WHEREAS, the County requires the following goods and services: document digitization services; and

WHEREAS, the Vendor¹ has previously entered into a contract identified as Purchasing Agreement #2020002755 with The Regents of the University of California (“hereinafter “Lead Contracting Agency”) pursuant to a formal competitive procurement process for the same goods and services (hereinafter “Original Contract”), a copy of which is attached hereto and incorporated herein as “Exhibit A”; and

WHEREAS, Section 1-141(d)(3) of the Nassau County Code of Ordinances, Purchasing Policy, allows for piggybacking for the same goods or services; and

WHEREAS, the County desires to access the Original Contract with the Vendor for the acquisition of said goods and services in accordance with the terms of the “Exhibit A”.

NOW, THEREFORE, in consideration of the mutual covenants and agreements herein contained, the parties hereto agree as follows:

SECTION 1. Recitals.

1.1 The above recitals are true and correct and are incorporated herein, in their entirety, by this reference.

SECTION 2. Exhibits.

2.1 The Exhibits listed below are the exhibits incorporated into and made part of this Agreement:

Exhibit A	ORIGINAL CONTRACT

County acknowledges and agrees that the aforementioned amount is an estimated total amount and can, and is subject to, increase in accordance with the Vendor's Scope of Work Addendum, provided that the parties execute an appropriate amendment to this Agreement. The Vendor's Scope of Work Addendum shall reflect the pricing under the same terms and conditions as contained in Exhibit "A" or lower if needed but, cannot exceed the pricing listed in Exhibit "A".

3.2 All references to the Lead Contracting Agency in Exhibit "A" shall for the purpose of this Agreement be replaced with the words of "Nassau County" or "County".

In the event of any conflict between the terms of this Agreement and the terms of the Original Contract or any attachments, the terms of this Agreement shall prevail.

SECTION 4. Term of Agreement.

4.1 Notwithstanding any other provision of the Original Contract to the contrary, the term of this Agreement shall begin upon the date fully executed ("Effective Date") and end 180 days from the Effective Date.

SECTION 5. Termination for Default.

5.1 If the Vendor fails to perform any of its obligations under this Agreement, and if such default remains uncured for a period of more than fifteen (15) days after notice thereof was given in writing by the County to the Vendor, then the County may, without prejudice to any right or remedy the County may have, terminate this Agreement.

5.2 Upon termination of this Agreement, the Vendor shall immediately (1) stop work on the date specified; (2) terminate and settle all orders and subcontracts relating to the performance of the terminated work; (3) transfer all work in process, completed work, and other materials related to the terminated work to the County; and (4) render to the County all property belonging to the County, including but not limited to, equipment, books, and records. - i. In reference to any public records requested under this Agreement, the Vendor shall identify and mark specifically any information which the Vendor considers confidential and/or proprietary, inclusive of trade secrets as defined in Section 812.081, Florida Statutes, and which the Vendor believes to be exempt from disclosure, citing specifically the applicable exempting law and including a brief written explanation as to why the cited Statute is applicable to the information claimed as confidential and/or proprietary information. All materials shall be segregated and clearly identified as "EXEMPT FROM PUBLIC DISCLOSURE."
- j. The Vendor shall maintain a copy of such affidavit for the duration of the Agreement.

8.3 Compliance with the terms of the E-Verify program provision is made an express condition of this Agreement and the County may treat a failure to comply as a material breach of the Agreement. If the County terminates the Agreement pursuant to Section 448.095(2)(c), Florida Statutes, the Vendor may not be awarded a public contract for at least one (1) year after

the date on which the Agreement was terminated and the Vendor is liable for any additional costs incurred by the County as a result of the termination of this Agreement.

- v. **Article 17A** is amended to read in full as follows:

Price Decreases. Supplier agrees to immediately notify UC of any manufacturer suggested retail price (MSRP) decreases from its suppliers, and to pass through to UC any price decreases based on the discount structure in the Agreement.

- vi. **Additional Terms:**

- a. Supplier shall not be liable (i) for bodily injury (including death) or tangible property damage except to the extent caused by supplier's negligence or willful misconduct, or (ii) for loss of revenue or profit, loss or corruption of data, or special, punitive, indirect, incidental or consequential damages, arising out of this Agreement or the performance or non-performance of any services or the use of or inability to use any products, regardless of the legal theory on which a claim may be based and even if Supplier has been advised of the possibility of such damages.

Supplier's liability on any claim arising out of or related to this Agreement and any other agreements entered into in connection therewith, regardless of the legal theory on which the claim is based, shall not exceed in an aggregate amount the sum of (a) if customer purchased any products, the total purchase price paid by customer (or the leasing company if leasing) to Supplier for the products subject to the claim, and (b) as to all other liability of Supplier, charges paid or payable by customer for the products or services subject to the claim for twelve (12) months preceding the date on which the claim is made. Should customer have prepaid any amount for services subject to the claim, such amount shall be amortized over the applicable term of said services and Supplier's liability shall be limited to twelve (12) months of such amortized payments.

15. *B The UC Terms and Conditions of Equipment Lease, dated 12/15/1994 are hereby amended as follows:*

- i. **Article 2** first sentence is amended to read in full as follows: The rest of the Article remains the same.
The Goods and/or Services furnished will be exactly as specified in the Agreement, free from all defects in Supplier's performance, design, skill and materials, and, except as otherwise provided in the Agreement, will be subject to a 10-day inspection and test by UC at all times and places.
- ii. **Article 5**
 - a. The first paragraph is amended by adding the following: "In order to terminate the Agreement or an order there under due to funding non-appropriation, University must provide Supplier with written notice of the insufficient funding. The notice must certify that the canceled equipment is not being replaced by equipment performing similar functions during the ensuing fiscal year. In addition, the University will be required to return the equipment to Supplier with transportation costs borne by Supplier. The University will then be released from its obligation to make any further payments beyond those through the end of the last fiscal year for which funds have been appropriated."
 - b. The third paragraph is amended by adding the following: "In addition, upon UC's default, UC would be responsible for all amounts owed at the time of termination, plus the balance of lease payments"
- iii. **Article 11** is amended to read in full as follows: "Should the Goods and/or Services become, or in Lessor's opinion be likely to become, the subject of a claim of infringement of any patent, copyright, trademark, trade name, trade secret, or other proprietary or contractual right of any third party, Lessor will provide written notice to UC of the circumstances giving rise to such claim or likely claim. In the event that UC receives notice of a claim of infringement or is made a party to or is threatened with being made a party to any claim of infringement related to the Goods and/or Services, UC will provide Lessor with notice of such claim or threat. Following receipt of such notice, Lessor will either (at Lessor's sole election) (i) procure for UC the right to continue to use the affected portion of the Goods and/or Services, or (ii) replace or otherwise modify the affected portion of the Goods and/or Services to make them non-infringing, or obtain a reasonable substitute product for the affected portion of the Goods and/or Services, provided that any replacement, modification or substitution under this paragraph does not effect a material change in the Goods and/or Services' functionality. If none of the foregoing options is reasonably acceptable to UC, UC will have the right to terminate the Agreement without damage, penalty, cost or further obligation."
- iv. **Article 15** last sentence is amended to read in full as follows: "Service penalties associated with equipment maintenance and corresponding equipment downtime shall be as set forth in the Scope of Work."
- v. **Article 17** is amended in full to read as follows: "During the period of time that property covered by this order is in the possession of University, University (and its customers, if installed on University's customers' premises) shall take good care of the property and University shall be responsible for any loss of or damage to the property while in its possession and control, unless such damage or loss is a consequence, directly or indirectly of intentional or negligent acts or omissions of Lessor or Lessor's agents."
- vi. **Article 18** is amended with the following addition:
"Additional end of term Options – Supplier shall provide notice to UC departments at ninety (90) days and again at thirty (30) days prior to end of the initial lease term that the end of term is imminent. Except in the

case of a lease schedule containing a \$1.00 purchase option, University shall, for each order (as to an individual unit or all units provided under the order) inform Supplier in writing as to its intentions regarding renewal or return of leased equipment. In the absence of the UC department's response to Supplier in writing, Supplier may seek the assistance of the University's procurement department to obtain the written notification of renewal or return of leased equipment. Each schedule renewal approved by UC will be on a month to month basis at the same payment amount and frequency unless University, at least thirty (30) days before the end of the scheduled term of the order or any renewal term, either; (i) exercises the purchase option in accordance with the terms hereof, or; (ii) sends to Lessor or Supplier written notice that University does not want to renew the order and at the end of such term returns the respective equipment as provided below. Lessor may cancel the automatic renewal term by, at least thirty (30) days before the end of any term, sending written notice that Lessor does not want the respective order to renew. Unless the order automatically renews or University purchases the equipment as provided in the agreement, shall, at the termination of the respective schedule, return the equipment to Lessor in good operating condition. University shall at the termination of the respective lease or order, make the equipment available to Lessor for pick up. The equipment shall be in good operating condition, ordinary wear and tear resulting from proper use excepted (and if not in such condition, additional fees may apply). If, for any reason, University shall fail to make the equipment available to Lessor for pick up by the last day of the applicable term, University shall pay to Lessor upon demand, one billing period's payment (as specified in the applicable order), for each billing period, or portion thereof that such delivery is delayed."

15.C. The UC Appendix Data Security is amended as follows:

Terms and Conditions of Purchase

ARTICLE 1 – GENERAL

The equipment, materials, or supplies ("Goods") and/or services ("Services") furnished by Supplier (together, the "Goods and Services") and covered by the UC Purchase Order ("PO") and/or other agreement (which, when combined with these Terms and Conditions and any other documents incorporated by reference, will constitute the "Agreement") are governed by the terms and conditions set forth herein. As used herein, the term "Supplier" includes Supplier and its sub-suppliers at any tier. As used herein, "UC" refers to The Regents of the University of California, a corporation described in California Constitution Art. IX, Sec. 9, on behalf of the UC Locations identified in the Agreement and/or the PO. UC and Supplier individually will be referred to as "Party" and collectively as "Parties." Any defined terms not defined in these Terms and Conditions of Purchase will have the meaning ascribed to such term in any of the other documents incorporated in and constituting the Agreement. No other terms or conditions will be binding upon the Parties unless accepted by them in writing. Written acceptance or shipment of all or any portion of the Goods, or the performance of all or any portion of the Services, covered by the Agreement, will constitute Supplier's unqualified acceptance of all of the Agreement's terms and conditions. The terms of any proposal referred to in the Agreement are included and made a part of the Agreement only to the extent the proposal specifies the Goods and/or Services ordered, the price therefor, and the delivery thereof, and then only to the extent that such terms are consistent with the terms and conditions of the Agreement.

ARTICLE 2 – TERM AND TERMINATION

- A. As applicable, the term of the Agreement ("Initial Term") will be stated in the Agreement. Following the Initial Term, the Agreement may be extended by written mutual agreement.
- B. UC's obligation to proceed is conditioned upon the appropriation of state, federal and other sources of funds not controlled by UC ("Funding"). UC will have the right to terminate the Agreement without damage, penalty, cost or further obligation in the event that through no action or inaction on the part of UC, the Funding is withdrawn.
- C. UC may, by written notice stating the extent and effective date thereof, terminate the Agreement for convenience in whole or in part, at any time. The effective date of such termination shall be consistent with any requirements for providing notice specified in the Agreement, or immediate if no such terms are set forth in the Agreement. As specified in the termination notice, UC will pay Supplier as full compensation the pro rata Agreement price for performance through the later of the date that (i) UC provided Supplier with notice of termination or (ii) Supplier's provision of Goods and/or Services will terminate.
- D. UC may by written notice terminate the Agreement for Supplier's breach of the Agreement, in whole or in part, at any time, if Supplier refuses or fails to comply with the provisions of the Agreement, or so fails to make progress as to endanger performance and does not cure such failure within five (5) business days, or fails to supply the Goods and/or Services within the time specified or any written extension thereof. In such event, UC may purchase or otherwise secure Goods and/or Services and, except as otherwise provided herein, Supplier will be liable to UC for any excess costs UC incurs thereby.
- E. UC's Appendix – Data Security, Appendix – BAA, and/or Appendix – GDPR will control in the event that one or more appendices are incorporated into the Agreement and conflicts with the provisions of this Article.

ARTICLE 3 – PRICING, INVOICING METHOD, AND SETTLEMENT METHOD AND TERMS.

Pricing is set forth in the Agreement or Purchase Order, and the amount UC is charged and responsible for shall not exceed the amount specified in the Agreement unless UC has given prior written approval. Unless otherwise agreed in writing by UC, Supplier will use the invoicing method and payment settlement method (and will extend the terms applicable to such settlement method) set forth in UC's Supplier Invoicing, Terms & Settlement Matrix. UC will pay Supplier, upon submission of acceptable invoices, for Goods and/or Services provided and accepted. Invoices must be itemized and reference the Agreement or Purchase Order number. UC will not pay shipping, packaging or handling expenses, unless specified in the Agreement or Purchase Order. Unless otherwise provided, freight is to be FOB destination. Any of Supplier's expenses that UC agrees to reimburse will be reimbursed under UC's Travel Policy, which may be found at <http://www.ucop.edu/central-travel-management/resources/index.html>. Where applicable, Supplier will pay all taxes imposed on Supplier in connection with its performance under the Agreement, including any federal, state and local income, sales, use, excise and other taxes or assessments. Notwithstanding any other provision to the contrary, UC will not be responsible for any fees, interest or surcharges Supplier wishes to impose.

UNIVERSITY OF CALIFORNIA

Terms and Conditions of Purchase

ARTICLE 4 – INSPECTION.

The Goods and/or Services furnished will be exactly as specified in the Agreement, free from all defects in Supplier's performance, design, skill and materials, and, except as otherwise provided in the Agreement, will be subject to inspection and test by UC at all times and places. If, prior to final acceptance, any Goods and/or Services furnished are found to be incomplete, or not as specified, UC may reject them, require Supplier to correct them at the sole cost of Supplier, or require provision of such Goods and/or Services at a reduction in price that is equitable under the circumstances. If Supplier is unable or refuses to correct such deficiencies within a time UC deems reasonable, UC may terminate the Agreement in whole or in part. Supplier will bear all risks as to rejected Goods and/or Services and, in addition to any costs for which Supplier may become liable to UC under other provisions of the Agreement, will reimburse UC for all transportation costs, other related costs incurred, or payments to Supplier in accordance with the terms of the Agreement for unaccepted Goods and/or Services and materials and supplies incidental thereto. Notwithstanding final acceptance and payment, Supplier will be liable for latent defects, fraud or such gross mistakes as amount to fraud.

ARTICLE 5 – ASSIGNED PERSONNEL; CHARACTER OF SERVICES

Supplier will provide the Services as an independent contractor and furnish all equipment, personnel and materiel sufficient to provide the Services expeditiously and efficiently, during as many hours per shift and shifts per week, and at such locations as UC may so require. Supplier will devote only its best-qualified personnel to work under the Agreement. Should UC inform Supplier that anyone providing the Services is not working to this standard, Supplier will immediately remove such personnel from providing Services and he or she will not Oagain, without UC's written permission, be assigned to provide Services. At no time will Supplier or Supplier's employees, sub-suppliers, agents, or assigns be considered employees of UC for any purpose, including but not limited to workers' compensation provisions. Supplier shall not have the power nor right to bind or obligate UC, and Supplier shall not hold itself out as having such authority. Supplier shall be responsible to UC for all Services performed by Supplier's employees, agents and subcontractors, including being responsible for ensuring payment of all unemployment, social security, payroll, contributions and other taxes with respect to such employees, agents and subcontractors.

ARTICLE 6 – WARRANTIES

In addition to the warranties set forth in Articles 11, 12, 17, 23, 24, 25 and 26 herein, Supplier makes the following warranties. Supplier acknowledges that failure to comply with any of the warranties in the Agreement will constitute a material breach of the Agreement and UC will have the right to terminate the Agreement without damage, penalty, cost or further obligation.

- A. General Warranties. The rights and remedies so provided are in addition to and do not limit any rights afforded to UC by any other article of the Agreement.
- B. Permits and Licenses. Supplier agrees to procure all necessary permits or licenses and abide by all applicable laws, regulations and ordinances of the United States and of the state, territory and political subdivision or any other country in which the Goods and/or Services are provided.
- C. Federal and State Water and Air Pollution Laws. Where applicable, Supplier warrants that it complies with the requirements in UC Business and Finance Bulletin BUS-56 (Materiel Management; Purchases from Entities Violating State or Federal Water or Air Pollution Laws). Consistent with California Government Code 4477, these requirements do not permit UC to contract with entities in violation of Federal or State water or air pollution laws.

Additionally, Supplier warrants that no work will be performed under the Agreement with workers outside the United States, except as described in Supplier's bid. If Supplier or its sub-supplier performs the Agreement with workers outside the United States during the life of the Agreement and Supplier did not describe such work in its bid, Supplier acknowledges and agrees that (i) UC may terminate the Agreement without further obligation for noncompliance, and (ii) Supplier will forfeit to UC the amount UC paid for the percentage of work that was performed with workers outside the United States and not described in Supplier's bid.

ARTICLE 7 – INTELLECTUAL PROPERTY, COPYRIGHT, PATENTS, AND DATA RIGHTS

- A. Goods and/or Services Involving Work Made for Hire.
1. Unless UC indicates that the Goods and/or Services do not involve work made for hire, Supplier acknowledges and agrees that any deliverables provided to UC by Supplier in the performance of the Agreement, and any intellectual property rights therein, (hereinafter the "Deliverables") will be owned by UC. The Deliverables will be considered "work made for hire" under U.S. copyright law and all right, title, and interest to and in such Deliverables including, but not limited to, any and all copyrights or trademarks, will be owned by UC. In the event that it is determined that UC is not the owner of such Deliverables under the "work made for hire" doctrine of U.S. copyright law, Supplier hereby irrevocably assigns to UC all right, title, and interest to and in such Deliverables and any copyrights or trademarks thereto.
 2. The Deliverables must be new and original. Supplier must not use any pre-existing copyrightable or trademarked images, writings, or other proprietary materials (hereinafter "Pre-Existing Materials") in the Deliverables without UC's prior written permission. In the event that Supplier uses any Pre-Existing Materials in the Deliverables in which Supplier has an ownership interest, UC is hereby granted, and will have, a non-exclusive, royalty-free, irrevocable, perpetual, paid-up, worldwide license (with the right to sublicense) to make, have made, copy, modify, make derivative works of, use, perform, display publicly, sell, and otherwise distribute such Pre-Existing Materials in connection with the Deliverables.
 3. Whenever any invention or discovery is made or conceived by Supplier in the course of or in connection with the Agreement, Supplier will promptly furnish UC with complete information with respect thereto and UC will have the sole power to determine whether and where a patent application will be filed and to determine the disposition of title to and all rights under any application or patent that may result.
 4. Supplier is specifically subject to an obligation to, and hereby does, assign all right, title and interest in any such intellectual property rights to UC as well as all right, title and interest in tangible research products embodying any such inventions whether the inventions are patentable or not. Supplier agrees to promptly execute any additional documents or forms that UC may require in order to effectuate such assignment.
- B. Goods and/or Services Not Involving Work Made for Hire.

UNIVERSITY OF CALIFORNIA

Terms and Conditions of Purchase

1. If the Goods and/or Services do not involve work made for hire, and in the event that Supplier uses any Pre-Existing Materials in the Deliverables in which Supplier has an ownership interest, UC is hereby granted, and will have, a non-exclusive, royalty-free, irrevocable, perpetual, paid-up, worldwide license (with the right to sublicense) to make, have made, copy, modify, make derivative works of, use, perform, display publicly, sell, and otherwise distribute such Pre-Existing Materials in connection with the Deliverables.
 2. The Deliverables must be new and original. Supplier must not use any Pre-Existing Materials in the Deliverables without UC's prior written permission.
 3. Whenever any invention or discovery is made or conceived by Supplier in the course of or in connection with the Agreement, Supplier will promptly furnish UC complete information with respect thereto and UC will have the sole power to determine whether and where a patent application will be filed and to determine the disposition of title to and all rights under any application or patent that may result.

- C. General. Should the Goods and/or Services become, or in Supplier's opinion be likely to become, the subject of a claim of infringement of any patent, copyright, trademark, trade name, trade secret, or other proprietary or contractual right of any third party, Supplier will provide written notice to UC of the circumstances giving rise to such claim or likely claim. In the event that UC receives notice of a claim of infringement or is made a party to or is threatened with being made a party to any claim of infringement related to the Goods and/or Services, UC will provide Supplier with notice of such claim or threat. Following receipt of such notice, Supplier will either (at Supplier's sole election) (i) procure for UC the right to continue to use the affected portion of the Goods and/or Services, or (ii) replace or otherwise modify the affected portion of the Goods and/or Services to make them non-infringing, or obtain a reasonable substitute product for the affected portion of the Goods and/or Services, provided that any replacement, modification or substitution under this paragraph does not effect a material change in the Goods and/or Services' functionality. If none of the foregoing options is reasonably acceptable to UC, UC will have the right to terminate the Agreement without damage, penalty, cost or further obligation.
- D. UC Rights to Institutional Information. Institutional Information shall belong exclusively to UC and unless expressly provided, this Agreement shall not be construed as conferring on Supplier any patent, copyright, trademark, license right or trade secret owned or obtained by UC. Any right for Supplier to use Institutional Information is solely provided on a non-exclusive basis, and only to the extent required for Supplier to provide the Goods or Services under the Agreement. As used herein, "Institutional Information" means any information or data created, received, and/or collected by UC or on its behalf, including but not limited to application logs, metadata and data derived from such data.

ARTICLE 8 – INDEMNITY AND LIABILITY

UC agrees to provide Supplier with prompt notice of any such claim or action and to permit Supplier to defend any claim or action, and that UC will cooperate fully in such defense. UC retains the right to participate in the defense against any such claim or action, and the right to consent to any settlement, which consent will not unreasonably be withheld.

In the event Appendix DS applies to this Agreement, Supplier shall reimburse or otherwise be responsible for any costs, fines or penalties imposed against UC as a result of Supplier's Breach of Institutional Information and/or failure to cooperate with UC's response to such Breach. As used herein, "Breach" means: (1) any disclosure of Institutional Information to an unauthorized party or in an unlawful manner; (2) unauthorized or unlawful acquisition of information that compromises the security, confidentiality or integrity of Institutional Information and/or IT Resources; and (3) the acquisition, access, use, or disclosure of Protected Health Information or medical information in a manner not permitted under the Health Insurance Portability and Accountability Act (HIPAA) or California law. Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).
 3. Byrd Anti-Lobbying. Supplier certifies that it will not, and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352.
 4. Procurement of Recovered Materials. If Supplier is a state agency or agency of a political subdivision of a state, then Supplier must comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act.
- D. In these provisions, the term "contractor" as used therein will refer to Supplier, and the terms "Government" or "Contracting Officer" as used therein will refer to UC. Where a purchase of items is for fulfillment of a specific U.S. Government prime or subcontract, additional information and/or terms and conditions may be included in an attached supplement. 1. Neither Supplier nor its principals are presently debarred, suspended, or proposed for debarment by the U.S. government (see FAR 52.209-6);
 2. Supplier has filed all compliance reports required by the Equal Opportunity clause (see FAR 52.222-22); and

Supplier will abide by the requirements set forth in Executive Orders 11246 and 11375. Where applicable, Supplier will comply with 41 CFR §§ 60-1.4(a), 60-300.5(a) and 60-741.5(a), incorporated by reference with this statement: **"This contractor and subcontractor shall abide by the requirements of 41 CFR §§ 60-1.4(a), 60-300.5(a) and 60-741.5(a). These regulations prohibit discrimination against qualified individuals based on their status as protected veterans or individuals with disabilities, and prohibit discrimination against all individuals based on their race, color, religion, sex, sexual orientation, gender identity, or national origin. Moreover, these regulations require that covered prime contractors and subcontractors take affirmative action to employ and advance in employment individuals without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, protected veteran status or disability."** With respect to activities occurring in the State of California, Supplier agrees to adhere to the California Fair Employment and Housing Act. Supplier will provide UC on request a breakdown of its labor force by groups as specified by UC, and will discuss with UC its policies and practices relating to its affirmative action programs. ARTICLE 14 – PREMISES WHERE SERVICES ARE PROVIDED

- A. Cleaning Up. Supplier will at all times keep UC premises where the Services are performed and adjoining premises free from accumulations of waste material or rubbish caused by its employees or work of any of its sub-suppliers, and, at the completion of the Services; will remove all rubbish from and about the premises and all its tools, scaffolding, and surplus materials, and will leave the premises "broom clean" or its equivalent, unless more exactly specified. In case of dispute between Supplier and its sub-suppliers as to responsibility for the removal of the rubbish, or if it is not promptly removed, UC may remove the rubbish and charge the cost to Supplier.
- B. Environmental, Safety, Health and Fire Protection. Supplier will take all reasonable precautions in providing the Goods and Services to protect the health and safety of UC employees and members of the public and to minimize danger from all hazards to life and property, and will comply with all applicable environmental protection, health, safety, and fire protection regulations and requirements (including reporting requirements). In the event that Supplier fails to comply with such regulations and requirements, UC may, without prejudice to any other legal or contractual rights of UC, issue an order stopping all or any part of the provision of the Goods and/or Services; thereafter a start order for resumption of providing the Goods and/or Services may be issued at UC's discretion. Supplier will take all reasonable measures and precautions at all times to prevent injuries to or the death of any of its employees or any other person who enters upon UC premises at Supplier's request. Such measures and precautions will include, but will not be limited to, all safeguards and warnings necessary to protect workers and others against any conditions on the premises that could be dangerous and to prevent accidents of any kind whenever the Goods and/or Services are being provided in proximity to any moving or operating machinery, equipment or facilities, whether such machinery, equipment or facilities are the property of or are being operated by, Supplier, its sub-suppliers, UC or other persons. To the extent compliance is required, Supplier will comply with all relevant UC safety rules and regulations when on UC premises.

