- a. Keep and maintain public records required by the public agency to perform the service.
- b. Upon request from the public agency's custodian of public records, provide the public agency with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in this chapter or as otherwise provided by law.
- c. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the agreement term and following completion of the Agreement if the Vendor does not transfer the records to the public agency.

the information technology systems of the County.

- e. A request to inspect or copy public records relating to a Nassau County Agreement must be made directly to the Nassau County Custodian of Public Records. If Nassau County does not possess the requested records due to the Vendor maintaining the public records, then Nassau County shall immediately notify the Vendor of the request for records. The Vendor must provide the records to Nassau County or allow the records to be inspected or copied within a reasonable time. If the Vendor does not comply with Nassau County's request for records, Nassau County shall be entitled to enforce the Agreement provisions herein for failure to comply with the terms of the Agreement. Any Vendor which fails to provide public records to Nassau County within a reasonable time may also be subject to penalties as provided under Section 119.10, Florida Statutes, including punishment by fine or may be guilty of committing a misdemeanor of the first degree for any willful and knowing violation.
- f. If a civil action is filed against the Vendor to compel production of public records relating to the Agreement, the Court shall assess and award against the Vendor the reasonable costs of enforcement, including reasonable attorney fees if:

confidential and/or proprietary, inclusive of trade secrets as defined in Section 812.081, Florida Statutes, and which the Vendor believes to be exempt from disclosure, citing specifically the applicable exempting law and including a brief written explanation as to why the cited Statute is applicable to the information claimed as confidential and/or proprietary information. All materials shall be segregated and clearly identified as "EXEMPT FROM PUBLIC DISCLOSURE."

- j. In conjunction with the confidential and/or proprietary information designation, the Vendor acknowledges and agrees that after notice from County, the Vendor shall respond to a notice from the County immediately, but no later than 10 calendar days from the date of notification or the Vendor shall be deemed to have waived and consented to the release of the confidential and/or proprietary designated materials.
- k. The Vendor shall maintain a copy of such affidavit for the duration of the Agreement.

**8.3** Compliance with the terms of the E-Verify program provision is made an express condition of this Agreement and the County may treat a failure to comply as a material breach of the Agreement. If the County terminates the Agreement pursuant to Section 448.095(2)(c), Florida Statutes, the Vendor may not be awarded a public contract for at least one (1) year after the date on which the Agreement was terminated and the Vendor is liable for any additional costs incurred by the County as a result of the termination of this Agreement.

The Vendor is placed on notice that this exemption generally does not apply to nongovernmental entities, contractors, or subcontractors. Any questions regarding this tax exemption shall be addressed to the County Manager.
