer's property (e.g., equipment dislodging and striking a third party due to improper installation), as opposed to being caused by an occurrence or the consequences thereof that the Equipment or Services were intended to deter, detect or avert. (b) Subject to the limits set forth in Section 768.28, Florida Statutes, Customer shall defend, indemnify and hold Johnson Controls, its affiliates, and their respective officers, directors, agents, suppliers and employees, harmless from damage, liability and expense to the extent that any such loss is not directly caused by the negligent acts or willful misconduct of Johnson Controls' agents, suppliers and/or employees, or arises out of any claim related to invasion of privacy, infliction of emotional distress, harassment, violation of eavesdropping/wiretapping laws or similar claims arising out of Customer's use of the Equipment and/or Services.

2. **Limitations on Liability.** If Customer uses the Equipment and/or Services to aid in monitoring or controlling the location or activities of persons on or about its property and premises, Customer acknowledges that the Equipment and/or Services are not intended to be the sole means for doing so. Johnson Controls' Equipment and Services do not cause and cannot eliminate occurrences of the events they are intended to deter, detect, avert or record. Johnson Controls is not an insurer of the safety or security of any person, entity or property, or against the risks attendant to a person's presence in, or ingress to or egress from any building, property or area that may be monitored by the Equipment and/or Services. The amounts Johnson Controls charges Customer are not insurance premiums. Such charges are based upon the value of the Equipment and Services provided and are unrelated to any such risk of loss. Johnson Controls and its suppliers do not undertake and assume no liability for such risk by providing the Equipment and/or Services. If Johnson Controls and/or one (or more) of its suppliers is nevertheless found liable under any legal theory for loss, damage or injury caused directly or indirectly by occurrences or the consequences therefrom which the Equipment and/or Services are intended to deter, detect, avert or record, Johnson Controls' liability and the liability of its suppliers shall be limited to the sums paid by Customer for the Equipment or Services at issue as Customer's sole remedy. Johnson Controls and its suppliers are not responsible for the preservation of any computer programs or data and Customer is responsible for maintaining adequate back-ups.

F. **Other Charges; Remedies; Termination.** 1. There may be a service charge to Customer for cancelled installation/service appointments if Customer cancels less than 24-hours prior to dispatch, or if Johnson Controls' representative is sent to the Customer's premises in response to a service call for false alarm or System malfunction caused by Customer's operation contrary to instructions, failure to close or properly secure a window, door or other protected point, or improper adjustment of monitors or accessory components. 2. Customer acknowledges and agrees that timely payments of the full amounts listed on invoices is an essential term of this Agreement and that Customer's failure to make payment in full when due is a material breach of this Agreement. Customer further acknowledges that if there is any amount outstanding on an invoice, it is material to Johnson Controls and shall give Johnson Controls, in addition to any other available remedies, the right to, without notice, (a) suspend, discontinue or terminate performing any Services and/or withhold further deliveries of equipment and other materials, terminate or suspend any unpaid software licenses, and/or suspend Johnson Controls' obligations under or terminate this Agreement and (b) to charge interest on the amounts that remain unpaid more than thirty (30) days past the due date specified in the invoice(s) at a rate equal to the lesser of 1.5% per month or the maximum rate permitted under applicable law, until payment is made in full. Customer agrees to pay all costs, expenses and fees of Johnson Controls' enforcement of this Agreement, including collection expenses, court costs, and attorneys' fees. Johnson Controls' election to continue providing future Services does not, in any way, diminish Johnson Controls' right to terminate or suspend Services or exercise any or all rights or remedies under this Agreement. Johnson Controls shall not be liable for any damages, claims, expenses or liabilities arising from or relating to suspension of services for non-payment. In the event that there are exigent circumstances requiring Services or Johnson Controls otherwise performs Services at the premises following suspension, those Services shall be governed by the terms of this Agreement unless a separate contract is executed. If Customer disputes any late payment notice or Johnson Controls' efforts to collect payment, Customer shall immediately notify Johnson Controls in writing and explain the basis of the dispute. In the event of Customer's default, the balance of any outstanding amounts will be immediately due and payable. Installation Charge(s) are based on Johnson Controls performing the installation with its own personnel. If for any reason installation must be performed by outside contractors, Installation Charge(s) may be subject to revision. 3. In addition to any other remedies available to Johnson Controls, Johnson Controls may terminate this Agreement and discontinue any Service(s) if (a) Johnson Controls' CMC is substantially damaged by fire or catastrophe or if Johnson Controls is unable to obtain any connections or privileges required to transmit signals between the Customer's premises, Johnson Controls' CMC or the Municipal Fire or Police Department or other first responder; (b) Customer fails to follow Johnson Controls' recommendations for the repair or replacement of defective parts of the System not covered under the Warranty or QSP Service; (c) Customer's failure to follow the operating instructions provided by Johnson Controls results in an undue number of false alarms or System malfunction; (d) In Johnson Controls' sole opinion, the premises in which the System is installed are unsafe, unsuitable, or so modified or altered after installation as to render continuation of Service(s) impractical or impossible; (e) If Johnson Controls' performance of its obligations becomes impracticable due to obsolescence or unavailability of systems, Equipment, or products (including component parts and/or materials) or because Johnson Controls or its supplier(s) has discontinued the manufacture or the sale of the Equipment and/or products or is no longer in the business of providing the Services; (f) Johnson Controls is unable to obtain or continue to support technologies, TeleCom Services, or Communication Facilities; (g) changes in applicable law; or (h) Customer fails to make payments when due or otherwise breaches this Agreement. Johnson Controls will not be liable for any damages or subject to any penalty as a result of any such termination. Johnson Controls may terminate this Agreement, or the affected portions, at its sole discretion upon notice to the Customer if Johnson Controls' performance of its obligations are prohibited because of changes in applicable laws, regulations or codes.

