(11) To exercise within the district, or beyond the district with prior approval by resolution of the governing body of the county if the taking will occur in an unincorporated area or with prior approval by resolution of the governing body of the municipality if the taking will occur within a municipality, the right and power of eminent domain, pursuant to the provisions of Chapters 73 and 74, Florida Statutes, over any property within the state, except municipal, county, state and federal property, for the uses and purposes of the district relating solely to water, sewer, district roads, and water management, specifically including, without limitation, the power for the taking of easements for the drainage of the land of one person over and through the land of another.
