The Vendor shall not be entitled to an increase in the Contract price or payment of any kind from the County for direct, indirect, consequential, impact, or other costs, expenses or damages, including but not limited to costs of acceleration or inefficiency arising because of delay, disruption, interference, or hindrance from any cause whatsoever. If performance is suspended or delayed, in whole or in part, due to any of the causes described in this section, after the causes have ceased to exist, the Vendor shall perform at no increased cost, unless the County determines, in its sole discretion, that the delay will significantly impair the value of the Contract to the County, in which case, the County may do any or all of the following: (1) accept allocated performance or deliveries from the Vendor, provided that the Vendor grants preferential treatment to the County with respect to goods and/or services subjected to allocation; (2) purchase from other sources (without recourse to and by the Vendor for the related costs and expenses) to replace all or part of the goods and/or services that are the subject of the delay, which purchases may be deducted from the Contract quantity; or (3) terminate the Contract in whole or in part.

SECTION 22. Independent Vendor Status.

22.1 The Vendor shall provide the goods and/or services under this Contract as an independent contractor and nothing contained herein shall be construed to be inconsistent with this relationship or status.