G. **Hazardous Materials.** For all projects except those involving new construction, Customer represents and warrants that to the best of Customer's knowledge the work site is free of any hazardous materials. The term "hazardous materials" includes but is not limited to asbestos, asbestos-containing material, polychlorinated biphenyl ("PCB"), formaldehyde or other potentially toxic or otherwise hazardous material. If any such substance is discovered on the work site, Johnson Controls will not be required to install or service the Equipment at such site unless and until Customer certifies the removal or safe containment of such hazardous materials. Subject to the limits set forth in Section 768.28, Florida Statutes, Customer shall indemnify, defend, and hold Johnson Controls, its officers, directors, agents, and vendors harmless from any damages, claims, injuries, liabilities resulting from the exposure of Johnson Controls' employees, contractors, or subcontractors to hazardous materials at the work site; provided, however, that the foregoing provision will not apply when it has been determined that such hazardous materials were brought to the work site by Johnson Controls.

H. **Waivers.** 1. **Waiver of Jury Trial.** CUSTOMER AND JOHNSON CONTROLS BOTH AGREE TO WAIVE THEIR RIGHT TO A JURY TRIAL IN ANY LEGAL PROCEEDING ARISING OUT OF OR IN ANY MANNER CONNECTED WITH OR RELATED TO THIS AGREEMENT. 2. **Mutual SAFETY Act Waiver.** Certain of Johnson Controls' systems and services have received Certification and/or Designation as Qualified Anti-Terrorism Technologies ("QATT") under the Support Anti-Terrorism by Fostering Effective Technologies Act of 2002, 6 U.S.C. §§ 441-444 (the "SAFETY Act"). As required under 6 C.F.R. 25.6 (e), to the maximum extent permitted by law, Johnson Controls and Customer hereby agree to waive their right to make any claims against the other for any losses, including business interruption losses, sustained by either party or their respective employees, resulting from an activity resulting from an "Act of Terrorism" as defined in 6 C.F.R. 25.2, when QATT have been deployed in defense against, response to, or recovery from such Act of Terrorism.

