WHEREAS, County Ordinance No. 2023-044 adopted the East Nassau Community Planning Area Detailed Specific Area Plan (DSAP) #2 (the “DSAP”) Development Order, which provides for certain public infrastructure mitigation, including schools/educational facilities, for the DSAP development impacts; and

for residential development requiring a rezoning, subdivision plat approval, site plan approval, or the functional equivalent that will generate additional students in a concurrency service area, as established in the Public School Facilities Element, in which there is insufficient capacity to accommodate the anticipated additional students must enter into a proportionate share mitigation agreement and provide proportionate share mitigation to ensure that the minimum Level of Service Standards are maintained as specified in the Interlocal Agreement, the Public School Facilities Element, and Florida Statutes; and

WHEREAS, applicants must submit a development permit application to the County along with a School Impact Analysis that identifies the proposed location of the residential development, the number of dwelling units that will be created, a phasing schedule (if applicable), and age restrictions for occupancy (if any) as well as all other information required pursuant to the Interlocal Agreement and Public School Facilities Element; and

WHEREAS, Applicant is the fee simple owner of that certain tract of land (a portion of Parcel Number 51-3N-27-0000-0001-0290), consisting of 76.07 $\pm$ acres and located in the DSAP and the Yulee South Concurrency Service Area specified in the Public School Facilities Element, which property is more particularly described on Exhibit "A," attached hereto and incorporated herein by reference (the "Property"), which such Property location is further illustrated by a map attached hereto as Exhibit "B," and incorporated herein by reference; and

WHEREAS, the Applicant has submitted a development permit application and School Impact Analysis to the County in connection with a proposal to obtain a site plan in order to develop 207 single family residential dwelling units on the Property (the "Development Permit Application"), which such Development Permit Application and School Impact Analysis have been forwarded to the School District; and

WHEREAS, the School District has reviewed and evaluated the Applicant's Development Permit Application and School Impact Analysis as required by the Interlocal Agreement; and

WHEREAS, the School District has determined that at the time of this Agreement, based on the current adopted Level of Service Standards, adequate middle school capacity is available within the applicable Concurrency Service Area and any contiguous Concurrency Service Areas to accommodate the middle school students the Development Permit Application is anticipated to generate for the proposed dwelling units; and

WHEREAS, the School District has determined that based on the current adopted Level of Service Standards, there is insufficient elementary and high school capacity within the applicable Concurrency Service Area and any contiguous Concurrency Service Areas, including any anticipated new school capacity that will be available in the first three (3) years of the current School District Educational Facilities Plan, to accommodate the anticipated number of elementary and high school students that the Development Permit Application will generate and that available school capacity will not be in place or under actual construction within three (3) years after the approval of the Development Permit Application; and

WHEREAS, approving the Development Permit Application without requiring Proportionate Share Mitigation for the impacts of the proposed new dwelling units will result in a failure of the adopted Level of Service Standards; and

WHEREAS, the Applicant has agreed to enter into this Agreement with the School District and County to provide Proportionate Share Mitigation proportionate to the demand for public school facilities to be created by the Development Permit Application, as more particularly set forth herein; and

WHEREAS, the Parties agree that public school concurrency shall be satisfied by the Applicant's execution and full performance of this legally binding Agreement to provide mitigation proportionate to the demand for public school facilities to be created by the residential dwelling units proposed in the Development Permit Application ("Proportionate Share Mitigation").

NOW, THEREFORE, in consideration of the foregoing, the mutual covenants contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereto, intending to be legally bound, agree as follows:

SECTION 1. INCORPORATION OF RECITALS. The foregoing recitals are true and correct and are hereby incorporated into this Agreement by this reference as if fully set forth herein.

SECTION 2. DEFINITION OF MATERIAL TERMS. Any capitalized terms used herein but not defined shall have the meaning attributed to such term in the Interlocal Agreement, as the context may require.

SECTION 3. LEGALLY BINDING COMMITMENT.

(A) This Agreement constitutes a legally binding commitment by the Applicant to mitigate for the impacts of the new residential dwelling units for which the Applicant is seeking approval pursuant to the Development Permit Application and satisfies the requirements of the Interlocal Agreement and Public School Facilities Element.

(B) The Parties agree that this Agreement satisfies the requirements of Section 163.3180(6)(h), Florida Statutes, as a legally binding commitment to provide mitigation proportionate to the demand for public school facilities to be created by the residential development proposed in the Development Permit Application.

SECTION 4. PROPORTIONATE SHARE MITIGATION. The Applicant shall provide the following Proportionate Share Mitigation in order to meet the demand for school capacity created by the proposed residential development from the Development Permit Application, and to provide capacity for 31.154 elementary students and 13.948 high school students, as follows, in accordance with Section 10.6 of the Interlocal Agreement and Policy PSF.09.03 of Public School Facilities Element:

(A) The payment of a total amount of ONE MILLION EIGHT HUNDRED SEVENTY-ONE THOUSAND SEVENTY-FOUR DOLLARS AND 00/100 (\$1,871,074) for the

Development Permit Application, which equates to NINE THOUSAND AND THIRTY-NINE DOLLARS AND 00/100 (\$9,039.00) per dwelling unit as an appropriate proportionate share payment to enable the School District to maintain the Level of Service Standards for school capacity in the affected Concurrency Service Area or Concurrency Service Areas.