Supplier assumes complete liability for any materials UC furnishes to Supplier in connection with the Agreement and Supplier agrees to pay for any UC materials Supplier damages or otherwise is not able to account for to UC's satisfaction. UC furnishing to Supplier any materials in connection with the Agreement will not, unless otherwise expressly provided in writing by UC, be construed to vest title thereto in Supplier.

ARTICLE 16 – COOPERATION

Supplier and its sub-suppliers, if any, will cooperate with UC and other suppliers and will so provide the Services that other cooperating suppliers will not be hindered, delayed or interfered with in the progress of their work, and so that all of such work will be a finished and complete job of its kind.

UNIVERSITY OF CALIFORNIA

Terms and Conditions of Purchase

- D. Changes. Notwithstanding the terms in Article 34, Amendments, UC may make changes within the general scope of the Agreement in drawings and specifications for specially manufactured Goods, place of delivery, method of shipment or packing of the Agreement by giving notice to Supplier and subsequently confirming such changes in writing. If such changes affect the cost of or the time required for performance of the Agreement, UC and Supplier will agree upon an equitable adjustment in the price and/or delivery terms. Supplier may not make changes without UC's written approval. Any claim of Supplier for an adjustment under the Agreement must be made in writing within thirty (30) days from the date Supplier receives notice of such change unless UC waives this condition in writing. Nothing in the Agreement will excuse Supplier from proceeding with performance of the Agreement as changed hereunder. Supplier may not alter or misbrand, within the meaning of the applicable Federal and State laws, the Goods furnished.
- E. Forced, Convict and Indentured Labor. Supplier warrants that no foreign-made Goods furnished to UC pursuant to the Agreement will be produced in whole or in part by forced labor, convict labor, or indentured labor under penal sanction. If UC determines that Supplier knew or should have known that it was breaching this warranty, UC may, in addition to terminating the Agreement, remove Supplier from consideration for UC contracts for a period not to exceed one year. This warranty is in addition to any applicable warranties in Articles 6 and 11.
- F. Export Control. Supplier agrees to provide UC (the contact listed on the Purchase Order) with written notification that identifies the export-controlled Goods and such Goods' export classification if any of the Goods is export-controlled under the International Traffic in Arms Regulations (ITAR) (22 CFR §§ 120-130), the Export Administration Regulations (15 CFR §§ 730-774) 500 or 600 series, or controlled on a military strategic goods list. Supplier agrees to provide UC (the contact listed on the Purchase Order) with written notification if Supplier will be providing information necessary for the operation, installation (including on-site installation), maintenance (checking), repair, overhaul, and refurbishing of the Goods that is beyond a standard user manual (i.e. "Use" technology as defined under the EAR 15 CFR § 772.1), or "Technical Data" (as defined under the ITAR 22 CFR § 120.10).

ARTICLE 18 – CONFLICT OF INTEREST

Supplier affirms that, to the best of Supplier's knowledge, no UC employee who has participated in UC's decision-making concerning the Agreement has an "economic interest" in the Agreement or Supplier. A UC employee's "economic interest" means:

- A. An investment worth \$2,000 or more in Supplier or its affiliate;
- B. A position as director, officer, partner, trustee, employee or manager of Supplier or its affiliate;
- C. Receipt during the past 12 months of \$500 in income or \$440 in gifts from Supplier or its affiliate; or
- D. A personal financial benefit from the Agreement in the amount of \$250 or more.

In the event of a change in these economic interests, Supplier will provide written notice to UC within thirty (30) days after such change, noting such changes. Supplier will not be in a reporting relationship to a UC employee who is a near relative, nor will a near relative be in a decision making position with respect to Supplier.

ARTICLE 19 – AUDIT REQUIREMENTS

The Agreement, and any pertinent records involving transactions relating to this Agreement, is subject to the examination and audit of the Auditor General of the State of California or Comptroller General of the United States or designated Federal authority for a period of up to five (5) years after final payment under the Agreement. UC, and if the underlying grant, cooperative agreement or federal contract so provides, the other contracting Party or grantor (and if that be the United States or an instrumentality thereof, then the Comptroller General of the United States) will have access to and the right to examine Supplier's pertinent books, documents, papers, and records involving transactions and work related to the Agreement until the expiration of five (5) years after final payment under the Agreement. The examination and audit will be confined to those matters connected with the performance of the Agreement, including the costs of administering the Agreement.

ARTICLE 20 – PROHIBITION ON UNAUTHORIZED USE OR DISCLOSURE OF INSTITUTIONAL INFORMATION

- A. Prohibition on Access, Use and Disclosure of Institutional Information. Supplier will not access, use or disclose Institutional Information, other than to carry out the purposes for which UC disclosed the Institutional Information to Supplier, except as required by applicable law, or as otherwise authorized in writing by UC prior to Supplier's disclosure. Supplier shall have the limited right to disclose Institutional Information to Supplier's employees provided that: (i) Supplier shall disclose only such Institutional Information as is necessary for the Supplier to perform its obligations under this Agreement, and (ii) Supplier informs such employees of the obligations governing the access, use and disclosure of Institutional Information prior to Supplier's disclosure. - B. Compliance with Applicable Laws and Industry Best Practices. Supplier agrees to comply with all applicable state, federal, and foreign laws, as well as industry best practices, governing the collection, access, use, disclosure, safeguarding and destruction of Institutional Information. - C. Confidential Institutional Information. Supplier agrees to hold UC's Confidential Institutional Information, and any information derived therefrom, in strict confidence. Confidential Institutional Information shall be defined as any Institutional Information which is (i) marked as "Confidential" at the time of disclosure; (ii) if disclosed orally, identified at the time of such oral disclosure as confidential, and reduced to writing as "Confidential" within thirty (30) days of such oral disclosure; and (iii) if not marked as "Confidential," information that would be considered by a reasonable person in the relevant field to be confidential given its content and the circumstances of its disclosure. Confidential Information will not be considered confidential to the extent that: (i) Supplier can demonstrate by written records was known to Supplier prior to the effective date of the Agreement; (ii) is currently in, or in the future enters, the public domain other than through a breach of the Agreement or through other acts or omissions of Supplier; (iii) is obtained lawfully from a third party; or (iv) is disclosed under the California Public Records Act or legal process. For the avoidance of doubt, as applicable to Supplier's Services, Confidential Institutional Information may include any information that identifies or is capable of identifying a specific individual, including but not limited to:
 - 1. Personally identifiable information,
 - 2. Protected Health Information as defined by the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and the HIPAA regulations (including, but not limited to 45 C.F.R. § 160.103),
 - 3. Medical information as defined by California Civil Code § 56.05,
 - 4. Cardholder data,
 - 5. Student records, or
 - 6. Individual financial information that is subject to laws restricting the use and disclosure of such information, including but not limited to:
 - a. Article 1, Section 1 of the California Constitution; the California Information Practices Act (Civil Code § 1798 *et seq.*);
 - b. The federal Gramm-Leach-Bliley Act (15 U.S.C. §§ 6801(b) and 6805(b)(2));

 - f. Applicable international privacy laws, including, but not limited to the General Data Protection Regulation.
- D. Required Disclosures of Institutional Information. If Supplier is required by a court of competent jurisdiction or an administrative body to disclose Institutional Information, Supplier will notify UC in writing immediately upon receiving notice of such requirement and prior to any such disclosure (unless Supplier is prohibited by law from doing so), to give UC an opportunity to oppose or otherwise respond to such disclosure. To the extent Supplier still required to disclose Institutional Information, Supplier will furnish only that portion that is legally required and will exercise all reasonable efforts to obtain reliable assurance that confidential treatment will be afforded to any Confidential Institutional Information.
- E. No Offshoring. Supplier's transmission, transportation or storage of Institutional Information outside the United States, or access of Institutional Information from outside the United States, is prohibited except with prior written authorization by UC.
- F. Conflict in Terms. UC's Appendix – Data Security, Appendix – BAA, and/or Appendix GDPR will control in the event that one or more appendices is incorporated into the Agreement and conflicts with the provisions of this Article.
- G. Acknowledgement. Supplier acknowledges that remedies at law would be inadequate to protect UC against any actual or threatened breach of this Section by Supplier, and, without prejudice to any other rights and remedies otherwise available to UC, Supplier agrees to the granting of injunctive relief in UC's favor without proof of actual damages.

ARTICLE 22 – SUSTAINABLE PROCUREMENT GUIDELINES

Supplier will conduct business using environmentally, socially, and economically sustainable products and services (defined as products and services with a lesser or reduced effect on human health and the environment, and which generate benefits to the University as well as to society and the economy, while remaining within the carrying capacity of the environment), to the maximum possible extent consistent with the Agreement, and with the University of California Sustainable Practices Policy (<https://policy.ucop.edu/doc/3100155>) and the University of California Sustainable Procurement Guidelines:

(<https://www.ucop.edu/procurement-services/files/sustainableprocurementguidelines.pdf>).

In accordance with the University of California Sustainable Practices Policy, Supplier will adhere to the following requirements and standards, as applicable. Supplier acknowledges that failure to comply with any of the sustainability standards and requirements in the Agreement will constitute a material breach of the Agreement and UC will have the right to terminate the Agreement without damage, penalty, cost or further obligation.

- A. Sustainability Marketing Standards. Supplier sustainability related claims, where applicable, must meet UC recognized certifications and standards set forth in the UC Sustainable Procurement Guidelines and/or meet the standards of Federal Trade Commission's (FTC) Green Guides.
- B. Electronic Transfer of Supplier Information. Suppliers, when interacting with the UC, shall be prohibited from providing hard copies of presentations, marketing material, or other informational materials. Suppliers will be required to present all information in electronic format that is easily transferable to UC staff. Materials may be provided in hard copy or physical format if specifically required or requested by a UC representative.
- C. Packaging Requirements. All packaging must be compliant with the Toxics in Packaging Prevention Act (AB 455) and must meet all additional standards and requirements set forth in the UC Sustainable Practices Policy. In addition, UC requires that all packaging meet at least one of the criteria listed below:
 1. Uses bulk packaging;
 2. Uses reusable packaging (e.g. totes reused by delivery service for next delivery);
 3. Uses innovative packaging that reduces the weight of packaging, reduces packaging waste, or utilizes packaging that is a component of the product;
 4. Maximizes recycled content and/or meets or exceeds the minimum post-consumer content level for packaging in the U.S. Environmental Protection Agency Comprehensive Procurement Guidelines;
 5. Uses locally recyclable or certified compostable material.
- D. Foodservice Foam Ban. As of 2018, the University no longer allows packaging foam or expanded polystyrene (EPS) for takeaway containers or other food service items, in any University-owned or -operated food service facility.
- E. Product Packaging Foam Ban. Beginning January 1st, 2020, the University will prohibit all contracted and non-contracted suppliers from selling or distributing packaging foam (other than that utilized for laboratory supply or medical packaging) to UC campuses. Packaging foam is defined as any open or closed cell, solidified, polymeric foam used for cushioning or packaging, including but not limited to: low-density polyethylene foam, polypropylene foam, polystyrene foam (i.e. expanded polystyrene (EPS)), polyurethane foam, polyethylene foam, polyvinyl chloride (PVC) foam, and microcellular foam. Not included in this ban are easily biodegradable, plant-based foams such as those derived from corn or mushrooms.
- F. E-Waste Recycling Requirements. All recyclers of UC electronic equipment must be e-Steward certified by the Basel Action Network (BAN).
- G. Hosted and Punch-out Catalog Requirements. Suppliers enabled with eProcurement hosted catalog functionality must clearly identify products with UC-recognized certifications, as defined by the UC Sustainable Procurement Guidelines, in both hosted and punch-out catalog e-procurement environments.

ARTICLE 23 – PATIENT PROTECTION AND AFFORDABLE CARE ACT (PPACA) EMPLOYER SHARED RESPONSIBILITY

If the Services involve Supplier furnishing UC with temporary or supplementary staffing, Supplier warrants that:

- A. If Supplier is an Applicable Large Employer (as defined under Treasury Regulation Section 54.4980H-1(a)(4)):
 1. Supplier offers health coverage to its full-time employees who are performing Services for UC;
 2. Supplier's cost of enrolling such employees in Supplier's health plan is factored into the fees for the Services; and
 3. The fees for the Services are higher than what the Services would cost if Supplier did not offer health coverage to such full-time employees.

UNIVERSITY OF CALIFORNIA

Terms and Conditions of Purchase

- B. If Supplier is not an Applicable Large Employer (as defined above):
1. Supplier offers group health coverage to its full-time employees who are performing Services for UC and such coverage is considered Minimum Essential Coverage (as defined under Treasury Regulation Section 1-5000A-2) and is Affordable (as defined under Treasury Regulation Section 54.4980H-5(e)); or
 2. Supplier's full-time employees who are performing services for UC have individual coverage and such coverage satisfies the PPACA requirements for mandated individual coverage.

Supplier acknowledges that UC is relying on these warranties to ensure UC's compliance with the PPACA Employer Shared Responsibility provision.

ARTICLE 24 - PREVAILING WAGES

Unless UC notifies Supplier that the Services are not subject to prevailing wage requirements, Supplier will comply, and will ensure that all sub-suppliers comply, with California prevailing wage provisions, including but not limited to those set forth in Labor Code sections 1770, 1771, 1771.1, 1772, 1773, 1773.1, 1774, 1775, 1776, 1777.5, and 1777.6. For purposes of the Agreement, the term "sub-supplier" means a person or firm, of all tiers, that has a contract with Supplier or with a sub-supplier to provide a portion of the Services. The term sub-supplier will not include suppliers, manufacturers, or distributors. Specifically, and not by way of limitation, if apprenticeable occupations are involved in providing the Services, Supplier will be responsible for ensuring that Supplier and any sub-suppliers comply with Labor Code Section 1777.5. Supplier and sub-supplier may not provide the Services unless currently registered and qualified to perform public work pursuant to Labor Code Section 1725.5 and 1771.1. Notwithstanding the foregoing provisions, Supplier will be solely responsible for tracking and ensuring proper payment of prevailing wages regardless if Services are partially or wholly subject to prevailing wage requirements. In every instance, Supplier will pay not less than the UC Fair Wage (defined as \$13 per hour as of 10/1/15, \$14 per hour as of 10/1/16, and \$15 per hour as of 10/1/17) for Services being performed at a UC Location (defined as any location owned or leased by UC).

The California Department of Industrial Relations (DIR) has ascertained the general prevailing per diem wage rates in the locality in which the Services are to be provided for each craft, classification, or type of worker required to provide the Services. A copy of the general prevailing per diem wage rates will be on file at each UC Location's procurement office, and will be made available to any interested party upon request. Supplier will post at any job site:

- A. Notice of the general prevailing per diem wage rates, and
- B. Any other notices required by DIR rule or regulation.

By this reference, such notices are made part of the Agreement. Supplier will pay not less than the prevailing wage rates, as specified in the schedule and any amendments thereto, to all workers employed by Supplier in providing the Services. Supplier will cause all subcontracts to include the provision that all sub-suppliers will pay not less than the prevailing rates to all workers employed by such sub-suppliers in providing the Services. The Services are subject to compliance monitoring and enforcement by the DIR. Supplier will forfeit, as a penalty, not more than \$200 for each calendar day or portion thereof for each worker that is paid less than the prevailing rates as determined by the DIR for the work or craft in which the worker is employed for any portion of the Services provided by Supplier or any sub-supplier. The amount of this penalty will be determined pursuant to applicable law. Such forfeiture amounts may be deducted from the amounts due under the Agreement. If there are insufficient funds remaining in the amounts due under the Agreement, Supplier will be liable for any outstanding amount remaining due. Supplier will also pay to any worker who was paid less than the prevailing wage rate for the work or craft for which the worker was employed for any portion of the Services, for each day, or portion thereof, for which the worker was paid less than the specified prevailing per diem wage rate, an amount equal to the difference between the specified prevailing per diem wage rate and the amount which was paid to the worker. Review of any civil wage and penalty assessment will be made pursuant to California Labor Code section 1742.

ARTICLE 25 – FAIR WAGE/FAIR WORK

If the Agreement is for Services that will be performed at one or more UC Locations, does not solely involve furnishing Goods, and are not subject to extramural awards containing sponsor-mandated terms and conditions, Supplier warrants that it is in compliance with applicable federal, state and local working conditions requirements, including but not limited to those set forth in Articles 11, 12 and 14 herein, and that Supplier pays its employees performing the Services no less than the UC Fair Wage. Supplier agrees UC may conduct such UC Fair Wage/Fair Work interim compliance audits as UC reasonably requests, as determined in UC's sole discretion. Supplier agrees to post UC

Terms and Conditions of Purchase

Fair Wage/Fair Work notices, in the form supplied by UC, in public areas (such as break rooms and lunch rooms) frequented by Supplier employees who perform Services.

For Services rendered (actual spend) not subject to prevailing wage requirements in excess of \$100,000 in a year (under the Agreement or any combination of agreements for the same service), Supplier will (i) at Supplier's expense, provide an annual independent verification (<https://www.ucop.edu/procurement-services/for-suppliers/fwfw-resources-suppliers.html>) performed by a licensed public accounting firm (independent accountant) or the Supplier's independent internal audit department (<http://na.theiia.org/standards-guidance/topics/Pages/Independence-and-Objectivity.aspx>) in compliance with UC's required verification standards and procedures (<https://www.ucop.edu/procurement-services/for-suppliers/fwfw-resources-suppliers.html>), concerning Supplier's compliance with this provision, and (ii) ensure that in the case of a UC interim audit, its independent accountant/independent internal auditor makes available to UC its UC Fair Wage/Fair Work work papers for the most recent verification period. Supplier agrees to provide UC with a UC Fair Wage/Fair Work verification annually, in a form acceptable to UC, no later than ninety days after the end of the 12-month period in which \$100,000 in spend is reached.

The Fair Wage Fair Work annual independent verification requirement does not extend to contracts for professional services or consulting for which pre-certification has been provided to UC (<https://www.ucop.edu/procurement-services/for-suppliers/fwfw-resources-suppliers.html>). Please see the UC Procurement/Supply Chain Management Policy BUS-43 (<https://www.ucop.edu/procurement-services/policies-forms/business-and-finance/index.html>) for the definition of professional services and consulting.

ARTICLE 26 – MEDICAL DEVICES

This Article applies when the Goods and/or Services involve UC purchasing or leasing one or more medical devices from Supplier, or when Supplier uses one or more medical devices in providing Goods and/or Services to UC.

Medical Device as used herein will have the meaning provided by the U.S. Food and Drug Administration ("FDA") and means an instrument, apparatus, implement, machine, contrivance, implant, in vitro reagent, or other similar or related article, including a component part, or accessory which is: (i) recognized in the official National Formulary, or the United States Pharmacopoeia, or any supplement to them; (ii) intended for use in the diagnosis of disease or other conditions, or in the cure, mitigation, treatment, or prevention of disease, in humans or other animals, or (iii) intended to affect the structure or any function of the body of humans or other animals, and which does not achieve any of its primary intended purposes through chemical action within or on the body of humans or other animals and which is not dependent upon being metabolized for the achievement of any of its primary intended purposes.

Supplier warrants that prior to UC's purchase or lease of any Medical Device or Supplier's use of any Medical Device in providing Goods and/or Services hereunder, Supplier will: (i) perform security testing and validation for each such Goods and/or Services or Medical Device, as applicable; (ii) perform security scans to detect malware on any software embedded within any Goods and/or Services or Medical Device, as applicable, in order to verify that the software does not contain any known malware; (iii) conduct a vulnerability scan encompassing all ports and fuzz testing; and (iv) provide UC with reports for (i) – (iii). Supplier warrants that any Good or Medical Device is compliant with FDA's most current guidance or regulation for the quality system related to the cybersecurity and the Management of Cybersecurity in Medical Devices, and that Supplier will maintain compliance with any updates to such guidance or regulations.

Throughout Supplier's performance of this Agreement, Supplier will provide UC with reasonably up-to-date patches, firmware and security updates for any Medical Device provided to UC, and any other Medical Device used in the course of providing Services, as applicable. All such patches and other security updates will be made available to UC within thirty (30) days of its commercial release or as otherwise recommended by Supplier or Supplier's sub-supplier, whichever is earlier.

Supplier warrants that all software and installation media not specifically required for any Medical Device used by Supplier or Goods and/or Services delivered to UC under this Agreement as well as files, scripts, messaging services and data will be removed from all such Goods and/or Services or Medical Device following installation, and that all hardware ports and drivers not required for use or operation of such Goods and/or Services or Medical Device will be disabled at time of installation. UNIVERSITY OF CALIFORNIA

Terms and Conditions of Purchase

Supplier agrees that UC may take any and all actions that it, in its sole discretion, deems necessary to address, mitigate and/or rectify any real or potential security threat, and that no such action, to the extent such action does not compromise device certification, will impact, limit, reduce or negate Supplier's warranties or any of Supplier's other obligations hereunder.

Supplier warrants that any Medical Device provided to UC, and any other Medical Device used in the course of providing such Goods and/or Services, meet and comply with all cyber-security guidance and similar standards promulgated by the FDA and any other applicable regulatory body.

If the Goods and/or Services entail provision or use of a Medical Device, Supplier will provide UC with a completed Manufacturer Disclosure Statement for Medical Device Security (MDS2) form for each such Medical Device before UC is obligated to purchase or lease such Medical Device or prior to Supplier's use of such device in its performance of Services. If Supplier provides an MDS2 form to UC concurrently with its provision of Goods and/or Services, UC will have a reasonable period of time to review such MDS2 form, and if the MDS2 form is unacceptable to UC, then UC in its sole discretion may return the Goods or terminate the Agreement with no further obligation to Supplier.

ARTICLE 32 – SEVERABILITY

If a provision of the Agreement becomes, or is determined to be, illegal, invalid, or unenforceable, that will not affect the legality, validity or enforceability of any other provision of the Agreement or of any portion of the invalidated provision that remains legal, valid, or enforceable.

ARTICLE 33 – WAIVER

Waiver or non-enforcement by either Party of a provision of the Agreement will not constitute a waiver or non-enforcement of any other provision or of any subsequent breach of the same or similar provision.

ARTICLE 34 – AMENDMENTS

The Parties may make changes in the Goods and/or Services or otherwise amend the Agreement, but only by a writing signed by both Parties' authorized representatives. Covered Services, for the purpose of this Agreement, are defined as work customarily performed by bargaining unit employees at the University in the categories of services described in Regents Policy 5402, and American Federation of State, County, and Municipal Employees (AFSCME) Collective Bargaining Agreement Article 5. Covered Services include, but are not necessarily limited to, the following services: cleaning, custodial, janitorial, or housekeeping services; food services; laundry services; grounds keeping; building maintenance (excluding skilled crafts); transportation and parking services; and security services.

