Dear Commission Chairman:

Congress has proclaimed December as National Drunk and Drugged Driving Prevention Month in an effort to increase public awareness of the drunk and drugged driving problem.

Last year, the State of Florida recorded 1,064 alcohol-related traffic fatalities. This was a substantial improvement from the 1,365 alcohol-related fatalities recorded in 1990. Your board of county commissioners contributed to the public's awareness of the DUI problem last year by adopting a Drunk and Drugged Driving Awareness Week resolution. I appreciate your support and urge you and your fellow commissioners to again promote public awareness of the DUI problem by adopting a Drunk and Drugged Driving Prevention Month resolution. A sample resolution is enclosed.

Please send a copy of your county's resolution to the following address:

*Mr. John Ward
Florida Department of Transportation
605 Suwannee Street, MS-17
Tallahassee, Florida 32399-0450*

Mr. Ward will notify the National Highway Traffic Safety Administration of your participation in the Drunk and Drugged Driving Prevention Month effort.

Thank you for your cooperation.

Sincerely,

Frank Carlile, P.E.

Representative