(B) In satisfaction of the Proportionate Share Mitigation payment in the amount set forth above, the Applicant has provided to the County and School District the voucher attached hereto as Exhibit "C" (the "Voucher") which assigns to Grantor for use on the Property ONE MILLION EIGHT HUNDRED SEVENTY-ONE THOUSAND SEVENTY-FOUR DOLLARS AND 00/100 (\$1,871,074) in school credits which credits derive from a prior dedication of land to the School District and said Voucher fully mitigates for the Proportionate Share Mitigation resulting from the Development Permit Application (the "Proportionate Share Credits").

SECTION 5. USE OF PROPORTIONATE SHARE MITIGATION. The School District shall direct the land that gave rise to the Proportionate Share Credits to a school capacity project identified in the financially feasible five (5) year district work plan of the School District Educational Facilities Plan which mitigates the impacts from the proposed residential development in the Development Permit Application. If such a school capacity project does not exist in the School District Educational Facilities Plan, the School District may, in its sole discretion, add a school capacity project to mitigate the impacts from the proposed residential development, as provided in Section 10.6 of the Interlocal Agreement.

SECTION 6. CONCURRENCY RESERVATION.

(A) Upon final execution of this Agreement by all Parties hereto, the School District shall issue a School Concurrency Reservation Letter documenting that capacity will be available for the proposed residential development in the Development Permit Application. The County shall be entitled to rely on the School Concurrency Reservation Letter in its review and issuance of a Certificate of Concurrency for the proposed development; provided that nothing herein shall require the County to issue a Certificate of Concurrency for the Development Permit Application if the Applicant has otherwise failed to satisfy the requirements of the County's land development regulations.

(B) The duration and effect of any Certificate of Concurrency relating to the development provided in the Development Permit Application shall be in accordance with the Interlocal Agreement and Public School Facilities Element; however, unless otherwise provided herein, in no event shall the School Concurrency Reservation Letter, a Certificate of Concurrency, or any capacity reservation based on the same, continue to be effective if the Applicant fails to perform its obligations under this Agreement. Should any Certificate of Concurrency, this Agreement, the School Concurrency Reservation Letter, or a County development approval on which the Certificate of Concurrency approval was predicated (e.g. construction plan, building permit, etc.), or the Development Permit Application fail to be effective, terminate or a notice of default issued, the Applicant may apply for a new School Impact Analysis for the Development Permit Application or for a different development permit application for development of the Property. Notwithstanding anything to the contrary, the Proportionate Share Credits, including the Voucher, shall survive any expiration, default or termination as set forth herein and upon such event shall be transferred back to the Applicant for use on the Property and continue and be valid

for so long as there remains any unused Proportionate Share Credits unless the Applicant terminates the Voucher with written notice to the County and School District; in such event the Proportionate Share Credits shall be transferred back to the Applicant for use within the DSAP on another residential project.

SECTION 7. IMPACT FEE CREDIT.

(A) Any Proportionate Share Mitigation, including the Proportionate Share Credits, provided to the School District pursuant to this Agreement and the DSAP Development Order shall be credited on a dollar-for-dollar basis at fair market value toward any Educational System Impact Fees due for the same residential development included in the Development Permit Application, as provided in Section 10.7 of the Interlocal Agreement, the DSAP Development Order or as provided in Section 163.31801, Florida Statutes, as it is in effect of the Effective Date of this Agreement.

(B) The School District shall notify the County of the Proportionate Share Credits and the County shall issue to the Applicant Educational System Impact Fee credits in the amount of the Proportionate Share Credits (the "Impact Fee Credits").

(C) An entity that later applies for a building permit for any of the dwelling units included in the Development Permit Application shall obtain an assignment or subsequent voucher for all or a portion of the Impact Fee Credits from the Applicant and submit such assignment to the School District and County at the time the Educational Impact Fee is due in order to drawdown from the Impact Fee Credits provided herein, for so long as the Applicant has any remaining Impact Fee Credits. The Parties agree that all the requirements, including those in the Nassau County Comprehensive Impact Fee Ordinance and the DSAP Development Order, for the Applicant to receive the Impact Fee Credits set forth herein for the Development Permit Application have been satisfied. The Impact Fee Credits shall survive any expiration, default or termination of the Certificate of Concurrence, this Agreement, the School Concurrence Reservation Letter, or a County development approval on which the Certificate of Concurrence approval was predicated (e.g. construction plan, building permit, etc.), or the Development Permit Application and upon such event shall be transferred back to the Applicant for use on the Property and continue and be valid for so long as there remains any unused Impact Fee Credits unless the Applicant provides written notice to the County and School District that the Impact Fee Credits are terminated; in such event the Impact Fee Credits shall be transferred back to the Applicant for use within the DSAP on another residential project.

(D) Nothing in this Agreement shall be deemed to require the County to continue to levy or collect Educational System Impact Fees or, if levied, to maintain them at any certain level.