Supplier agrees UC may conduct such compliance audits as UC reasonably requests, and determined at UC's sole discretion. Supplier agrees to post UC Contracting for Covered Services notices, in the template supplied by UC, in a prominent and accessible place (such as break rooms and lunch rooms) where it may be easily seen by workers who perform Covered Services. TERMS AND CONDITIONS OF EQUIPMENT LEASE

ARTICLE 1 - GENERAL. For the purpose of these terms and conditions, the terms "University", "Lessor" and "Order" shall hereinafter be defined as follows:

- A. University: The Regents of the University of California.
- B. Lessor: The grantor of the use of personal property by lease.
- C. Order: A straight lease or rental agreement, with or without option to purchase, as indicated on the purchase order.

The equipment, supplies and services covered by this order shall be furnished by Lessor subject to all the terms and conditions set forth in this order including the following, which Lessor, in accepting this order agrees to be bound by and to comply with in all particulars and no other terms or conditions shall be binding upon the parties unless hereafter accepted by them in writing. Written acceptance or shipment of all or any portion of the materials or supplies or the performance of all or any portion of the services covered by this order shall constitute unqualified acceptance of all its terms and conditions. The terms of any proposal referred to in this order are included and made a part of the order only to the extent it specifies the equipment, supplies and services ordered, the price therefor, and the delivery thereof, and then only to the extent that such terms are consistent with the terms and conditions of this order.

ARTICLE 2 - INSPECTION. The equipment, supplies and services furnished shall be exactly as specified in this order, free from all defects in manufacturer's design, workmanship and materials, and, except as otherwise provided in this order, shall be subject to inspection and testing by University at all times and places. If, prior to final acceptance, any equipment, supplies or services are found to be defective or not as specified, University may reject them, require Lessor to correct them without charge, or require delivery of such equipment, supplies, or services at a reduction in price which is equitable under the circumstances. If Lessor is unable or refuses to correct such items within a time deemed reasonable to University, University may terminate the order in whole or in part. Lessor shall bear all risks as to rejected equipment, supplies and services and, in addition to any costs for which Lessor may become liable to University under other provisions of this order, shall reimburse University for all transportation costs, other related costs incurred, or payments to Lessor in accordance with the terms of this order for unaccepted equipment, supplies and services. Notwithstanding final acceptance and payment Lessor shall be liable for latent defects, fraud or such gross mistakes as amount to fraud.

ARTICLE 3 - TERMS OF USE. Except as otherwise provided on the face of this order, the specified rental payments shall entitle University to unlimited use and operation of said equipment at any time and any place and for any period of time at the convenience of University (exclusive of the time required for preventive and remedial maintenance) and shall not be restricted to consecutive hours, length of personnel shifts, or any other restrictions.

ARTICLE 4 - CHANGES. No change to the lease shall be allowed without written approval of University. Any claim of Lessor for an adjustment under this Article must be made in writing within thirty (30) days from the date of receipt notification of such change unless University waives this condition in writing. Nothing in the Article shall excuse Lessor from proceeding with performance of the order as changed hereunder.

ARTICLE 5 - TERMINATION. University may at its option, by written notice stating the extent and effective date, terminate this order at the anniversary date of the lease or at the end of any fiscal year in whole or in part in the event the funding agency does not appropriate sufficient funds to continue the lease payments.

University may by written notice terminate this order for Lessor's default, in whole or in part, at any time, if Lessor refuses or fails to comply with the provisions of this order, or so fails to make progress as to endanger performance and does not cure such failure within a reasonable period of time, or fails to make deliveries of said equipment or supplies or perform the services within the time specified or any written extension thereof.

In the event University defaults in the payment of any amount due or to become due under the terms of the lease or defaults in the performance of any of the terms and conditions hereof, all the University's rights hereunder as to use and possession of the equipment shall, at the option of Lessor, terminate and Lessor shall become entitled to retain all rentals and to take possession of the property, provided however, that in such event neither Lessor nor University shall have the right to rent said equipment to any third party so long as it remains on the premises of University.

ARTICLE 6 - TITLE. Lessor covenants that it is the sole owner of said property, and that no other person, party, firm or corporation has any right, title, interest in or to same and that during the term of this lease said Lessor will not sell or encumber said property, or any interest therein, except subject to the rights given University by virtue of the lease. Title to said property, including any accessories and devices furnished by Lessor except those subsequently purchased by University, vests in Lessor, and said property may be removed by Lessor at or after termination of this Agreement unless purchased by University pursuant to its Purchase Option, if any.

ARTICLE 7 - PAYMENT. Unless otherwise provided for in this order, lease charges shall be invoiced in arrears and shall be payable thirty (30) days after the end of the period for which the charges accrue or thirty (30) days after University's receipt of invoice whichever is later.

ARTICLE 8 - TAXES. Lessor alone shall pay any license fees, assessments, sales, use and other taxes lawfully imposed during the term hereof upon the equipment, supplies or services furnished pursuant to this order.

ARTICLE 9 - PROPERTY TAX EXEMPTION. Lessor agrees to cooperate with University and do all acts reasonably necessary and appropriate to secure and maintain tax exemption of the property leased hereunder pursuant to Article 13, section 3 of the California Constitution. Lessor agrees to apply the amount of any reduction of tax resulting from such exemption as a credit against rental payments otherwise due by University to Lessor hereunder.

ARTICLE 10 - WARRANTY. Lessor warrants that said equipment, including accessories, will be in good operating condition when installed and that any subsequent defects in design, materials or workmanship during the term of this Lease will be corrected by Lessor at its sole expense. Lessor will inform University of the terms and conditions of

UNIVERSITY OF CALIFORNIA

any manufacturer's warranty in effect on the commencement date of this lease. In the event of defect in design, material, or workmanship during the term of the lease, the Lessor will assert any Manufacturer's Warranty in effect between Lessor and the Manufacturer at the time the defect becomes apparent.

ARTICLE 11 - PROPRIETARY RIGHTS INDEMNITY. Lessor shall indemnify, defend, and hold harmless University, its officers, agents, and employees against all losses, damages, liabilities, costs, and expenses (including but not limited to attorneys' fees) resulting from any judgment or proceeding in which it is determined, or any settlement agreement arising out of the allegation, that Lessor's furnishing or supplying University with parts, goods, components, programs, practices, or methods under this order or University's use of such parts, goods, components, programs, practices, or methods supplied by Lessor under this order constitutes an infringement of any patent, copyright, trademark, trade name, trade secret, or other proprietary or contractual right of any third party. The foregoing shall not apply unless University has informed Lessor as soon as practicable of the suit or action alleging such infringement. Lessor shall not settle such suit or action without the consent of University. University retains the right to participate in the defense against any such suit or action.

ARTICLE 12 - TRANSPORTATION AND INSTALLATION. Unless otherwise provided for in this order, Lessor will be responsible for all transportation and handling costs related to the shipment to and from University of the leased equipment. Should the equipment require specialized installation, Lessor will provide the required technical assistance at no charge.

ARTICLE 13 - ASSIGNMENT. This order is not assignable by Lessor, except as to any payment due hereunder, without the written approval of University.

ARTICLE 14 - EQUAL OPPORTUNITY AFFIRMATIVE ACTION. Lessor shall not maintain or provide racially segregated facilities for employees at any establishment under its control. Lessor agrees to adhere to the requirements set forth in Executive Orders 11246 and 11375, and with respect to activities occurring in the State of California, to the California Fair Employment and Housing Act (Government Code section 12900 et seq.). Expressly, Lessor shall not discriminate against any employee or applicant for employment because of race, color, religion, sex, national origin, ancestry, medical condition (as defined by California Code section 12925[f]), marital status, age, physical and mental handicap in regard to any position for which the employee or applicant for employment is qualified, or because he or she is a disabled veteran or veteran of the Vietnam era. Lessor shall further specifically undertake affirmative action regarding the hiring, promotion and treatment of minority group persons, women, the handicapped, and disabled veterans and veterans of the Vietnam era. Lessor shall communicate this policy in both English and Spanish to all persons concerned within its company, with outside recruiting services, and the minority community at large. Lessor shall provide the University on request a breakdown of its labor force by groups, specifying the above characteristics within job categories, and shall discuss with the University its policies and practices relating to its affirmative action programs.

ARTICLE 15 - SERVICE AND MAINTENANCE. In the event this order includes service and maintenance of said equipment, Lessor will provide such service and maintenance required to keep said equipment in good working condition throughout the term of lease. The service and maintenance will consist of not less than: (1) periodic cleaning, and adjustments in the mechanisms and replacing unserviceable parts, and

(2) emergency repair service, including replacement of unserviceable parts. In order to perform maintenance service hereunder Lessor shall have reasonable access to the leased equipment to the extent practical in consonance with operational requirements. Lessor agrees that its failure to provide service and maintenance to keep the equipment in good operating condition shall result on a credit of 1/30th of the monthly lease payments for every twenty-four (24) hour period or portion thereof following the first twenty-four (24) hours after notification to Lessor that the equipment is inoperative.

ARTICLE 16 - ALTERATIONS. University or its authorized agents may make alterations or install attachments to the equipment and the Lessor shall be so notified. In the event that such changes substantially increase the cost of maintenance, mutually agreeable arrangements for additional maintenance service shall be made on an individual installation basis. Such alterations or attachments which are not the property of Lessor shall be removed immediately after discontinuation of lease (unless University elects to exercise its Purchase Option) and the equipment restored to the prior configuration (ordinary wear and tear only excluded) at University's expense. Lessor shall inform University of any provisions in the manufacturer's warranty which may cause the warranty to be affected by any such alterations or attachments.

ARTICLE 17 - RISK OF LOSS. During the period of time that property covered by this order is in the possession of University, University (and its customers, if installed on University's customers' premises) shall take good care of the property and University shall be responsible for any loss of or damage to the property caused by University while in its possession and control, unless such damage or loss is a consequence, directly or indirectly of intentional or negligent acts or omissions of Lessor or Lessor's agents.

ARTICLE 18 - OPTION TO PURCHASE. University is hereby given the option (provided University is not in default in the performance of any of its obligations hereunder) to purchase any or all of said property at the times and for the amounts set forth in this order. As of the date of exercise of the option, University's Standard Terms and Conditions of Purchase shall be substituted for the terms and conditions applicable to this lease. Said terms and conditions of purchase shall be those in effect as of the date the property was installed, provided that the period of manufacturer's warranty set forth therein shall be deemed to have commenced as of the date the Lease Terms commenced, and University shall be entitled to the remaining portion, if any, of said warranty period.

University shall exercise such option to purchase said property by notifying Lessor in writing of its intention to do so. Such notice may be delivered to Lessor's office or may be mailed to Lessor at the address specified by Lessor. Such notice shall be given by University to Lessor not less than thirty (30) days before the expiration of the current year of the lease. Lessor shall keep University advised of any change of Lessor's address for the purpose of such notice.

ARTICLE 19 - LESSOR'S LIABILITY AND INSURANCE REQUIREMENTS

A. INDEMNIFICATION. Lessor shall defend, indemnify, and hold harmless University, its officers employees, and agents, from and against all losses, expenses (including attorney's fees), damages, and liabilities of any kind resulting from or arising out of this agreement and/or Lessor's performance hereunder, provided such losses, expenses, damages, and liabilities are due or claimed to be due to the negligent or willful acts or omissions of Lessor, its officers, employees, agents, subcontractors, or anyone directly or indirectly employed by them, or any person or persons under Lessor's direction and control.

UNIVERSITY OF CALIFORNIA

Coverages referred to under B 1. and 2. above shall include The Regents of the University of California as an additional insured, but only with respect to the negligent acts or omissions of Seller, its officers, agents, employees, subcontractors or anyone directly or indirectly employed by them, or any other person or persons under its direction and control. The Certificates of Insurance shall obligate Lessor's insurers to notify University at least 30 days prior to cancellation of or change in any of said insurance.

- E. Supplier agrees to be bound by the obligations set forth in this Appendix. To the extent applicable, Supplier also agrees to impose, by written contract, the same terms and conditions contained in this Appendix on any sub-supplier retained by Supplier to provide or assist in providing the Goods and/or Services to UC.

² Common Vulnerabilities and Exposures (CVE) is a dictionary-type list of standardized names for vulnerabilities and other information related to security exposures maintained by The MITRE Corporation. CVE aims to standardize the names for all publicly known vulnerabilities and security exposures. The goal of CVE is to make it easier to share data across separate vulnerability databases and security tools. The CVE list can be found at: cve.mitre.org

ARTICLE 7. RETURN AND DISPOSAL OF INSTITUTIONAL INFORMATION

- A. Within thirty (30) calendar days of the termination, cancellation, expiration, or other conclusion of the Agreement, Supplier must return all Institutional Information to UC and then dispose of the Institutional Information in possession of Supplier as detailed herein. This provision also applies to all Institutional Information that is in the possession of sub-suppliers or agents of Supplier.

- C. Supplier will certify in writing to UC that such return and/or disposal has been completed.
- D. If Supplier believes that return and/or disposal of Institutional Information is technically impossible or impractical, Supplier must provide UC with a written statement explaining the reason for this conclusion. If UC determines that return and/or disposal is technically impossible or impractical, Supplier will continue to protect the Institutional Information in accordance with the terms of this Appendix for as long as the Institutional Information is in Supplier's possession.

ARTICLE 8. NOTIFICATION OF CORRESPONDENCE CONCERNING INSTITUTIONAL INFORMATION

- A. Supplier agrees to notify UC promptly, both orally and in writing, but in no event more than seventy-two (72) calendar hours after Supplier receives correspondence or a complaint that relates to a regulation, contractual obligation, Breach, or material risk concerning Institutional Information. For purposes of this Article 8.A, a correspondence or complaint may include, but is not limited to, any communication that originates from law enforcement, regulatory or governmental agencies, government investigators, corporations, or an individual, but excludes normal customer service correspondence or inquiries.

UNIVERSITY OF CALIFORNIA

Appendix – Business Associate Agreement

This Appendix - Business Associate Agreement ("Appendix BAA") supplements and is made a part of any and all agreements entered into by and between The Regents of the University of California, a California corporation ("UC"), on behalf of its University of California Health System and _____, Business Associate ("BA").

RECITALS

- A. UC is a "Covered Entity" as defined under 45 C.F.R. § 160.103
- B. UC and BA are entering into or have entered into, and may in the future enter into, one or more agreements (each an "Underlying Agreement") under which BA performs functions or activities for or on behalf of, or provides services to UC ("Services") that involve receiving, creating, maintaining and/or transmitting Protected Health Information ("PHI") of UC as a "Business Associate" of UC as defined under 45 C.F.R. § 160.103. This Appendix BAA shall only be operative in the event and to the extent this Appendix BAA is incorporated into an Underlying Agreement between UC and BA.
- C. UC and BA desire to protect the privacy and provide for the security of PHI used by or disclosed to BA in compliance with the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"), the regulations promulgated thereunder by the U.S. Department of Health and Human Services (45 C.F.R. Parts 160, 162 and 164) (the "HIPAA Regulations"), the Health Information Technology for Economic and Clinical Health Act of 2009 (the "HITECH Act"), California Civil Code § 56 et seq., §§1798.82 and 1798.29, and other applicable laws and regulations. The purpose of this BA Agreement is to satisfy certain standards and requirements of HIPAA, the HIPAA Regulations, including 45 CFR § 164.504(e), the HITECH Act, including Subtitle D, part 1, as they may be amended from time to time, and similar requirements under California law.
- D. UC has designated all of its HIPAA health care components as a single component of its hybrid entity and therefore this BA Agreement is binding on all other UC health care components (collectively, the Single Health Care Component or the SHCC). This BA Agreement is effective on the date of the Underlying Agreement under which BA provides Services to UC ("Effective Date").

1. DEFINITIONS

Except for PHI, all capitalized terms in this Appendix BAA shall have the same meaning as those terms in the HIPAA Regulations.

PHI shall have the same meaning as "protected health information" in the HIPAA Regulations that is created, received, maintained, or transmitted by Business Associate or any Subcontractor on behalf of UC and shall also include "medical information" as defined at Cal. Civ. Code § 56.05.

2. OBLIGATIONS OF BA

BA agrees to:

- A. Comply with the requirements of the Privacy Rule that apply to UC in carrying out such obligations, to the extent BA carries out any obligations of UC under the Privacy Rule. BA also agrees to comply with the requirements of California state privacy laws and regulations that apply to UC in carrying out such obligations, to the extent BA carries out any obligations of UC under California Civil Code § 1798 et seq., California Civil Code § 56 et seq., and California Health & Safety Code §§ 1280.15 and 1280.18, as applicable, unless otherwise mutually agreed to by BA and UC.
- B. Not Use or Disclose PHI other than as permitted or required by the Underlying Agreement or as required by law.
- C. Use appropriate safeguards, and comply, where applicable, with 45 C.F.R. § 164 Subpart C with respect to ePHI, to prevent the Use or Disclosure of PHI other than as provided for by the Underlying Agreement(s) and the Appendix BAA.
- D. Notify UC, orally and in writing, as soon as possible, but in no event more than five (5) calendar days, after BA becomes aware of any Use or Disclosure of the PHI not permitted or required by the Appendix BAA or Underlying Agreement(s), including Breaches of unsecured PHI as required by 45 C.F.R. § 164.410 and potential compromises of UC PHI, including potential inappropriate access, acquisition, use or disclosure of UC PHI (each, collectively an “Incident”). BA shall be deemed to be aware of any such Incident, as of the first day on which it becomes aware of it, or by exercising reasonable diligence, should have been known to its officers, employees, agents or sub-suppliers. The notification to UC shall include, to the extent possible, each individual whose unsecured PHI has been, or is reasonably believed by BA to have been, accessed, acquired, used or disclosed during such Incident. BA shall further provide UC with any other available information that UC is required to include in a notification to affected individuals at the time of the notification to UC, or promptly thereafter as information becomes available. BA shall take prompt corrective action to remedy any such Incident, and, as soon as possible, shall provide to UC in writing: (i) the actions initiated by the BA to mitigate, to the extent practicable, any harmful effect of such Incident; and (ii) the corrective action BA has initiated or plans to initiate to prevent future similar Incidents.
- E. Ensure that any Subcontractors that create, receive, maintain, or transmit PHI on behalf of the BA agree to the same restrictions, conditions, and requirements that apply to the BA with respect to such PHI.
- F. If BA maintains PHI in a Designated Record Set, BA shall make the PHI in the Designated Record Set available to UC, or if directed by UC to the Individual or the Individual’s designee, as necessary to satisfy UC’s obligations under 45 C.F.R. § 164.524.
- G. If BA maintains PHI in a Designated Record Set, BA shall make any amendments directed or agreed to by UC pursuant to 45 C.F.R. § 164.526, or take other measures as necessary to satisfy UC’s obligations under 45 C.F.R. § 164.526.

- H. Maintain and make available the information required to provide an accounting of disclosures to UC, or if directed by UC to the Individual, as necessary to satisfy UC's obligations under 45 C.F.R. § 164.528.
- I. Make its internal practices, books, and records, relating to the Use and Disclosure of PHI available to UC, and to the Secretary for purposes of determining UC's compliance with HIPAA, HITECH and their implementing regulations.

3. PERMITTED USES AND DISCLOSURES BY BA

BA may only Use or Disclose the Minimum Necessary PHI to perform the services set forth in the Underlying Agreement.

4. TERM AND TERMINATION

- A. Termination for Cause. UC may terminate this Appendix BAA and any Underlying Agreement(s), if UC determines BA has violated a material term of the Appendix BAA.
- B. Upon termination of this Appendix BAA for any reason, with respect to PHI received from UC, or created, maintained, or received by BA on behalf of UC, BA shall return to UC, or if agreed to by UC, destroy, all such PHI that BA still maintains in any form, and retain no copies of such PHI.

To the extent return or destruction of UC PHI is not feasible, BA shall (1) retain only that PHI which is necessary for BA to continue its proper management and administration or to carry out its legal responsibilities; and (2) continue to use appropriate safeguards for such UC PHI and comply with Subpart C of 45 C.F.R. Part 164 with respect to ePHI to prevent Use or Disclosure of the PHI, other than as provided for in this Section, for as long as BA retains the PHI.

- C. Survival. The obligations of BA under this Section 4.B shall survive the termination of this Appendix BAA and any Underlying Agreement(s).

The Appendix BAA is signed below by the parties' duly authorized representatives.

During the course of providing Services to, or on behalf of, UC pursuant to the Agreement between UC and Supplier dated _____, Supplier may process personal data as defined below. The Parties agree that with respect to the processing of personal data pursuant to the Agreement or this Appendix – General Data Protection Regulation (“Appendix GDPR”), UC is the data controller (and shall hereinafter be referred to as the “Controller”), and Supplier is the data processor (and shall hereinafter be referred to as the “Processor”). The Parties have agreed that the Processor will provide the Services to the Controller pursuant to and in accordance with the terms and conditions of the Agreement and this Appendix GDPR. In the event of a conflict between the terms of this Appendix GDPR and the Agreement or any amendment or appendix thereto, the terms of this Appendix GDPR shall govern. Supplier agrees to be bound by the obligations set forth in this Appendix GDPR. To the extent applicable, Supplier also agrees to impose, by written contract, the terms and conditions contained in this Appendix GDPR on any third party retained by Supplier to provide Services for or on behalf of UC.

A. Definitions

Capitalized terms used but not defined in this Appendix GDPR will have the meanings set forth in the Agreement. The following terms shall have the meanings set forth herein:

1. **“Data”** means all personal data processed by (or on behalf of) the Processor for the Controller under or in connection with the Agreement, including in the provision of the Services. If Appendix DS applies to this Agreement, “Data” as used herein shall also be considered UC Institutional Information as defined in Appendix DS.
2. **“Data Subjects’ Rights”** means the rights of data subjects as provided in the GDPR including, but not limited to, rights of access, rectification, erasure, restriction of processing, data portability, objection, and the right not to be subject to automated decision making (including profiling);
3. **“EEA”** means European Economic Area;
4. **“EU”** means the European Union;
5. **“GDPR”** means Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC;
6. **“data subject,” “personal data,” “personal data breach,” “process/processing,” “pseudonymisation,”** and **“supervisory authority,”** shall each have the meaning as in the GDPR;
7. **“Subprocessor”** means any third party: (i) who is engaged by the Processor to carry out specific processing activities relating to Data for or on behalf of the Controller; or (ii) to whom the Processor subcontracts any of its obligations in connection with the Agreement.

B. Scope of Processing Data

1. Processor shall process Data solely for the purposes of performing the Services and for the same duration of the Agreement, except as otherwise agreed to in writing by the Parties. The scope and

further details of Processor's processing activities of Data pursuant to the Agreement and Appendix GDPR are set forth in Addendum A to this Appendix GDPR.

2. To the extent any additional information is required to be included in Addendum A pursuant to the GDPR or any other applicable EU member state, or EEA state law, or this Agreement otherwise requires amendment, the Parties will cooperate to amend this Appendix GDPR in a writing signed by both Parties.

C. Subprocessors

1. Controller generally authorizes Processor to engage Subprocessor(s) to perform any of Processor's obligations in providing Services to Controller in connection with the Agreement as set forth in Addendum A and as allowed under the terms of the Agreement, except that any processing of personal data by Subprocessor(s) outside of the United States or EEA must be specifically authorized in writing prior to such processing by Controller.
2. The Processor shall give the Controller prior written notice of any intended changes concerning the addition or replacement of any Subprocessors set forth in Addendum A to allow the Controller to approve or object to such changes. Such notice shall include details of the processing activity or activities to be conducted by the applicable Subprocessor and the identity and contact details of such Subprocessor.
3. The Processor shall ensure that any Subprocessor approved by Controller in accordance with this Section C is subject to obligations in a written agreement requiring such Subprocessor to comply with the obligations of this Appendix GDPR. If any Subprocessor fails to fulfill its data protection obligations, the Processor shall remain fully liable to the Controller for the performance or non-performance of such Subprocessor.
4. Upon request, the Processor shall provide a copy of each Subprocessor agreement entered into pursuant to this Section C to the Controller.