I. **Miscellaneous.** 1. **Enforceability.** If any of the provisions of this Agreement shall be determined to be invalid or unenforceable, the remaining provisions shall remain in full force and effect. 2. **Paragraph and Section Headings; Captions; Counterparts.** The headings and captions contained in this Agreement are inserted for convenience or reference only, and are not to be deemed part of or to be used in construing this Agreement. This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but all such separate counterparts shall together constitute but one and the same agreement. 3. **FARs.** Johnson Controls supplies "commercial items" within the meaning of the Federal Acquisition Regulations (FAR), 48 CFR Parts 1-53. As to any customer order for a U.S. Government contract, Johnson Controls will comply only with those mandatory flow-downs for commercial item and commercial services subcontracts listed either at FAR 52.244-6, or 52.212-5(e)(1), as applicable. 4. **Export Control.** Customer shall not export or re-export, directly or indirectly, any: (i) product or service provided under this Agreement; (ii) technical data; (iii) software; (iv) information; or (v) items acquired under this Agreement to any country for which the United States Government (or any agency thereof) requires an export license or other approval without first obtaining any licenses, consents or permits that may be required under the applicable laws of the U.S. or other foreign jurisdictions, including the Export Administration Act and Regulations and shall incorporate in all export shipping documents the applicable destination control statements. Subject to the limits set forth in Section 768.28, Florida Statutes, Customer shall, at its own expense, defend, indemnify and save Johnson Controls harmless from and against all third-party claims, liability, loss or damage (including attorneys' fees and other defense costs), assessed against or suffered by Johnson Controls as a result of an allegation or claim of noncompliance by Customer with this Section. The obligations contained in this Section shall survive the termination or expiration of this Agreement. 5. **Insurance.** Johnson Controls maintains comprehensive General Liability and Automobile Liability Insurance in amounts that meet or exceed: \$1,000,000 per incident - \$2,000,000 in the aggregate and Worker's Compensation coverage as required by law. Johnson Controls will not be required to provide a waiver of subrogation in favor of any party, nor will Johnson Controls be required to designate any party as a statutory employer for any purposes. 6. **Johnson Controls Brand.** Without exception, Johnson Controls-branded Signage, including yard signs, window stickers and warning signs will remain the property of Johnson Controls and may be removed by Johnson Controls at any time. Customer's right to display Johnson Controls-branded Signage is not transferable or ceases upon termination or expiration of this Agreement. 7. **Resale.** If Johnson Controls is connecting to a previously installed existing system, to the extent the previously installed existing system is Customer's property, it shall remain Customer's property.

J. **System Software; Network Connections.** 1. Any software provided with the System or in connection with the Services is proprietary to Johnson Controls and/or Johnson Controls' supplier(s) and is licensed or sublicensed to Customer on a non-exclusive basis. Customer may not (a) disclose the Software or source code to any third parties, (b) duplicate, reproduce, or copy all or any part of the Software, or (c) use the Software on equipment other than with the designated System with which it was furnished. A separate Software License Agreement or End User License Agreement between Johnson Controls and Customer and/or the software publisher may be required to use the software and/or obtain updates/upgrades. If the installed Equipment is to be connected to Customer's computer network ("Network"), Johnson Controls will furnish and install the software needed to run the Equipment and will connect the Equipment to the Network according to the Network settings supplied by Customer. Installation shall not include modifications to the Network, security, or firewall settings. Customer will supply a TCP/IP Ethernet network address and central processing unit per Johnson Controls specifications for access control system operation. Johnson Controls shall not be responsible for the setup, operation, or maintenance of the Network or Network performance or compatibility issues. Johnson Controls may assess additional charges, if Johnson Controls is unable to connect to the Network or if any additional Equipment is required to facilitate connectivity between the Network and the Equipment. 2. **Open Source Software.** Johnson Controls represents and warrants to the end user of the System that, to the extent the System includes any Open Source Software, the Internal use and operation of the System by the end user will not create any obligation on the part of the end user under the terms of any Open Source License (i) to make any source code or object code available to third parties, or (ii) to license, disclose or otherwise make available to third parties any proprietary software, data or other information, or any associated intellectual property. As used herein, the term "Open Source Software"

means any software, program, module, code, library, database, driver or similar component (or portion thereof) that is royalty free, proprietary software, the use of which requires any contractual obligations by the user such as, without limitation, that software that is subject to, distributed, transmitted, licensed or otherwise made available under any of the following licenses: GNU General Public License, GNU Library or "Lesser" Public License, Berkeley Software Distribution (BSD) license (including Free BSD and BSD-style licenses), MIT license, Mozilla Public License, IBM Public License, Apache Software License, Artistic License (e.g., PERL), Sun Industry Standards Source License, Sun Community Source License (SCSL), Intel Open Source License, Apple Public Source License, or any substantially similar license, or any license that has been approved by the Open Source Initiative, Free Software Foundation or similar group (collectively, "Open Source Licenses").

