**SECOND AMENDMENT TO PIGGYBACK AGREEMENT  
FOR FIRE EQUIPMENT SUPPLIES AND SERVICES**

**THIS SECOND AMENDMENT TO THE PIGGYBACK AGREEMENT FOR FIRE EQUIPMENT SUPPLIES AND SERVICES** (hereinafter “Amendment”) is made by and between the BOARD OF COUNTY COMMISSIONERS OF NASSAU COUNTY, FLORIDA, a political subdivision of the State of Florida (hereinafter the “County”), and TEN-8 FIRE & SAFETY, LLC, a Florida limited liability company, having its primary business location at 2904 59th Ave Drive East, Bradenton, FL 34203 (hereinafter the “Vendor”).

**WITNESSETH:**

**WHEREAS**, the Parties previously entered into a Piggyback Agreement for fire equipment, supplies, and services, dated December 2, 2022 (hereinafter “Contract”), under which the County accessed a contract the Vendor entered into with Lake County, Florida pursuant to a formal competitive procurement process, identified as Contract Number 22-730K<sup>1</sup> (“Original Contract”); and

**WHEREAS**, the Original Contract had an initial term of one year with an option to renew the contract for two additional years; and

**WHEREAS**, following the first renewal of the Original Contract by Lake County and Vendor, the Parties amended the Contract via a First Amendment dated May 31, 2023, which extended the term of the Contract by two years and increased the compensation amount to the Vendor; and

**WHEREAS**, the Original Contract has been again renewed for an additional two-year renewal term, and now expires July 31, 2027, as provided in Exhibit A, attached hereto; and

**WHEREAS**, the Parties now desire to amend the Contract terms and conditions subject to the provisions contained herein.

**NOW, THEREFORE**, for good and valuable consideration the receipt and sufficiency of which is hereby acknowledged, and intending to be legally bound, the Parties do agree to amend the Contract as follows:

**SECTION 1.** the Contract is hereby amended to extend the term of the Contract for an additional two (2) years, and the Contract shall now terminate on July 31, 2027.

---

<sup>1</sup> The Contract inadvertently attached portions of Contract Number 22-730I as Attachment “A” to the Contract, which is an agreement for fire equipment, supplies, and services between Lake County and a separate vendor. The Parties agree that Contract Number 22-730K is the governing Original Contract, and incorporate it herein by reference.

**SECTION 2** The Contract is hereby amended to increase the compensation amount for the goods provided under the Contract to an amount not to exceed fifty-five thousand and 00/100 dollars (\$55,000.00) for the remaining two-year renewal term of the Contract. The County shall now compensate the Vendor in an amount not to exceed one hundred thousand and 00/100 dollars (\$100,000.00) for the entire term of the Contract, including the initial term and two renewal terms.

**SECTION 3.** The Vendor shall provide the County on a form approved by the County an affidavit signed by an officer or a representative of the Vendor under penalty of perjury attesting that the Vendor does not use coercion for labor or services as defined in Section 787.06, Florida Statutes.

**SECTION 4.** In accordance with Section 287.138, Florida Statutes, the Vendor shall provide the County an affidavit, on a form approved by the County, signed by an officer or representative of the Vendor under penalty of perjury attesting that the Vendor will comply with all requirements of Section 287.138, Florida Statutes.

**SECTION 5.** All other terms and conditions of the Contract not inconsistent with the provisions of this Amendment shall remain the same and in full force and effect.

[The remainder of this page left intentionally blank.]

**IN WITNESS WHEREOF**, the Parties have caused this Amendment to be executed by its duly authorized representatives, effective as of the last date below.

- C. **Contents of Solicitation and Vendors' Responsibilities:** The Vendor shall be thoroughly familiar with the requirements of this solicitation. Ignorance of these matters by the Vendor will not be accepted as a basis for varying the requirements of the County, or the compensation to be paid.
- E. **Restricted Discussions:** From the date of solicitation issuance until final County action, Vendors will not discuss any part of the solicitation with any employee, agent, or other representative of the County except as expressly authorized by the designated procurement representative. The only communications that will be considered pertinent to a solicitation are appropriately signed written documents from the Vendor to the designated procurement representative and any relevant written document promulgated by the designated procurement representative.
- F. **Changes to Proposal:** Prior to the scheduled due date, a Vendor may change its Proposal by submitting a new one with a letter on the firm's letterhead, signed by an authorized agent stating that the new submittal replaces the original. The new submittal must contain the letter and all information as required in the solicitation.