D. Obligations of the Processor

1. The Processor shall, and shall ensure that each of its employees, approved Subprocessors and any other individual acting under its authority who has access to the Data:
 - a. process Data in accordance with the terms of this Agreement, Appendix GDPR or any other written instructions of the Controller, and only to the extent and in the manner necessary to provide Services, and for no other purpose(s). In the event EU or member state law requires Processor to process in a manner not expressly authorized by this Agreement or the Controller's written instructions, the Processor shall promptly inform the Controller of the applicable legal requirement before processing, unless prohibited from doing so on important public interest grounds, consistent with EU or member state law;
 - b. keep the Data confidential and ensure that any person authorized to process the Data for or on behalf of the Processor (including but not limited to any Processor employees and staff and approved Subprocessors) has agreed to keep the Data confidential, or is otherwise under a statutory obligation to protect the confidentiality of the Data; and

- c. upon reasonable request from the Controller, provide an up-to-date copy of the Data in the format requested by the Controller.

In carrying out its obligations under the Agreement and this Appendix GDPR, Processor agrees to comply with all applicable state, federal and laws of other countries or jurisdictions (including, but not limited to, GDPR), as well as industry best practices, governing the collection, access, use, disclosure, safeguarding and destruction of Data.
3. In accordance with GDPR, and taking into consideration the state of the art, costs of implementation and the nature, scope, context and purposes of processing the Data pursuant to this Agreement, as well as the risks to the rights and freedoms of natural persons and the risks to processing the Data, the Processor represents and warrants that it has implemented appropriate technical and organizational security measures appropriate to such risks, including, as appropriate: (i) the pseudonymisation and encryption of the Data; (ii) the ability to ensure the ongoing confidentiality, integrity, availability and resilience of processing systems and services; (iii) the ability to restore the availability of and access to the Data in a timely manner in the event of a physical or technical incident; and (iv) a process for regularly testing, assessing and evaluating the effectiveness of technical and organizational measures for ensuring the security of the processing. Upon Controller's request, Processor shall provide to Controller evidence demonstrating Processor's implementation of such technical and organizational security measures as required by GDPR.
4. The Processor shall assist the Controller in ensuring compliance with Controller's obligations as a Controller by: (a) cooperating with Controller's implementation of appropriate technical and organizational security measures to ensure the security of processing Data; (b) cooperating with Controller notifications to supervisory authorities and/or data subjects, as applicable, of any breaches of Data; (c) cooperating with Controller's conduct of data protection impact assessments, including but not limited to, any requirements to consult with a supervisory authority as required by GDPR. Processor shall also cooperate with additional obligations of Controller that may be required of it pursuant to GDPR and other applicable data protection laws.
5. In the event of any suspected or actual personal data breach, the Processor shall notify the Controller to the individual identified below immediately upon discovery, both orally and in writing, but in no event more than two (2) calendar days after Processor identifies or reasonably believes a personal data breach has or may have occurred. Processor's notification to the Controller will identify: (i) the nature of the personal data breach, including where possible, the categories and the approximate number of data subjects concerned and the categories and approximate number of personal data records concerned; (ii) a description of the likely consequences of the personal data breach; and (iii) a description of the measures taken or proposed to be taken to address the personal data breach, including where appropriate, measures to mitigate its possible adverse effects. Processor will provide such other information as reasonably requested by Controller. In the event of a suspected personal data breach, Processor will keep Controller informed regularly of the progress of its investigation until the uncertainty is resolved.

Address		

6. Processor will fully cooperate with Controller's investigation of any personal data breach, including but not limited to making witnesses and documents available immediately upon Supplier's reporting of the personal data breach at no cost to Controller.
7. Any personal data breach may be grounds for immediate termination of the Agreement by Controller.
8. Except for transfers of Data to the Controller, the Processor shall not process or transfer any Data to any country outside the EEA except pursuant to prior written approval of the Controller, and at all times in compliance with GDPR and other applicable data protection laws.
9. This section is only applicable if Processor's Services include the collection of personal data directly from data subjects:

In the event Processor's Services include the collection of personal data directly from data subjects that is to be provided to Controller, unless the parties otherwise agree, the Processor shall be responsible for ensuring that such processing of personal data complies with GDPR requirements, including, but not limited to, obtaining a lawful basis to process the personal data.

10. This section is only applicable if: (1) Processor or a Subprocessor is based in the EEA; (2) Processor's or such EEA-based Subprocessor's Services include the transfer of personal data from the EEA to Controller; and (3) data subjects have not explicitly consented to the transfer of their personal data to Controller in the United States:

Unless the parties otherwise agree on another transfer mechanism that satisfies GDPR requirements, transfers of personal data shall be governed by the Standard Contractual Clauses set forth in Addendum B to this Appendix GDPR.

11. Processor acknowledges that Controller is subject to U.S. federal and state laws and regulations, including but not limited to public disclosure and retention laws and regulations, that may require the retention and disclosure of information that is the subject of the Agreement.
12. Within thirty (30) days of the termination, cancellation, expiration or other conclusion of this Appendix GDPR, Processor will deliver the Data to UC unless UC requests in writing that such Data be destroyed. This provision will also apply to all Data that is in the possession of Subprocessors. Such destruction will be accomplished by "purging" or "physical destruction," in accordance with National Institute of Standards and Technology (NIST) Special Publication 800-88 Guide to Media Sanitization. Processor will certify in writing to Controller that such delivery

or destruction has been completed. In the event EU, EU member state, or EEA state law requires the storage of such Data, the Processor shall promptly inform the Controller of such requirement in writing. In such instance, Processor will continue to protect the Data in accordance with the terms of this Appendix GDPR.

Such written notification shall be made promptly no later than two (2) business days following receipt of the request, and shall include any information in the Processor's custody or control that may assist the Controller to respond to the request.
3. Unless otherwise required by applicable EU, EU member state, or EEA state law, the Processor shall not respond to any such requests or other communications the Processor receives from data subjects, without the prior written consent of the Controller.

hereinafter “data exporter”

and

The Regents of the University of California, on behalf of its _____ location....(name)

[ENTER ADDRESS](address and country of establishment)

hereinafter “data importer”

each a “party”; together “the parties”.

Definitions

For the purposes of the clauses:

- a) “personal data”, “special categories of data/sensitive data”, “process/processing”, “controller”, “processor”, “data subject” and “supervisory authority/authority” shall have the same meaning as in Directive 95/46/EC of 24 October 1995 (whereby “the authority” shall mean the competent data protection authority in the territory in which the data exporter is established);
- b) “the data exporter” shall mean the controller who transfers the personal data;
- c) “the data importer” shall mean the controller who agrees to receive from the data exporter personal data for further processing in accordance with the terms of these clauses and who is not subject to a third country’s system ensuring adequate protection;
- d) “clauses” shall mean these contractual clauses, which are a free-standing document that does not incorporate commercial business terms established by the parties under separate commercial arrangements.

The details of the transfer (as well as the personal data covered) are specified in Annex B, which forms an integral part of the clauses.

I. Obligations of the data exporter

The data exporter warrants and undertakes that:

- a) The personal data have been collected, processed and transferred in accordance with the laws applicable to the data exporter.
- b) It has used reasonable efforts to determine that the data importer is able to satisfy its legal obligations under these clauses.
- c) It will provide the data importer, when so requested, with copies of relevant data protection laws or references to them (where relevant, and not including legal advice) of the country in which the data exporter is established.
- d) It will respond to enquiries from data subjects and the authority concerning processing of the personal data by the data importer, unless the parties have agreed that the data importer will so respond, in which case the data exporter will still respond to the extent reasonably possible and with the information reasonably available to it if the data importer is unwilling or unable to respond. Responses will be made within a reasonable time.
- e) It will make available, upon request, a copy of the clauses to data subjects who are third party beneficiaries under clause III, unless the clauses contain confidential information, in which case it may remove such information. Where information is removed, the data exporter shall inform data subjects in writing of the reason for removal and of their right to draw the removal to the attention of the authority. However, the data exporter shall abide by a decision of the authority regarding access to the full text of the clauses by data subjects, as long as data subjects have agreed to respect the confidentiality of the confidential information removed. The data exporter shall also provide a copy of the clauses to the authority where required.

II. Obligations of the data importer

The data importer warrants and undertakes that:

- a) It will have in place appropriate technical and organisational measures to protect the personal data against accidental or unlawful destruction or accidental loss, alteration, unauthorised disclosure or access, and which provide a level of security appropriate to the risk represented by the processing and the nature of the data to be protected.
- b) It will have in place procedures so that any third party it authorises to have access to the personal data, including processors, will respect and maintain the confidentiality and security of the personal data. Any person acting under the authority of the data importer, including a data processor, shall be obligated to process the personal data only on instructions from the data importer. This provision does not apply to persons authorised or required by law or regulation to have access to the personal data.
- c) It has no reason to believe, at the time of entering into these clauses, in the existence of any local laws that would have a substantial adverse effect on the guarantees provided for under these clauses, and it will inform the data exporter (which will pass such notification on to the authority where required) if it becomes aware of any such laws.
- d) It will process the personal data for purposes described in Annex B, and has the legal authority to give the warranties and fulfil the undertakings set out in these clauses.
- e) It will identify to the data exporter a contact point within its organisation authorised to respond to enquiries concerning processing of the personal data, and will cooperate in good faith with the data exporter, the data subject and the authority concerning all such enquiries within a reasonable time. In case of legal dissolution of the data exporter, or if the parties have so agreed, the data importer will assume responsibility for compliance with the provisions of clause I(e).
- f) At the request of the data exporter, it will provide the data exporter with evidence of financial resources sufficient to fulfil its responsibilities under clause III (which may include insurance coverage).
- g) Upon reasonable request of the data exporter, it will submit its data processing facilities, data files and documentation needed for processing to reviewing, auditing and/or certifying by the data exporter (or any independent or impartial inspection agents or auditors, selected by the data exporter and not reasonably objected to by the data importer) to ascertain compliance with the warranties and undertakings in these clauses, with reasonable notice and during regular business hours. The request will be subject to any necessary consent or approval from a regulatory or supervisory authority within the country of the data importer, which consent or approval the data importer will attempt to obtain in a timely fashion.

h) It will process the personal data, at its option, in accordance with:

- i. the data protection laws of the country in which the data exporter is established, or
- ii. the relevant provisions of any Commission decision pursuant to Article 25(6) of Directive 95/46/EC, where the data importer complies with the relevant provisions of such an authorisation or decision and is based in a country to which such an authorisation or decision pertains, but is not covered by such authorisation or decision for the purposes of the transfer(s) of the personal data, or
- iii. the data processing principles set forth in Annex A.

Data importer to indicate which option it selects: Annex A

Initials of data importer: [COMPLETE]

i) It will not disclose or transfer the personal data to a third party data controller located outside the European Economic Area (EEA) unless it notifies the data exporter about the transfer and

- i. the third party data controller processes the personal data in accordance with a Commission decision finding that a third country provides adequate protection, or
- ii. the third party data controller becomes a signatory to these clauses or another data transfer agreement approved by a competent authority in the EU, or
- iii. data subjects have been given the opportunity to object, after having been informed of the purposes of the transfer, the categories of recipients and the fact that the countries to which data is exported may have different data protection standards, or
- iv. with regard to onward transfers of sensitive data, data subjects have given their unambiguous consent to the onward transfer

III. Liability and third party rights

- a) Each party shall be liable to the other parties for damages it causes by any breach of these clauses. Liability as between the parties is limited to actual damage suffered. Punitive damages (i.e. damages intended to punish a party for its outrageous conduct) are specifically excluded. Each party shall be liable to data subjects for damages it causes by any breach of third party rights under these clauses. This does not affect the liability of the data exporter under its data protection law.
- b) The parties agree that a data subject shall have the right to enforce as a third party beneficiary this clause and clauses I(b), I(d), I(e), II(a), II(c), II(d), II(e), II(h), II(i), III(a), V, VI(d) and VII against the data importer or the data exporter, for their respective breach of their contractual obligations, with regard to his personal data, and accept jurisdiction for this purpose in the data exporter's country of establishment. In cases involving allegations of breach by the data importer, the data subject must first request the data exporter to take appropriate action to enforce his rights against the data importer; if the data exporter does not take such action within a reasonable period (which under normal circumstances would be one month), the data subject may then enforce his rights against the data importer directly. A data subject is entitled to proceed directly against a data exporter that has failed to use reasonable efforts to determine that the data importer is able to satisfy its legal obligations under these clauses (the data exporter shall have the burden to prove that it took reasonable efforts).

IV. Law applicable to the clauses

These clauses shall be governed by the law of the country in which the data exporter is established, with the exception of the laws and regulations relating to processing of the personal data by the data importer under clause II(h), which shall apply only if so selected by the data importer under that clause.

V. Resolution of disputes with data subjects or the authority

- a) In the event of a dispute or claim brought by a data subject or the authority concerning the processing of the personal data against either or both of the parties, the parties will inform each other about any such disputes or claims, and will cooperate with a view to settling them amicably in a timely fashion.

- b) The parties agree to respond to any generally available non-binding mediation procedure initiated by a data subject or by the authority. If they do participate in the proceedings, the parties may elect to do so remotely (such as by telephone or other electronic means). The parties also agree to consider participating in any other arbitration, mediation or other dispute resolution proceedings developed for data protection disputes.
- c) Each party shall abide by a decision of a competent court of the data exporter's country of establishment or of the authority which is final and against which no further appeal is possible.

VI. Termination

- a) In the event that the data importer is in breach of its obligations under these clauses, then the data exporter may temporarily suspend the transfer of personal data to the data importer until the breach is repaired or the contract is terminated.
- b) In the event that:
 - i. the transfer of personal data to the data importer has been temporarily suspended by the data exporter for longer than one month pursuant to paragraph (a);
 - ii. compliance by the data importer with these clauses would put it in breach of its legal or regulatory obligations in the country of import;
 - iii. the data importer is in substantial or persistent breach of any warranties or undertakings given by it under these clauses;
 - iv. a final decision against which no further appeal is possible of a competent court of the data exporter's country of establishment or of the authority rules that there has been a breach of the clauses by the data importer or the data exporter; or
 - v. a petition is presented for the administration or winding up of the data importer, whether in its personal or business capacity, which petition is not dismissed within the applicable period for such dismissal under applicable law; a winding up order is made; a receiver is appointed over any of its assets; a trustee in bankruptcy is appointed, if the data importer is an individual; a company voluntary arrangement is commenced by it; or any equivalent event in any jurisdiction occurs

then the data exporter, without prejudice to any other rights which it may have against the data importer, shall be entitled to terminate these clauses, in which case the authority shall be informed where required. In cases covered by (i), (ii), or (iv) above the data importer may also terminate these clauses.

- c) Either party may terminate these clauses if (i) any Commission positive adequacy decision under Article 25(6) of Directive 95/46/EC (or any superseding text) is issued in relation to the country (or a sector thereof) to which the data is transferred and processed by the data importer, or (ii) Directive 95/46/EC (or any superseding text) becomes directly applicable in such country.
- d) The parties agree that the termination of these clauses at any time, in any circumstances and for whatever reason (except for termination under clause VI(c)) does not exempt them from the obligations and/or conditions under the clauses as regards the processing of the personal data transferred.

VII. Variation of these clauses

The parties may not modify these clauses except to update any information in Annex B, in which case they will inform the authority where required. This does not preclude the parties from adding additional commercial clauses where required.

VIII. Description of the Transfer

The details of the transfer and of the personal data are specified in Annex B. The parties agree that Annex B may contain confidential business information which they will not disclose to third parties, except as required by law or in response to a competent regulatory or government agency, or as required under clause I(e). The parties may execute additional annexes to cover additional transfers, which will be submitted to the authority where required. Annex B may, in the alternative, be drafted to cover multiple transfers.

ANNEX A

DATA PROCESSING PRINCIPLES

1. Purpose limitation: Personal data may be processed and subsequently used or further communicated only for purposes described in Annex B or subsequently authorised by the data subject.
2. Data quality and proportionality: Personal data must be accurate and, where necessary, kept up to date. The personal data must be adequate, relevant and not excessive in relation to the purposes for which they are transferred and further processed.
3. Transparency: Data subjects must be provided with information necessary to ensure fair processing (such as information about the purposes of processing and about the transfer), unless such information has already been given by the data exporter.
4. Security and confidentiality: Technical and organisational security measures must be taken by the data controller that are appropriate to the risks, such as against accidental or unlawful destruction or accidental loss, alteration, unauthorised disclosure or access, presented by the processing. Any person acting under the authority of the data controller, including a processor, must not process the data except on instructions from the data controller.
5. Rights of access, rectification, deletion and objection: As provided in Article 12 of Directive 95/46/EC, data subjects must, whether directly or via a third party, be provided with the personal information about them that an organisation holds, except for requests which are manifestly abusive, based on unreasonable intervals or their number or repetitive or systematic nature, or for which access need not be granted under the law of the country of the data exporter. Provided that the authority has given its prior approval, access need also not be granted when doing so would be likely to seriously harm the interests of the data importer or other organisations dealing with the data importer and such interests are not overridden by the interests for fundamental rights and freedoms of the data subject. The sources of the personal data need not be identified when this is not possible by reasonable efforts, or where the rights of persons other than the individual would be violated. Data subjects must be able to have the personal information about them rectified, amended, or deleted where it is inaccurate or processed against these principles. If there are compelling grounds to doubt the legitimacy of the request, the organisation may require further justifications before proceeding to rectification, amendment or deletion. Notification of any rectification, amendment or deletion to third parties to whom the data have been disclosed need not be made when this involves a disproportionate effort. A data subject must also be able to object to the processing of the personal data relating to him if there are compelling legitimate grounds relating to his particular situation. The burden of proof for any refusal rests on the data importer, and the data subject may always challenge a refusal before the authority.
6. Sensitive data: The data importer shall take such additional measures (e.g. relating to security) as are necessary to protect such sensitive data in accordance with its obligations under clause II.
7. Data used for marketing purposes: Where data are processed for the purposes of direct marketing, effective procedures should exist allowing the data subject at any time to “opt-out” from having his data used for such purposes.
8. Automated decisions: For purposes hereof “automated decision” shall mean a decision by the data exporter or the data importer which produces legal effects concerning a data subject or significantly affects a data subject and which is based solely on automated processing of personal data intended to evaluate certain personal aspects relating to him, such as his performance at work, creditworthiness, reliability, conduct, etc. The data importer shall not make any automated decisions concerning data subjects, except when:
 - a)
 - i. such decisions are made by the data importer in entering into or performing a contract with the data subject, and
 - ii. the data subject is given an opportunity to discuss the results of a relevant automated decision with a representative of the parties making such decision or otherwise to make representations to that parties.
 - or
 - b) where otherwise provided by the law of the data exporter.

Appendix- Electronic Commerce

This Electronic Commerce Appendix specifies the electronic commerce requirements applicable to Supplier in providing the Goods and/or Services.

SECTION 1 - GENERAL TERMS

Each UC Location offers an electronic web-based purchasing and catalog system to facilitate the purchase of Goods and/or Services from UC suppliers. UC Locations' eProcurement systems currently are provided by multiple service providers. Eight of the ten UC campuses utilize the same platform but may require separate implementations, as will the remaining campuses and/or Medical Centers. This Appendix sets forth the terms and conditions that will govern Supplier's sale of Goods and/or Services through UC's eProcurement systems.

SECTION 2 - DEFINITIONS

Catalog(s) refers to the list of detailed product information, agreement pricing, manufacturer part numbers and/or service descriptions relating to the Goods and/or Services to be offered either as a Punch-out Catalog, a Hosted Catalog or in a combination. This may include the creation of multiple Hosted Catalogs.

eProcurement and eCommerce are used interchangeably to mean UC's electronic web-based purchasing and catalog systems. Each UC location has a branded eProcurement site.

Go Live Date means the date on which a Catalog will be active.

Hosted Catalog means a Catalog that is a properly formatted computer file supplied to all UC Locations through the Locations' respective eProcurement systems.

Order means a purchase order for Goods and/or Services placed by a User through an eProcurement system.

Order Data means all data and information relating to Orders, including, without limitation, the specifics of a given transaction.

Punch-out Catalog means a Catalog hosted by Supplier on Supplier's Site. Users may access this Punch-out Catalog via an Internet link provided by Supplier to UC that redirects a User from the Location's eProcurement system to Supplier Site.

Supplier Mark means Supplier's name, trade name and/or trademarks, service mark, or any derivation thereof.

Supplier Site means an internet site operated and maintained by Supplier that has been made subject to this Appendix.

UC Mark means UC's name, trade name and/or trademarks, service marks, or any derivation thereof.

User means an individual authorized by a UC location to use an eProcurement system.

SECTION 3 – RIGHT TO USE

UC grants to Supplier the right to sell Goods and/or Services to UC through the eProcurement systems, subject to the terms of this agreement. Supplier will be responsible for any cost of operation or dispute with regard to its interface with UC's eProcurement systems.

SECTION 4 – e-PROCUREMENT SYSTEM RESPONSIBILITIES; MAINTENANCE OF CATALOG(S); LICENSE**(a) e-Procurement System Responsibilities.**

Except as otherwise set forth herein, each party will be responsible, at its own expense, for: (i) developing, operating and maintaining its relevant system(s); (ii) acquiring and maintaining its server hardware and software (or obtaining third-party hosting services) for its relevant system(s); and (iii) maintaining Internet connectivity.

The supplier will enable its catalog with any UC location that requests one, as long as it is not out of the scope of the terms of the agreement or this appendix. The parties agree to electronically link the functionality of their respective systems, using commercially reasonable efforts.

Purchase Order and Invoice/Credit Memo Data will be transmitted between the systems according to the appropriate method for each University location, cXML, xCBL or EDI standards being preferred. Other methods of PO or Invoice/Credit Memo transmission will only be allowed at the discretion of each University location.

A supplier's Punch-out site (if applicable) will permit: (a) Users to access the Supplier Site when a User selects the Punch-out Catalog; (b) Supplier site to send back user selected items to Location's eProcurement system; (c) User to create an Order through the Location's eProcurement system; and (d) UC eProcurement systems to forward an Order to Supplier for confirmation and Order processing along with Order status inquiry.

Supplier must be able to accommodate orders and invoices for multiple UC locations sharing a single eProcurement platform. Supplier must be able to identify the Punch-out session and transmitted PO as being from the individual locations. If providing a Punch-out catalog, Supplier must be able to accommodate multiple UC locations on a single platform using a single Punch-out site, unless requested otherwise by UC.

(b) Maintenance of Hosted and Punch-out Catalogs.

Supplier will provide its Catalog(s) to UC in a file format that will interface seamlessly with UC's eProcurement systems. These Catalog files will be in compliance with each UC Location's eProcurement system.

UC makes no guarantee of a Go Live Schedule for establishment of a new catalog Systemwide, as each Location is a separate enablement and subject to resource availability. Timelines will be estimated and adjusted by UC as needed for concurrent implementations.

For Hosted Catalogs, Supplier must provide UC with updated versions of the Catalog file with, at a minimum, full descriptions and images that Supplier currently utilizes for items offered in its proprietary websites and Punch-out Catalogs. The parties will update each other regarding eCommerce specifications as needed from time to time.

Supplier must notify UC's Contract Administrator at least three (3) weeks in advance of the proposed Go Live Date if it will be requesting additions, deletions, or modifications to the Catalogs. After such advance notification, Supplier must provide UC with Catalog files containing the requested additions, deletions, or modifications with no less than the lead time specified in Section 10 of this appendix. In addition, for price file updates with a mutually agreed upon activation of January 1, Supplier must submit proposed files at least five (5) weeks prior to the first working day in January. Upon UC's approval of the new Catalog file, UC and Supplier will confirm the Go Live Date; the updated version of the Catalog file will be made effective on that Go Live date. If UC rejects a Catalog more than once because it does not meet UC's acceptance criteria, the Contract Administrator will suspend Supplier's price/content change until the date of Supplier's next acceptable contracted change.

If there is a conflict between a price in a Hosted Catalog and a Punch-out Catalog, UC will be invoiced at the lower price. Supplier must notify UC in advance when substituting items, changing SKU numbers or changing the number of items in a package in any Catalog.

Content in Supplier catalog is limited to the categories specified in this agreement, with additional categories allowed at UC's discretion. Supplier agrees that UC may block Catalog items at the category and/or SKU level.

The University will require Supplier to clearly identify products as Hazardous Materials, Radioactive, and Controlled Substances in the Supplier's catalog, whether Hosted or Punch-out. For Punch-out the identifier will be returned to the cart of the Location's eProcurement system, in a manner/field acceptable to the Location.

The University will require Supplier to clearly identify products with UC-recognized sustainability/green certifications in both hosted and Punch-out catalogs. UC's Contract Administrator will work with Supplier to ensure that contract items that meet the UC criteria for Green/Sustainable products will be prioritized in all product searches. Products that do not meet UC's minimum criteria requirements may be blocked in all hosted catalogs and Punch-out catalogs at UC's discretion.