K. Force Majeure. Johnson Controls assumes no liability for delays in installation of the Equipment or for the consequences therefrom, however caused. Johnson Controls shall not be liable, nor in breach or default of its obligations under this Agreement, for delays, interruption, failure to render services, or any other failure by Johnson Controls to perform an obligation under this Agreement, where such delay, interruption or failure is caused, in whole or in part, directly or indirectly, by a Force Majeure Event. A "Force Majeure Event" is a condition or event that is beyond the reasonable control of Johnson Controls, whether foreseeable or unforeseeable, including, without limitation, acts of God, severe weather (including but not limited to hurricanes, tornados, severe snowstorms or severe rainstorms), wildfires, floods, earthquakes, seismic disturbances, or other natural disasters, acts or omissions of any governmental authority (including change of any applicable law or regulation), epidemics, pandemics, disease, viruses, quarantines, or other public health risks and/or responses thereto, condemnation, strikes, lock-outs, labor disputes, an increase of 5% or more in tariffs or other excise taxes for materials to be used on the project, fires, explosions or other casualties, thefts, vandalism, civil disturbances, insurrection, mob violence, riots, war or other armed conflict (or the serious threat of same), acts of terrorism, electrical power outages, interruptions or degradations in telecommunications, computer, network, or electronic communications systems, data breach, cyber-attacks, ransomware, unavailability or shortage of parts, materials, supplies, or transportation, or any other cause or casualty beyond the reasonable control of Johnson Controls. If Johnson Controls' performance of the work is delayed, impacted, or prevented by a Force Majeure Event or its continued effects, Johnson Controls shall be excused from performance under the Agreement. Without limiting the generality of the foregoing, if Johnson Controls is delayed in achieving one or more of the scheduled milestones set forth in the Agreement due to a Force Majeure Event, Johnson Controls will be entitled to extend the relevant completion date by the amount of time that Johnson Controls was delayed as a result of the Force Majeure Event, plus such additional time as may be reasonably necessary to overcome the effect of the delay. To the extent that the Force Majeure Event directly or indirectly increases Johnson Controls' cost to perform the services, Customer is obligated to reimburse Johnson Controls for such increased costs, including, without limitation, costs incurred by Johnson Controls for additional labor, inventory storage, expedited shipping fees, trailer and equipment rental fees, subcontractor fees, compliance with vaccination requirements or other costs and expenses incurred by Johnson Controls in connection with the Force Majeure.

L. Assignment. This Agreement is not assignable by the Customer except upon written consent of Johnson Controls first being obtained. Johnson Controls shall have the right to assign this Agreement or to subcontract any of its obligations under this Agreement without notice to Customer.

M. Digital Enabled Services, Software and Hosted Software Services. If Johnson Controls provides Digital Enabled Services under this Agreement, these Digital Enabled Services require the collection, transfer and ingestion of building, equipment, system time series, and other data to Johnson Controls' cloud-hosted software applications. Customer consents to and grants Johnson Controls right to collect, ingest and use such data to enable Johnson Controls and its affiliates and agents to provide, maintain, protect, develop and improve the Digital Enabled Services and Johnson Controls products and services. Customer acknowledges that, while Digital Enabled Services generally improve equipment performance and services, Digital Enabled Services do not prevent all potential malfunction, insure against all loss, or guarantee a certain level of performance. Customer shall be solely responsible for the establishment, operation, maintenance, access, security and other aspects of its computer network ("Network"), shall appropriately protect hardware and products connected to the Network and will supply Johnson Controls secure Network access for providing its Digital Enabled Services. As used herein, "Digital Enabled Services" mean services provided hereunder that employ Johnson Controls software and related equipment installed at Customer facilities and Johnson Controls cloud-hosted software offerings and tools to improve, develop, and enable such services. Digital Enabled Service may include, but are not limited to, (a) remote servicing and inspection, (b) advanced equipment fault detection and diagnostics, and (c) data dashboarding and health reporting. Specifically, the Johnson Controls General EULA set forth at www.johnsoncontrols.com/buildings/legal/digital/generaleula governs access to and use of software installed on Customer's premises or systems and the Johnson Controls Terms of Service set forth at www.johnsoncontrols.com/buildings/legal/digital/generaltos govern access to and use of hosted software products. The applicable Software Terms are incorporated herein by this reference. Other than the right to use the Software as set forth in the Software Terms, Johnson Controls and its licensors reserve all right, title, and interest (including all intellectual property rights) in and to the Software and improvements to the Software. The Software that is licensed hereunder is licensed subject to the Software Terms and not sold. If there is a conflict between the other terms herein and the Software Terms, the Software Terms shall take precedence and govern with respect to rights and responsibilities relating to the Software, its implementation and deployment and any improvements thereto.

