The Eastgate Preliminary Development Plan incorporates by reference the terms of these PUD Conditions and the Developer’s statements made in the related rezoning application, which collectively set forth the Developer’s written plan of development for the Eastgate PUD, and which are intended to clearly demonstrate that approval of the Eastgate PUD will benefit the community as a whole and fulfill the applicable policies of the Nassau County Comprehensive Plan, and intent of Article 25 of Ordinance 97-19, as amended, the Nassau County Zoning Code (the “Zoning Code”).
 - B. The Developer shall develop the Eastgate PUD in two (2) phases.
 - C. Within one (1) year after approval by the Nassau County Board of County Commissioners of the Eastgate PUD Preliminary Development Plan, the Developer shall submit a final development plan for the Project to the Nassau County Planning and Zoning Board for review and to the Nassau County Board of County Commissioners for approval.

- P. Use of Approved Development Rights: The number of dwelling units assigned to this development shall not be eligible for use on any properties other than those rezoned by this application to create the Eastgate PUD.

III. Justification for Planned Unit Development Classification for this Project and Approval of the Preliminary Development Plan: The proposed project allows for development of the Eastgate PUD for single-family residential uses in a manner that warrants flexibility in the application of land use controls for Nassau County, Florida consistent with the intent of Article 25 of the Nassau County Zoning Code. The project design is in harmony with the general purpose and intent of the Nassau County Comprehensive Plan and the Zoning Code. The design and layout of the Eastgate Planned Unit Development (PUD) requirements:

- A. Is creative in its approach through the use of natural features of the site and its approach to development of the project;
- B. Accomplishes a more desirable environment than would be possible through the strict application of minimum requirements of the Zoning Code;
- C. Provides for an efficient use of the Eastgate PUD, resulting in small, well designed networks of utilities and streets and thereby lowers development costs;
- D. Enhances the appearance of the area through preservation of natural features, the provision of underground utilities where possible, and the provision of recreation and open space areas in excess of existing Zoning Code and subdivision requirements;
- E. Provides an opportunity for new approaches to ownership through implementation of a variety of lot types and styles that will allow opportunities for home ownership by a broad range of individuals;
- F. Provides an environment of stable character compatible with the surrounding areas;
- G. Retains property values over the years and makes a substantial improvement to the quality of development of the Eastgate PUD after the date hereof;
- H. Provide a 60' right of way dedicated to Nassau County for access to the County's proposed regional park from Amelia Concourse to Nassau

County's property line. Additionally the Developer will construct approximately 600' of the roadway and provide funds necessary to complete the construction of this roadway to park site;

- I. The Developer will provide water and sewer stub-outs to the County's proposed regional park.
- J. The Eastgate PUD Preliminary Development Plan which incorporates by reference the terms of these PUD Conditions and the statements made by the Developer in the related rezoning application includes the criteria required for the Nassau County Planning and Zoning Board and the Nassau County Board of County Commissioners to review and approve the Eastgate PUD Preliminary Development Plan.
