9) **The following language is added to the Agreement as Section 14 – Florida Specific Language.**

14. Florida Specific Language:

14.1. **Public Records.** To the extent required by the Florida Public Records Act, Chapter 119, Florida Statutes (or its successor rule, as amended), Smarsh shall maintain and allow Client access to Public Records made or received in conjunction with the Agreement. The Agreement may be terminated for cause by Client for Smarsh's refusal to allow access to Public Records. For the purpose of this Agreement, "Public Records" means and includes those items specified in Florida Statutes Section 119.011(12), as amended from time to time, and currently defined as: "[A]ll documents, papers, letters, maps, books, tapes, photographs, films, sound recordings, data processing software, or other material, regardless of the physical form, characteristics, or means of transmission, made or received pursuant to law or ordinance or in connection with the transaction of official business" Public Records under this Agreement include (without limitation) emails exchanged between Smarsh and Client representatives, the terms of this Agreement, all Client invoices, and, if applicable to the Services purchased by Client, supplier and subcontractor invoices and contracts.

14.2. **Third Party Requests.** In the event that Smarsh receives a Public Records request related to the Client, Smarsh will redirect such request back to the Client. Moreover, in the event that a third party submits a Public Records request directly to Smarsh that is related to the Client, Smarsh shall not disclose such records to such third party unless as authorized by applicable law.

14.3. Public Records Access. To the extent required by the Florida Public Records Act, Chapter 119, Florida Statutes (or its successor rule, as amended), Smarsh agrees to:

i. keep and maintain all Public Records made or received in conjunction with the Agreement.

ii. Provide Client with access to all Public Records that are Client Data (via making the Services available to Client) during the Service Term. For the sake of clarity, Public Records maintained by Smarsh outside of the Services will be made available to Client upon written request within a reasonable time and at a cost that does not exceed the cost provided in this chapter or as otherwise provided by law.

iii. During the Service Term of the Agreement Client may, at no additional cost, export records using the standard self-service tools within Services to respond to Public Records requests. In the event of a Public Records request, Client will access such records through the Services in this manner. If instead, the Client requests that Smarsh complete the export on Client's behalf, for records that are available at self-service to Client but Client requests Smarsh complete the export, Smarsh shall provide the Client with a copy of the requested records for export within a reasonable time at a cost that does not exceed Smarsh's then-current hourly professional services rate for data extraction and exportation plus any hardware costs for portable media. For records that are not stored within the Service (i.e., corporate records) and thus not available at self-service to the Client, Smarsh shall provide the public agency with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided by law. All data so provided to Client may be provided in PST, EML, or native format, at Client's option.

iv. Prior to, and for a period of seven (7) days following the expiration or termination of the Agreement, Client may, at no additional cost, export all Public Records from the Services using the standard self-service tools available within Services. If instead, the Client requests that Smarsh complete a full data export on Client's behalf, for records that are available at self-service to Client but Client requests Smarsh complete the export, Smarsh shall provide the Client with a copy of the requested records for export within a reasonable time at a cost that does not exceed Smarsh's then-current hourly professional services rate for data extraction and exportation plus any hardware costs for portable media. For records that are not stored within the Services and thus not available at self-service to the Client, Smarsh shall provide the public agency with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided by law. All data so provided to Client may be provided in PST, EML, or native format, at Client's option. Smarsh will securely delete all Client Data after the termination of the Agreement.

14.4. Except as required by applicable Florida Law, Smarsh is not a public-facing company and does not receive or process Public Records requests on Client's behalf or in connection with Client's Public Records. Client agrees that Client, and not Smarsh, will be responsible for handling all Public Records requests made in connection with Client's Public Records.

14.5. The Agreement may be terminated for cause by Client for Smarsh's refusal to allow access (via Client) to Public Records. Smarsh's failure to comply with the requirements of this Section which leads to a violation by Smarsh of the public records disclosure requirements set for the in section 119.0701, Florida Statutes, shall constitute a breach of this Agreement, provided, that Smarsh has a reasonable opportunity to cure such breach in a timely manner. Additionally, Smarsh's failure to provide the public records to the Client in accordance with this Section within a reasonable time may also be subject to penalties under section 119.10, Florida Statutes.

14.6. After the termination of the Agreement, Smarsh will securely delete and destroy any duplicates of Client Data in accordance with the terms of the Agreement and in a manner that renders such Client Data unrecoverable.