Notwithstanding any other provisions of this Agreement, unless otherwise agreed, the following terms apply to Software that is provided to Customer on a subscription basis (i.e., a time limited license or use right), (each a "Software Subscription"): Each Software Subscription provided hereunder will commence on the date the initial credentials for the Software are made available (the "Subscription Start Date") and will continue in effect until the expiration of the subscription term noted in the applicable statement of work, order or other applicable ordering document. At the expiration of the Software Subscription, such Software Subscription will automatically renew for consecutive one (1) year terms (each a "Renewal Subscription Term"), unless either party provides the other party with a notice of non-renewal at least ninety (90) days prior to the expiration of the then-current term. To the extent permitted by applicable law, Software Subscriptions purchases are non-cancelable, and the sums paid nonrefundable. Fees for Software Subscriptions shall be paid annually in advance, invoiced on the Subscription Start Date and each subsequent anniversary thereof. Customer shall pay all invoiced amounts within thirty calendar days after the date of invoice. Payments not made within such time period shall be subject to late charges as set forth in the Software Terms. Unless otherwise agreed by the parties in writing, the subscription fee for each Renewal Subscription Term will be priced at Johnson Controls' then-applicable list price for that Software offering. Any use of Software that exceeds the scope, metrics or volume set forth in this Agreement and applicable SOW will be subject to additional fees based on the date such excess use began.

To the extent consent to such collection, processing and transfer by Johnson Controls is mandatorily required from Customer's personnel under applicable law, Customer warrants and represents that it has obtained such consent.

O. Dispute Resolution: Johnson Controls shall have the sole and exclusive right to determine whether any dispute, controversy or claim arising out of or relating to the Agreement, or the breach thereof, shall be submitted to a court of law or arbitrated. The laws of Delaware shall govern the validity, enforceability, and interpretation of this Agreement, without regard to conflicts of law principles thereof, and the exclusive venue for any such litigation or arbitration shall be in Milwaukee, Wisconsin. In the event the matter is submitted to a court, Johnson Controls and Customer hereby agree to waive their right to trial by jury. In the event the matter is submitted to arbitration by Johnson Controls, the costs of arbitration shall be borne equally by the parties, and the arbitrator's award may be confirmed and reduced to judgment in any court of competent jurisdiction. Except as provided below, no claim or cause of action, whether known or unknown, shall be brought by either party against the other more than one year after the claim first arose. Claims not subject to the one-year limitation include claims for unpaid: (1) contract amounts, (2) change order amounts (approved or requested) and (3) delays and/or work inefficiencies. THIS RIDER TO COMMERCIAL SALES AGREEMENT FOR CCTV SYSTEM WITH JOHNSON CONTROLS SECURITY SOLUTIONS, LLC(hereinafter “Rider”) is made by and between the **BOARD OF COUNTY COMMISSIONERS OF NASSAU COUNTY, FLORIDA**, a political subdivision of the State of Florida (hereinafter the “County” or “Customer”), and **JOHNSON CONTROLS SECURITY SOLUTIONS, LLC**, (hereinafter the “Vendor”) hereinafter collectively referred to as the “Parties.”

WITNESSETH:

WHEREAS, the Parties desire to enter into a Commercial Sales Agreement for CCTV System (hereinafter “Agreement”); and

WHEREAS, the Parties wish to establish additional standard terms and conditions to that Agreement as contained herein; and

WHEREAS, the Parties agree that the term and conditions hereinbelow shall be incorporated into the Agreement and in the event of any conflict between the terms and conditions of this Rider and the Agreement, the terms and conditions of this Rider shall prevail.