SECTION 8. NO GUARANTEE OF LAND USE. Nothing in this Agreement shall require County to approve the Development Permit Application.

SECTION 9. TERMINATION. This Agreement shall terminate and Applicant shall forfeit any administrative application fees paid under the following circumstances, unless the County and the School District agree to an extension of the Certificate of Concurrence provided to the Applicant:

(A) The County does not approve the Development Permit Application within one hundred eighty (180) days of the Effective Date of this Agreement. In such event, the Proportionate Share Credits, including the Voucher, and Impact Fee Credits shall transfer back to the Applicant consistent with Sections 6 and 7 above.

(B) The Certificate of Concurrency expires in accordance with Section 9.9 of the Interlocal Agreement. In such case, (i) this Agreement shall be terminated and any encumbered capacity shall become unencumbered and (ii) the Proportionate Share Credits, including the Voucher, and the Impact Fee Credits shall transfer back to the Applicant consistent with Sections 6 and 7 above.

SECTION 10. COVENANTS RUNNING WITH THE LAND. This Agreement shall be binding, and shall inure to the benefit of the heirs, legal representatives, successors, and assigns of the Parties, and shall be a covenant running with the Property and be binding upon the successors and assigns of the Applicant and upon any person, firm, corporation, or entity who may become the successor in interest to the Property.

SECTION 11. NOTICES. Any notice delivered with respect to this Agreement shall be in writing and be deemed to be delivered (whether or not actually received) (i) when hand delivered to the person(s) hereinafter designated, or (ii) upon deposit of such notice in the United States Mail, postage prepaid, certified mail, return receipt requested, addressed to the person at the address set forth opposite the party's name below, or to such other address or other person as the party shall have specified by written notice to the other party delivered in accordance herewith:

SECTION 13. DEFAULT. If any party to this Agreement materially defaults under the terms hereof, then a non-defaulting party shall give the defaulting party thirty (30) days' notice and a right to cure such breach. Should the Applicant for the Property described herein fail

to timely cure a default in meeting their obligations set forth herein, the School Concurrency Reservation Letter and Certificate of Concurrency, issued based upon payment and/or performance hereunder, shall be voided and the Applicant and the Property described herein shall lose their right to concurrency under this Agreement and their right to Educational System Impact Fee credits under this Agreement, except as otherwise set forth herein. Further, in the case of such default, any development upon that property dependent upon such certificate will be stopped, until and unless the Agreement is reinstated or the default is cured or capacity becomes available and is granted through an appropriate application. Should County or School District fail to timely cure a default in meeting their obligations set forth herein, Applicant may seek any and all remedies available to it in law or equity. Notwithstanding anything to the contrary, the Proportionate Share Credits, including the Voucher, and the Impact Fee Credits shall survive any default and/or termination of this Agreement as set forth herein.

SECTION 14. NO WAIVER. No waiver of any provision of this Agreement shall be effective unless it is in writing and signed by the party against whom it is asserted. Any such written waiver shall only be applicable to the specific instance to which it relates and shall not be deemed to be a continuing or future waiver.

SECTION 16. AMENDMENTS. No modification, amendment, or alteration in the terms or conditions contained herein shall be binding upon the Parties hereto unless in writing and executed by all the Parties to this Agreement.

SECTION 17. ASSIGNMENT, TRANSFER OF RIGHTS. The Applicant may assign its rights, obligations and responsibilities under this Agreement to a third-party purchaser of all or any part of fee simple title to the Property; provided, however, that any such assignment shall be in writing and shall require the prior written consent of all of the Parties hereto. Such consent may be conditioned upon the receipt by the other Parties hereto of the written agreement of the assignee to comply with conditions and procedures to aid in the monitoring and enforcement of the assignee's performance of the Applicant's obligations with regard to Proportionate Share Mitigation under this Agreement. The assignor under such assignment shall furnish the Parties with a copy of the written assignment within ten (10) days of the date of execution of same.

SECTION 18. COUNTERPARTS. This Agreement may be signed in counterparts, each of which may be deemed an original, and all of which together constitute one and the same agreement.

SECTION 19. RECORDING OF THIS AGREEMENT. The School District agrees to record this Agreement, at Applicant's expense, within fourteen (14) days after the Effective Date, in the Public Records of Nassau County, Florida.

SECTION 20. ENTIRE AGREEMENT. This Agreement sets forth the entire agreement among the Parties with respect to the subject matter addressed herein, and it supersedes all prior and contemporaneous negotiations, understandings and agreements, written or oral, among the Parties.

SECTION 21. SEVERABILITY. If any provision of this Agreement is declared invalid or unenforceable by a court of competent jurisdiction, the invalid or unenforceable provision will be stricken from the Agreement, and the balance of the Agreement will remain in full force and effect as long as doing so would not affect the overall purpose or intent of the Agreement.

This Agreement and the provisions contained herein shall be construed, controlled, and interpreted according to the laws of the State of Florida and in accordance with the Nassau County Code and venue for any action to enforce the provisions of this Agreement shall be in the Fourth Judicial Circuit Court in and for Nassau County, Florida.

SECTION 23. ATTORNEY'S FEES.