Supplier is responsible for providing UC with Catalogs that contain accurate pricing and data in accordance with the Agreement. If UC determines there are errors in the pricing or data attributes of a Catalog, UC will notify Supplier of those errors in writing and reject the Catalog. Supplier will have no more than ten (10) business days to review and correct the errors.

(c) License.

Supplier hereby grants to UC, at no additional cost, a limited, non-exclusive, royalty-free right to link to and access the Supplier Site from the eProcurement sites, subject to the terms and conditions herein and solely for the purpose of permitting Users to access the Services. All Supplier Marks will remain the sole property of Supplier.

(d) Accessibility Requirements.

Supplier agrees that Supplier will make available Goods/Services accessible to people with disabilities and conform to the technical requirements of the relevant Revised Standards of Section 508 of the federal Rehabilitation Act. In addition, Supplier warrants that:

- i. Any catalog content provided to UC will comply with the accessibility requirements of WCAG 2.0AA.
- ii. Supplier will promptly respond to and resolve any complaint regarding accessibility of any catalog content provided to UC.

SECTION 5 – USER SUPPORT

(a) UC Duties. Each UC Location will provide its Users with initial contact and system support assistance on all functionality and use issues for eProcurement (including links to the Supplier Site). When known, UC will promptly notify Supplier of any such issues relating to the Catalog, the Supplier Site, and/or other Supplier materials/systems.

(b) Supplier Duties. Supplier will provide all customer support relating to the Catalog, Supplier Goods and/or Services, Invoicing/Payment/Credits, and Supplier Sites in a manner consistent with the customer support that Supplier provides to other customers, and at least as good as the customer support that Supplier provides to customers who are purchasing through any other means.

SECTION 6 – PROPRIETARY RIGHTS

UC's Terms and Conditions of Purchase contains provisions regarding the parties' rights and responsibilities with respect to intellectual property relating to the Goods and Services. Without altering those provisions, the parties additionally agree as follows: UC may require Supplier to "brand" Supplier's Punch-out Catalog with one or more UC Marks. If UC requires Supplier to utilize one or more UC Marks on Supplier's Punch-out Catalog, UC will provide the appropriate artwork and such artwork will be deemed to have been provided with a limited, non-exclusive, non-sub-

licensable right for Supplier to use it solely for the purpose of a UC-branded Punch-out Catalog hosted by Supplier and subject to the following terms:

- (i) Supplier may not make any additional use of the UC Marks without UC's prior written approval.

Supplier's use of the UC Marks in the Punch-out Catalog must acknowledge UC's ownership of the UC Marks. Supplier will include all notices and legends with respect to UC trademarks, trade names, or copyrights as may be required by applicable trademark and copyright laws or which may be reasonably requested by UC. Supplier agrees not to claim any title to UC Marks or any right to use UC Marks except as permitted by this Appendix. Upon termination of this Appendix or the Agreement, all rights to UC Marks conveyed by UC to Supplier will cease and Supplier will destroy or return to UC all media with UC Marks. UC specifically reserves any and all rights to UC Marks not specifically granted to Supplier.

Supplier grants to UC the right to use Supplier's trademarks, logos, trade names, and service marks for the purpose of promoting UC eProcurement sites to the UC community. UC acknowledges Supplier's right, title, and interest in and to Supplier's Marks and Supplier's exclusive right to use and license the use of Supplier Marks and agrees not to claim any title to Supplier Marks or any right to use Supplier Marks except as permitted by this Appendix. UC will include all notices and legends with respect to Supplier trademarks, trade names, or copyrights as may be required by applicable trademark and copyright laws or which may be reasonably requested by Supplier. Upon termination of this Appendix, all rights to Supplier Marks conveyed by Supplier to UC will cease and UC will destroy or return to Supplier all media with Supplier Marks. Supplier specifically reserves any and all right to Supplier Marks not specifically granted to UC.

- (ii) The licenses granted in the previous paragraphs regarding UC Marks and Supplier Marks are subject to the ongoing approval of the party owning the respective trademarks, logos, trade names, or copyrights. Such ongoing approval includes the ability to terminate – at any time, for any reason, and in the sole discretion of the owner of the respective trademarks, logos, trade names, or copyrights – the trademark licenses provided in the preceding paragraphs for any particular trademark, logo, trade name, or copyrighted work without necessarily terminating this Appendix. Each party agrees not to take any action that will adversely reflect upon or damage the goodwill, reputation, or the brand value of the other party. Each party further agrees not to take any action that is inconsistent with the other party's ownership of the respective trademarks, trade names, or copyrights. At all times (including following termination of the Agreement), Supplier agrees to comply with Section 92000 of California's Education Code.

(a) Grant of License. Supplier hereby grants UC a non-exclusive, royalty-free: (i) license to use, copy, transmit, and display the Catalog, any information contained therein and the Supplier Marks for the purposes of permitting Customers to access information about and order Supplier Goods and/or Services from a Catalog and (ii) if Supplier is using a Punch-out Catalog, right to link to and access the Punch-out Catalog on the Supplier Site, for the purposes of permitting Customers to access the Supplier Website and permitting Customers to order Supplier Goods and/or Services.

(b) Modifications. UC will not modify or remove any of the proprietary rights markings in the Catalog. UC will not modify the content of the Catalog, except as indicated by Supplier, but may require Supplier to make and submit modifications if required as part of this agreement. However, for hosted catalogs, UC reserves the right to attach flags to catalog items as an aid to shoppers in selecting preferred items, such as green or recycled. Supplier must update its dedicated contract websites and published catalogs and lists to reflect this change. New devices must be adequately described and the associated price list must be updated to reflect the new devices prices. Pricing must utilize the same pricing structure as was used for other devices falling into the same product category. The pricing structure will be dictated by the purchase price determined from the discount from Manufacturer Suggested Retail Price (MSRP) and other specified discounts listed in this RFP. Lease pricing will be dictated by the quoted leasing rates applied to the purchase price. Such additions and deletions must be approved by the UC contract administrator or their designee.

When legally or contractually allowed by the existing contract vehicle, Supplier agrees to extend the pricing terms for maintenance services and supplies included in this Agreement to Supplier's current population of Products placed at UC prior to the execution of this Agreement for models that are identical to the models in the bid. In the event that the current pricing for maintenance services and supplies is less compared to the pricing listed in Exhibit 1, the current pricing shall not change.

- 3.5 Supplier will provide an additional 1% discount on the published UC equipment portion of the price list for Outright Sale/FMV and FPO Lease (equipment price only, excluding maintenance) for orders that include multiple units (more than one) of any combination of MFD/Printer Models over \$250,000. Any/all discounts will be taken at the time of order.
- 3.6 Earned incentives: Supplier will work with UC to establish a meaningful recognition program for educational support based on the utilization of the Agreement. Both the UC and the Supplier will obtain the required approvals of their respected organizations prior to commencing the program. The program once approved will become Attachment D of this Scope of Work and may be modified from time to time with mutual agreement.

- o UC MFD/Printer Fleet Management Programs: Some UC Locations (as identified in the RFP Campus Profiles) utilize established UC MFD/Printer Fleet Management Programs, or similar groups managing a large population of MFDs and/or Laser Printers for the UC Location. The value added services provided by these Fleet Management Programs may vary, but generally include:

Attachment A - Statement of Work (SOW)

- Institutional knowledge and understanding of UC Location hierarchy, policies & procedures, and local campus geography;
- Onsite central point of contact at UC Location for first-tier service response and coordination, and centralized supplies and parts;
- Consultation and equipment needs assessment for multiple departments within the UC Location;
- Consolidation of multiple equipment orders onto single purchase orders (lease or purchase);
- Coordination for volume deliveries of equipment;
- Consolidated billing and meter reading reconciliation through a single contact at the UC Location;
- Coordination of internal campus services for: delivery access, electrical upgrades, network access, copy/print control systems, help desk troubleshooting, and service call avoidance;
- Summary invoicing, and single-contact invoice reconciliation;
- Managed mediation of customer equipment expectations and performance issues in lieu of the Supplier

In recognition of these value-added services currently in place at the UC Locations identified, and their resulting reduction in Suppliers' efforts, resources, and expenses, Suppliers will provide MFD/Printer Fleet Management Programs an additional seven and one-half percent (7.5%) discount off all pricing on Exhibit 1.

If, after the implementation of this contract, a UC Location not operating such a program as of the effective date of this Agreement determines that it is in their best interest to deploy such a program, Supplier will be notified by that UC Location's procurement office, after appropriate review and authorization. On authorization, such programs will be entitled to all benefits available to those programs currently established as detailed herein.

MFD/Printer Fleet Management Programs reserve the right to negotiate further discounts on any of Suppliers' products and/or services provided for under this RFP and its resulting contract.

At UC Locations with MFD/Printer Fleet Management Programs, Supplier will partner with these programs and direct all potential campus customers at the UC Location to the program before selling or leasing an MFD/Printer to the campus customer. Additionally, Supplier will provide marketing expertise to further the program development at the UC Location.

This maintenance service includes maintenance based upon the specific needs of individual equipment, as determined by Supplier, and unscheduled, on-call remedial maintenance.

Attachment A - Statement of Work (SOW)

- 5.2 Maintenance will include lubrication, adjustments, and replacement of maintenance parts deemed necessary by Supplier. Maintenance parts will be furnished on an exchange basis, and the replaced parts become the property of Supplier. Maintenance services provided under this Agreement does not assure uninterrupted operation of the Product.
- 5.3 Supplier must coordinate all service calls through a centralized dispatch desk. All calls must be logged into a service system with a minimum of the following information:

Attachment A - Statement of Work (SOW)

5.7 MFD Service and Parts: Supplier must offer full maintenance services for MFDs, including repair parts, software and firmware updates and labor based on the following options:

- **Option 1: Cost Per Impression Charge – Zero Volume Base**
Supplier will provide full service maintenance with supplies, excluding paper. Supplier will invoice respective UC Location on a monthly basis using a cost per impression charge applied to the actual monthly impression volume in the covered period without any minimum and/or maximum volume restrictions. Volumes will not be estimated. These rates apply to purchased and leased MFDs.
- **Option 2: Monthly Minimum Charge**
Supplier will provide full service maintenance with supplies, excluding paper. Supplier will charge UC a fixed monthly minimum charge, which will include a monthly impression volume allowance, with a separate cost per impression charge applied to the overage. These rates apply to purchased and leased MFDs.
- **Option 3: T&M - Fixed Charge per Occurrence**
Supplier will provide service repairs and maintenance using a Time and Material option. Supplier charges UC a fixed amount per occurrence and/or a fixed hourly fee, after expiration of standard or extended equipment warranties.

5.8 **Lemon Clause**: After the 90-day warranty period and until 36 months from the date of installation, or coterminous in the case of a longer lease, except due to operator error, for any device that fails to operate in accordance with the manufacturer's published performance specifications three times in any four week period and/or is subject to recurring related problems, Supplier shall replace that device with a new MFD or Laser Printer that meets the requirements of the same lot as the original equipment model, at no cost to the user. This will take precedence over any other warranty or service maintenance clauses associated with this contract. For purchased devices, customers must maintain an uninterrupted maintenance agreement, cost per copy, or lease agreement including parts and supplies with the contract vendor for the Lemon Clause to apply past the initial 90-day warranty period. The UC Location Purchasing and/or MFD/Printer Fleet Management Program will review user requests for the application of this clause and will make a determination regarding its use.

If 25% or less of the device's useful life has been used up, the device must be replaced with a "new device". A "like for like" device may be used if 25% or more of the useful life of the device has been used up and the Customer agrees to the "like for like" exchange. Note: Prior to the lease or purchase of a device, awarded vendors must provide UC with the device's "Useful Life".

6. Data Security

6.1 For all MFDs/Laser Printers, Suppliers must:

Attachment A - Statement of Work (SOW)

- 6.1.1 Disclose all default accounts, access methods, and passwords on the device at delivery.
 - 6.1.2 Certify that log-in credentials are not communicated in clear text by default, though clear text may be an option if cipher text is available as an option.
 - 6.1.3 Deliver MFDs and/or Laser Printers with the latest, fully-patched software, firmware, or other OEM software as provided for device functionality as detailed on the "Specifications" tab of Attachments B and C.
 - 6.1.4 Notify all UC Locations of all known and reported vulnerabilities, and of planned updates or mitigations to software provided for device functionality as detailed on the "Specifications" tab of Attachments B and C.
 - 6.1.5 Disclose and describe shared accounts or service accounts that Supplier technicians may or will use, and the security procedures planned by Supplier.
- 6.2 All devices must:
- 6.2.1 Provide secure login for administrator access (including username and password). Upon setup and configuration, all default device or interface passwords must be changed and communicated to the designated contacts(s).
 - 6.2.2 Provide IP and MAC address filtering to limit users' access to the device via the web interface; and
 - 6.2.3 Provide on/off (switchable) provisions for other types of access, including but not limited to telnet, rsh, SNMP, FTP, IPSec, SSL/TLS, etc. Suppliers must list all on/off provisions for all types of access in their response.
- 6.3 All MFDs/Laser Printers that are equipped with hard drives must:
- 6.3.1 Possess an "always on" security feature that overwrites the sector(s) of the hard drive used for processing copy, print, or scan data using at least 3 passes, preventing the data from remaining on the hard drive of the MFD or Laser Printer after the copy, print, or scan job is finished.
 - 6.3.2 Provide at least 128-bit AES encryption (or equivalent) as part of the storage process for any information held on the hard drive for long-term storage.
 - 6.3.3 Provide secure login for administrator access (including username and password), allowing administrators to set access levels for users who perform tasks on the device (e.g., managing address books (fax or scan addresses), or printing print, fax, or copy/scan logs). Upon setup and configuration, all default device or interface passwords must be changed and communicated to the designated contacts(s).
 - 6.3.4 Isolate any incoming FAX line from all hardware that has network access. MFDs must have no physical or data connection between the Page Memory (or Temporary Data Storage) and the FAX controller.
- 6.4 Hard Drive Data. University acknowledges that the hard drive(s) on the equipment, may retain images, content or other data that University may store for purposes of normal

Attachment A - Statement of Work (SOW)

operation of the equipment (“HD Data”). University acknowledges that Supplier is not storing HD Data on University’s behalf and that exposure or access to the HD Data by Supplier, if any, is purely incidental to the services performed by Supplier. The equipment contains various security features that University can utilize to easily erase or dispose of stored data.

- 6.5 Provide on/off (switchable) control of read/write access to the device from portable media (e.g., SD cards, USB drives, etc.); UC System Administrator will be required to initialize the Hard Drive via the device’s local control panel utilizing the “Initialize All Data/Settings” function and additionally, Supplier will be required to initialize the Hard Drive utilizing the “Initialize All Data/Settings” function and provide certification of completion including device serial number, device name, erase mode, date and time of erasing, and firmware version to the appropriate UC System Administrator, at the end of a lease, cost-per-copy agreement, or at trade-in (or at any time, for any reason, an MFD and/or Laser Printer is removed from UC) at no additional cost to UC. From time to time, when devices are leased, Supplier may be required to remove and surrender a Hard Drive to a UC System Administrator, for a flat fee as priced in Pricing Exhibits 1.

1. If Solid State Devices (SSD) are used solely on Canon supplied devices, when the “Initialize All Data/Settings” function is invoked, the result would be equivalent to a cryptographic erasure
2. If there will be a mix of SSD and Hard Disk Drives (HDD) used on Canon supplied devices, when the “Initialize All Data/Settings” function is invoked, the result would be equivalent to cryptographic erasure on Canon supplied SSD and purging (secure erase firmware command or cryptographic erasure) for Canon supplied HDD.
3. See below bullets for further clarity and definitions

- Definitions Per [UC IS-3 UC Institutional Information Disposal Standard](#):

Cryptographic Erasure is defined as a disposal process that safely destroys all copies of the decryption key. If all data is adequately encrypted, then once the decryption key is removed, the Institutional Information is not recoverable. Note, for Cryptographic Erasure, the UC IT Workforce Member must verify that all data is adequately encrypted on the Canon device. The location of all decryption keys must be known and documented. An action that safely destroys all copies of the key must be available. The cryptographic algorithm employed must meet minimum standards, as defined by NIST FIPS 140-2.

Purging is defined as a disposal process that makes the media reusable but makes accessing the Institutional Information infeasible. This applies to physical or logical techniques that render Institutional Information recovery unachievable. Purge protects against laboratory attacks. Executing the secure erase firmware command on a disk drive, Cryptographic Erase and Degaussing are acceptable methods of purging.

- 6.6 Supplier will work with each University, Health Center and Laboratory System Administrator to create the appropriate standards for device security including; interface, network, port

Attachment A - Statement of Work (SOW)

usage, authentication, key/certification, log, job and storage parameters. Prior to deliver the HDD Data Erase function will be enabled in all Canon imageRUNNER devices to overwrite at least once with NULL Data in the temporary image data storage areas. UC System Administrator can configure the device to automatically overwrite to other settings.

1. If Solid State Devices (SSD) are used solely on Canon supplied devices, when the "Initialize All Data/Settings" function is invoked, the result would be equivalent to a cryptographic erasure
 2. If there will be a mix of SSD and Hard Disk Drives (HDD) used on Canon supplied devices, when the "Initialize All Data/Settings" function is invoked, the result would be equivalent to cryptographic erasure on Canon supplied SSD and purging (secure erase firmware command or cryptographic erasure) for Canon supplied HDD.

- Definitions Per [UC IS-3 UC Institutional Information Disposal Standard](#):

Cryptographic Erasure is defined as a disposal process that safely destroys all copies of the decryption key. If all data is adequately encrypted, then once the decryption key is removed, the Institutional Information is not recoverable. Note, for Cryptographic Erasure, the UC IT Workforce Member must verify that all data is adequately encrypted on the Canon device. The location of all decryption keys must be known and documented. An action that safely destroys all copies of the key must be available. The cryptographic algorithm employed must meet minimum standards, as defined by NIST FIPS 140-2.

Purging is defined as a disposal process that makes the media reusable but makes accessing the Institutional Information infeasible. This applies to physical or logical techniques that render Institutional Information recovery unachievable. Purge protects against laboratory attacks. Executing the secure erase firmware command on a disk drive, Cryptographic Erase and Degaussing are acceptable methods of purging.

GENERAL TERMS

1. **PURCHASE OR LEASE OF LISTED ITEMS.** You and CSA agree that you will purchase or lease, as applicable pursuant to the terms and conditions of this Agreement, the equipment ("Equipment"), Equipment maintenance including supplies under a supply inclusive maintenance plan ("Maintenance"), application software licenses ("Software") which excludes Embedded Software as set forth in Rider A, "Software Subscriptions" as defined in Rider C, Software installation services ("Software Installation Services"), Software support contracts ("Software Support Contracts"), subscription support services ("Subscription Support Services"), managed print services ("MPS"), and/or other products and services incorporated by a schedule or addendum accepted by CSA (all collectively, the "Listed Items"), each as described in any rider hereto ("Rider") or any Order Schedule, Return Schedule, MPS Schedule or other schedule or order document accepted by CSA (each a "Schedule"). Each Schedule referring to this Agreement will constitute a separate agreement for the acquisition of the Listed Items described therein and shall incorporate the terms of this Agreement. "NOLI" for purposes of Rider F shall mean non-CSA Listed Items, which may include hardware, software (and specifically third party software), equipment, supplies, service, warranty, network equipment and other items not listed in CSA's price list and as designated on the Master Sales and Services Agreement. NOLI products are provided as a convenience to Customers and are not eligible for any warranty or maintenance under this Agreement and accordingly Customer waives any claim it might have against CSA for any loss, damages or expenses caused by NOLI products. "Products" shall mean Equipment, Software and Software Subscriptions, and any other products incorporated into this Agreement by a Schedule or addendum accepted by CSA ("Addendum" or "Addenda"). "Services" shall mean Maintenance, Software Installation Services, Subscription Support Services, MPS and any other services incorporated into this Agreement by a Schedule or Addendum. "Lease" shall mean the document pursuant to which you lease Listed Items from a "Leasing Company", which shall solely govern as to matters contained therein, and unless otherwise set forth on the Customer Information Face Page or any Addendum, the Leasing Company is Canon Financial Services, Inc. ("CFS"). To the extent the terms of any Rider conflict with these General Terms, the terms of the Rider shall control. Unless specifically otherwise defined in a Rider or Schedule, shall have the meaning defined in these General Terms. THE PARTIES MAY AMEND THE TERMS OF THIS AGREEMENT BY USE OF A MUTUALLY AGREEABLE ADDENDUM, EXECUTED BY YOU AND AN AUTHORIZED REPRESENTATIVE OF CSA.
2. **TERM.** The initial term during which Services shall be provided, and for the lease of Products, unless earlier terminated as provided in these General Terms or the applicable Rider, is as set forth on the applicable Schedule. That initial term shall be subject to renewal as provided in the applicable Rider.
3. **DELIVERY/INSTALLATION OF EQUIPMENT.** Unless otherwise set forth in a Schedule, delivery and installation of Equipment is at no additional charge, so long as no special rigging is required (in which event CSA's rates therefor will apply). For purposes of this Agreement, "special rigging" shall include, but not be limited to, the use of cranes, forklifts, or other mechanical devices; and/or the engagement of additional personnel beyond those ordinarily required for CSA to deliver Equipment via delivery van

4. **PAYMENT TERMS AND CHARGES.** The total price specified in any Schedule for the Listed Items, including taxes and delivery/installation charges (if any), is due and payable within 30 days of the invoice date unless otherwise stated on the invoice. Should Maintenance or Software support not be purchased at the time of the initial delivery of the Product, or should it terminate or be suspended, additional fees to inspect the Product or otherwise to start or reinstate the Maintenance or Software support shall apply. Applicable taxes shall be added to the charges. Without limiting any of CSA's rights and remedies under applicable law, if payments are late, CSA may charge you and you agree to pay a late charge equal to the higher of five percent (5%) of the amount due or \$10 as reasonable collection fees, not to exceed the maximum amount permitted by law, and you shall pay the actual and reasonable costs and expenses of collection incurred by CSA, including the maximum attorney's fees permitted by law.
5. **CREDIT.** CSA reserves the right to withhold shipment of the Listed Items until you (or the Leasing Company, if applicable) make full payment of the total price specified in all Schedules accepted by CSA, or to revoke any credit extended to you because of your failure to pay any amounts when due pursuant to such Schedules or the applicable CFS Lease, or for any other reason affecting your creditworthiness. If at any time prior to shipment, CSA discovers any mistake in pricing or configuration for any of the Listed Items, CSA reserves the right to notify you of the mistake in writing, and such notification will constitute the non-acceptance of this Agreement by CSA with respect to such Listed Items without liability.
6. **LIMITED WARRANTIES AND DISCLAIMER.** Canon brand Equipment is provided with an end user limited warranty, from the manufacturer, either Canon U.S.A., Inc. ("Canon") or a Canon affiliated company. CSA is an authorized Canon service dealer and provides warranty service pursuant to the Canon limited warranties. Warranties, if any, for other Products and Services are provided by the manufacturer or developer or as may also be provided in the applicable Rider or Schedule. The use of Software is at all times subject to and governed by the applicable end user license agreement. In addition to the aforesaid manufacturer or developer warranties, CSA warrants that on completion of installation of Canon brand Equipment will be (1) in material conformance with the manufacturer's published specifications, (2) qualified for CSA's standard maintenance services and (3) free from material defects in workmanship and materials. All parts replaced under a warranty shall become the property of CSA or the manufacturer. The CSA warranty set forth herein does not apply to used or refurbished Equipment and is conditioned upon Customer giving prompt written notice to CSA of any discovered defects at the time installation is complete. CUSTOMER'S SOLE AND EXCLUSIVE REMEDY FOR BREACH OF THE FOREGOING CSA WARRANTY SHALL BE TO REJECT THE EQUIPMENT AND CANCEL THE AFFECTED EQUIPMENT SCHEDULE AT THE TIME INSTALLATION IS COMPLETED. IN NO EVENT SHALL A BREACH OF THIS WARRANTY GIVE RISE TO A CLAIM FOR DAMAGES AGAINST CSA. THE WARRANTIES CONTAINED OR REFERENCED IN THIS AGREEMENT ARE IN LIEU OF ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING ANY IMPLIED WARRANTIES REGARDING MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, RELATING TO THE USE OR PERFORMANCE OF THE LISTED ITEMS, AND ALL SUCH OTHER WARRANTIES, INCLUDING ANY RELATING TO THE USE OR PERFORMANCE OF THE LISTED ITEMS OR ANY METER READ COLLECTION METHOD PROVIDED BY CSA, ARE HEREBY EXPRESSLY DISCLAIMED. CANON OFFICE DEVICES AND CUT SHEET PRODUCTION MAINTENANCE TERMS

THE GENERAL TERMS ARE INCORPORATED HEREIN BY REFERENCE. THE TERMS OF THIS RIDER A SHALL CONTROL OVER THE GENERAL TERMS UNLESS OTHERWISE SPECIFICALLY STATED HEREIN.