NOW, THEREFORE, for good and valuable consideration the receipt and sufficiency of which is hereby acknowledged, and intending to be legally bound, the Parties do agree to amend the Agreement as follows:

SECTION 1. CONFLICTING PROVISIONS.

1.1 The Parties agree that in the event of any conflict between the terms and conditions of the Agreement and/or any exhibit or attachment to the Agreement and the terms and conditions of this Rider, the terms and conditions of this Rider shall prevail.

SECTION 2. PAYMENT AND INVOICING.

2.1 The County shall pay the Vendor in an amount not to exceed Forty-Five Thousand Dollars and 00/100 (\$45,000.00) for the goods and/or services referenced in the Agreement. No payment shall be made for goods and/or services without a proper County work authorization or purchase order. The Vendor shall submit a copy of all invoices to both the Public Works Director or designee and to invoices@nassaucountyfl.com for payment. The invoice submitted shall include the contract number referenced and shall be in sufficient detail as to item, quantity and

price in order for the County to verify compliance with the specifications and conditions of Agreement. Payment shall not be made until goods and/or services have been received, inspected and accepted by the County in the quantity and/or quality ordered. Payment in advance of receipt of goods and/or services by the County cannot be made. The County shall pay the Vendor within forty-five (45) calendar days of receipt and acceptance of invoice by the Public Works Director or designee, pursuant to and in accordance with the promulgations set forth by the State of Florida's Prompt Payment Act found at Section 218.70, Florida Statutes. The Vendor shall honor all purchase orders or work authorizations issued prior to the expiration of the term of the Agreement. The Vendor shall be responsible for all expenses incurred while providing goods and/or services under the Agreement including, but not limited to, license fees, memberships and dues; automobile and other travel expenses; meals and entertainment; insurance premiums; and all salary, expenses and other compensation paid to the Vendor's agents, if any, hired by the Vendor to complete the work under the Agreement.

SECTION 3. E-VERIFY.

3.1 The Vendor shall comply with Section 448.095, Florida Statutes, and use the United States Department of Homeland Security's E-Verify system ("E-Verify") to verify the employment eligibility of all persons hired by the Vendor during the term of the Agreement to work in Florida. Additionally, if the Vendor uses subcontractors to perform any portion of the work (under the Agreement), the Vendor shall include a requirement in the subcontractor's contract that the subcontractor use E-Verify to verify the employment eligibility of all persons hired by subcontractor to perform any such portion of the work. Answers to questions regarding E-Verify as well as instructions on enrollment may be found at the E-Verify website: www.uscis.gov/e-verify.

3.2 The Vendor shall maintain records of its participation and compliance with the provisions of the E-Verify program, including participation by its subcontractors as provided above, and to make such records available to the County or other authorized entity consistent with the terms of the Vendor's enrollment in the program. This includes maintaining a copy of proof of the Vendor's and subcontractors' enrollment in the E-Verify program. If the Vendor enters into a contract with a subcontractor, the subcontractor shall provide the Vendor with an affidavit stating that the subcontractor does not employ, contract with, or subcontract with an unauthorized alien. The Vendor shall maintain a copy of such affidavit for the duration of the contract.

3.3 Compliance with the terms of the E-Verify program provision is made an express condition of the Agreement and the County may treat a failure to comply as a material breach of the Agreement. If the County terminates the Agreement pursuant to Section 448.095(2)(c), Florida Statutes, the Vendor may not be awarded a public contract for at least one (1) year after the date on which the contract was terminated and the Vendor is liable for any additional costs incurred by the County as a result of the termination of the Agreement.

SECTION 4. GOVERNING LAW, VENUE, COMPLIANCE WITH LAWS, ATTORNEY'S FEES AND CHANGE OF LAWS.

4.1 The Agreement shall be deemed to have been executed and entered into within the State of Florida and any dispute arising hereunder, shall be governed, interpreted and construed according to the laws of the State of Florida, the Ordinances of Nassau County, and any applicable federal statutes, rules and regulations. Any and all litigation arising under the Agreement shall be brought in Nassau County, Florida, and any trial shall be non-jury. Any mediation, pursuant to litigation, shall occur in Nassau County, Florida.