- H. Conflicts within the Solicitation: Where there appears to be a conflict between the General Terms and Conditions, Special Conditions, the Technical Specifications, the Pricing Section, or any addendum issued, the order of precedence will be: the last addendum issued, the Proposal Price Section, the Technical Specifications, the Special Conditions, and then the General Terms and Conditions. It is incumbent upon the Vendor to identify such conflicts to the designated procurement representative prior to the Proposal due date.
- I. Prompt Payment Terms: Payment for all purchases by County agencies will be made in a timely manner and interest payments will be made on late payments in accordance with Part VII, Chapter 218, Florida Statutes, known as the Florida Prompt Payment Act. The Vendor may offer cash discounts for prompt payments; however, such discounts will not be considered in determining the lowest price during Proposal evaluation.

### **PREPARATION OF PROPOSALS**

- A. The pricing section of a solicitation defines requirements of items to be purchased and must be completed and submitted with the Proposal. Use of any other form or alteration of the form may result in rejection of the Proposal.
- B. The Proposal submitted must be legible. Vendors shall type or use an ink to complete the Proposal. All changes must be crossed out and initialed in ink. Failure to comply with these requirements may cause the bid to be rejected.
- C. An authorized agent of the Vendor's firm must sign the Proposal. The County may reject any Proposal not signed by an authorized agent.
- D. The Vendor may submit alternate Proposals for the same solicitation provided that such offer is allowable under the terms and conditions. The alternate Proposal must meet or exceed the minimum requirements and be submitted as a separate Proposal marked "Alternate Proposal."

Furthermore, any prior understanding, agreement, or connection between two (2) or more corporations, firms, or persons submitting a Proposal for the same materials, supplies, services, or equipment will also be presumed to be collusive. Proposals found to be collusive will be rejected. Vendors which have been found to have engaged in collusion may be considered non-responsible and may be suspended or debarred. Any contract resulting from collusive bidding may be terminated for default.

### **PROHIBITION AGAINST CONTINGENT FEES**

The Vendor warrants that they have not employed or retained any company or person, other than a bona fide employee working solely for the Vendor to solicit or secure the Contract and that they have not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for the Vendor, any consideration contingent upon or resulting from the award or making of the Contract.

## **LAKE COUNTY, FLORIDA – GENERAL TERMS AND CONDITIONS**

- F. The Vendor's performance as a Contractor or subcontractor on previous County contracts will be considered in evaluating the responsibility of the Vendor.
- G. Any tie situations will be resolved in consonance with current written County procedure.
- H. The County has imposed a reciprocal match local vendor preference practice to ensure an equal procurement environment for all potential vendors unless prohibited by the funding source. More information is available on [Section 2-222, Local Vendor Preference](#).
- I. Award of the contract resulting from this solicitation may be predicated on compliance with and submittal of all required documents as stipulated in the solicitation.

### **PRIME CONTRACTOR**

The Vendor awarded a Contract shall act as the Prime Contractor and will assume full responsibility for the successful performance under the Contract. The Awarded Vendor (Contractor) will be considered the sole point of contact regarding meeting all requirements of the Contract. No change in subcontractors may be made without the consent of the County after the award of the Contract. Electronic Record and Signature Disclosure		

## **ELECTRONIC RECORD AND SIGNATURE DISCLOSURE**

From time to time, County of Nassau (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

### **Getting paper copies**

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

### **Withdrawing your consent**

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

### **Consequences of changing your mind**

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

### **All notices and disclosures will be sent to you electronically**

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

#### **How to contact County of Nassau:**

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:

#### **To advise County of Nassau of your new email address**

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at [bsimmons@nassaucountyfl.com](mailto:bsimmons@nassaucountyfl.com) and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

#### **To request paper copies from County of Nassau**

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to [bsimmons@nassaucountyfl.com](mailto:bsimmons@nassaucountyfl.com) and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

#### **To withdraw your consent with County of Nassau**

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

- i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;
- ii. send us an email to [bsimmons@nassaucountyfl.com](mailto:bsimmons@nassaucountyfl.com) and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

### **Required hardware and software**

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: <https://support.docusign.com/guides/signer-guide-signing-system-requirements>.

### **Acknowledging your access and consent to receive and sign documents electronically**

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.