"Equipment" for purposes of this Rider A shall mean Canon branded office devices (and not Large Format equipment covered under Rider F nor printers covered under Rider E).

1. MAINTENANCE / TERM / CHARGES.

a. If Maintenance for Equipment is indicated on its Order Schedule, it shall mean that CSA will keep the Equipment in good working order subject to the terms of this Agreement. Maintenance shall include emergency break fix service, routine preventative maintenance, including inspection, adjustment, parts replacement, drums, and cleaning material required for proper Equipment operation. Maintenance shall start on the date (the "Start Date") of installation for newly installed Equipment (inclusive of standard embedded Canon brand software) covered under toner inclusive service. For all other newly installed Equipment, the Start Date shall be at the end of the relevant Equipment warranty or 90 days from installation, whichever comes first. The Start Date is stated on the Order Schedule for all previously in place Equipment.

b. The initial term of Maintenance is set forth on the Order Schedule, and thereafter shall renew for successive 12 month renewal terms unless either party gives written notice of non-renewal at least 30 days prior to the expiration of the then-current term. The renewal charges shall be reflected on the invoice for the first billing cycle of the renewal period.

c. Unless otherwise set forth in an Order Schedule, Service Charges shall start billing and Customer shall start payment upon the completion of installation. Maintenance Base Charge(s) and Per Image Charge(s) as listed on the applicable Order Schedule (collectively "Service Charges") are billed for full calendar month periods, with Maintenance Base Charge(s) billed in advance and Per Image Charge(s) billed in arrears.

d. The meter shall record a quantity of 1 image for each image printed on media sizes up to 13" x 19", and two images for any larger media. For Long Sheet images, defined as images printed on media longer than 19", there will be an additional Per Image Charge as set forth on the Order Schedule. If you are making Long Sheet images and there is no such charge on the Order Schedule, CSA will invoice you for such charges at our standard rate and you agree to pay same. For Equipment designated as Corporate Advantage, the meter shall record a quantity of 2 images for any image produced on media longer than 14".

e. If the Order Schedule is for a Fixed Price Plan charges shall not increase during the initial term, and if for a Standard Price Plan charges are subject to an annual increase up to 10% (as determined by CSA in its sole discretion) either (i) on each anniversary of the start date or (ii) once in each calendar year if you have selected the Aggregate Coverage Plan. Notwithstanding the foregoing and for purposes of clarity, with respect to transactions where CFS invoices the Maintenance Base Charge, such annual increase shall be applied only to the Excess Per Image Charge and shall exclude the Maintenance Base Charge.

f. If the Fleet or Aggregate plan is indicated in the Equipment Maintenance Information Section on an Order Schedule, the Maintenance Base Charge and the Covered Images listed on the first page of the Order Schedule apply to all of the Equipment on that Order Schedule, unless otherwise indicated.

g. If the Listed Items on an Order Schedule are added to an existing Fleet Coverage Plan under a previous Order Schedule or contract between you and CSA, (i) the fleet shall include the equipment listed under the previous Order Schedule or contract, and all other Order Schedules or contracts for which the add to existing fleet option was selected, and (ii) the maintenance term for all Listed Items under this Agreement shall be the same as the maintenance term for all listed items under all such previous Order Schedules or contracts.

Rider A

h. If the Listed Items on an Order Schedule are added to an existing Aggregate Coverage Plan under a previous Order Schedule or contract between you and CSA, the Covered Images shall apply to all of the Equipment on the Order Schedule, unless otherwise indicated, plus the listed items under previous Order Schedule(s) or contract (s), and all other Order Schedules or contracts for which the add to existing Aggregate Coverage Plan was selected, on an aggregated basis, for so long as the maintenance term for all such listed items continues.

i. If the Per Unit is indicated in the Equipment Maintenance Information Section on an Order Schedule, the Maintenance Base Charge and the Covered Images listed in each Section of the Order Schedule shall apply on a per unit basis for the Equipment listed in that Section.

j. If image dependent service is selected, there shall be no Per Image Charges; however, the then-current term shall terminate at the end of the number of months specified on the Order Schedule or on the date when the images made exceed the maximum covered images specified on the Order Schedule, whichever event occurs sooner.

2. CUSTOMER SATISFACTION POLICY. If you are not satisfied with the performance of your Equipment, upon your written request, CSA in its sole discretion will repair or replace the Equipment with a like unit with equivalent capabilities. Prior to replacement, CSA shall have had the opportunity to return the Equipment to good working order in accordance with the terms of this Agreement. If a replacement unit of Equipment is provided, the replaced unit shall be removed from the Lease and the replacement unit shall be deemed a "Listed Item" under the Lease and for the Lease and all other purposes of this Agreement. This policy shall apply for 3 years from the date of installation or for the initial term of any CFS Lease, if longer, provided you are not in default of this Agreement or the Lease and such Maintenance services have not been canceled or terminated

3. HOURS OF OPERATION AND ACCESS TO EQUIPMENT. Maintenance shall be performed during CSA's local regular business hours (8:30 A.M. to 5:00 P.M. Monday through Friday, excluding CSA holidays). Overtime charges, at CSA's current rates, will be charged for all Maintenance service calls outside normal business hours. You shall give CSA reasonable and safe access to the Equipment and CSA shall provide labor or routine, remedial and preventive Maintenance as well as remedial parts. CSA may terminate its Maintenance obligations for any Equipment you relocate to a site outside CSA's service territory.

4. ITEMS NOT COVERED UNDER MAINTENANCE. Any work beyond the scope of this Agreement shall be invoiced in accordance with CSA's then current labor, parts and supply charges. The following items are NOT covered under Maintenance unless otherwise set forth in an Order Schedule:

- (a) all consumable supply items not provided as part of toner inclusive service, including, without limitation, paper, staples, other media, print heads and puncher dies;
- (b) repairs resulting from factors other than normal use including, without limitation, any willful act, negligence, abuse, accident, or misuse of the Equipment;
- (c) repairs due to the use of parts, supplies or software which are not supplied by CSA and which cause abnormally frequent service calls or service problems;
- (d) repairs to fix problems resulting from service performed by personnel other than CSA personnel;
- (e) repairs due to use of the Equipment with non-compatible hardware or software components; electrical power malfunction or heating, cooling or humidity ambient conditions;
- (f) de-installation, re-installation or relocation of Equipment;

- (h) work which you request to be performed outside of CSA's regular business hours; or
- (i) repair of network/system connection device, except when listed on face page.

5. EXCESSIVE MAINTENANCE REQUIREMENTS. 6. PARTS. You disclaim any interest in parts or Equipment replaced or removed by CSA. Such parts and Equipment shall be replaced on an exchange basis and shall become the property of CSA.

7. CONSUMABLE INCLUSIVE (TONER ABUSE). Consumable Supplies: All consumables are the property of CSA until used. Consumables Inclusive Maintenance includes replenishment of toner only (unless other consumables are specified on the Order Schedule and applicable to the unit of Equipment). Toner is supplied for exclusive use with the unit of Equipment for which it is provided. CSA may terminate the Maintenance under this Agreement if you use the consumables in a different manner. If your use of consumables exceeds the typical use pattern (as determined solely by CSA) for these items by more than 10% of the published manufacturer specifications for conventional office image coverage, or should CSA, in its sole discretion, determine that consumables are being misused in any fashion, CSA may invoice you for such excess usage and you agree to pay for such improper or excess use. Consumable Inclusive Maintenance is predicated upon deployment of CSA's remote reporting software (see Section 8 b. below installation and use), which includes Auto-Toner Replenishment. CSA may charge you a Supply Freight Fee to cover the cost of shipping consumables to you. You shall bear all risk of loss, theft or damage to unused consumables, which shall remain CSA's property and shall be returned promptly upon termination of Maintenance for the applicable unit of Equipment.

8. BILLING / METER COLLECTION.

a. You agree to comply with the billing procedures designated by CSA, including timely notifying CSA of the meter readings. If CSA does not receive timely meter readings from you, you agree to pay invoices that reflect CSA's estimates of meter readings. CSA reserves the right to verify the accuracy of any meter readings from time to time, and to invoice you for any shortfall in the invoice for the next periodic billing cycle. In accordance CSA's normal procedures and the meter read option selected.

b. You agree that CSA shall be entitled to acquire meter readings using CSA's remote reporting software. Unless otherwise indicated in an Order Schedule, you authorize CSA to use networked features of the Equipment and the remote reporting software to receive software updates, activate features/new licenses and transmit use and service data accumulated by the Equipment over your network by means of an HTTPS protocol and to store, analyze and use such data for purposes related to servicing the Equipment, providing reports and product improvement.

c. You may also use the myCSA website to provide meter readings, in which case you, your employees or agents shall complete CSA's registration process governing access to and use of such website, and you agree to be bound by, and comply with its Terms of Use. CSA may change your meter read options from time to time upon 60 days' notice.

9. EMBEDDED SOFTWARE. CSA shall make available to you from time to time upgrades and bug fixes for the software licensed as part of the Equipment ("Embedded Software"), but: (i) only if such upgrades and bug fixes are provided to CSA by the developers of such Embedded Software, (ii) availability of upgrades and bug fixes may be at additional charge, and (iii) installation of such upgrades and bug fixes by CSA if requested by

Level 1 support consists of (i) providing help-line telephone assistance in operating the Embedded Software and identifying service problems and attempting to troubleshoot any such problems in the Embedded Software; (ii) escalating operating problems to the available developer of the Embedded Software as needed to rectify such problems, including facilitating contact between you and the developer of the Embedded Software as necessary; and (iii) maintaining a log of such problems to assist in tracking the same. THE GENERAL TERMS ARE INCORPORATED HEREIN BY REFERENCE. THE TERMS OF THIS RIDER F SHALL CONTROL OVER THE GENERAL TERMS UNLESS OTHERWISE SPECIFICALLY STATED HEREIN.

"Equipment" for purposes of this Rider F shall mean, and only apply to Large Format models as identified in the definition of Large Format below.

"Software" for purposes of this Rider F shall mean, and only apply to software provided for use with or by Large Format models as identified in the definition of Large Format below.

"Large Format" for the purposes of this Rider F shall mean PlotWave, ColorWave, imagePROGRAF, Arizona, and Colorado Series hardware, software and accessories.

1.0 LARGE FORMAT MAINTENANCE / TERM / CHARGES.

- a) Maintenance, identified as "Standard Svc Contract" in the "Service Type" section of an Order Schedule when applicable, shall commence upon installation of the Equipment or, if Maintenance is not requested at the time of initial installation, upon certification by CSA, or, at the conclusion of the warranty period, if any, as noted on an Order Schedule. Maintenance will be provided as is specifically set forth in the applicable Order Schedule.
- b) The Order Schedule shall identify the initial Maintenance term when elected and customer may not terminate Maintenance during the initial term. Maintenance shall be automatically renewed for successive one (1) year terms at CSA's then-current charges and under the terms and conditions herein unless either party gives the other written notice of its intent not to renew at least thirty (30) days prior to the expiration of any initial or renewal term. During the initial term, CSA may adjust pricing for Maintenance, or any component thereof, including supplies and other materials, by a maximum of ten percent (10%) per year. Upon renewal and upon 90 days written notice, charges are subject to an annual increase on each anniversary of the start date.
- c) (i) For the period from the Effective Date to the date that monthly (or quarterly) billing commences for the initial Base Charge Per Unit as set forth on the applicable Order Schedule ("Interim Period"), Customer shall pay CSA an amount equal to the Base Charge Per Unit divided by thirty (30), or if Maintenance Payment frequency is quarterly divided by ninety (90) and multiplied by the number of days in the Interim Period plus Excess Usage Charges ("Excess Usage Charges"). CSA shall invoice the Base Charge Per Unit in advance and shall invoice the Excess Usage Charges and other usage fees (collectively "Maintenance Service Charges") periodically as indicated in the Order Schedule. If applicable, Customer shall provide meter readings by the last calendar day of each month showing the monthly usage by a CSA approved method. Should such meter readings not be provided in a timely fashion, Excess Usage Charges may be estimated by CSA. IN THE EVENT CSA DETERMINES AT ITS SOLE DISCRETION THAT CUSTOMER HAS ORDERED CONSUMABLES BEYOND A REASONABLE REQUIREMENT BASED ON INDUSTRY ACCEPTED CLICK VOLUME MEASUREMENTS, CSA MAY, IN ITS SOLE DISCRETION, UPON REASONABLE DEMONSTRATION OF SUCH EXCESS USE BY CUSTOMER, BILL CUSTOMER THE LIST PRICE OF THE EXCESS CONSUMABLES. In addition to Maintenance Service Charges, CSA may assess a fuel surcharge ("Fuel Surcharge") to offset increases in fuel expenses. The Equipment may contain software that allows CSA to access the Equipment remotely ("Remote Software"). In such cases, Customer authorizes CSA to use the Remote Software to (a) receive software updates and transmit use and service data accumulated by the Equipment over

Canon Solutions America, Inc.

Rider F

Customer's network by means of an HTTPS protocol and (b) store and analyze such data solely for CSA's own purposes related to servicing the Equipment and for product improvement. Customer hereby requests that CSA enable the Remote Software on the Equipment listed in the Order Schedule.

(ii) Unless otherwise set forth in an Order Schedule, Maintenance charges shall start billing and Customer shall start payment upon the completion of installation. Maintenance charges as listed on the applicable Order Schedule are billed at the frequency noted on the Order Schedule. with Base Charge Per Unit (s) billed in advance and Excess Usage Charges billed in arrears. If Equipment is installed on other than the first of the month, then the period from the install date to the end of the month shall be the "Interim Period". Customer shall pay CSA an amount equal to the applicable Base Charge Per Unit divided by thirty (30) days and multiplied by the number of days in this Interim Period. Excess Usage Charges shall also be invoiced according to the meter reading for this Interim Period. If there are other invoicing requirements, this may result in a longer initial term. After the Interim Period, CSA shall invoice you at the frequency noted on the Order Schedule or, if specified, on a rolling 30-day basis for the number of months indicated on the Order Schedule. For purposes of clarity and by way of example only, if Equipment is installed on December 15th, billing for a full calendar months with Interim Period shall be as follows: 12/15 -12/31, 1/1-1/31, 2/1-2/28, 3/1-3/31 and so on. Using the same installation date, rolling 30 day invoicing shall be as follows: 12/15-1/14, 1/15-2/14, 2/15 – 3/14, and so on.

Field Reconditioned Equipment may have ink stains, dents, and printhead nozzles that do not function.

If CSA determined that there is a hard code failure and the machine can no longer calibrate at 430 square feet per hour on CSA's calibration material due to misdirected or blocked nozzles, the technician will order the print head in advance and will schedule it to arrive the following business day. If the technician has the part in stock, they will schedule a visit based on priority of calls. If CSA determines during the troubleshooting of the printer that the root cause of the printhead failure is a result of Customer actions, it will be the Customer's responsibility to purchase a printhead. Once the printhead is on site, the Customer can place a service call and the Service Technician will respond and install the replacement printhead. CANON FINANCIAL SERVICES, INC.

THESE MASTER LEASE TERMS (the "Lease Terms") apply to any schedule incorporating these Lease Terms by reference whether designated as a "Lease Schedule- Itemized," a "Lease Schedule - Blended" or otherwise (in any case, a "Lease Schedule") entered into by and between Canon Financial Services, Inc. ("CFS") and the customer identified in such Lease Schedule ("Customer") from time to time for the lease or rental, as applicable, to Customer of the Equipment (as defined below) supplied by Canon Solutions America, Inc. ("CSA") and described in such Lease Schedule. Each Lease Schedule referring to these Lease Terms will constitute a separate agreement for the lease of the equipment described therein and shall incorporate these Lease Terms.

1. AGREEMENT: CFS leases to Customer and Customer leases from CFS all the equipment described in any Lease Schedule signed by Customer and accepted by CFS, together with all replacement parts and substitutions for and additions to such equipment (the "Equipment"), and licenses of software, if applicable, ("Listed Software") with such Equipment and Listed Software collectively referred to as (the "Listed Items"), upon the Lease Terms.

2. TERM OF SCHEDULE: Each Lease Schedule shall be effective on the date the Equipment is delivered to Customer, provided Customer executes CFS' form of acceptance ("Acceptance Certificate") or otherwise accepts the Equipment as specified herein. Any such acceptance is irrevocable. If Customer has not, within ten (10) days after delivery of such Equipment, delivered to CFS written notice of any non-acceptance, specifying the reasons therefor and specifically referencing the relevant Lease Schedule, Customer shall be deemed to have irrevocably accepted such Equipment. The term of each Lease Schedule begins on the date accepted by CFS or any later date that CFS designates, and shall consist of the payment period specified on such Lease Schedule and any renewal periods. After acceptance of the Equipment covered by any Lease Schedule, Customer shall have no right to revoke such acceptance or cancel such Lease Schedule during the term indicated thereon. The term of any Lease Schedule shall end, unless sooner terminated by CFS, when all amounts required to be paid by Customer under such Lease Schedule have been paid as provided and either (a) Customer has purchased the Equipment in accordance with the terms hereof, or (b) the Equipment has been returned at the end of the scheduled term or renewal term in accordance with the terms thereof. Customer has no right to return the Equipment to CFS prior to the end of the scheduled term of any Lease Schedule for any reason whatsoever, including, without limitation, payment of all amounts due hereunder prior to the end of the scheduled term. As between CFS and Customer only, these Lease Terms shall supersede any Customer purchase order in its entirety, notwithstanding anything to the contrary contained in any such purchase order.

3. PAYMENTS: Customer agrees to pay to CFS, as invoiced, during the term of each Lease Schedule, (a) the lease or rental payments specified on the respective Lease Schedule, and (b) such other amounts permitted thereunder or in these Lease Terms as invoiced by CFS ("Payments"). The amount of each Payment and the End of Term Purchase Option specified on each Lease Schedule ("Purchase Option") are based on CSA's best estimate of the cost of the Equipment and any related services and supplies, including any sales and use tax. Customer authorizes CFS to adjust such Payments and Purchase Option prices by up to fifteen percent (15%) if the actual total cost of the Equipment and any related services and supplies, including any sales or use tax, is more or less than originally estimated. If a Lease Schedule indicates a "Standard" Price Plan, CSA has the right to increase both (i) the portion of the Monthly Base Charge related to copy charges and (ii) the Per Image Charge on each anniversary of the Commencement Date in an amount not to exceed fifteen percent (15%) of such charges which were in effect immediately prior to such price increase. **Customer agrees to advise CSA of the meter readings for the Equipment upon request.** Customer shall remit all Payments hereunder directly to CFS at 14904 Collections Center Drive, Chicago, Illinois 60693, unless otherwise directed by CFS. Customer's obligation to pay all amounts due under a Lease Schedule or these Lease Terms and all other obligations thereunder and hereunder is absolute and unconditional and is not subject to any abatement, set-off, defense, or counterclaim for any reason whatsoever. If Customer fails to pay any sum to be paid by Customer to CFS under any Lease Schedule on or before the due date, Customer shall pay CFS, upon demand, an amount equal to the greater of ten percent (10%) of each such delayed Payment or twenty-five dollars (\$25) for each billing period or portion of a billing period such Payment is delayed, in each case to the extent permitted by applicable law. The amounts specified above shall be paid as liquidated damages and as compensation for CFS' internal operating expenses incurred in connection with such late payment. In addition, Customer shall reimburse CFS for all of its out-of-pocket costs and expenses incurred in exercising any of its rights or remedies under any Lease Schedule or in enforcing any of the Lease Terms or any Lease Schedule, including without limitation reasonable fees and expenses of attorneys and collection agencies, whether or not suit is brought. Customer agrees that CFS may in its sole discretion apply, but shall not be obligated to apply, any amount paid in advance to any amount due or to become due hereunder. In no event shall any amount paid in advance earn interest except where required by applicable law.

4. NO CFS WARRANTIES: CUSTOMER ACKNOWLEDGES THAT CFS IS NOT A MANUFACTURER, DEALER, OR SUPPLIER OF THE EQUIPMENT. CUSTOMER AGREES THAT THE EQUIPMENT IS LEASED OR RENTED "AS IS" AND IS OF A SIZE, DESIGN, AND CAPACITY SELECTED BY CUSTOMER. CUSTOMER ACKNOWLEDGES THAT CFS HAS MADE NO REPRESENTATION OR WARRANTY WITH RESPECT TO THE SUITABILITY OR DURABILITY OF THE EQUIPMENT, THE ABSENCE OF ANY CLAIM OF INFRINGEMENT OR THE LIKE, OR ANY OTHER REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, WITH RESPECT TO THE EQUIPMENT INCLUDING, WITHOUT LIMITATION, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS

FOR A PARTICULAR PURPOSE. So long as Customer is not in breach or default of any Lease Schedule, CFS assigns to Customer any warranties (including those agreed to between Customer and the manufacturer, dealer, or supplier) which CFS may have with respect to any item of Equipment; provided that the scope and limitations of any such warranty shall be solely as set out in any agreement between Customer and such manufacturer, dealer, or supplier or as otherwise specified in warranty materials from such manufacturer, dealer, or supplier and shall not include any implied warranties arising solely from CFS' acquisition of the Equipment. CUSTOMER ACKNOWLEDGES AND AGREES THAT NEITHER THE SUPPLIER NOR ANY DEALER IS AUTHORIZED TO WAIVE OR ALTER ANY LEASE TERM OR ANY LEASE SCHEDULE, OR MAKE ANY REPRESENTATION OR WARRANTY WITH RESPECT TO THE LEASE TERMS, ANY LEASE SCHEDULE, OR THE EQUIPMENT, ON BEHALF OF CFS.

5. USE; LOCATION; LIENS; PERSONAL PROPERTY; FINANCING STATEMENTS: Customer shall comply with all laws and regulations relating to the use and maintenance of the Equipment. Customer shall put the Equipment only to the use contemplated by the manufacturer. The Equipment shall remain personal property regardless of whether it becomes affixed to real property or permanently rests upon any real property or any improvement to real property. Customer shall not move the Equipment from the location specified on the applicable Lease Schedule except with the prior written consent of CFS. Customer shall keep the Equipment free and clear of all claims and liens other than those in favor of CFS. Customer authorizes CFS (and any third party filing service designated by CFS) to execute and file (a) financing statements evidencing the interest of CFS in the Equipment (including forms containing a broader description of the Equipment than the description set forth in the respective Lease Schedule), (b) continuation statements in respect thereof, and (c) amendments thereto, and Customer irrevocably waives any right to notice thereof. Customer's legal name (as set forth in its constituent documents filed with the appropriate governmental office or agency) is as set forth herein. Customer shall provide CFS with written notice at least thirty (30) days prior to any change of its legal name, chief executive office address or jurisdiction of organization).

6. INDEMNITY: Customer shall indemnify and defend CFS, its subsidiaries, directors, officers, employees and agents from and against any and all costs, expenses, liabilities, injuries, claims, damages, losses, judgments or fees (including reasonable attorneys' fees) caused by the Equipment, including, without limitation, arising from or related to the storage, transmission or destruction of Data. This Section shall survive termination of any and all Lease Schedules.