4.2 The Vendor shall secure and maintain all licenses and permits required to provide goods and/or services under the Agreement and to pay any and all applicable sales or use tax, or any other tax or assessment which shall be imposed or assessed by any and all governmental authorities, required under the Agreement.

4.3 The Vendor shall comply with all federal, state, county and municipal laws, ordinances, policies and rules including Title II of the Americans with Disabilities Act and the County's adopted Web Content Accessibility Guidelines (WCAG), version 2.1, level AA, applicable to the Agreement's scope of work.

4.4 In the event of any legal action to enforce the terms of the Agreement each party shall bear its own attorney's fees and costs.

4.5 If there is a change in any state or federal law, regulation or rule or interpretation thereof, which affects the Agreement or the activities of either party under the Agreement, and either party reasonably believes in good faith that the change will have a substantial adverse effect on that party's rights or obligations under the Agreement, then that party may, upon written notice, require the other party to enter into good faith negotiations to renegotiate the terms of the Agreement. If the parties are unable to reach an agreement concerning the modification of the Agreement within fifteen (15) days after the date of the notice seeking renegotiation, then either

party may terminate the Agreement by written notice to the other party. In such event, Vendor shall be paid its compensation for the goods and/or services provided prior to the termination date.

SECTION 5. TAXES.

5.1 The Vendor recognizes that the County, by virtue of its sovereignty, is not required to pay any taxes on the goods and/or services provided under the terms of the Agreement. As such, the Vendor shall refrain from including taxes in any billing. Any questions regarding this tax exemption shall be addressed to the County Manager.

SECTION 6. FUNDING.

6.1 The County's performance and obligation under the Agreement is contingent upon an annual appropriation by the Board of County Commissioners for subsequent fiscal years and is subject to termination based on lack of funding.

SECTION 7. PUBLIC RECORDS.

7.1 The County is a public agency subject to Chapter 119, Florida Statutes. **IF THE VENDOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE VENDOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THE AGREEMENT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT (904) 530-6090, RECORDS@NASSAUCOUNTYFL.COM, 96135 NASSAU PLACE, SUITE 6, YULEE, FLORIDA 32097.** Under the Agreement, to the extent that the Vendor is providing goods and/or services to the County, and pursuant to Section 119.0701, Florida Statutes, the Vendor shall:

- a. Keep and maintain public records required by the County to provide goods and/or services.
- b. Upon request from the County's custodian of public records, provide the County with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in this chapter or as otherwise provided by law.
- c. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the Agreement term and following completion of the Agreement if the Vendor does not transfer the records to the County.

- d. Upon completion of the Agreement, transfer, at no cost, to the County all public records in possession of the Vendor or keep and maintain public records required by the County to perform the service. If the Vendor transfers all public records to the County upon completion of the Agreement, the Vendor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Vendor keeps and maintains public records upon completion of the Agreement, the Vendor shall meet all applicable requirements for retaining public records. All records stored electronically shall be provided to the County, upon request from the County's custodian of public records, in a format that is compatible with the information technology systems of the County.

7.2 A request to inspect or copy public records relating to the Agreement for goods and/or services shall be made directly to the County. If the County does not possess the requested records, the County shall immediately notify the Vendor of the request, and the Vendor shall provide the records to the public agency or allow the records to be inspected or copied within a reasonable time.

7.3 If the Vendor does not comply with the County's request for records, the County shall enforce the Agreement provisions in accordance with the Agreement.

7.4 If the Vendor fails to provide the public records to the County within a reasonable time, the Vendor may be subject to penalties under Section 119.10, Florida Statutes.

7.5 If a civil action is filed against the Vendor to compel production of public records relating to the Agreement, the Court shall assess and award against the Vendor the reasonable costs of enforcement, including reasonable attorney fees if:

- (a) The Court determines that the Vendor unlawfully refused to comply with the public records request within a reasonable time; and

- (b) At least eight (8) business days before filing the action, the plaintiff provided written notice of the public records request, including a statement that the Vendor has not complied with the request, to the County and to the Vendor.

7.6 A notice complies with this Section if it is sent to the County's custodian of public records and to the Vendor at the Vendor's address listed on its Agreement with the County or to the Vendor's registered agent.

