

RESOLUTION NO. 22  
STATE OF FLORIDA

COUNTY RESOLUTION ON USE

of

80% OF SEVENTH CENT GASOLINE TAX

and

OTHER SECONDARY ROAD FUNDS

YEAR 1970-1975

COUNTY NASSAU

WHEREAS, under the provisions of Section 208.44 Florida Statutes and Section 9, Article XII Constitution of the State of Florida, the Florida Department of Transportation will receive 80% of this county's pro-rata share of seventh cent gasoline tax and a portion of the surplus of this county's pro-rata share of the 5th and 6th cent gasoline tax to be used within this county; and

WHEREAS, under the provisions of Section 339.08 and Section 339.081 Florida Statutes the expenditure of such funds shall be as prescribed by regulations of the Department and pursuant to a July adopted resolution by this Board of County Commissioners; and

WHEREAS, under the provisions of Section 334.21 Florida Statutes the county is required to submit to the Department of Transportation a plan of work for the construction and maintenance of roads and streets within its jurisdiction for the five-year period beginning July 1, 1970.

NOW THEREFORE BE IT RESOLVED AS FOLLOWS:

1. That the Florida Department of Transportation is hereby requested to use the aforesaid funds for the purposes and projects listed in EXHIBIT "A" attached hereto and made a part hereof and that the Department consider the listed items in accordance with priorities shown and to the extent of available funds in the preparation of its annual program of work for the above listed fiscal year with

the remaining requests constituting a continuing program to be scheduled in accordance with estimated available funds during the succeeding four years.

2. That the actual scheduling of work by the Department on the requested projects be in the order of priorities listed insofar as is practicable, but not to the extent of retarding the whole program or precluding the grouping of similar type projects in one construction contract.

3. That allocations and expenditures of funds by the Department shall not be restricted by any estimate of cost shown herein, and that this board concurs in the use by the Department of any available funds necessary and incidental to making those road projects listed in EXHIBIT "A" fully operating facilities within the termini described in said exhibit, and as shown on the accompanying map.

4. That the methods and standards employed by the Department for the determination of major improvement features, including specific alignment, types and width of pavement, types of materials, and the Department's standard specifications for construction are concurred in and approved by this Board.

STATE OF FLORIDA

COUNTY OF NASSAU

I, D. O.