7. MAINTENANCE: Customer shall keep and maintain the Equipment in good working order and shall, at Customer's expense, supply and install all replacement parts and accessories when required to maintain the Equipment in good working condition. Customer shall not, without the prior written consent of CFS, make any changes or substitutions for and to the Equipment. Any and all replacement parts, accessories, authorized changes to and/or substitutions for the Equipment shall become part of the Equipment and subject to the Lease Terms. If a Lease Schedule includes payments for service and supplies, CSA is responsible for providing the service and supplies described in the Lease Schedule in accordance with CSA's terms and conditions, of which Customer acknowledges receipt. Unless otherwise indicated on a Lease Schedule, Customer authorizes CSA to use the imageWARE Remote feature of the Equipment to receive software updates and transmit use and service data accumulated by the Equipment over Customer's network by means of an HTTPS protocol and to store, analyze and use such data for purposes related to servicing the Equipment and product improvement. Customer acknowledges that the charges set forth on the Lease Schedule are contingent on the continued use of imageWARE Remote during the term. If Customer at any time disconnects, disables or denies access to this feature, CSA may increase the charges for such items by 5% for any subsequent billing period in which such feature remains non-operational. If CSA does not receive timely meter readings from Customer, Customer shall pay invoices that reflect CSA's estimates of meter readings. CSA or CFS may verify the accuracy of any meter readings from time to time and invoice Customer for any shortfall in the next invoice. Customer shall use reasonable care in handling and operation of the Equipment. CSA shall have the right to substitute equivalent Equipment at any time during the term of a Lease Schedule in connection with any replacement of the Equipment by CSA. Customer acknowledges that CFS will not be responsible for any service, repairs, or maintenance of the Equipment, whether provided for in the Lease Terms, the applicable Lease Schedule, or in any other agreement between CSA and Customer, and that if Customer has a dispute regarding the Equipment or the maintenance thereof, Customer shall continue to pay all charges due under the applicable Lease Schedule without deducting or withholding any amounts.

8. TAXES; OTHER FEES AND CHARGES: CUSTOMER SHALL PAY AND DISCHARGE WHEN DUE ALL LICENSE AND REGISTRATION FEES, ASSESSMENTS, SALES, USE, PROPERTY AND OTHER TAXES, AND OTHER EXPENSES AND CHARGES, together with any applicable penalties, interest, and administrative fees now or at any time imposed upon any Equipment, the Payments, or Customer's performance or non-performance of its obligations hereunder, whether payable by or assessed to CFS or Customer. If Customer fails to pay any such fees, assessments, taxes, expenses, or charges, as required hereunder, CFS shall have the right but not the obligation to pay those fees, assessments, taxes, expenses, and charges, and Customer shall promptly reimburse CFS, upon demand, for all such payments made plus administrative fees and costs, if any. Customer acknowledges that where required by law, CFS will file any notices and pay personal property taxes levied on the Equipment. Customer shall reimburse CFS for the expense of such personal property taxes as invoiced by CFS and pay CFS a processing fee not to exceed \$50 per year per item of Equipment that is subject to such tax. Customer agrees that CFS has not, and will not, render tax advice to Customer and that the payment of such taxes is an administrative act. For each Lease Schedule commenced incorporating these Lease Terms, Customer shall pay to CFS a documentation fee in the amount of \$85.

9. LOSS; DAMAGE; INSURANCE: Customer shall bear the entire risk of loss, theft or damage to the Equipment from any cause whatsoever, effective upon delivery to Customer. No such loss, theft, or damage shall relieve Customer of any obligation under the Lease Terms or any Lease Schedule. In the event of damage to any item of Equipment, Customer shall immediately repair such damage at Customer's expense. If any Equipment is lost, stolen, or damaged beyond repair, Customer, at the option of CFS, will (a) replace the

same with like equipment in a condition acceptable to CFS and convey clear title to such equipment to CFS (and such equipment will become "Equipment" and be subject to the Lease Terms), or (b) pay CFS the Remaining Lease Balance. Customer, at its sole cost and expense, shall, during the term hereof obtain and maintain property and liability insurance in form, amount, and with companies satisfactory to CFS. Each policy of insurance shall name CFS as additional insured and loss payee and provide CFS thirty (30) days written notice before the policy in question shall be materially altered or canceled. The proceeds of such insurance, at the option of CFS, shall be applied to (a) replace or repair the Equipment, or (b) pay CFS the Remaining Lease Balance on the applicable Lease Schedule. The "Remaining Lease Balance" shall be the sum of: (i) all Payments then owed and outstanding; (ii) the present value of all remaining Payments; (iii) the Purchase Option price of the Listed Items indicated on the Lease Schedule plus (iv) any applicable taxes, expenses, charges, and fees. For purposes of determining present value under any Lease Schedule, Payments shall be discounted at three percent (3%) per year. Customer hereby appoints CFS as Customer's attorney-in-fact solely to make claim for, receive payment of, and execute and endorse all documents, checks, or drafts for any loss or damage under any such insurance policy. If Customer fails to provide proof of insurance, CFS may, but is not required to obtain insurance covering CFS' interests, and charge the Customer for the costs of such insurance, and an administrative fee. CFS and any of its affiliates may make a profit on the foregoing.

10. DEFAULT: Any of the following events or conditions shall constitute an Event of Default under all Lease Schedules: (a) Customer defaults in the payment when due of any indebtedness of Customer to CFS, whether or not arising under any Lease Schedule, without notice or demand by CFS; (b) Customer or any guarantor of Customer's obligations hereunder ("Guarantor") ceases doing business as a going concern; (c) Customer or any Guarantor becomes insolvent or makes an assignment for the benefit of creditors; (d) a petition or proceeding is filed by or against Customer or any Guarantor under any bankruptcy or insolvency law; (e) a receiver, trustee, conservator, or liquidator is appointed for Customer, any Guarantor, or any of their property; (f) any statement, representation or warranty made by Customer or any Guarantor to CFS is incorrect in any material respect; or (g) if Customer or any Guarantor who is a natural person dies.

11. REMEDIES: Upon the happening of any one or more Events of Default, CFS shall have the right to exercise any one or all of the following remedies (which shall be cumulative), simultaneously, or serially, and in any order: (a) require Customer to immediately pay all unpaid Payments under any Lease Schedule (whether or not then due) and other amounts due under any and all Lease Schedules, with CFS retaining title to the Equipment; (b) to terminate any and all Lease Schedules with Customer; (c) with or without notice, demand or legal process, to enter upon the premises wherever the Equipment may be found, to retake possession of any or all of the Equipment, and (i) retain such Equipment and all Payments and other sums paid under all Lease Schedules, or (ii) sell the Equipment and recover from Customer the amount by which the Remaining Lease Balance exceeds the net amount received by CFS from such sale; or (d) to pursue any other remedy permitted at law or in equity. CFS (A) may dispose of the Equipment in its then present condition or following such preparation and processing as CFS deems commercially reasonable; (B) shall have no duty to prepare or process the Equipment prior to sale; (C) may disclaim warranties of title, possession, quiet enjoyment and the like; and (D) may comply with any applicable state or federal law requirements in connection with a disposition of the Equipment and none of the foregoing actions shall be deemed to adversely affect the commercial reasonableness of the disposition of the Equipment. If the Equipment is not available for sale, Customer shall be liable for the Remaining Lease Balance and any other amounts due under the applicable Lease Schedule. No waiver of any of Customer's obligations, conditions or covenants shall be effective unless contained in a writing signed by CFS. Failure to exercise any remedy that CFS may have shall not constitute a waiver of any obligation with respect to which Customer is in default.

12. ASSIGNMENT: CUSTOMER SHALL NOT ASSIGN OR PLEDGE ANY LEASE SCHEDULE IN WHOLE OR IN PART, NOR SHALL CUSTOMER SUBLET OR LEND ANY EQUIPMENT WITHOUT PRIOR WRITTEN CONSENT OF CFS. CFS may pledge or transfer any Lease Schedule. Customer agrees that if CFS transfers any Lease Schedule, the assignee will have the same rights and benefits that CFS has now and will not have to perform any of CFS' obligations which CFS will continue to perform. Customer agrees that the rights of the assignee will not be subject to any claims, defenses, or set-offs that Customer may have against CFS. If Customer is given notice of any such transfer, Customer agrees if so directed therein, to pay directly to the assignee all or any part of the amounts payable hereunder.

13. RENEWAL; RETURN: Except in the case of a Lease Schedule containing a \$1.00 Purchase Option, each Lease Schedule automatically renews under the same terms and conditions on a month-to-month basis if Customer fails to give CFS 60 days' prior written notice of its intent to purchase or return the Equipment before the end of any term. Unless a Lease Schedule automatically renews or Customer purchases the Equipment, Customer shall return the Equipment on the day the Lease Schedule terminates in good operating condition, ordinary wear and tear resulting from proper use excepted, at Customer's sole cost and expense to a location specified by CFS, and shall reimburse CFS for any costs incurred to place the Equipment in good operating condition. CFS may charge Customer a return fee equal to the greater of one Payment or \$250 for the processing of returned Equipment.

14. PURCHASE OPTION: .A) END OF TERM PURCHASE OPTION. At the end of any term, Customer shall give CFS 60 days' irrevocable prior written notice (unless the Purchase Option is \$1.00) that it will purchase all the Equipment at the Purchase Option plus any Costs. (B) PRIOR TO MATURITY PURCHASE. Customer may, at any time, upon 60 days' irrevocable prior written notice, purchase all the Equipment at a price equal to the sum of all remaining Payments plus the Fair Market Value plus Costs. "Fair Market Value" shall be CFS' retail price when Customer purchases the Equipment. Equipment purchases shall be "AS-IS WHERE-IS" without warranty, except for title.

15. DATA: Customer acknowledges that the hard drive(s) on the Equipment, including attached devices, may retain images, content or other data that Customer may store for purposes of normal operation of the Equipment ("Data"). Customer acknowledges that CFS is

not storing Data on behalf of Customer. Neither CFS nor any of its affiliates has an obligation to erase or overwrite Data upon Customer's return of the Equipment to CFS. Customer is solely responsible for: (A) its compliance with applicable law and legal requirements pertaining to data privacy, storage, security, retention and protection; and (B) all decisions related to erasing or overwriting Data. The Equipment contains various security features that Customer may utilize in this regard. Customer should contact CSA for further information. CSA will work with you to provide information regarding your options and offer services to assist you. Please note that such services may result in additional charges. The terms of this section shall solely govern as to Data, notwithstanding that any provisions of the Lease Terms or any separate confidentiality or data security or other agreement now or hereafter entered into between Customer, CSA and CFS applies, or could be construed to apply to Data.

16. MAXIMUM INTEREST; RECHARACTERIZED AGREEMENT: No Payment is intended to exceed the maximum amount of interest permitted to be charged or collected by applicable laws, and any such excess Payment will be applied to payments due under the applicable Lease Schedule, in inverse order of maturity, and any excess shall be refunded. If any Lease Schedule is recharacterized as a conditional sale or loan, Customer hereby grants to CFS, its successors and assigns a security interest in the Equipment to secure payment and performance of Customer's obligations under the Lease Terms and such Lease Schedule.

17. UCC - ARTICLE 2A: CUSTOMER ACKNOWLEDGES AND AGREES THAT EACH LEASE SCHEDULE IS INTENDED AS A "FINANCE LEASE" AS THAT TERM IS DEFINED IN ARTICLE 2A OF THE UNIFORM COMMERCIAL CODE ("UCC 2A"), AND THAT CFS IS ENTITLED TO ALL BENEFITS, PRIVILEGES, AND PROTECTIONS OF A LESSOR UNDER A FINANCE LEASE. CUSTOMER WAIVES ITS RIGHTS AS A LESSEE UNDER UCC 2A SECTIONS 508-522.

18. WAIVER OF OFFSET: The lease created by each Lease Schedule is a net lease. If the Equipment is not properly installed, does not operate as represented or warranted, or is unsatisfactory for any reason, Customer shall make such claim solely against the dealer, supplier, or manufacturer. Customer waives any and all existing and future claims and offsets against any Payments or other charges due under each Lease Schedule and these Lease Terms and unconditionally agrees to pay such Payments and other charges, regardless of any offset or claim which may be asserted by Customer or on its behalf.

19. GOVERNING LAW; VENUE; WAIVER OF JURY TRIAL: EACH LEASE SCHEDULE SHALL FOR ALL PURPOSES BE DEEMED A CONTRACT ENTERED INTO IN THE STATE OF NEW JERSEY. THE RIGHTS OF THE PARTIES UNDER EACH LEASE SCHEDULE SHALL BE GOVERNED BY THE LAWS OF THE STATE OF NEW JERSEY WITHOUT REFERENCE TO CONFLICT OF LAW PRINCIPLES. ANY ACTION BETWEEN CUSTOMER AND CFS SHALL BE BROUGHT IN ANY STATE OR FEDERAL COURT LOCATED IN THE COUNTY OF CAMDEN OR BURLINGTON, NEW JERSEY, OR AT CFS' SOLE OPTION, IN THE STATE WHERE THE CUSTOMER OR THE EQUIPMENT IS LOCATED. CUSTOMER, BY ITS EXECUTION AND DELIVERY HEREOF, IRREVOCABLY WAIVES OBJECTIONS TO THE JURISDICTION OF SUCH COURTS AND OBJECTIONS TO VENUE AND CONVENIENCE OF FORUM. CUSTOMER, BY ITS EXECUTION OF ANY LEASE SCHEDULE, AND CFS, BY ITS ACCEPTANCE THEREOF, HEREBY IRREVOCABLY WAIVE ANY RIGHT TO A JURY TRIAL IN ANY SUCH PROCEEDINGS UNLESS CUSTOMER RESIDES IN A STATE IN WHICH A WAIVER OF A RIGHT TO A JURY TRIAL IS UNENFORCEABLE AS A MATTER OF THAT STATE'S PUBLIC POLICY.

20. MISCELLANEOUS: All notices required or permitted under the Lease Terms or any Lease Schedule shall be sufficient if delivered personally, sent via facsimile or other electronic transmission, or mailed to such party at the address set forth in an applicable Lease Schedule, or at such other address as such party may designate in writing from time to time. Any notice deposited in the mail shall be effective after it has been received. If any affiliate of Customer shall execute any Lease Schedule, all obligations to be performed by Customer and all such Affiliates shall be the joint and several liability of all such parties. Customer's representations, warranties, and covenants under each Lease Schedule shall survive the delivery and return of the respective Equipment. Any provision of the Lease Terms which may be determined by competent authority to be prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions of the Lease Terms. No such prohibition or unenforceability in any jurisdiction shall invalidate or render unenforceable such provision in any other jurisdiction. Customer agrees that CFS may insert missing information or correct other information on a Lease Schedule including the Equipment's description, serial number, and location, and corrections to Customer's legal name; otherwise, each Lease Schedule (incorporating the Lease Terms by reference) contains the entire arrangement between Customer and CFS with respect to such Lease Schedule and no modifications thereof shall be effective unless in writing and signed by the parties. Customer agrees that CFS may accept a facsimile or other electronic transmission of any Lease Schedule or any Acceptance Certificate as an original, and that facsimile or electronically transmitted copies of Customer's signature will be treated as an original for all purposes. If the Lease Schedule references an existing master agreement between Customer and CFS (the "Existing Master CFS Lease") and to the extent applicable to the transactions contemplated by the Lease Schedule, then the terms of the Existing Master CFS Lease shall control over the Lease Terms for so long as the Existing Master CFS Lease remains in effect.

21. APPROVED AFFILIATES AND APPROVED SUBSIDIARIES: From time to time, affiliates and subsidiaries of Customer that meet CFS' credit underwriting standards then in effect (each, an "Approved Affiliate" or "Approved Subsidiary") may enter into Lease Schedules hereunder on the same terms and conditions as if each such Approved Affiliate or Approved Subsidiary was the Customer hereunder. Each of Customer and each Approved Affiliate or Approved Subsidiary shall be jointly and severally liable for the obligations under the Schedule(s) entered into by it pursuant to this Agreement.

22. FISCAL FUNDING (if applicable): This Section 22 shall only apply if “Fiscal Funding” is designated on the Lease Schedule.

Customer warrants that it has funds available to pay Payments payable pursuant to the Lease Schedule until the end of its current appropriation period and warrants that it presently intends to make Payments in each appropriation period from now until the end of the term of Lease Schedule. The officer of Customer responsible for preparation of Customer's annual budget shall request from its legislative body or funding authority funds to be paid to CFS under the Lease Terms and any Lease Schedule. If notwithstanding the making in good faith of such request in accordance with appropriate procedures and with the exercise of reasonable care and diligence, such legislative body or funding authority does not appropriate funds to be paid to CFS for the Equipment, Customer may, upon prior written notice to CFS, effective upon the exhaustion of the funding authorized for the then current appropriation period, return the Equipment to CFS, at Customer's expense and in accordance with each Lease Schedule, and thereupon, Customer shall be released of its obligation to make Payments to CFS due thereafter, provided: (1) the Equipment is returned to CFS as provided for in the Lease Schedule; (2) the above described notice states the failure of the legislative body or funding authority to appropriate the necessary funds as the reason for cancellation; and (3) such notice is accompanied by payment of all amounts then due to CFS under the Lease Schedule. In the event Customer returns the Equipment pursuant to the terms of the Lease Schedule, CFS shall retain all sums paid by Customer. Customer's Payment obligations under each Lease Schedule in any fiscal year shall constitute a current expense of Customer for such fiscal year, and shall not constitute indebtedness or a multiple fiscal year obligation of Customer under Customer's state constitution, state law or home rule charter. Nothing in the Lease Terms shall constitute a pledge by Customer of any taxes or other monies, other than as appropriated for a specific fiscal year for each Lease Schedule and the Equipment.

OMNIA Partners Exhibits – Exhibit A Response for National Cooperative Contract**1.0 Scope of National Cooperative Contract**

Capitalized terms not otherwise defined herein shall have the meanings given to them in the Master Agreement or in the Administration Agreement between Supplier and OMNIA Partners.

Acknowledged.

1.1 Requirement

The University of California (hereinafter defined and referred to as “Principal Procurement Agency”), on behalf of itself and the National Intergovernmental Purchasing Alliance Company, a Delaware corporation d/b/a OMNIA Partners, Public Sector (“**OMNIA Partners**”), is requesting proposals for Print Goods and Services. The intent of this Request for Proposal is any contract between Principal Procurement Agency and Supplier resulting from this Request for Proposal (“**Master Agreement**”) be made available to other public agencies nationally, including state and local governmental entities, public and private primary, secondary and higher education entities, non-profit entities, and agencies for the public benefit (“**Public Agencies**”), through OMNIA Partners’ cooperative purchasing program. The Principal Procurement Agency has executed a Principal Procurement Agency Certificate with OMNIA Partners, an example of which is included as Exhibit D, and has agreed to pursue the Master Agreement. Use of the Master Agreement by any Public Agency is preceded by their registration with OMNIA Partners as a Participating Public Agency in OMNIA Partners’ cooperative purchasing program. Registration with OMNIA Partners as a Participating Public Agency is accomplished by Public Agencies entering into a Master Intergovernmental Cooperative Purchasing Agreement, an example of which is attached as Exhibit C, and by using the Master Agreement, any such Participating Public Agency agrees that it is registered with OMNIA Partners, whether pursuant to the terms of the Master Intergovernmental Purchasing Cooperative Agreement or as otherwise agreed to. The terms and pricing established in the resulting Master Agreement between the Supplier and the Principal Procurement Agency will be the same as that available to Participating Public Agencies through OMNIA Partners.

All transactions, purchase orders, invoices, payments etc., will occur directly between the Supplier and each Participating Public Agency individually, and neither OMNIA Partners, any Principal Procurement Agency nor any Participating Public Agency, including their respective agents, directors, employees or representatives, shall be liable to Supplier for any acts, liabilities, damages, etc., incurred by any other Participating Public Agency. Supplier is responsible for knowing the tax laws in each state.

This Exhibit A defines the expectations for qualifying Suppliers based on OMNIA Partners’ requirements to market the resulting Master Agreement nationally to Public Agencies. Each section in this Exhibit A refers to the capabilities, requirements, obligations, and prohibitions of competing Suppliers on a national level in order to serve Participating Public Agencies through OMNIA Partners.

Canon Solutions America, Inc.

These requirements are incorporated into and are considered an integral part of this RFP. OMNIA Partners reserves the right to determine whether or not to make the Master Agreement awarded by the Principal Procurement Agency available to Participating Public Agencies, in its sole and absolute discretion, and any party submitting a response to this RFP acknowledges that any award by the Principal Procurement Agency does not obligate OMNIA Partners to make the Master Agreement available to Participating Procurement Agencies.

Acknowledged.

12 Marketing, Sales and Administrative Support

During the term of the Master Agreement OMNIA Partners intends to provide marketing, sales, partnership development and administrative support for Supplier pursuant to this section that directly promotes the Supplier's products and services to Participating Public Agencies through multiple channels, each designed to promote specific products and services to Public Agencies on a national basis.

OMNIA Partners will assign the Supplier a Director of Partner Development who will serve as the main point of contact for the Supplier and will be responsible for managing the overall relationship between the Supplier and OMNIA Partners. The Director of Partner Development will work with the Supplier to develop a comprehensive strategy to promote the Master Agreement and will connect the Supplier with appropriate stakeholders within OMNIA Partners including, Sales, Marketing, Contracting, Training, Operations & Support.

- C. Training sessions for Supplier teams
- D. Regular business reviews to monitor program success
- E. General contract administration

1.3 Estimated Volume

The dollar volume purchased under the Master Agreement is estimated to be approximately \$50 million annually. While no minimum volume is guaranteed to Supplier, the estimated annual volume is projected based on the current annual volumes among the Principal Procurement Agency, other Participating Public Agencies that are anticipated to utilize the resulting Master Agreement to be made available to them through OMNIA Partners, and volume growth into other Public Agencies through a coordinated marketing approach between Supplier and OMNIA Partners.

Acknowledged.

1.4 Award Basis

The basis of any contract award resulting from this RFP made by Principal Procurement Agency will, at OMNIA Partners option, be the basis of award on a national level through OMNIA Partners. If multiple Suppliers are awarded by Principal Procurement Agency under the Master Agreement, those same Suppliers will be required to extend the Master Agreement to Participating Public

Agencies through OMNIA Partners. Utilization of the Master Agreement by Participating Public Agencies will be at the discretion of the individual Participating Public Agency. Certain terms of the Master Agreement specifically applicable to the Principal Procurement Agency (e.g. governing law) are subject to modification for each Participating Public Agency as Supplier, such Participating Public Agency and OMNIA Partners shall agree without being in conflict with the Master Agreement. Participating Agencies may request to enter into a separate supplemental agreement to further define the level of service requirements over and above the minimum defined in the Master Agreement (i.e. invoice requirements, order requirements, specialized delivery, diversity requirements such as minority and woman owned businesses, historically underutilized business, governing law, etc.). It shall be the responsibility of the Supplier to comply, when applicable, with the prevailing wage legislation in effect in the jurisdiction of the Participating Agency. It shall further be the responsibility of the Supplier to monitor the prevailing wage rates as established by the appropriate department of labor for any increase in rates during the term of the Master Agreement and adjust wage rates accordingly. Any supplemental agreement developed as a result of the Master Agreement is exclusively between the Participating Agency and the Supplier (Contract Sales are reported to OMNIA Partners).

All purchase orders issued and accepted by the Supplier may survive expiration or termination of the Master Agreement. Participating Agencies' purchase orders may exceed the term of the Master Agreement if the purchase order is issued prior to the expiration of the Master Agreement. Supplier is responsible for reporting all sales and paying the applicable administrative fee for sales that use the Master Agreement as the basis for the purchase order, even though Master Agreement may have expired.

Acknowledged.

15 Objectives of Cooperative Program

This RFP is intended to achieve the following objectives regarding availability through OMNIA Partners' cooperative program:

- A. Provide a comprehensive competitively solicited and awarded national agreement offering the Products covered by this solicitation to Participating Public Agencies;
- B. Establish the Master Agreement as the Supplier's primary go to market strategy to Public Agencies nationwide;
- C. Achieve cost savings for Supplier and Public Agencies through a single solicitation process that will reduce the Supplier's need to respond to multiple solicitations and Public Agencies need to conduct their own solicitation process;
- D. Combine the aggregate purchasing volumes of Participating Public Agencies to achieve cost effective pricing.

Acknowledged.

20 REPRESENTATIONS AND COVENANTS

As a condition to Supplier entering into the Master Agreement, which would be available to all Public Agencies, Supplier must make certain representations, warranties and covenants to both the Principal Procurement Agency and OMNIA Partners designed to ensure the success of the Master Agreement for all Participating Public Agencies as well as the Supplier.