7.7 If the Vendor complies with a public records request within eight (8) business days after the notice is sent, the Vendor is not liable for the reasonable costs of enforcement.

7.8 In reference to any public records requested under the Agreement, the Vendor shall identify and mark specifically any information which Vendor considers CONFIDENTIAL and/or proprietary, inclusive of trade secrets as defined in Section 812.081, Florida Statutes, and which the Vendor believes to be exempt from disclosure, citing specifically the applicable exempting law and including a brief written explanation as to why the cited Statute is applicable to the information claimed as confidential and/or proprietary information. All materials shall be segregated and clearly identified as "EXEMPT FROM PUBLIC DISCLOSURE."

7.9 In conjunction with the confidential and/or proprietary information designation, the Vendor acknowledges and agrees that after notice from County, the Vendor shall respond to a notice from the County immediately, but no later than 10 calendar days from the date of notification or the Vendor shall be deemed to have waived and consented to the release of the confidential and/or proprietary designated materials.

7.10 The Vendor further agrees that by designation of the confidential/proprietary material, the Vendor shall defend the County (and its employees, agents and elected and appointed officials) against all claims and actions (whether or not a lawsuit is commenced) related to the Vendor's designation of the material as exempt from public disclosure and to hold harmless the County (and its employees, agents and elected and appointed officials) from any award to a plaintiff for damages, costs and attorneys' fees, incurred by the County by reason of any claim or action related to Vendor's designation of material as exempt from public disclosure.

SECTION 8. PUBLIC ENTITY CRIMES.

8.1 In accordance with Section 287.133, Florida Statutes, the Vendor certifies that it, its affiliates, suppliers, subcontractors and consultants who will perform hereunder, have not been placed on the convicted vendor list maintained by the State of Florida Department of Management Services within the thirty-six (36) months immediately preceding the date of the Agreement.

SECTION 9. INSURANCE.

9.1 The Vendor shall provide and maintain at all times during the term of this Agreement, without cost or expense to the County, commercial

general liability, workers compensation, professional liability, and other insurance policies as detailed in Exhibit "A".

9.2 The Vendor shall provide to the County a Certificate of Insurance for all policies of insurance and renewals thereof in a form acceptable to the County. Said certificates shall provide that the Nassau County Board of County Commissioners is an additional insured, and that the County shall be notified in writing of any reduction, cancellation or substantial change of policy or policies at least thirty (30) days prior to the effective date of said action with the exception of ten (10) days for non-payment. All insurance policies shall be issued by responsible companies who are acceptable to the County and licensed and authorized under the laws of the State of Florida. Customer, its subsidiaries and employees are considered to be an "additional insured" as required herein, except for worker's compensation/employers' liability and professional (errors & omissions) liability; and only with respect to liability caused by Vendor's negligence, errors, or omissions resulting from Vendor's products, work or services provided under this agreement. The additional insured shall be covered up to the limits of liability as enumerated above and its additional insured status will cease when: a) contract terms have been completed, b) contract is cancelled or terminated, or c) insurable interest no longer exists.

SECTION 10. TAXES, LIENS, LICENSES AND PERMITS.

10.1 The Vendor recognizes that the County, by virtue of its sovereignty, is not required to pay any taxes on the goods and/or services provided under the terms of this Agreement. As such, the Vendor shall refrain from including taxes in any billing. The Vendor is placed on notice that this exemption generally does not apply to nongovernmental entities, contractors, or subcontractors. Any questions regarding this tax exemption shall be addressed to the County Manager.

10.2 The Vendor shall secure and maintain all licenses and permits required to provide goods and/or services under this Agreement and to pay any and all applicable sales or use tax, or any other tax or assessment which shall be imposed or assessed by any and all governmental authorities, required under this Agreement, and to meet all federal, state, county and municipal laws, ordinances, policies and rules.

10.3 The Vendor acknowledges that property being improved that is titled to the County, shall not be subject to a lien of any kind for any reason. The Vendor shall include notice of such exemptions in any subcontracts and purchase orders issued under this Agreement.

SECTION 11. INDEMNIFICATION.

11.1 Any indemnification by the County in the Agreement or any sub agreement, or exhibit

thereunder is hereby limited to the limits as set forth in Section 768.28, Florida Statutes.