21 Corporate Commitment

Supplier commits that (1) the Master Agreement has received all necessary corporate authorizations and support of the Supplier's executive management, (2) the Master Agreement is Supplier's primary "go to market" strategy for Public Agencies, (3) the Master Agreement will be promoted to all Public Agencies, including any existing customers, and Supplier will transition existing customers, upon their request, to the Master Agreement, and (4) that the Supplier has read and agrees to the terms and conditions of the Administration Agreement with OMNIA Partners and will execute such agreement concurrent with and as a condition of its execution of the Master Agreement with the Principal Procurement Agency. Supplier will identify an executive corporate sponsor and a separate national account manager within the RFP response that will be responsible for the overall management of the Master Agreement.

While Supplier will utilize OMNIA as its primary go to market strategy, in no event shall Supplier be liable for any fees to OMNIA in the event that a Supplier bid is awarded a contract with an entity not utilizing OMNIA pricing or the Master Agreement, nor shall such bid or award constitute a breach of this Agreement. "Go To Market Strategy" is limited to local governmental agencies and any extension of this strategy requires further discussion.

22 Pricing Commitment

Supplier commits the not-to-exceed pricing provided under the Master Agreement pricing is its lowest available (net to buyer) to Public Agencies nationwide and further commits that if a Participating Public Agency is eligible for lower pricing through a national, state, regional or local or cooperative contract, the Supplier will match such lower pricing to that Participating Public Agency under the Master Agreement.

Canon CSA is unable to make this representation due to the specific requirements that exist in this proposal. We welcome further discussion to clarify any concerns and/or issues.

Brief History

1970-1980: What would become Canon Business Solutions began as four independently operating organizations marketing the Canon brand of office and production equipment in New York, Philadelphia, Chicago and Los Angeles.

1980-1999: Canon continued to set new industry standards for black-and-white, color and fax technology. By the end of the 1990s, all four independent sales companies had been purchased by Canon U.S.A. and comprised the foundation of the Canon subsidiary sales and service network.

2000-2010: Under the direction of Canon U.S.A., the four foundational offices changed their marketing to come under the banner Canon Business Solutions as a means to differentiate and showcase their offerings in the Canon family. Coinciding with the name change was a national expansion to many of the top metropolitan regions within the United States.

In 2003, the New York and Philadelphia subsidiary companies merged to combine their strengths and grow throughout the East Coast, while the Chicago office would serve as the foundation for the new Central region and Los Angeles the same for the new Western region.

By 2008, the three regions officially merged to form Canon Business Solutions, Inc., a wholly-owned subsidiary of Canon U.S.A., Inc. The combined strength and shared vision of the Canon Business Solutions company would better position Canon to meet the growing demands of customers locally, regionally and nationally with a streamlined organization of enhanced systems and processes to benefit all customers.

Our company's commitment and contribution to the environment and to the world community are an integral part of Canon's management structure, product design, manufacturing, and corporate culture. This commitment has inspired many special corporate programs at both the global and regional level.

Canon Group Environmental Charter

Canon considers environmental assurance activities to be of paramount importance in helping to address issues of global sustainability, particularly those of climate change and limited resources. In order to support such activities, Canon Inc. instituted the Canon Group Environmental Charter, which establishes overarching environmental commitments for the Canon Group. The Environmental Charter was implemented in the Canon Americas region as the Canon Americas Environmental Charter (the "Charter"). The goals of the Charter are to maximize resource efficiency from the dual approaches of environmental assurance and economic activities, consider product lifecycles, and clearly set forth environmental assurance activities for Canon Americas companies, of which CSA is one, to help meet these goals.

- **Corporate Philosophy: Kyosei** – Achieve corporate growth and development while contributing to the prosperity of the world and the happiness of humankind.
- **Environmental Assurance Philosophy** – Pursue maximization of resource efficiency and contribute to the creation of a society that practices sustainable development.
- **Fundamental Policies for Environmental Assurance** – Seek to harmonize environmental, economic, and social interests in all business activities, products, and services; offer products with lower environmental burden through innovative improvements in resource efficiency; and eliminate anti-social activities that threaten the health and safety of mankind and the environment.

Toner Cartridge Recycling

Canon explores methods to minimize the environmental burden of its products throughout their life-cycle and promote research and development, which contribute to environmental assurance. In 1990, Canon became the first company to collect and recycle used copier toner cartridges. With the cooperation of our customers, Canon has collected more than 378,000 tons around the world.

The goal of the Toner Cartridge Recycling Program is to achieve zero landfill waste by reusing parts, recycling materials, and employing energy recovery. Because these cartridges have components that can be re-used, the environmental benefits positively offset the negative effects of shipping to our recycling facility and then on to our manufacturing sites. Returned cartridges are sorted and put through the recycling and energy recovery process, producing plastics, metals, and reconditioned parts that can be used in the manufacture of new cartridges and other products.

Canon Solutions America, Inc.

The Canon Cartridge Return program is easily accessible at <https://ereturn.usa.canon.com/>. Here, using the machine's serial number, customers can print a UPS label for the return of cartridges or request a multiple-cartridge return box and it will be mailed.

Toner Container Recycling

To contribute to the goal of zero landfill waste, Canon is introducing a collection and recycling program for Canon plastic toner containers. Unlike Canon's all-in-one cartridges, these toner containers are made mainly of plastic material making local recycling and local energy recovery possible. Canon toner particles and plastic toner containers contain no hazardous materials and are therefore acceptable at local recycling and local energy recovery facilities.

To support local recycling and energy recovery, Canon has engraved a plastic resin code on each container. Canon toner particles and plastic toner containers are safe for local recycling and local energy recovery facilities.

In the case that Canon plastic toner containers cannot be recycled locally or sent to a local energy recovery facility, Canon asks that customers ship them to: Canon Toner Container Collection Center, 5980 Industrial Drive, Gloucester, VA 23061 at their own expense. Once received by our facility, Canon assumes the responsibility and cost for recycling to keep Canon toner containers from going into landfills. For more information, please visit:

ENERGY STAR® Partnership

To help you save energy and money, while making a difference for the environment, Canon has partnered voluntarily with the EPA for more than 20 years to design products that meet the high standards of its ENERGY STAR® Program. This program promotes the development and introduction of energy-efficient products to combat climate change and other environmental issues.

As an ENERGY STAR® partner, Canon has approximately 200 certified products that incorporate advanced energy-efficient technologies, without compromising features or performance, such as energy saver mode, automatic duplex settings, and low sleep mode power consumption. ENERGY STAR® certified imaging equipment, printers, scanners, and all-in-one devices reduce the amount of fossil fuels burned to produce electricity, and cause fewer greenhouse gas emissions that harm the environment and contribute to global climate change. To learn more about Canon's ENERGY STAR® certified products, please visit [ENERGYSTAR.gov](https://www.energystar.gov).

Awards/Recognition

Canon has received multiple ENERGY STAR® Awards for protecting the environment through manufacturing energy-efficient products. Canon U.S.A., Inc. is a proud recipient of the United States Environmental Protection Agency's 2020 ENERGY STAR® Partner of the Year – Sustained Excellence Award. This marks the 5th consecutive year that Canon has earned an ENERGY STAR Partner of the Year Award, and the 3rd consecutive year that Canon has been honored for Sustained Excellence (2018, 2019, 2020) by the U.S. EPA. EPEAT

Canon offers products that are registered in accordance with EPEAT for Imaging Equipment. EPEAT is a voluntary environmental rating program developed using a grant from the U.S. EPA and managed by the Green Electronics Council. This sustainability tool provides third-party verification of the environmental attributes of imaging equipment. EPEAT considers—among other things—absence of toxic substances, use of recycled and recyclable materials, design for recycling, product longevity, energy efficiency, corporate performance, and packaging. With EPEAT, customers are able to easily identify and select environmentally preferable products. Products are rated bronze, silver, or gold depending on the number of optional points claimed. To learn more about EPEAT and to find out which Canon products are registered, please visit <https://www.usa.canon.com/epeat>.

LEED® Certification

Canon U.S.A. is proud to have earned LEED® certification for three buildings: the Canon Americas Headquarters in Melville, N.Y. (which is also the headquarters for CSA), Canon's Distribution Center in Norcross, GA., and the Canon Experience Center in Costa Mesa, CA. The U.S. Green Building Council's LEED® green building program is the preeminent program for the design, construction, maintenance, and operations of high-performance green buildings including sustainable site development, water and energy efficiency, materials selection, and indoor environmental quality. Our company's commitment and contribution to the environment are an integral part of Canon's management structure, product design, manufacturing, and corporate culture. ISO 14001 Certification

The Canon Americas Headquarters and more than 700 other Canon sites worldwide are certified to the ISO 14001 standard. The ISO 14001 standard is an internationally accepted specification for environmental management systems created by the International Organization for Standardization to help organizations minimize how their operations affect the environment and comply with related laws, regulations, and requirements.

This internationally recognized standard provides organizations with a framework for developing effective Environmental Management Systems (EMS). With its EMS, Canon U.S.A. can analyze environmental aspects associated with the company's operating activities, products, and services, in order to establish objectives and targets that reduce their negative environmental impacts. Once developed, all Canon Americas sites with a certified EMS are audited by a third party to guarantee continual conformance to the standard. Canon's EMS helps monitor and improve upon a number of areas that touch on the environment, such as energy efficiency, resource conservation, waste management, chemical control, and toner cartridge recycling. As a result, the EMS is fully incorporated into business operations.

HDI is a part of UBM Tech, a division of UBM LLC, and is the global professional association for technical service and support professionals and the premier

certification body for the industry. HDI offers the industry's leading certification program for technical support centers. This certification, valid for two years, was first achieved by the Solutions Support Centers in 2015, and was renewed in 2017 and 2019.

To verify the Solutions Support Centers' compliance with the HDI Support Center Certification Standard, CSA has successfully undergone thorough on-site renewal audits. Driven by a core belief in continuous improvement, every support agent, supervisor, and manager in the Solutions Support Centers strived to not only maintain the standards of the HDI Certification, but to exceed the results that merited the 2015 accreditation. Notably, our continued audits have in fact indicated significant improvement in the areas of Customer Satisfaction, Process and Procedures, and Performance—an impressive 12.8% overall score increase from the initial audit. This signifies our commitment to excellence, efficiency, and service quality based on the HDI Support Center Standard.

CSA provides geographic coverage in major metropolitan areas throughout the United States. Each region is supported by a comprehensive web of service professionals who provide best-in-class technical support to our growing base of customers. Beyond these critical regions, a network of Canon-authorized service companies stands ready to support your needs.

CSA requires all Canon-authorized service companies to adhere to the same stringent standards and best practices that we commit to as an organization and must be fully certified to provide technical assistance on your Canon product. For each of our client engagements, CSA's account team is responsible for communicating specific requirements and expectations that are detailed in the contract with the subcontractor. The account team is also responsible for monitoring and measuring the subcontractor's performance and escalating any areas of non-compliance along with an action plan to either improve performance or terminate poor performing subcontractors.

CSA follows the following best practices when engaging a subcontractor:

- Identify the team who is responsible for subcontractor performance management.
- Train the team in the technical aspects of the subcontractor's responsibilities, performance expectations, and measurement criteria.

CSA continues to expand into cities where companies may benefit from working directly with a Canon U.S.A., Inc. sales subsidiary.

We have both dedicated vertical markets account executives and general territory representatives selling to the government and education markets. They are trained and are successful providing the Participating Agencies products and services using UC's Agreement through OMNIA Partners.

Presently, OMNIA Partners has the contact information for the highest-level executive in charge of the sales team.

To that extent, we have a dedicated marketing resource to oversee the marketing and communication related activities with the OMNIA Partners. On a national basis, we have aligned both government and education within one team's responsibility. This team is led by the Major Accounts and Vertical Market Vice President who is responsible for the development and execution of the OMNIA Partners Marketing Plan. L. Describe Supplier's information systems capabilities and limitations regarding order management through receipt of payment, including description of multiple platforms that may be used for any of these functions.

Presently, we are using a customized version of Oracle as our ERP system and are capable of managing all related data/details needed to support the national program.

M. REDACTED

N. Even though it is anticipated many Public Agencies will be able to utilize the Master Agreement without further formal solicitation, there may be circumstances where Public Agencies will issue their own solicitations. The following options are available when responding to a solicitation for Products covered under the Master Agreement.

i. Respond with Master Agreement pricing (Contract Sales reported to OMNIA Partners).

OMNIA Partners Exhibits – Exhibit A Response for National Cooperative Contract

Canon Solutions America, Inc.

- ii. If competitive conditions require pricing lower than the standard Master Agreement not-to-exceed pricing, Supplier may respond with lower pricing through the Master Agreement. If Supplier is awarded the contract, the sales are reported as Contract Sales to OMNIA Partners under the Master Agreement.
- iii. Respond with pricing higher than Master Agreement only in the unlikely event that the Public Agency refuses to utilize Master Agreement (Contract Sales are not reported to OMNIA Partners).
- iv. If alternative or multiple proposals are permitted, respond with pricing higher than Master Agreement, and include Master Agreement as the alternate or additional proposal.

Detail Supplier's strategies under these options when responding to a solicitation.

While we will utilize the OMNIA Partners as our primary go-to-market strategy, in no event shall we be liable for any fees to OMNIA Partners in the event that we bid or are awarded a contract with any entity not utilizing the OMNIA Partners pricing or the Master Agreement, nor shall such bid or award constitute a breach of this Agreement.

Commitment to the Government and Education Sectors

Over the past 10 years, CSA has had an extremely good relationship the NIGP. We have been supportive of the association and board. Beyond attending the annual Forum we have provided subject matter experts and speaker for the local chapters. Over the past four years we have witnessed the transformation of the association through the restructuring of the governance board NIGP 2.0. This transformation has increased participation by the members and member value.

We will remain a proud supporter of the NIGP.

The education from NIGP and the interaction with the nation's top public procurement professionals has help us understand the true value of a strong piggybackable agreement, vetted by a top lead agency and managed by a national cooperative. Understanding the covenants that the CPPB or CPPO need to keep for their constituents provides guidance that assist our engagements with public entities.

Our sales representatives are equipped with the knowledge of cooperatives and the impact on cost reduction and the speed to implementation by leveraging a well-constructed agreement.

Connecting Suppliers with the Public Procurement Community – NIGP's Business Council comprised of representatives from each company participating in the Institute's Enterprise Sponsor Program. Enterprise Sponsors are leaders in their respective industries and have demonstrated a shared commitment to NIGP's values of: Accountability, Ethics, Impartiality, Professionalism, Service, and Transparency. We have been an established and active member and participant since 2008, and are considered

subject matter experts regarding NIGP's Business Council and their activities. The mission of the Business Council is to... Serve the NIGP membership and procurement profession through the sharing of resources and expertise in support of NIGP's educational, research and advocacy mission. In essence, the Business Council connects the supplier's perspective with the public procurement community and is dedicated to improving the buyer/supplier relationship. For the past four years Paul Murphy, VP Major Accounts and Vertical Markets has provided guidance as the Chair.

CSA has invested in research and established realtionships with the leading associations within the Educational Market. Print still plays a critical role in education from the youth entering organized education to the graduates of the most presient higher eduction institutions.

TO WHOM IT MAY CONCERN:

Participating Agencies may elect to use federal funds to purchase under the Master Agreement. This form should be completed and returned.

DEFINITIONS

Contract means a legal instrument by which a non-Federal entity purchases property or services needed to carry out the project or program under a Federal award. The term as used in this part does not include a legal instrument, even if the non-Federal entity considers it a contract, when the substance of the transaction meets the definition of a Federal award or subaward

Contractor means an entity that receives a contract as defined in Contract.

Cooperative agreement means a legal instrument of financial assistance between a Federal awarding agency or pass-through entity and a non-Federal entity that, consistent with 31 U.S.C. 6302–6305:

- (a) Is used to enter into a relationship the principal purpose of which is to transfer anything of value from the Federal awarding agency or pass-through entity to the non-Federal entity to carry out a public purpose authorized by a law of the United States (see 31 U.S.C. 6101(3)); and not to acquire property or services for the Federal government or pass-through entity's direct benefit or use;
- (b) Is distinguished from a grant in that it provides for substantial involvement between the Federal awarding agency or pass-through entity and the non-Federal entity in carrying out the activity contemplated by the Federal award.
- (c) The term does not include:
 - (1) A cooperative research and development agreement as defined in 15 U.S.C. 3710a; or
 - (2) An agreement that provides only:
 - (i) Direct United States Government cash assistance to an individual;
 - (ii) A subsidy;
 - (iii) A loan;
 - (iv) A loan guarantee; or
 - (v) Insurance.

Federal awarding agency means the Federal agency that provides a Federal award directly to a non-Federal entity

Federal award has the meaning, depending on the context, in either paragraph (a) or (b) of this section:

- (a)(1) The Federal financial assistance that a non-Federal entity receives directly from a Federal awarding agency or indirectly from a pass-through entity, as described in § 200.101 Applicability; or
- (2) The cost-reimbursement contract under the Federal Acquisition Regulations that a non-Federal entity receives directly from a Federal awarding agency or indirectly from a pass-through entity, as described in § 200.101 Applicability.
- (b) The instrument setting forth the terms and conditions. The instrument is the grant agreement, cooperative agreement, other agreement for assistance covered in paragraph (b) of § 200.40 Federal financial assistance, or the cost-reimbursement contract awarded under the Federal Acquisition Regulations.
- (c) Federal award does not include other contracts that a Federal agency uses to buy goods or services from a contractor or a contract to operate Federal government owned, contractor operated facilities (GOCOs).
- (d) See also definitions of Federal financial assistance, grant agreement, and cooperative agreement.

Non-Federal entity means a state, local government, Indian tribe, institution of higher education (IHE), or nonprofit organization that carries out a Federal award as a recipient or subrecipient.

Nonprofit organization means any corporation, trust, association, cooperative, or other organization, not including IHEs, that:

Pass-through entity means a non-Federal entity that provides a subaward to a subrecipient to carry out part of a Federal program.

Recipient means a non-Federal entity that receives a Federal award directly from a Federal awarding agency to carry out an activity under a Federal program. The term recipient does not include subrecipients.

Simplified acquisition threshold means the dollar amount below which a non-Federal entity may purchase property or services using small purchase methods. Non-Federal entities adopt small purchase procedures in order to expedite the purchase of items costing less than the simplified acquisition threshold. The simplified acquisition threshold is set by the Federal Acquisition Regulation at 48 CFR Subpart 2.1 (Definitions) and in accordance with 41 U.S.C. 1908. As of the publication of this part, the simplified acquisition threshold is \$150,000, but this threshold is periodically adjusted for inflation. (Also see definition of § 200.67 Micro-purchase.)

C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM
Public Agency Instructions

This page provides guidance to public agencies entering into contracts with business entities that are required to file Political Contribution Disclosure forms with the agency. **It is not intended to be provided to contractors.** What follows are instructions on the use of form local units can provide to contractors that are required to disclose political contributions pursuant to N.J.S.A. 19:44A-20.26 (P.L. 2005, c. 271, s.2). Additional information on the process is available in Local Finance Notice 2006-1 (http://www.nj.gov/dca/divisions/dlgs/resources/lfns_2006.html). Please refer back to these instructions for the appropriate links, as the Local Finance Notices include links that are no longer operational.

1. The disclosure is required for all contracts in excess of \$17,500 that are **not awarded** pursuant to a “fair and open” process (N.J.S.A. 19:44A-20.7).
2. Due to the potential length of some contractor submissions, the public agency should consider allowing data to be submitted in electronic form (i.e., spreadsheet, pdf file, etc.). Submissions must be kept with the contract documents or in an appropriate computer file and be available for public access. **The form is worded to accept this alternate submission.** The text should be amended if electronic submission will not be allowed.
3. The submission must be **received from the contractor and** on file at least 10 days prior to award of the contract. Resolutions of award should reflect that the disclosure has been received and is on file.
4. The contractor must disclose contributions made to candidate and party committees covering a wide range of public agencies, including all public agencies that have elected officials in the county of the public agency, state legislative positions, and various state entities. The Division of Local Government Services recommends that contractors be provided a list of the affected agencies. This will assist contractors in determining the campaign and political committees of the officials and candidates affected by the disclosure.
 - a. The Division has prepared model disclosure forms for each county. They can be downloaded from the “County PCD Forms” link on the Pay-to-Play web site at <http://www.nj.gov/dca/divisions/dlgs/programs/lpcl.html#12>. They will be updated from time-to-time as necessary.
 - b. A public agency using these forms **should edit them to properly reflect the correct legislative district(s)**. As the forms are county-based, **they list all legislative districts** in each county. **Districts that do not represent the public agency should be removed from the lists.**
 - c. Some contractors may find it easier to provide a single list that covers all contributions, regardless of the county. These submissions are appropriate and should be accepted.
 - d. The form may be used “as-is”, subject to edits as described herein.
 - e. The “Contractor Instructions” sheet is intended to be provided with the form. It is recommended that the Instructions and the form be printed on the same piece of paper. The form notes that the Instructions are printed on the back of the form; where that is not the case, the text should be edited accordingly.
 - f. The form is a Word document and can be edited to meet local needs, and posted for download on web sites, used as an e-mail attachment, or provided as a printed document.
5. It is recommended that the contractor also complete a “Stockholder Disclosure Certification.” This will assist the local unit in its obligation to ensure that contractor did not make any prohibited contributions to the committees listed on the Business Entity Disclosure Certification in the 12 months prior to the contract (See Local Finance Notice 2006-7 for additional information on this obligation at http://www.nj.gov/dca/divisions/dlgs/resources/lfns_2006.html). A sample Certification form is part of this package and the instruction to complete it is included in the Contractor Instructions. NOTE: This section is not applicable to Boards of Education.

Doc #4, continued C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM

Contractor Instructions

Business entities (contractors) receiving contracts from a public agency that are NOT awarded pursuant to a “fair and open” process (defined at N.J.S.A. 19:44A-20.7) are subject to the provisions of P.L. 2005, c. 271, s.2 (N.J.S.A. 19:44A-20.26). This law provides that 10 days prior to the award of such a contract, the contractor shall disclose contributions to:

- any State, county, or municipal committee of a political party
- any legislative leadership committee*
- any continuing political committee (a.k.a., political action committee)
- any candidate committee of a candidate for, or holder of, an elective office:
 - of the public entity awarding the contract
 - of that county in which that public entity is located
 - of another public entity within that county
 - or of a legislative district in which that public entity is located or, when the public entity is a county, of any legislative district which includes all or part of the county

The disclosure must list reportable contributions to any of the committees that exceed \$300 per election cycle that were made during the 12 months prior to award of the contract. See N.J.S.A. 19:44A-8 and 19:44A-16 for more details on reportable contributions.

N.J.S.A. 19:44A-20.26 itemizes the parties from whom contributions must be disclosed when a business entity is not a natural person. This includes the following:

- individuals with an “interest” ownership or control of more than 10% of the profits or assets of a business entity or 10% of the stock in the case of a business entity that is a corporation for profit
- all principals, partners, officers, or directors of the business entity or their spouses
- any subsidiaries directly or indirectly controlled by the business entity
- IRS Code Section 527 New Jersey based organizations, directly or indirectly controlled by the business entity and filing as continuing political committees, (PACs).

When the business entity is a natural person, “a contribution by that person’s spouse or child, residing therewith, shall be deemed to be a contribution by the business entity.” [N.J.S.A. 19:44A-20.26(b)] The contributor must be listed on the disclosure.

Any business entity that fails to comply with the disclosure provisions shall be subject to a fine imposed by ELEC in an amount to be determined by the Commission which may be based upon the amount that the business entity failed to report.

The enclosed list of agencies is provided to assist the contractor in identifying those public agencies whose elected official and/or candidate campaign committees are affected by the disclosure requirement. It is the contractor’s responsibility to identify the specific committees to which contributions may have been made and need to be disclosed. The disclosed information may exceed the minimum requirement.

The enclosed form, a content-consistent facsimile, or an electronic data file containing the required details (along with a signed cover sheet) may be used as the contractor’s submission and is disclosable to the public under the Open Public Records Act.

The contractor must also complete the attached Stockholder Disclosure Certification. This will assist the agency in meeting its obligations under the law. **NOTE: This section does not apply to Board of Education contracts.**

* N.J.S.A. 19:44A-3(s): “The term “legislative leadership committee” means a committee established, authorized to be established, or designated by the President of the Senate, the Minority Leader of the Senate, the Speaker of the General Assembly or the Minority Leader of the General Assembly pursuant to section 16 of P.L.1993, c.65 (C.19:44A-10.1) for the purpose of receiving contributions and making expenditures.”
